GALVAN LEWIS

A Boob's Life Hal Leonard Corporation

A simple, no nonsense guide to essay writing. This compact book is suitable for students of all ages.

Our Lady of 121st Street Crown

Overlook is the story of five dysfunctional neighbors, denizens of a blue-collar community whose lives become entangled around the "missing" son of a local dry-cleaning magnate. Can an elderly sex-offender, an abusive veteran, a troubled teenage boy, a girl who sells pain pills, and a listless, bumbling stoner band together against the external forces that threaten their quietly broken lives? No. And so sex, betrayal, death—even masturbation ensue, changing life for those on Overlook Road forever.

Dogwinks Ten Speed Press

A Boob's Life explores the surprising truth about women's most popular body part with vulnerable, witty frankness and true nuggets of American culture that will resonate with everyone who has breasts—or loves them. Author Leslie Lehr wants to talk about boobs. She's gone from size AA to DDD and everything between, from puberty to motherhood, enhancement to cancer, and beyond. And she's not alone—these are classic life stages for women today. At turns funny and heartbreaking, *A Boob's Life* explores both the joys and hazards inherent to living in a woman's body. Lehr deftly

blends her personal narrative with national history, starting in the 1960s with the women's liberation movement and moving to the current feminist dialogue and what it means to be a woman. Her insightful and clever writing analyzes how America's obsession with the female form has affected her own life's journey and the psyche of all women today. From her prize-winning fiction to her viral New York Times Modern Love essay, exploring the challenges facing contemporary women has been Lehr's life-long passion. *A Boob's Life*, her first project since breast cancer treatment, continues this mission, taking readers on a wildly informative, deeply personal, and utterly relatable journey. No matter your gender, you'll never view this sexy and sacred body part the same way again.

"I'd rather have one or two of his whiplashing essays in my hands than almost any tome of philosophy". -- Thomas Moore

The History of Stand-Up Hal Leonard Publishing Corporation

New York Times bestselling author, superstar comedian, and Hollywood box office star Kevin Hart turns his immense talent to the written word in this "hilarious but also heartfelt" (Elle) memoir on survival, success, and the importance of believing in yourself. The question you're probably asking yourself right now is: What does Kevin Hart have that a book also has? According to the three people who have seen Kevin Hart and a book in the same room, the answer is clear: A book is compact. Kevin Hart is compact. A book has a spine that holds it together. Kevin Hart has a spine that holds him together. A book has a beginning. Kevin Hart's life uniquely qualifies him to write this book by also having a beginning. It begins in North Philadelphia. He was born an accident, unwanted by his parents. His father was a drug addict who was in and out of jail. His brother was a crack

dealer and petty thief. And his mother was overwhelmingly strict, beating him with belts, frying pans, and his own toys. The odds, in short, were stacked against our young hero. But Kevin Hart, like Ernest Hemingway, J.K. Rowling, and Chocolate Droppa before him, was able to defy the odds and turn it around. In his literary debut, he takes us on a journey through what his life was, what it is today, and how he's overcome each challenge to become the man he is today. And that man happens to be the biggest comedian in the world, with tours that sell out football stadiums and films that have collectively grossed over \$3.5 billion. He achieved this not just through hard work, determination, and talent. "Hart is an incredibly magnetic storyteller, on the page as he is onstage, and that's what shines through [in this] genial, entertaining guide to a life in comedy" (Kirkus Reviews). [The New Preceptor, Or, Young Lady's & Gentleman's True Instructor in the Rudiments of the English Tongue](#) Prestel Publishing

Throughout her long and storied life, Rachel "Bunny" Mellon's greatest passion was garden design. She and her husband, Paul Mellon, one of the wealthiest men in America, maintained homes in New York, Cape Cod, Nantucket, Antigua, and Upperville, Virginia, and she designed the gardens at all of them. She also designed gardens for some of her dearest friends, including the Rose Garden and the East Garden at the White House, at the request of President Kennedy, and the gardens at both the Paris home and the chateau of couturier Hubert de Givenchy. All of these gardens are featured in *The Gardens of Bunny Mellon*, illustrated with Mellon's own garden plans, sketches, and watercolors, as well as with archival photographs and specially commissioned photographs of Oak Spring, the Mellon estate in Upperville. Author Linda Holden's text is based on extensive interviews with Mellon before her death in 2014.

So, You're Crazy Too? Doubleday UK

Part comedy of manners, part treasure hunt, the first novel from the writer whom David Sedaris calls "perfectly, relentlessly funny" Kezia, Nathaniel, and Victor are reunited for the extravagant wedding of a college friend. Now at the tail end of their twenties, they arrive completely absorbed in their own lives—Kezia the second-in-command to a madwoman jewelry designer in Manhattan; Nathaniel the former literary cool kid, selling his wares in Hollywood; and the Eeyore-esque Victor, just fired from a middling search engine. They soon slip back into old roles: Victor loves Kezia. Kezia loves Nathaniel. Nathaniel loves Nathaniel. In the midst of all this semi-merriment, Victor passes out in the mother of the groom's bedroom. He wakes to her jovially slapping him across the face. Instead of a scolding, she offers Victor a story she's never even told her son, about a valuable necklace that disappeared during the Nazi occupation of France. And so a madcap adventure is set into motion, one that leads Victor, Kezia, and Nathaniel from Miami to New York and L.A. to Paris and across France, until they converge at the estate of Guy de Maupassant, author of the classic short story "The Necklace." Heartfelt, suspenseful, and told with Sloane Crosley's inimitable spark and wit, *The Clasp* is a story of friends struggling to fit together now that their lives haven't gone as planned, of how to separate the real from the fake. Such a task might be possible when it comes to precious stones, but is far more difficult to pull off with humans.

[Letters to an Incarcerated Brother](#) Holt Paperbacks

At the age of 44, renowned comedian Richard Lewis found himself on a gurney in the ER, toxic with alcohol, and hallucinating from excess cocaine use. The same neuroses and dysfunctions that had been the basis for his successful stage persona and inspired his best material had, it seemed, turned on him. How he got there, how he finally got on the road to recovery, and how he copes with being Richard Lewis sober on a daily basis are the subjects of this very funny, deeply honest, inspiring, but very untreatly book. USA Today called it "candid and inspirational.... A journey through Lewis' personal Inferno to eventual salvation."

[The Tacos of Texas](#) Plume

NEW YORK TIMES BESTSELLER • In these hilarious essays, the Saturday Night Live head writer and Weekend Update co-anchor learns how to take a beating. "I always wanted to punch his face before I read this book. Now I just want to kick him in the balls."—Larry David NAMED ONE OF THE BEST BOOKS OF THE YEAR BY *Cosmopolitan* • *Vulture* • *Parade* If there's one trait that makes someone well suited to comedy, it's being able to take a punch—metaphorically and, occasionally, physically. From growing up in a family of firefighters on Staten Island to commuting three hours a day to high school and "seeing the sights" (like watching a Russian woman throw a stroller off the back of a ferry), to attending Harvard while Facebook was created, Jost shares how he has navigated the world like a slightly smarter Forrest Gump. You'll also discover things about Jost that will surprise and confuse you, like how Jimmy Buffett saved his life, how Czech teenagers attacked him with potato salad, how an insect laid eggs inside his legs, and how he competed in a twenty-five-man match at *WrestleMania* (and almost won). You'll go behind the scenes at SNL and Weekend Update (where he's written some of the most memorable sketches and jokes of the past fifteen years). And you'll experience the life of a touring stand-up comedian—from performing in rural college cafeterias at noon to opening for Dave Chappelle at Radio City Music Hall. For every accomplishment (hosting the Emmys), there is a setback (hosting the Emmys). And for every absurd moment (watching paramedics give CPR to a raccoon), there is an honest, emotional one (recounting his mother's experience on the scene of the Twin Towers' collapse on 9/11). Told with a healthy dose of self-deprecation, *A Very Punchable Face* reveals the brilliant mind behind some of the dumbest sketches on television, and lays bare the heart and humor of a hardworking guy—with a face you can't help but want to punch.

Rich Kids: a History of Shopping Malls in Tehran Crown

A paradigm shift in understanding the mechanics and art of comedy, providing practical tools that help writers translate that understanding into successful, commercial scripts. Kaplan deconstructs secrets and techniques in popular films and TV that work and don't work, and explains what tools were used (or should have been used).

Letters at 3am Hachette Books

D.L. Hughley calls it like he sees it, discussing everything from dating to former president Barack Obama with sharp, thoughtful commentary "The best book since *The Hunger Games*. First he was a King of Comedy; now he's the king of comedy authors."—Chris Rock The American dream is in dire need of a wake-up call. A f*cked up society is like an addict: if you are in denial, then things are going to keep getting worse until you hit bottom. According to D. L. Hughley, that's the direction in which America is headed. In *I Want You to Shut the F*ck Up*, D.L. explains how we've become a nation of fat sissies playing *Chicken Little*, but in reverse: The sky is falling, but we're supposed to act like everything's fine. D.L. just points out the sobering facts: there is no standard of living by which we are the best. In terms of life expectancy, we're 36th—tied with Cuba; in terms of literacy, we're 20th—behind Kazakhstan. Things are bad now and they're only going to get worse. Unless, of course, you sit down, shut the f*ck up, and listen to what D. L. Hughley has to say. *I Want You to Shut the F*ck Up* is a slap to the political senses, a much needed ass-kicking of the American sense of entitlement. In these pages, D. L. Hughley calls it like he sees it, offering his hilarious yet insightful thoughts on: • Our supposedly post-racial society • The similarities between America the superpower and the drunk idiot at the bar • Why apologizing is not the answer to controversy, especially when you meant what you said • Why civil rights leaders are largely to blame for black people not being represented on television • And more!

Homicide NewSouth Books

"A compelling, important addition to Hill Harper's bestselling series, inspired by the numerous young inmates who write to him seeking guidance After the publication of the bestselling *Letters to a Young Brother*, accomplished actor and speaker Hill Harper began to receive an increasing number of moving letters from inmates who yearned for a connection with a successful role model. With disturbing statistics on African-American incarceration on his mind (one in six black men were incarcerated as of 2001, and one in three can now expect to go to prison some time in their lifetimes), Harper set out to address the specific needs of inmates. A powerful message from the heart, *Letters to an Incarcerated Brother* provides advice and inspiration in the face of despair along with encouraging words for restoring a sense of self-worth. As the founder of *Manifest Your Destiny*, a nonprofit outreach program for at-risk teens, Harper has seen firsthand the transformative effect of mentorship and the power of a positive role model. This latest addition to Hill Harper's *Letters* series delivers visionary, compassionate responses to the real-life circumstances of inmates. As with the other *Letters* books, Harper includes moving contributions from top educators, activists, thought leaders, and entertainers. Uplifting and insightful, *Letters to an Incarcerated Brother* provides the hope and inspiration inmates and their families need!"--

[The Adventures of the Gray Hat Hacker](#) Harper Collins

While the cameras rolled and the fictional plotline for *Days of Our Lives* unfolded each day, Glorinda Loring was quietly wrestling with her own real-life dramas—the diagnosis of her young son's diabetes, the unraveling of her marriage, and a nagging inner voice from childhood that told her something was wrong.

[Mezcal and Tequila Cocktails](#) Post Hill Press

A call to represent the Christian faith honestly, consistently, and without apology.

Simon and Schuster

Today's top stand-up comedians sell out arenas, generate millions of dollars, tour the world, and help shape our social discourse. So, how did this all happen? The *History of Stand-Up* chronicles the evolution of this American art form - from its earliest pre-vaudeville practitioners like Artemus Ward and Mark Twain to present-day comedians of HBO and Netflix. Drawing on his acclaimed *History of Stand-up* podcast and popular university lectures, veteran comedian and adjunct USC professor Wayne Federman guides us on this fascinating journey. The story has a connective tissue - humans standing on stage, alone, trying to get laughs. That experience connects all stand-ups through time, whether it's at the Palace, the Copacabana, the Apollo, Mister Kelly's, the hungry i, Grossinger's, the Comedy Cellar, the Improv, the Comedy Store, Madison Square Garden, UCB, or at an open mic in a backyard.

[Drivebys](#) Health Communications, Inc.

Indulge your thirst for new ways to enjoy tequila and mezcal with 60+ recipes for agave cocktails from a James Beard Award-nominated author and New York Times spirits writer. From riffs on classics such as the Mezcal Mule and Oaxaca Old-Fashioned to new favorites such as Naked and Famous or Smoke and Ice, discover how to use mezcal and tequila to create cocktails in nearly every classic cocktail formula—from flip to sour to highball—that highlight the smoky, edgy flavors of these unique and popular spirits. Robert Simonson, author of *The Old-Fashioned* and *The Martini Cocktail*, covers a broad range of flavors with doable, delicious recipes that are easy to assemble, most only requiring three or four ingredients. This comprehensive, straightforward guide is perfect for tequila and mezcal enthusiasts looking for creative ways to enjoy agave spirits more often and in more varied ways—or for anyone who just likes to drink the stuff.

Curb Your Enthusiasm and Philosophy Avery

From the creator of HBO's *The Wire*, the classic book about homicide investigation that became the basis for the hit television show *The Wire* The scene is Baltimore. Twice every three days another citizen is shot, stabbed, or bludgeoned to death. At the center of this hurricane of crime is the city's homicide unit, a small brotherhood of hard men who fight for whatever justice is possible in a deadly world. David Simon was the first reporter ever to gain unlimited access to a homicide unit, and this electrifying book tells the true story of a year on the violent streets of an American city. The narrative follows Donald Worden, a veteran investigator; Harry Edgerton, a black detective in a mostly white unit; and Tom Pellegrini, an earnest rookie who takes on the year's most difficult case, the brutal rape and murder of an eleven-year-old girl. Originally published fifteen years ago, *Homicide* became the basis for the acclaimed television show of the same name. This new edition—which includes a new introduction, an afterword, and photographs—revives this classic, riveting tale about the men who work on the dark side of the American experience.

The Americana Annual Simon and Schuster

As a reality TV stalwart and one of the original stars of what's become a massive franchise, Amber Portwood has been the subject of media curiosity and public scrutiny for almost thirteen years of her life—since the age of seventeen. Throughout the years, Amber has struggled with up to five severe mental disorders that, especially when grouped together, would bring even the heartiest among us to their knees. Currently serving out her five years of probation for a widely publicized fight with the father of her son, Amber has been on a rollercoaster of experiences since she famously emerged

from prison almost eight years ago. Now, she is finally ready to share the painful and emotional journey that has brought her to the more stable and productive life she's leading today. This book chronicles Amber's journey with painstaking specificity, as she takes the reader through her harrowing battle with mental illness. Her story serves as a triumphant tale of rebirth, as Amber finally conquers her demons and begins her road to a healthy
