You Are Looking Live! is about the genesis, success and magic of a live television show that in 1975 captured the excitement of the country, and launched four magnetic personalities to stardom: Brent Musburger, Phyllis George, Irv Cross and Jimmy The Greek Snyder. It was truly a piece of Americana. It was the first NFL studio show to go live and the first to have both a Black and female co-host. Those four

personalities battled each other and the competition, and America loved them for it. This is the story of how Brent, Phyllis, Irv and Jimmy got there, their drama and front-page headlines, and what happened to them after the magic ended. Those headlines included Brent and The Greek's famous fight at Peartrees, Phyllis first marrying the man who produced The Godfather, then dropping him after two months for the next governor of Kentucky, and the shocking firing of Musburger on April Fool's Day, 1990. America had never seen a show like this before. On the East Coast and the Midwest, people would literally rush home from church to hear

what they had to say, and on the West Coast fans loved waking up to it. The NFL Today became so popular that it not only dominated the ratings, but also won its timeslot 18 straight years, from 1975 to 1993, until CBS lost its NFL package to Fox. And today, looking back, these four personalities, like any family, had their own battles, and became even more famous for them.

While the story of the reintegration of professional football in 1946 after World War II is a topic that has been covered, there is a little-known aspect of this integration that has not been fully explored. After World War II and up until the mid- to late 1960s, professional football teams scheduled numerous

preseason games in the South. Once African American players started dotting the rosters of these teams, they had to face Jim Crow conditions. Early on, black players were barred from playing in some cities. Most encountered segregated accommodations when they stayed in the South. And when African Americans in these southern cities came to see their favorite black players perform, they were relegated to segregated seating conditions. To add to the challenges these African American players and fans endured, professional football gradually started placing franchises in still-segregated cities as early as 1937, culminating with the new AFL placing franchises in Dallas and Houston in 1960. That same year, the NFL followed suit by placing a franchise

in Dallas. Now, instead of just visiting a southern city for a day or so to play an exhibition game, African American players that were on the rosters of these southern teams had to live in these still segregated cities. Many of these players, being from the North or West Coast, had never dealt with de jure or even de facto Jim Crow laws. Early on, if these African American players didn't "toe the line" or fought back (via contract disputes, interracial relationships, requesting better living accommodations in the South, protesting segregated seating, etc.), they were traded, cut, and even blackballed from the league. Eventually, though, as the civil rights movement gained steam in the 1950s and 1960s, African American players were able to protest the conditions in the South with

success. Much of what happened in professional football during this time period coincided with or mirrored events in America and the civil rights movement.

We enjoy the blessing of life the moment we wake up in the morning and are able to breathe air, to be around family and friends, to smell the flowers, to go for a walk, to travel near or far, and to see a sunset and stars at night. But living is much more than being alive. God created us with a purpose and He has given us a gift to use and share with others. There is no better time to do so than now. In *Live Your Life Now*, author George T. Smiling not only discusses why you were created but he also deals with the factors that will help you

become the person you were meant to be. Through using biblical stories and Scriptures, mixed with personal testimonies from the lives of others and his own, he encourages you to stop making excuses and to start taking action while you have time to do so. You will find the simple outline and this easy-to-read book to be both a blessing and inspiration.

After five major concussions, NFL tight-

end Ben Utecht of the Indianapolis Colts and Cincinnati Bengals is losing his memories. This is his powerful and emotional love letter to his wife and daughters—whom he someday may not recognize—and an inspiring message for all to live every moment fully. Ben Utecht has accumulated a vast treasure of memories: tossing a football in the yard with his father, meeting his wife, with whom he'd build a loving partnership and bring four beautiful daughters into the world, writing and performing music, catching touchdown passes from quarterback Peyton Manning, and playing a Super Bowl Championship watched by ninety-three million people. But the game he has built his living on, the game he fell in love with as a child, is taking its toll in a

devastating way. After at least five major concussions—and an untold number of micro-concussions—Ben suffered multiple mild traumatic brain injuries that have erased important memories. Knowing that his wife and daughters could someday be beyond his reach and desperate for them to understand how much he loves them, he recorded his memories for them to hold on to after his essential self is gone. *Counting the Days While My Mind Slips Away* chronicles his remarkable journey from his early days throwing a football back and forth with his father to speaking about the long-term effects of concussions before Congress, and how his faith keeps him strong and grounded as he looks toward an uncertain future. Ben recounts the experiences that have

shaped his life and imparts the lessons he's learned along the way. Emotionally powerful, inspiring, and uplifting, Ben's story will captivate and encourage you to make the most of every day and treasure all of your memories.

The Everything Kids' Football Book, 7th Edition Grove/Atlantic, Inc.

"An ambitious, remarkably frank" chronicle of the Philadelphia Eagles' bid for the NFL championship by the #1 New York Times–bestselling author (Kirkus Reviews). In 1992, the Philadelphia Eagles—a team assembled in the image of their iconoclastic, controversial former head coach, Buddy Ryan—were known for their ferocious defense led by Reggie White, Seth Joyner, and Andre Waters, and for the otherworldly talents of quarterback Randall Cunningham. Now

was the time for the Eagles' campaign for the championship. But as the season progressed, it disintegrated into an ugly flurry of greed, racism, violence, personal and professional feuds, one tragic death, and a very wild face-off in the stands between a player's wife and mistress. By midseason, the sentiment of both fans and press was the same: "shut up and play." Told through the personal stories of the teammates themselves, as well as the coaches, managers and owner, Bringing the Heat spares nothing—and no one—in "a phenomenal feat of reportage, perfect for football fans coast to coast" (H. G. Bissinger, author of *Friday Night Lights*). "Overflows with stories of pro football dreams, of bravery in the face of injury. Yet it also unflinchingly tells of the

darker side of life in the NFL: uncontrollable egos, ruined families, marital infidelity.” —The New York Times Book Review “There are now four mandatory books on football: Dan Jenkins’s *Semi-Tough*; George Plimpton’s *Paper Lion*; H. G. Bissinger’s *Friday Night Lights*, and the hilarious, incorrigible son of them all, Mark Bowden’s *Bringing the Heat*.” —Michael Bamberger, *Sports Illustrated*

NFL placekicking has an extensive history, from the early days of the dropkick, to the placekick, to kicking barefoot, to soccer style kicking. Each season, approximately 30 percent of all games in pro football are won by field goals. Field goals and extra points account for 20 percent of the league’s

yearly total points. This book discusses all aspects of NFL placekicking in historical perspective: the effectiveness of different kicking styles; the use of artificial turf and the development of domed stadiums as they relate to placekicking accuracy; individual kickers who helped to change the way a football is kicked; the mental aspects of the skill, so vital to a kicker’s success; the development of the square-toe kicking shoe used by straight-on kickers to make better contact with the ball; changes in goal posts and the shape of the ball; and the fine points of centering, blocking and holding for the kicker.

English. Ready Set Go Books, an Open Hearts Big Dreams Project, is focused on increasing the literacy rate in Ethiopia through giving readers books with stories in their heart languages, full of colorful illustrations with Ethiopian settings and details. Profits from books sales will be used to create, print, and distribute more Ready Set Go Books to kids in Ethiopia, Africa's second most populous country. Ethiopia's population is 44% children, ages 0-14 (43 million out of 97 million total). Only 5.5% of children attend pre-school or kindergarten, and the adult literacy rate is 49%. Our books are based on wise Ethiopian sayings that often rhyme in Amharic. If an adult says the first half, many children can chant the second half. Sometimes the meaning of these

sayings is clear. Sometimes it has to be puzzled out and argued over. But sayings and idioms and proverbs help people express truths and beliefs in unusual ways. Open Hearts Big Dreams Fund (OHBD) is a 501(3)(c) not for profit organization that believes the chance to dream big dreams should not depend on where in the world you are born. Our focus is to support nonprofit organizations and their programs that provide literacy, K-12 education, and leadership as well as that support the parents and communities where the kids live, in Ethiopia.

In the half-century since its birth, as Sports Illustrated grew from a struggling start-up to America's preeminent sports magazine, one thing has remained constant: the commitment to great storytelling. That part of the magazine's mission has always been easy to define: Identify the most compelling sports stories of our time and get the best writers in the business to tell them. This book brings together a lineup of writing talent worthy of the Hall of Fame and the classic stories they produced for Sports Illustrated over the past 50 years. Many of the writers whose work is collected here are longtime favorites of SI readers (Frank Deford, Rick Reilly, Steve Rushin, Gary Smith). Others are former SI staffers or contributors who left the fold, but not before making an indelible mark

on SI's history (Dan Jenkins, Rick Telander, Mark Kram, Roy Blount Jr., William Nack). There are celebrated journalists (A.J. Liebling, Jimmy Breslin, George Plimpton), screenwriters (Budd Schulberg and Kenny Moore), renowned novelists (Thomas McGuane, Pete Dexter, Wallace Stegner, Don DeLillo) and even a couple of Nobel Prize winners in literature (William Faulkner and John Steinbeck). The stories themselves are a mirror of our times. Included in this volume are accounts of some of the most memorable athletic feats of our era (Secretariat's Belmont victory, the Thrilla in Manila, and Bobby Thomson's shot heard round the world). Profiles of the towering athletic figures of our time (Bill Russell and Wilt Chamberlain, Ted Williams and Johnny Unitas). Good guys

(Yogi Berra and Harry Caray) and bad guys (Sonny Liston and Mike Tyson). The fast (Roger Bannister) and the furious (Dick Butkus). The ridiculous (Howard Cosell) and the sublime (Josh Gibson). And the stories that simply touch our hearts and inspire us (Frank Deford's masterpiece on light heavyweight champ Billy Conn). This is the very best of the world's best sports magazine ³/₄ and it just doesn't get any better than that.

Following a season with incredible highs and heartbreaking lows, the Philadelphia Eagles went on to do what fans had all but written off as impossible: for the first time in the franchise's history, Philly won a Super Bowl. Philadelphia Inquirer Eagles beat reporter Zach Berman takes

fans on a journey through the action-packed season -- from the preseason and midseason player pickups that shaped a championship team to the gut-wrenching injury of star quarterback Carson Wentz through to the bold play calling and nail-biting moments in Super Bowl LII, in which the Eagles bested the favored-to-win New England Patriots. A book unique in its scope and insight thanks to Berman's on-the-ground reporting, *Underdogs* will detail the unlikely story that captured national attention; explain how the team resonated among a desperate fan base that waited 57 years for a championship; and even delve into the players' social activism during a particularly political NFL season. With a foreword by beloved Philadelphia radio announcer Merrill

Reese and an 8-page full-color photo insert, it's the perfect keepsake item for anyone who bleeds green. During his six years covering the Birds, Berman has developed relationships with some of the most notable characters that led the team to Super Bowl victory. In *Underdogs*, he'll explain why Nick Foles contemplated retirement on his way to winning Super Bowl MVP. He'll detail Howie Roseman's journey to NFL executive of the year after being cast aside by former coach Chip Kelly. He'll show Malcolm Jenkins' journey to team captain, how Chris Long's life changed in a Tanzania hotel bar, why Eagles kicker Jake Elliott didn't consider football until he was chosen at random at a high school pep rally, and where Carson Wentz ate dinner the night before he left

for the NFL Draft. These more obscure stories offer incredible context and depth to an already fascinating story of success against the odds.

“Jon Dorenbos is a magical person. Life Is Magic shows how we can all choose

happiness in the face of overwhelming odds.” —Ellen DeGeneres An extraordinary and empowering story of resilience, forgiveness, and living a life of purpose in the face of unfathomable obstacles. You might recognize him as an NFL All-Pro or as an elite magician who made the finals of America’s Got Talent and regularly appears on The Ellen DeGeneres Show. But Jon Dorenbos says that what he does is not who he is. Who he is is someone forced, at the most tender of ages, to coach himself into turning tragedy to triumph. One morning in August 1992, when Jon was twelve years old and living a seemingly idyllic childhood in suburban Seattle, he woke up for baseball camp. His dad waved good-bye. Later that day, Jon heard the news: his father had murdered

his mother in the family's three-car garage. In an instant, his life had shattered. He'd been essentially orphaned. Thrust into foster care while his father stood trial for murder, Jon struggled. Left to himself, he discovered an unlikely escape performing magic tricks. If you found a way to alter your reality after your dad—your hero—killed your mom, wouldn't you cling to it too? Then came football, which provided a release for all of Jon's pent-up anger. Together, magic and football saved him, leading to fourteen NFL seasons on the gridiron and raucous sleight-of-hand performances to packed houses across the globe. In 2017, after being traded to

the New Orleans Saints, Jon was diagnosed with a life-threatening heart condition. He had a choice: break down, or—as he'd long by now taught himself—bounce back. “Talk to yourself, don't listen to yourself,” Dorenbos advises for those moments when the inner voice of self-doubt screams. In *Life Is Magic*, Dorenbos draws a road map for how to shut that voice up by choosing happiness. At his darkest times, he writes, he's learned lessons of love, forgiveness, and perseverance. His story is poignant and powerful, told by a charismatic and optimistic man who has overcome life-or-death challenges with grace, persistence, a childlike sense of wonder...and jaw-dropping card tricks.
