The Unprecedented Tell-All Guide Through the Intricacies of Executive Recruitment The single greatest opportunity that an organization has to improve both performance and culture in one stroke lies in the hiring of a new executive—the right executive. The fresh thinking of a skilled leader has the potential to unleash innovation, empower employees, and generate wealth for the company. Similarly, a bad hire may mortally wound the organization and cause ripple effects throughout the entire economy. Hiring Greatness contains valuable insider strategies and tactics—previously only known to a handful of America's wealthiest, elite head-hunters—to attract, recruit, and retain star executives. Authors David E. Perry and Mark J. Haluska have completed more than 1800 search projects across five continents, maintaining a 99.97% success rate, and negotiating more than \$380 million in salaries. Like magicians unveiling the hidden 'tricks of the trade,' Perry and Haluska reveal: How to

systematically secure—and retain—the perfect talent for your company How to keep recruiters from poaching your star executives (a good hire is relatively meaningless if they leave the company) Twenty-three questions you must ask a potential headhunter The language that makes your company the most compelling, and how HR lingo can repel the best talent Four critical turnoffs that drive great candidates away from top companies One company created \$3.8 million of market value each hour, for six months, simply by hiring the right leader. Hiring Greatness takes you behind the scenes of one of the world's most profitable and secretive industries, meticulously showing how any organization can make monumental hiring decisions that lead to massive success. *Recruiter Journal* John Wiley & Sons

If you follow this path with me in the book, you will learn what principles the recruitment guru professes, and you will be able to use my insights and experience to create your own start-up. There are two checklists waiting for you in the appendix at the end of the book.
