Orion Township, established in 1835, became a prosperous agrarian and resort community by the beginning of the 20th century. The village of Lake Orion developed as the center of commerce for township residents and a summer community of tourists and revivalists. What organizations, institutions, special resources, and websites can help me? Where do I write or phone or send e-mail? Once again, Elizabeth Bentley's Address Book answers these questions and more. Now in its 6th edition, *The Genealogist's Address Book* gives you access to all the key sources of genealogical information, providing names, addresses, phone numbers, fax numbers, e-mail addresses, websites, names of contact persons, and other pertinent information for more than 27,000 organizations, including libraries, archives, societies, government agencies, vital records offices, professional bodies, publications, research centers, and special interest groups.
