Real Estate  
MORE PROFIT,  
EFFICIENTLY &  
CONSISTENTLY So  
you've identified that  
owning rental property  
is a smart investment.  
But are you ready to  
become a landlord?  
Many think being a  
landlord is either a  
nightmare filled with  
late-night sewer  
backups and evictions,  
or a cakewalk, as easy  
as watching the rent  
checks flow in. The  
reality is somewhere in  
the middle--but exactly  
where depends on how  
you engineer your  
approach. Over the  
past two decades,  
author Richard  
Sturtevant has  
developed optimized  
systems to lease and  
manage single-family  
rental homes. He  
knows how to  
maximize the potential  
of each unique piece of

real estate while  
minimizing the effort  
required at each phase  
of the rental cycle. The  
results have been clear  
when profits have been  
realized and reinvested  
(without hesitation)  
into more real estate.  
In *Landlord Like an  
Engineer*, you'll learn  
his proven approach  
to: - Optimize your  
rental property to  
maximize your revenue  
potential. - List and  
market your property  
to attract great  
tenants. - Scrutinize  
the tenant selection  
process. - Handle  
inspections, damages,  
security deposits, and  
evictions to avoid  
headaches. - Leverage  
technology and  
specifics in your lease  
agreements for  
efficiency. - Vet and  
retain the most  
essential contractors. -  
Manage a short-term

rental property, which is more like running a hotel. - Hire a property manager to save time and increase profits. - And more! If you've realized that being a landlord has both incredible potential and mind-numbing pitfalls, *Landlord Like an Engineer* is your practical guide for success and profit.

**Leases & Rental Agreements** Zyrus Press

Whether you already own income property or you're looking to start investing, the idea of being a landlord can be daunting. Repairing leaks at 2am, background checking new tenants and handling security deposits aren't enjoyable, but they're necessary parts of the job. Unless, that is, you hire a professional

property manager. Even hiring a manager can be intimidating, though - how can you be sure you'll find the right person to take care of such a valuable asset? This guide will help you through the process of locating prospective managers, evaluating them and selecting the right one. *Finding Your Property Manager* covers: - Whether you should hire a property manager - Finding prospective property managers - Interviewing and evaluating managers - The property management contract- Property manager duties

**Practical Property Management**

Bradford Publishing Company  
"The New York Landlord's Law Book"

explains New York landlord-tenant law in comprehensive, understandable terms, and gives landlords the tools they need to head off problems with tenants and government agencies alike.

Tenants Rights vs. Slumlords Property Code Property Management Kit For Dummies  
Educational tool for California brokers, agents, landlords, resident managers and attorneys. The objective of this book is to fully inform the reader of federal, state, and local landlord/tenant rights and obligations. This book examines and applies the rules of leasing and renting for both residential and nonresidential income properties using

sample case studies throughout the book. Included, with an explanation for their use, are all the forms and notices required by California law to establish leasing and management agencies: how to create, alter and terminate tenancies, and how to preserve rent obligations for later enforcement after evictions. These forms fully reflect the most up-to-date relevant codes, judicial decisions and practices.

*Practical Apartment Management* Dearborn Real Estate RENTAL MANAGEMENT MADE EASY! It's not impossible!! This book is a practical step by step guide to managing rental properties...How to Manage Property

Profitably \$\$\$ How to Avoid "Bad" Tenants, How to Receive Rent on Time, How to Handle Security Deposits, How to Keep Accurate Financial Records, How to Maintain Tenant History Records, How to Help keep Expenses within Reason, Sample Forms for All Purposes, Beginning with how to safely & effectively "show" a house through credit checks, leasing & inspections, the author takes the reader by the hand & shows how to do it so the owner lessens the chance of "getting burned". Writing as an experienced property manager, the author not only knows how to manage rental properties effectively, but gives the reasons behind each step of the process. But the

biggest BONUS of all is the sample forms in the book which readers are given permission to reproduce or adapt to their needs. These forms include applications, house inspection sheets, late rent notices, sample lease clauses, "moving out" letter, bookkeeping forms for single property owners & multiple property owners & many others. Practical experience offered in everyday terms smooths the way for non-professional property managers. State by State Advantage Media Group Buildium's Property Management Accounting teaches basic accounting concepts with property management specifically in mind. **The Landlord's Law**

**Book: Rights and responsibilities**

McGraw-Hill Education  
In this book you'll gain a clear blueprint, using concise, comprehensive, and basic principles of best practice when it comes to property management.

Designed for the Canadian Landlord, Property Manager and Real Estate Investor, this book will help you learn what happy property managers know regarding advertising, tenants, leasing, inventories, maintenance and more! This book is a must have for any individual starting off in real estate investing or looking to expand their real estate portfolio.

**Michigan Court Rules** Trafford Publishing

Every California landlord and property manager should have this book--which covers everything they need to know about deposits, leases and rental agreements, inspections, habitability, discrimination, and rent control. It provides 25 tear-out forms and agreements, including rental applications, leases and rental agreements, 3-day and 30-day notices, sample letters, and more.

Property Management  
Accounting John Wiley  
 & Sons  
 Real estate  
 professionals are  
 frequently hired by real  
 estate investors to  
 provide professional  
 management services  
 during the holding  
 period between  
 acquisition and  
 disposition of a  
 property. Real estate  
 brokers, who specialize  
 in buying and selling  
 properties, may handle  
 the acquisition and  
 disposition of the  
 asset; however, a  
 property management  
 specialist is needed to  
 properly manage the  
 asset during the  
 holding period. In fact,  
 management of the  
 property during the

holding period is the most critical factor in the overall success of the investment. Property managers are usually paid a percentage of the gross collected rents each month, so the income stream is more predictable than real estate brokerage commissions. For this reason, many real estate professionals are attracted to the property management business because of the steady income. The book investigates the day-to-day life of a property manager which includes everything from showing the property to prospective tenants, to signing lease agreements and performing tenant walk-thru inspections. Types of property managers are

examined, along with property management plans and property management agreements. Tenant screening and finding prospective tenants are explored, along with lease agreements, security deposits, and tenant management issues--which include lease terminations and evictions. Records management, cost controls, and office procedures are studied to determine the best ways to increase profits for the property owner. Preventive, corrective, cosmetic, emergency, and deferred maintenance is covered in-light of their importance to profits during the holding period. Specific property types are investigated and include: single-family rental properties,

condominium rentals, multi-unit residential properties, leased investments, and specialty properties.

No matter how great you are at finding good rental property deals, you could lose everything if you don't manage your properties correctly! But being a landlord doesn't have to mean middle-of-the-night phone calls, costly evictions, or daily frustrations with ungrateful tenants. Being a landlord can actually be fun IF you do it right. That's why Brandon and Heather Turner put together this comprehensive book that will change the way you think of being a landlord forever. Written with both new and

experienced landlords in mind, *The Book on Managing Rental Properties* takes you on an insider tour of the Turners' management business, so you can discover exactly how they've been able to maximize their profit, minimize their stress, and have a blast doing it! Inside, you'll discover: - The subtle mindset shift that will increase your chance at success 100x! - Low-cost strategies for attracting the best tenants who won't rip you off. - 7 tenant types we'll NEVER rent to--and that you shouldn't either! - 19 provisions that your rental lease should have to protect YOU. - Practical tips on training your tenant to pay on time and stay long term. - How to take the pain and

stress out of your bookkeeping and taxes. - And much more!

### **The California Landlord's Law Book**

Simon and Schuster  
From the author of the real estate investment bible *Buy It, Rent It, Profit!* comes a fresh guide to teach new and aspiring landlords how to go from managing a single rental property to successfully managing a large rental portfolio. In his first book, real estate expert Bryan Chavis created the ultimate how-to guide for buying and managing rental properties, with practical, realistic ways to build lasting, long-term wealth. Now, he takes his acclaimed program one step further. *The Landlord Entrepreneur* shifts the focus from dealing

exclusively with residential real estate to building a dynamic property management business. By following the step-by-step instructions in this new guide, anyone can create a fully functioning, professional property management company in only ten days. With Chavis's modern take on real estate, you will learn the five phases of property management and the skills needed to successfully move through them—as well as the hacks and tricks to build your profitable business from the ground up. Full of smart, practical business advice, *The Landlord Entrepreneur* is the only guide you need to become a successful property manager in today's real estate market.

The most comprehensive -- and easiest to use -- guide to California residential property management available. Every California landlord and residential property manager needs "The California Landlord's Law Book: Rights &

Responsibilities." The definitive guide for over 20 years, it clearly and comprehensively covers everything you need to know about: security deposits leases and rental agreements inspections liability lead paint discrimination rent control satellite dishes and more The book provides you with all the forms you need as tear-outs and on CD-ROM, including rental applications; leases and rental agreements 3-, 30-, 60- and 90-day notices -- and much more. The 13th edition includes up-to-date landlord-tenant laws and forms, including new rules for terminating a tenancy. It also has updated rent control charts for 15 cities. All forms included as tear-outs

and on CD-ROM. Also available: "California Landlord's Law Book: Evictions" Landlord Like an Engineer NOLO This text provides a flexible, current and practical overview of the field for real estate practitioners. Topics covered include: professional property management, property management economics and planning, managing owner relations, marketing management, managing leases, lease negotiations, tenant relations, and environmental issues. Property Management, 6th Edition holds all the tools needed for success in today's competitive and ever-changing environment. Within this book one will find up-to-the-

minute information and advice on key issues affecting the industry. Also included is a useful collection of the property manager's "tools of the trade" in the form of numerous charts, agreements, leases and checklists. Plus, each chapter wraps up with an open-ended case study that challenges to explore a real-life management problem, while testing knowledge of that chapter's key points.

*Residential Property Management for Managers* Trump University

The landlord's essential guide to residential rental law *Landlord's Legal Kit For Dummies* is a comprehensive guide to the laws and legalities of renting property. This one-stop legal reference provides both guidance

and the correct forms that help landlords avoid tenant issues, which could lead to legal ramifications. From screening potential tenants to handling your own insurance and taxes, you'll find expert insight in this easy-to-read style that simplifies complex legal matters into understandable terms. The book includes access to all the needed legal forms in both English and Spanish, and contains current information about applicable codes, ordinances, and policies across the country. Landlords have a responsibility to provide a safe, fully operational home for their tenants, and oversights can result in major court settlements. As a

landlord, you need to know what the law requires of you. You also need to understand your rights, and the actions available to you when the tenant is in the wrong. This resource brings you up to speed, with the most current information about residential rental property law. The book covers privacy rights, domicile laws, paperwork, and more. Features up-to-date lease forms and contracts available for download online Provides information about applicant screening questionnaires and anti-discrimination policies Includes state and local building codes, health ordinances, and landlord-tenant laws Instructs you how to

handle breach of lease situations and evictions There's even guidance on hiring a lawyer to protect your assets, property, and rights. Ignorance of the law is no excuse in court, and it frequently leads to misunderstandings that can hurt your wallet and your reputation. Before you lease another property, get all your ducks in a row with the essential instruction and tools in Landlord's Legal Kit For Dummies.
