## JAMIYA KELLEY

*Wedding Planning For Dummies* One World

A modern-day response to *The Giving Tree*, this lyrical picturebook shows how a family passes down love from generation to generation, leaving a legacy of growing both trees and community. Once there was a wide-open field, and a boy who loved his grandmother, who loved him back. The boy's grandmother gives him many gifts, like hugs, and Sunday morning pancakes, and acorns with wild and woolly caps. And all her wisdom about how things grow. As the boy becomes a father, he gives his daughter bedtime stories his grandmother told him, and piggyback rides. He gives her acorns, and the wisdom he learned about how things grow. His daughter continues the chain, then passing down gifts of her own. Here is a picture book about the legacy of love that comes when we nurture living things—be they people or trees.

Do you ever feel confused about what went wrong in your foster or adoption story? Are you fearful about the future of your marriage and your children? Do you ever feel overwhelmed and desperate for help? You are not alone. Many foster and adoptive parents are trying to raise children with complex emotional trauma, desperate for answers to heal their families. Caught off guard, these families find themselves with shattered dreams, shattered homes, and shattered hearts, with nowhere to turn for answers. Extended family members, friends, and the greater community don't understand the challenges and sometimes add to the problems these families face, sometimes prolonging the healing process for all. Attachment disorder is cruel. This book is for the wonderful-hearted people who stepped into adoption with dreams of loving a child to wholeness, only to find that hurting kids sometimes hurt people. This book is for parents who feel overwhelmed, desperate, and depleted. Or for the friend or family member who has watched the the adoption story of their loved one unravel. My family has lived our own version of hope and hell in learning what real love looks like for these children. It took our marriage to the brink, our own personal mental health to its limits, our family to some dark places--but we came out in a brighter place. We surfaced with the support of our community, our dedication to making it, and a whole lot of prayer. Before I was raising kiddos with attachment disorders, I was therapeutically supporting families who were. And now I want to

offer this hope and help to you. *Parenting Children of Trauma* brings you everything I've learned as mama, friend, and counselor, in a new and easy-to-understand way through: Demystifying attachment disorders and the impact of complex emotional trauma on our homes and society. Breaking down current treatment options for attachment disorders. Equipping you with information, strategies, and stories to know you are not alone or powerless in your own home. Resources to help the friend or family member who wants to support adoptive/foster families. Walk with me through understanding trauma to alleviate fear and doubt about who you are, who they are, and what your future holds. Because parenting children of trauma will take you to the lowest parts of your existence, only to raise you back up again with a new resilience, a new freedom, a new compassion, and a whole new framework through which to see and love your child. Whether you're already in this situation, thinking about stepping into it, or know someone who is in it, this book will help you set realistic expectations, redefine love, and walk away with actual tools to change the climate of your heart and your home. What's stopping you from reclaiming your heart, your home, and your hope? If you're ready to live free of shame, full of hope, and safe in your own home, then this is your book.

*Parenting Children of Trauma* Scholastic Inc.

The interactive story of magical beings from another world and how one very special boy came to be, by the New York Times–bestselling author of *The Answer*. Once upon a time, a silly, impossible little Gem named Pink Diamond ran away from her homeworld to the planet Earth. She transformed into Rose Quartz and gave up her existence to create a half-human child, Steven Universe. But so long as Steven has her Gem, can they BOTH exist? Is he her? Is she him? Is she trapped inside his Gem? This is so DISORIENTING! In a story unlike any other—made up of multiple points of view—who gets to tell the Tale of Steven? . . . The official picture-book adaptation of the Steven Universe special “Change Your Mind” by the series creator Rebecca Sugar. “The Tale of Steven is a storybook unlike any other, in an interactive format that tells the same story from multiple viewpoints, inviting the reader to interact with the story as they wish.” —The Hollywood Reporter “Beneath the surface Tale of Steven is a wonderfully smart commentary on bias and perspective, and how different points of view can all color and reframe the same story.” —Gizmodo “Challenging in all the right ways, heartstring-tugging and entertaining.” —Animation Magazine

*Easy Guide to Sewing Skirts* Routledge

Want to know the best way to thwart the ghost that haunts your local convenience store? Or how to crack a top secret code? *Gravity Falls: Dipper's and Mabel's Guide to Mystery and Nonstop Fun!* National Geographic Books

Complete with a state-by-state analysis of the ways in which the class action rules differ from the Federal Rule of Civil Procedure 23, this comprehensive guide provides practitioners with an understanding of the intricacies of a class action lawsuit. Multiple authors contributed to the book, mainly 12 top litigators at the premiere law firm of Fulbright and Jaworski, L.L.P.

*A Christian's Guide to Overcoming Sexual Struggle* New York, Columbia U. P

Between 1840 and 1869, thousands of people crossed the American continent looking for a new life in the West. *Success Depends on the Animals* explores the relationships and encounters that these emigrants had with animals, both wild and domestic, as they traveled the Overland Trail. In the longest migration of people in history, the overlanders were accompanied by thousands of work animals such as horses, oxen, mules, and cattle. These travelers also brought dogs and other companion animals, and along the way confronted unknown wild animals. Ahmad's study is the first to explore how these emigrants became dependent upon the animals that traveled with them, and how, for some, this dependence influenced a new way of thinking about the human-animal bond. The pioneers learned how to work with the animals and take care of them while on the move. Many had never ridden a horse before, let alone hitched oxen to a wagon. Due to the close working relationship that the emigrants were forced to have with these animals, many befriended the domestic beasts of burden, even attributing human characteristics to them. Drawing on primary sources such as journals, diaries, and newspaper accounts, Ahmad explores how these new experiences influenced fresh ideas about the role of animals in pioneer life. Scholars and students of western history and animal studies will find this a fascinating and distinctive analysis of an understudied topic.

*DuckTales: Solving Mysteries and Rewriting History!* Penguin Speranza wears her sweater everywhere, hanging onto the last memories of her birth home, until it's threadbare. Like her unraveled sweater, Speranza must weave together a new story, bringing threads from her past and strands from her present, into a new future of love, family, and the true meaning of home.

*Decoded* Little Hippo

The only instrument that measures behaviors associated with emotionally intelligent leadership *The Emotionally Intelligent Leadership for Students: Inventory* is an evidence-based assessment of the capacities of emotionally intelligent leadership (EIL). Research that spans the globe has demonstrated that there is a relationship between emotional intelligence and leadership. For the second edition, the authors have conducted original

studies, yielding a substantial revision that better reflects the world of emotionally intelligent leadership and will be transformative for students of all backgrounds. First, this 57-item assessment measures how often students engage in behaviors that align with emotionally intelligent leadership. Then, the reflection portion walks students through the process of analyzing and understanding their results, giving them concrete suggestions for how to explore and improve their emotionally intelligent leadership. The inventory reflects 19 EIL capacities supported by recent studies. A section on guided interpretation allows students to determine next steps to help them prepare to become effective leaders. Guidance for reflection and analysis of the results introduces learning opportunities that align with unique learning styles. Use the inventory along with *Emotionally Intelligent Leadership: A Guide for Students* and its Student Workbook for an immersive and transformative educational experience. Students will appreciate the opportunity to learn more about themselves as they reflect on their experiences as learners and their own leadership journeys.

*DeadEndia: The Watcher's Test* FriesenPress

From the creator of Netflix original series *Dead End: Paranormal Park* comes the graphic novel series that started it all! "DeadEndia is immediately appealing with its colorful art, unique setting, and funny jokes, but I especially loved the complicated emotional arcs of the characters and the weird, spooky magic underlying everything!" —Molly Knox Ostertag, creator of *The Witch Boy* "Heart-warming, heartbreaking, heart-pounding, and heartfelt!" —Marika McCoola, *The New York Times* bestselling author of *Baba Yaga's Assistant* Barney Guttman's life has been turned upside down. His family is struggling to fully embrace his trans identity, but thanks to his best friend Norma, he's just landed a job at Phoenix Parks, a Dollywood-esque amusement park inspired by the long life and career of mysteriously youthful actress and singer Pauline Phoenix. Soon, Barney and his dog, Pugsley, secretly move into the haunted house attraction. Little does Barney know, the house contains a portal to the demonic planes of Hell. When Courtney, Barney's devilish new roommate, invites a demon king to Earth through the portal, they offer Barney and Norma as flesh vessels for the king, but in a strange twist, Pugsley is possessed instead! It's a race through the park to save Pugsley—and the world—from the demon king's reign of terror that leaves Pugsley with strange and magical side effects. With all of this chaos going on, Barney is also discovering he has crush on park employee, Logan, so he must face his biggest fear of all... talking to someone he likes. Follow the lives of this diverse group of friends in this hilarious and moving graphic novel series, complete with talking pugs, vengeful ghosts, and first love. Part workplace comedy, part supernatural horror adventure, with a splash of LGBTQ+ romance, *The Watcher's Test* is perfect for fans of author Hamish Steele's TV series *Dead End: Paranormal Park* who are in search of more adventures, for graphic novel lovers who want more diversity in their reads, or simply as an introduction to the zany, creative, and laugh-out-loud funny world of *DeadEndia*.

*Emotionally Intelligent Leadership for Students* University of Nevada Press

"A juicy tale of bad behavior.... Very Nice gets pretty mean—but gloriously so." —Entertainment Weekly Rachel Klein never meant to kiss her creative writing professor, but with his long eyelashes, his silky hair, and the sad, beautiful life he laid bare on Twitter, she does, and the kiss is very nice. Zahid Azzam never planned to become a houseguest in his student's sprawling Connecticut home, but with the sparkling swimming pool, the endless supply of Whole Foods strawberries, and Rachel's beautiful mother, he does, and the home is very nice. Becca Klein never thought she'd

have a love affair so soon after her divorce, but when her daughter's professor walks into her home, bringing with him an apricot standard poodle named Princess, she does, and the affair is ... a very bad idea. Zigzagging between the rarefied circles of Manhattan investment banking, the achingly self-serious MFA programs of the Midwest, and the private bedrooms of Connecticut, *Very Nice* is an audacious, addictive, and wickedly smart take on the way we live now.

The exclusive hardcover edition comes jam packed with limited edition content to be announced soon!

**Success Depends on the Animals** Tate Publishing

This book began, when, as a certified yoga instructor for many years, author Marcy Barbaro noticed that many of her students seemed to believe that they were broken in some way, or not enough. *Beautiful Humans, There's Nothing Wrong with You: Encouragement for the Soul* is an open love letter to anyone who has also felt stuck, lost, or discouraged. It offers a series of personal insights, anecdotes, and experiences designed to guide readers along the path to finding acceptance in who they are and to exploring personal growth. A slim, approachable book packed with poetry, soothing meditations, journaling exercises, humor, and personal questions, *Beautiful Humans* offers the reader a number of entry points to seek comfort and healing. It's also a deeply personal peek into the author's down-to-earth journey of how she discovered the confidence and tools to live to her fullest potential. Whether readers need a little lesson in self-love, personal growth, relationships, or how to achieve happiness and joy, Barbaro delivers practical advice in her thoughtful guide to being your best.

**Hurricane Girl** American Bar Association

When Marcy Gregg awoke from a coma, 13 years had vanished from her memory. She was 30 years old; she thought she was still 17. She didn't recognize the man who introduced himself as her husband. She stared at pictures of the three children they said were hers, trying desperately to remember them, but her mind was blank. Terrified and confused, Marcy did the only thing she could think of: she faked it. She told the doctors she was starting to remember and bluffed her way through visits from friends and family. Against all odds, it worked: she was released to a home, family, and life she should have known intimately—but seemed to be a stranger's. How was she going to pull off the biggest acting challenge imaginable—and would her memories ever return? *Ghost Boy* meets *What Alice Forgot* in this amazing true story of a

woman who lost herself and tried to fight her way back on her own—but who found unexpected beauty in hope, faith, and second chances.

*Marcy's Journal* Abrams

Kids will love this exciting excavation of ancient Egyptian myths as they follow along with the clever Marcy on a quest to save her dad from the belly of the sphinx! Many years have passed since the tale of Arthur and the Golden Rope, and Arthur is now a world-famous adventurer. If only his daughter Marcy shared his enthusiasm for exploration... Determined to bring out Marcy's adventurous side, Arthur sets off to Egypt to bring back the legendary Book of Thoth. When Arthur doesn't return, Marcy must follow in his footsteps. Can she overcome her fears and rescue her father from the clutches of the great Sphinx?

*Adventure Time* Disney Electronic Content

The iconic heroine She-Ra is back! An all-new original chapter book set in the world of *She-Ra and the Princesses of Power* on Netflix. Her mission is to protect Etheria. But she can't do it alone. After the battle of Bright Moon, the Horde army has retreated. But Adora knows they'll soon be back. Now the Princess Council is searching for a way to make the Rebellion stronger. Then they discover a First Ones mural that shows an island full of animals with magical powers. Are these magical creatures real and will they help the Rebellion? Adora and her friends set out on a quest to investigate. But they aren't the only ones on Etheria looking to strengthen their cause. Fans of the *Princess of Power* will be thrilled with this original story set in the world of the *She-Ra* series from Dreamworks on Netflix!
