ABOUT THE BOOK:The Chandogya Upanisad: The culture it reflects is remote and archaic, the texture of its ritualistic and contemplative symbolism thick and dense--virtually a closed book for

us moderns. A sustained self-submitting attentiveness, howeve

The Big Cheat Simon and Schuster

This volume critically analyzes the multiple lives of the "gamer" in India. It explores the "everyday" of the gaming life from the player's perspective, not just to understand how the games are consumed but also to analyze how the gamer influences the products' many (virtual) lives. Using an intensive ethnographic approach and in-depth interviews, this volume situates the practice of gaming under a broader umbrella of digital leisure activities and foregrounds the proliferation of gaming as a new media form and cultural artifact; critically questions the term gamer and the many debates surrounding the gamer tag to expand on how the gaming identity is constructed and expressed; details participants' gaming habits, practices and contexts from a cultural perspective and analyzes the participants' responses to emerging industry trends, reflections on playing practices and their relationships to friends, communities and networks in gaming spaces; and examines the offline and online spaces of gaming as sites of contestation between developers of games and the players. A holistic study covering one of the largest video game bases in the world, this volume will be of great interest to scholars and researchers of cultural studies, media

and communication studies and science and technology studies, as well as be of great appeal to the general reader.

MONOGAMY HAS MET ITS MATCH When it comes to scoring on the side, this book is your best friend. Comedians Bill Burr, Joe DeRosa, and Robert Kelly have experienced the rich pleasures and unspeakable risks of romantic infidelity, and survived to tell their tales. Now, they impart all the wisdom, advice, and humor they picked up along the way, including how to: * Wipe away your shame and guilt—and get smart before you get hard * Conduct your filth with the right chick, in the right place, at the right time * Take an hour to shower and scour—and fight your worst enemy: glitter * Explain a strange scrunchy, hair extension, or pair of earrings to your girl * Navigate strip clubs, massage parlors, and women of the night Lie like a woman—and call it quits without getting caught Featuring ten true stories from men who've lived the life and a link to watch Burr, DeRosa, and Kelly's hilarious short film of the same name, Cheat is a wickedly smart field guide to philandering that will revolutionize your game.

for helping find my money. Of course, I told my mom and sister about Professor Skye, but they thought this was more of my pretending. More of my stories. Just because I liked to make things up, Mom sometimes found it hard believing me. Oh, I'd tell the truth all right, but then I'd add some make-believe to make the truth even better. If I took extra long before getting something done, it was because the clocks got tired and slowed down to take a rest. "Tell me another story that's a little closer to the truth," my Mom would say. "One that I won't have such a hard time believing." So I'd take out some of the make-believe, even though the story was never near as good. But not this time. Professor Skye had been real!

This work is a thorough and unique documentation of the conceptual universe expressed through the typologically highly interesting Zaiwa language of the Jingpo minority in China.

A Dictionary of Thoughts Basic Books (AZ)

Ario is a Cheat: somebody who designs and sells Cheat Codes to Gamerunners. Rick and Pir are Gamerunners: people who try to win their fortune by playing The Maze, the interactive computer

game that is so much more than an ordinary computer game. MazeCheat is set in a futuristic city scape where acid rain permanently falls. But despite the dreary surroundings there is a something that enables everybody to escape their everyday life. And that is The Maze, the interactive computer game where you don't just play the game onscreen,you physically enter the world. Once in, you play - run, fight, avoid traps, choose your weapons - as if you are actually there. The hold of the game on everybody's minds means that the company behind it, CRATER, is all-powerful. But CRATER have a game expansion that is sinister to the extreme. In their new game, if you finally manage to beat it, it takes your brain and in particular your memories, to use as material for new games, for new Gamerunners, leaving you an empty shell. Except no one knows that yet. And when something terrible happens to Pir in The Maze, Ario and Rick need to try to destroy this terrible expansion of the game that kills. But the all-seeing CRATER is also onto them and time is running out . . .
