The Alcalde National Geographic Books

Two siblings set off for adventure in the untamed wilds... of their own backyard. Pairing a serious text with charming illustrations that show the mundane truth of the kids' adventurous roaming, *Children of the Forest* is an ode to imaginative play and the wild fun you can have while staying close to home. We are wild. We are children of the forest. We were raised by wolves. Grabbing a bow and quiver, a kid sets off, toddler sister in tow, to live off the land-- in the expanses of their own backyard. First, they sneak past their snoozing father to pilfer supplies from the refrigerator, but only what they need. After that, they're utterly on their own. Out in these uncharted spaces they encounter many dangers, from a ferocious mountain lion (a house cat) to a hulking canine beast (their dog). When the sun dips low, they make a camp complete with defenses to ward off predators. Matt Myers's cool self-serious text is juxtaposed with whimsical art depicting the playful antics of backyard life, making for a tale full of delight for imaginative children.

My Vanishing Country The AlcaldeAs the magazine of the Texas Exes, The Alcalde has united alumni and friends of The University of Texas at Austin for nearly 100 years. The Alcalde serves as an intellectual crossroads where UT's luminaries - artists, engineers, executives, musicians, attorneys, journalists, lawmakers, and professors among them - meet bimonthly to exchange ideas. Its pages also offer a place for Texas Exes to

swap stories and share memories of Austin and their alma mater. The magazine's unique name is Spanish for "mayor" or "chief magistrate"; the nickname of the governor who signed UT into existence was "The Old Alcalde."Columbus Pizza

"Delightful pen-and-ink illustrations enhance this outstanding volume of children's poetry. From 'Caterpillar Kids' to 'Meatball Maniacs,' the poems are funny, clever and hip" Cf. Our choice, 2003.

For nearly a century Columbus, Ohio pizza parlors have served up delicious meals by the tray and by the slice. This history goes back to the 1930s, when TAT Ristorante began serving pizza. Today, it is the oldest family-owned restaurant in the city. Over the years, a specific style evolved guided by the experiences and culinary interpretations of local pizza pioneers like Jimmy Massey, Romeo Sirij, Tommy Iacono, Joe Gatto, Cosmo Leonardo, Pat Orecchio, Reuben Cohen, Guido Casa and Richie DiPaolo. The years of experimentation and refinement culminated in Columbus being crowned the pizza capital of the USA in the 1990s. Author and founder of the city's first pizza tour Jim Ellison chronicles one of the city's favorite foods.

Children of the Forest Appetite by Random House

Are you frustrated that your body has not completely healed yet? You WILL heal. Are you struggling with the fact that you can never eat gluten again? You WILL come to terms with it. Do you dread going out to eat because of fear? You WILL enjoy meals out again. Do you feel like your life is consumed

by this disease? You WILL learn to live with it. They say that life is not about what happens to you, but how you react to what happens to you. That, to me, is the key to adjusting to this insidious disease. You can let it beat you or you can fight it back. This book is all about taking the fight to celiac disease. And winning the battle.

In this “evocative first novel,” an elderly woman looks back on the world of revolutionary Cuba as she recalls her intimate, secret love affair with Ernesto “Che” Guevara (Publishers Weekly). A young Cuban woman has been searching in vain for details of her birth mother. All she knows of her past is that her grandfather fled the turbulent Havana of the 1960s for Miami with her in tow, and that pinned to her sweater—possibly by her mother—were a few treasured lines of a Pablo Neruda poem. These facts remain her only tenuous links to her history, until a mysterious parcel arrives in the mail. Inside the soft, worn box are layers of writings and photographs. Fitting these pieces together with insights she gleans from several trips back to Havana, the daughter reconstructs a life of her mother, her youthful affair with the dashing, charismatic Che Guevara and the child she bore by the enigmatic rebel. Loving Che is a brilliant recapturing of revolutionary Cuba, the changing social mores, the hopes and disappointments, the excitement and terror of the times. It is also an erotic fantasy, a glimpse into the private life of a mythic public figure, and an exquisitely crafted meditation on memory, history, and storytelling. Finally, Loving Che is a triumphant unveiling of how the stories we tell about others ultimately become the story of ourselves. “A moving novel from a writer to watch.” —Publishers Weekly “Inventive and hypnotic . . . [An] artful and restless examination of the exile soul.” —Los Angeles Times “[Menendez] captures Cuba’s potential, its desperation and decay, and also its dark humor.” —The New York Times “The writing is consistently beautiful. Highly recommended.” —Library Journal

Organized at the turn of the century in northeast New Mexico, Dawson grew into one of the Southwest's major coal producers. It was once a bustling town of more than 6,000 people. Run by the Phelps Dodge Corporation, Dawson also became a place that was different than any other company town. Coal Town tells the story of the ordinary people of Dawson, it follows the town's rough-and-tumble beginnings through its glory years just before World War I. It tracks the community's struggles during the Depression, and, finally, its demise in 1950.

At the height of her journalism career, more than one million households across the country knew her name and her face. Her reportage on human suffering and triumph captivated viewers, and with it Vanessa Govender shot to fame as one of the first female Indian television news reporters in South Africa. Always chasing the human angle of any news story, Govender made a name for herself by highlighting stories that included the grief of a mother clutching a packet filled with the fragments of the broken bones of her children after they'd been hacked to death by their own father, and another story where she celebrated the feisty spirit of a little girl who was dying of old age, while holding onto dreams that would never be realised. Yet Govender, a champion for society's downtrodden, was hiding a shocking story of her own. In Beaten But Not Broken, she finally opens up about her deepest secret - one that so nearly ended her career in broadcast journalism before it had barely kicked off. She was a rookie reporter at the SABC in 1999. He was a popular radio disc jockey, the darling of the SABC's Lotus FM, a radio station catering to nearly half a million Indian people across South Africa. They were the perfect pair, or so it seemed. And if anyone suspected the nature of the abusive relationship, Govender says, she doesn't believe they knew the full extent of the horror that the popular DJ was inflicting on this intrepid journalist. The bruising punches, the cracking slaps, and the relentless episodes filled with beatings, kicking and strangling were as ferocious as the emotional and verbal abuse he hurled at her. No one would know the brutal and graphic details of Govender's story ... until now. In Beaten But Not Broken, this Indian woman does the unthinkable, maybe even the unforgiveable, in breaking the ranks of a close-knit conservative community to speak out about her five-year-long hell in this abusive relationship. Her story also lays bare her heart-breaking experiences as a victim of childhood bullying and being ostracised by some in her community for being a dark-skinned Indian girl. Govender tells a graphic story of extreme abuse, living with the pain, and ultimately of how she was saved by her own relentless fighting spirit to find purpose and love. This is a story of possibilities and hope; it is a story of a true survivor.

In this follow-up to the IACP award-winning, New York Times best-selling cookbook Genius Recipes, Food52 is back with the most beloved and talked-about desserts of our time (and the under-the-radar gems that will soon join their ranks)—in a collection that will make you a local legend, and a smarter baker to boot. IACP AWARD WINNER • Featured as one of the best and most anticipated fall cookbooks by the New York Times, Eater, Epicurious, The Kitchn, Kitchen Arts & Letters, Delish, Mercury News, Sweet Paul, and PopSugar. Drawing from her James Beard Award-nominated Genius Recipes column and powered by the cooking wisdom and generosity of the Food52 community, creative director Kristen Miglore set out to unearth the most game-changing dessert recipes from beloved cookbook authors, chefs, and bakers—and collect them all in one indispensable guide. This led her to iconic desserts spanning the last century: Maida Heatter’s East 62nd Street Lemon Cake, François Payard’s Flourless Chocolate-Walnut Cookies, and Nancy Silverton’s Butterscotch Budino. But it also turned up little-known gems: a comforting Peach Cobbler with Hot Sugar Crust from Renee Erickson and an imaginative Parsnip Cake with Blood Orange Buttercream from Lucky Peach, along with genius tips, riffs, and mini-recipes, and the lively stories behind each one. The genius of this collection is that Kristen has scouted out and rigorously tested recipes from the most trusted dessert experts, finding over 100 of their standouts. Each recipe shines in a different way and teaches you something new, whether it’s how to use unconventional ingredients (like Sunset’s whole orange cake), how to make the most of brilliant methods (roasted sugar from Stella Parks), or how to embrace stunning simplicity (Dorie Greenspan’s three-ingredient cookies). With photographer James Ransom’s riveting images throughout, Genius Desserts is destined to become every baker’s go-to reference for the very best desserts from the smartest teachers of our time—for all the dinner

parties, potlucks, bake sales, and late-night snacks in between.

New York Times Bestseller What J. D. Vance did for Appalachia with Hillbilly Elegy, CNN analyst and one of the youngest state representatives in South Carolina history Bakari Sellers does for the rural South, in this important book that illuminates the lives of America’s forgotten black working-class men and women. Part memoir, part historical and cultural analysis, My Vanishing Country is an eye-opening journey through the South's past, present, and future. Anchored in in Bakari Seller’s hometown of Denmark, South Carolina, Country illuminates the pride and pain that continues to fertilize the soil of one of the poorest states in the nation. He traces his father’s rise to become, friend of Stokely Carmichael and Martin Luther King, a civil rights hero, and member of the Student Non-Violent Coordinating Committee (SNCC) , to explore the plight of the South’s dwindling rural, black working class—many of whom can trace their ancestry back for seven generations. In his poetic personal history, we are awakened to the crisis affecting the other “Forgotten Men & Women,” who the media seldom acknowledges. For Sellers, these are his family members, neighbors, and friends. He humanizes the struggles that shape their lives: to gain access to healthcare as rural hospitals disappear; to make ends meet as the factories they have relied on shut down and move overseas; to hold on to precious traditions as their towns erode; to forge a path forward without succumbing to despair. My Vanishing Country is also a love letter to fatherhood—to Sellers' father, his lodestar, whose life lessons have shaped him, and to his newborn twins, who he hopes will embrace the Sellers family name and honor its legacy.

A masterclass in the civil rights movement from one of the legendary activists who led it. Compiled from his original lecture notes, Julian Bond’s Time to Teach brings his invaluable teachings to a new generation of readers and provides a necessary toolkit for today’s activists in the era of Black Lives Matter and #MeToo. Julian Bond sought to dismantle the perception of the civil rights movement as a peaceful and respectable protest that quickly garnered widespread support. Through his lectures, Bond detailed the ground-shaking disruption the movement caused, its immense unpopularity at the time, and the bravery of activists (some very young) who chose to disturb order to pursue justice. Beginning with the movement’s origins in the early twentieth century, Bond tackles key events such as the Montgomery bus boycott, the Little Rock Nine, Freedom Rides, sit-ins, Mississippi voter registration, the Sixteenth Street Baptist Church Bombing, the March on Washington, the Civil Rights Act, Freedom Summer, and Selma. He explains the youth activism, community ties, and strategizing required to build strenuous and successful movements. With these firsthand accounts of the civil rights movement and original photos from Danny Lyon, Julian Bond’s Time to Teach makes history come alive.
