Packed with surprising
and fascinating
information, London's
Lost Rivers uncovers a
very different side to
London - showing how
waterways shaped our

principal city and
exploring the legacy
they leave today. With
individual maps to
show the course of
each river and over
100 colour
photographs, it's
essential browsing for
any Londoner and the
perfect gift for anyone
who loves exploring
the past... 'An amazing
book' -- BBC Radio
London 'Talling's highly
visual, fact-packed,

waffle-free account is the freshest take we've yet seen. A must-buy for anyone who enjoys the "hidden" side of London -- Londonist 'A fascinating and stylish guide to exploring the capital's forgotten brooks, waterways, canals and ditches ... it's a terrific book' - Walk 'Pocket-sized, beautifully designed, illustrated and informative - in short a joy to read, handle and use' -- ***** Reader review 'Delightful, informative and beautifully produced' -- ***** Reader review 'A small gem. A really great book. I can't put it down' -- ***** Reader review 'Fascinating from start to finish' -- ***** Reader review

**** From the sources of the Fleet in Hampstead's ponds to the mouth of the Effra in Vauxhall, via the meander of the Westbourne through 'Knight's Bridge' and the Tyburn's curve along Marylebone Lane, London's Lost Rivers unearths the hidden waterways that flow beneath the streets of the capital. Paul Talling investigates how these rivers shaped the city - forming borough boundaries and transport networks, fashionable spas and stagnant slums - and how they all eventually gave way to railways, roads and sewers. Armed with his camera, he traces their routes and reveals their often overlooked remains: riverside pubs on the Old Kent Road,

healing wells in King's Cross, 'stink pipes' in Hammersmith and gurgling gutters on streets across the city. Packed with maps and over 100 colour photographs, London's Lost Rivers uncovers the watery history of the city's most famous sights, bringing to life the very different London that lies beneath our feet. [Rick Steves London 2020](#) Rick Steves Growing up in California, Dennis Severs fell in love with the England he saw in old black and white movies. At seventeen he came to London, looking for a home with a heart. In 1979 he found one, a run-down silk-weaver's house in Spitalfields, and over the next twenty years he transformed it into an enchanted time-

capsule, transporting us back to the eighteenth century. From cellar to roof, he filled 18 Folgate Street with original objects and furniture, found in the local markets, lit by candles and chandeliers. More than that, he invented a family to live here, the Jervis family, Huguenot weavers who fled persecution in France in 1688, and bought the house in 1724. Sounds and scents bring their world to life, always just out of sight - floorboards creak, fires crackle, a kettle hisses on the hob. Visitors step through the frame of time, like entering an old master painting. As we move from room to room on a tour you will never forget, we follow the Jervis story from the days of the Georges

and the Regency to harsher Victorian times - and even to the attic room of Scrooge himself.

London Walks: London Stories The History Press

London is a walker's paradise. In 30 original walks, distinguished historian Andrew Duncan reveals the true heart of one of the world's greatest capital cities.

Look Up London

McNidder & Grace

In 1888 the dreaded figure of Jack the Ripper stalked London's East End murdering prostitutes. His crimes set in motion a huge police

operation and have held a dark fascination over the public's imagination for over a century, yet his identity has never been proved. Now, for the first time, two leading Ripper experts have joined forces to treat the case like a police investigation. Drawing on their unparalleled knowledge of the Jack the Ripper murders and their professional experience as police officers, they uncover clues that have remained undetected for over a hundred years. There are five 'canonical' Ripper victims, yet Scotland Yard's 'Whitechapel Murders' files include another six suspected victims. Drawing the reader into the world of police investigation in Victorian London,

Evans and Rumbelow reveal the conflict between the City and Metropolitan forces and the ridicule heaped on the police by the press. Investigating each murder, they conclude that only four of the eleven victims were actually killed by the Ripper. Perhaps most tellingly, they question the motives behind the destruction of evidence – particularly the message 'The Juwes are the men that will not be blamed for nothing', which was chalked on the wall near one murder site and rubbed out on order of the Chief Commissioner – and ask whether the enigmatic Dr Robert Anderson, officer in charge of the investigation, knew the Ripper's true identity.

Jack the Ripper: Scotland Yard Investigates strips away much of the nonsense that has accumulated since 1888 and reopens files on a case that will perhaps never be fully solved but will always fascinate.

_____ The huge word-of-mouth bestseller – completely updated for 2019 THE LONDON THAT TOURISTS DON'T SEE Look beyond Big Ben and past the skyscrapers of the Square Mile, and you will find another London. This is the land of long-forgotten tube stations, burnt-out mansions and gently decaying factories. Welcome to DERELICT LONDON: a realm whose secrets

are all around us, visible to anyone who cares to look . . . Paul Talling – our best-loved investigator of London’s underbelly – has spent over fifteen years uncovering the stories of this hidden world. Now, he brings together 100 of his favourite abandoned places from across the capital: many of them more magnificent, more beautiful and more evocative than you can imagine. Covering everything from the overgrown stands of Leyton Stadium to the windswept alleys of the Aylesbury Estate, DERELICT LONDON reveals a side of the city you never knew existed. It will change the way you see London.

PRAISE FOR

THE DERELICT LONDON PROJECT
 ‘Fascinating images showing some of London’s eeriest derelict sites show another side to the busy, built-up capital.’ Daily Mail
 ‘Talling has managed to show another side to the capital, one of abandoned buildings that somehow retain a sense of beauty.’ Metro
 ‘Excellent . . . As much as it is an inadvertent vision of how London might look after a catastrophe, DERELICT LONDON is valuable as a document of the one going on right in front of us.’ New Statesman
 ‘From the iconic empty shell of Battersea Power Station to the buried ‘ghost’ stations of the London Underground, the city is peppered with decaying buildings.

Paul Talling knows these places better than anyone in the capital.' Daily Express '[London has an] unusual (and deplorable) number of abandoned buildings. Paul Talling's surprise bestseller, DERELICT LONDON, is their shabby Pevsner.' Daily Telegraph

Discover this selection
of the best of Dickens'
Christmas stories and
writings in one
beautiful gift edition.
The ultimate Christmas
present. It is said that
Charles Dickens
invented Christmas,
and within these pages
you'll certainly find all
the elements of a
quintessential
traditional Christmas
brought to vivid life:
snowy rooftops,

gleaming shop windows, steaming bowls of punch, plum puddings like speckled cannon balls, sage and onion stuffing, miracles, magic, charity and goodwill. This beautifully produced Vintage Classics edition gathers together not only Dickens' Christmas Books ('A Christmas Carol', 'The Chimes', 'The Battle of Life', 'The Cricket on the Hearth' and 'The Haunted Man') but also stories that Dickens wrote for the special seasonal editions of his periodicals *All the Year Round* and *Household Words*, and a festive tale from *The Pickwick Papers*. A must-have for Christmas, this edition should be as necessary to your festivities as holly, mistletoe and silver

bells.

London is one of the world's great cities for the visual arts. This book has been put together for everyone curious about London and about the place of modern and contemporary art in it.

It takes you on a walking tour of public works of art created by famous and by less well-known artists. It introduces you to places connected to art - museums and galleries housing great collections, public squares and parks, churches, secular buildings, and sometimes more hidden locations. And it walks you by some of the places where the artists lived, worked, studied, and socialised.

Dickens' London

Moon Travel
Highclere Castle, known as 'the real Downton Abbey' bustles with activity at the best of times, but it is never more alive than at Christmas. Christmas at Highclere is a look behind the scenes at the routines and rituals that make

the castle the most magical place to be throughout the festive season. Lady Carnarvon will guide you through Advent, Christmas preparations and Christmas Eve all the way through to the day itself, and beyond. Learn how the castle and grounds are transformed by decorations, including the raising of a twenty-foot tree in the saloon, the gathering of holly and mistletoe from the grounds. All the intricacies of the perfect traditional Christmas are here: from crackers and carol singers. The festive feeling is carried through to Highclere's Boxing Day traditions, the restorative middle days and the New Year's Eve celebrations. This book also tells the story of

historic Christmases at Highclere - of distinguished guests warming themselves by the fire after a long journey home through the snow, unexpected knocks on the door, and, always, the joy of bringing family - and staff - together after a busy year. As well as telling the stories of Highclere Christmases past and present, Lady Carnarvon provides recipes, tips and inspiration from her kitchen so that readers can bring a quintessentially British festive spirit to their own home. Lady Carnarvon divulges the secret to perfectly flakey mince pies, the proper way to wrap presents so that you and your guests are guaranteed a Christmas to remember. Lavish,

celebratory and utterly enchanting, Christmas at Highclere is a celebration of one of the UK's most beloved historic houses and is the perfect gift for any Downton Abbey fan.
