Life, the Universe and Everything

Gramercy

Don't Panic: collected together in the Hitchhiker's Guide Trilogy are the five titles that comprise Douglas Adams' wildly popular comedy science fiction series, with a special introduction from the author himself. The Hitchhiker's Guide to the Galaxy One Thursday lunchtime the Earth gets unexpectedly demolished to make

way for a new hyperspace bypass. For Arthur Dent, who has only just had his house demolished that morning, this seems already to be more than he can cope with. Sadly, however, the weekend has only just begun, and the Galaxy is a very very very large and startling place. The Restaurant at the End of the Universe When all questions of space, time, matter and the nature of being have been resolved, only one question remains - 'Where shall we have dinner?' The Restaurant at the End of the Universe provides the ultimate gastronomic experience, and for once there is no

morning after to worry about. Life, the Universe and Everything In consequence of a number of stunning catastrophes, Arthur Dent is surprised to find himself living in a hideously miserable cave on prehistoric Earth. However, just as he thinks that things cannot possibly get any worse, they suddenly do. He discovers that the Galaxy is not only mind-bogglingly big and bewildering but also that most of the things that happen in it are staggeringly unfair. So Long, and Thanks for All the Fish Just as Arthur Dent's sense of reality is in its dickiest state he suddenly finds the girl of his

dreams. He finds her in the last place in the Universe in which he would expect to find anything at all, but which 3,976,000 people will find oddly familiar. They go in search of God's Final Message to His Creation and, in a dramatic break with tradition, actually find it. Mostly Harmless Arthur Dent has settled down on the small planet Lamuella and has embraced his role as a Sandwich Maker. However, his plans for a quiet life are thrown awry by the unexpected arrival of his daughter. There's nothing worse than a frustrated teenager with a copy of the Hitchhiker's Guide to the Galaxy in their hands. When she runs away, Arthur goes after her determined to save her from the horrors of the universe. After all - he's encountered most of them before . . .

Mostly Harmless Pan Macmillan

This outrageous volume contains six zany, out-of-this-world adventure stories by this incomparable novelist. From the very first to the very latest—all best sellers—includes *The Hitchhiker's Guide to the Galaxy*; *The Restaurant at the End of the Universe*; *Life, the Universe and Everything*, *So Long and Thanks for all the Fish*; *Young Zaphod Plays it Safe*; and

Mostly Harmless. 768 pages.

The Hitchhiker's Guide to the Galaxy Little, Brown

'One of the greatest achievements in comedy. A work of staggering genius' - David Walliams Gorgeous 42nd Anniversary gift edition of Douglas Adams's pop-culture classic, *The Hitchhiker's Guide to the Galaxy*, stunningly illustrated throughout by Costa Award-winner Chris Riddell. It's an ordinary Thursday lunchtime for Arthur Dent until his house gets demolished. The Earth follows shortly afterwards to make way for a new hyperspace express route, and Arthur's best friend has just announced that he's an alien. At this moment, they're hurtling through space with nothing but their towels and a book inscribed in large, friendly letters: DON'T PANIC. The book is *The Hitchhiker's Guide to the Galaxy* and the weekend has only just begun . . . Douglas Adams's mega-selling pop-culture classic sends logic into orbit, plays havoc with physics and twists time, but most importantly it's very, very funny.

The Hitchhiker's Guide to the Galaxy Hachette Books

In one complete volume, here are the five classic novels from Douglas Adams's beloved Hitchhiker series. Now celebrating the pivotal 42nd anniversary of *The Hitchhiker's Guide to the Galaxy*, soon to be a Hulu original series! *The Hitchhiker's Guide to the Galaxy* (Nominated as one of America's best-loved novels by PBS's *The Great American Read*) Seconds before the Earth is demolished for a galactic freeway, Arthur Dent is saved by Ford Prefect, a researcher for the revised Guide. Together they stick out their thumbs to the stars and begin a wild journey through time and space. *The Restaurant at the End of the Universe* The moment before annihilation at the hands of warmongers is a curious time to crave tea. It could only happen to the cosmically displaced Arthur Dent and his comrades as they hurtle across the galaxy in a desperate search for a place to eat. *Life, the Universe and Everything* The unhappy inhabitants of planet Krikkit are sick of looking at the night sky- so they plan to destroy it. The universe, that is. Now only five individuals can avert Armageddon: mild-mannered Arthur Dent and his stalwart crew. *So Long, and Thanks for All the Fish* Back on Earth,

Arthur Dent is ready to believe that the past eight years were all just a figment of his stressed-out imagination. But a gift-wrapped fishbowl with a cryptic inscription thrusts him back to reality. So to speak. Mostly Harmless Just when Arthur Dent makes the terrible mistake of starting to enjoy life, all hell breaks loose. Can he save the Earth from total obliteration? Can he save the Guide from a hostile alien takeover? Can he save his daughter from herself? Includes the bonus story “Young Zaphod Plays It Safe” “With droll wit, a keen eye for detail and heavy doses of insight . . . Adams makes us laugh until we cry.”—San Diego Union-Tribune “Lively, sharply satirical, brilliantly written . . . ranks with the best set pieces in Mark Twain.”—The Atlantic

Don't Panic Macmillan

This beautifully illustrated edition of the New York Times bestselling classic celebrates the 42nd anniversary of the original publication—with all-new art by award-winning illustrator Chris Riddell. SOON TO BE A HULU SERIES • “An astonishing comic writer.”—Neil Gaiman Nominated as one of America’s best-loved novels by PBS’s The Great American Read

It’s an ordinary Thursday morning for Arthur Dent . . . until his house gets demolished. The Earth follows shortly after to make way for a new hyperspace express route, and Arthur’s best friend has just announced that he’s an alien. After that, things get much, much worse. With just a towel, a small yellow fish, and a book, Arthur has to navigate through a very hostile universe in the company of a gang of unreliable aliens. Luckily the fish is quite good at languages. And the book is The Hitchhiker’s Guide to the Galaxy . . . which helpfully has the words DON’T PANIC inscribed in large, friendly letters on its cover. Douglas Adams’s mega-selling pop-culture classic sends logic into orbit, plays havoc with both time and physics, offers up pithy commentary on such things as ballpoint pens, potted plants, and digital watches . . . and, most important, reveals the ultimate answer to life, the universe, and everything. Now, if you could only figure out the question. . . . The Hitchhiker's Guide to the Galaxy Omnibus Crown Archetype First a legendary radio series, then a bestselling book, now a blockbuster movie, the immensely successful Hitch Hiker's

Guide to the Galaxy needs no introduction. Reissued to coincide with the film's release, this hardback omnibus edition include all five parts of the trilogy, incorporating for the first time, Mostly Harmless, along with a guide to the guide and essential notes on how to leave the planet. This single hardback edition is indispensable for any would-be galactic traveller and for old and new fans of Douglas Adams, Doctor Who and bestselling science fiction books. National Geographic Books March 1978 saw the first ever transmission of Douglas Adams' The Hitchhiker's Guide to the Galaxy on BBC Radio 4; the beginning of a cult phenomenon. March 2020 marks the 42nd anniversary of that first transmission - 42 being the answer, of course, to the Ultimate Question of Life, the Universe, and Everything. To mark the occasion, Pan Macmillan are bringing back into print The Hitchhiker's Guide to the Galaxy: The Original Radio Scripts with a brand-new introduction from Simon Jones. The collection also includes the previously 'lost' Hitchhiker script from the 25th anniversary edition, 'Sheila's Ear' and the

original introductions by producer Geoffrey Perkins and Douglas Adams. This collection, which is a faithful reproduction of the text as it was first published in 1985, features all twelve original radio scripts – Hitchhiker as it was written and exactly as it was broadcast for the very first time. They include amendments and additions made during recordings and original notes on the writing and producing of the series by Douglas Adams and Geoffrey Perkins. For those who have always loved Douglas Adams, as well as for his new generation of fans, these scripts are essential reading and a must-have piece of Adams memorabilia. This special anniversary edition will sit alongside reissued eye-catching editions of the five individual Hitchhiker books coming in May 2020: The Hitchhiker's Guide to the Galaxy, The Restaurant at the End of the Universe, Life, the Universe and Everything, So Long, and Thanks for All the Fish and Mostly Harmless.

Fahrenheit 451 Pan MacMillan

A phenomenon across all formats, this 42nd anniversary omnibus contains the complete Hitchhiker's Guide trilogy in five parts, charting the whole of Arthur Dent's

odyssey through space and time. Share and enjoy. Collected together in this omnibus are the five titles that comprise Douglas Adams' wildly popular and wholly remarkable comedy science fiction 'trilogy', introductions to each book, expanded material from the Douglas Adams archives plus a bonus short story, Young Zaphod Plays It Safe, and a special undeleted scene . . . The Hitchhiker's Guide to the Galaxy One Thursday lunchtime the Earth gets unexpectedly demolished to make way for a new hyperspace bypass. For Arthur Dent, who has only just had his house demolished that morning, this seems already to be rather a lot to cope with. Sadly, however, the weekend has only just begun. The Galaxy may offer a mind-boggling variety of ways to be blown up and/or insulted, but it's very hard to get a cup of tea. The Restaurant at the End of the Universe When all questions of space, time, matter and the nature of being have been resolved, only one question remains - 'Where shall we have dinner?' The Restaurant at the End of the Universe provides the ultimate gastronomic experience, and for once there is no

morning after to worry about. Life, the Universe and Everything Following a number of stunning catastrophes, Arthur Dent is surprised to find himself living in a hideously miserable cave on prehistoric Earth. However, just as he thinks that things cannot get possibly worse, they suddenly do. An eddy in the space-time continuum lands him, Ford Prefect, and their flying sofa in the middle of the cricket ground at Lord's, just two days before the world is due to be destroyed by the Vogons. Escaping the end of the world for a second time, Arthur, Ford, and their old friend Slartibartfast embark (reluctantly) on a mission to save the whole galaxy from fanatical robots. Not bad for a man in his dressing gown. So Long, and Thanks for All the Fish There is a knack to flying. The knack lies in learning how to throw yourself at the ground and miss. It's not an easy thing to do, and Arthur Dent thinks he's the only human who's been able to master this nifty little trick - until he meets Fenchurch, the woman of his dreams. Fenchurch once realised how the world could be made a good and happy place. Unfortunately, she's forgotten. Convinced that the secret

lies within God's Final Message to His Creation, they go in search of it. And, in a dramatic break with tradition, actually find it . . . Mostly Harmless Arthur Dent has settled down on the small planet Lamuella and has embraced his role as a Sandwich Maker. However, his plans for a quiet life are thrown awry by the unexpected arrival of his daughter. There's nothing worse than a frustrated teenager with a copy of the Hitchhiker's Guide to the Galaxy in their hands. When she runs away, Arthur goes after her determined to save her from the horrors of the universe. After all - he's encountered most of them before. This publishing phenomenon began as a radio drama and now exists in a number of wildly contradictory versions (including a TV series, a movie and a towel) - this version, produced by Douglas Adams' original publisher, is, at least, definitively inaccurate.

The Ultimate Hitchhiker's Guide to the Galaxy Harmony

Chronicles the journeys, notions, and acquaintances of reluctant galactic traveler Arthur Dent, accompanied by never-before-published material from the late author's archives as well as commentary by famous fans.

The Original Hitchhiker's Guide to the Galaxy Radio Scripts Del Rey

Arthur Dent finds himself enlisted to prevent a galactic war. In consequence of a number of stunning catastrophes, Arthur Dent is surprised to find himself living in a hideously miserable cave on prehistoric

Earth. However, just as he thinks that things cannot get possibly worse, they suddenly do. He discovers that the Galaxy is not only mind-bogglingly big and bewildering but also that most of the things that happen in it are staggeringly unfair.

The Ultimate Hitchhiker's Guide to the Galaxy Del Rey

The #1 New York Times–bestselling author’s “hilarious . . . idiosyncratic . . . delightful” and definitive companion to a global phenomenon (Publishers Weekly). Douglas Adams’s “six-part trilogy,” *The Hitchhiker’s Guide to the Galaxy* grew from a blip of a notion into an ever-expanding multimedia universe that amassed an unprecedented cult of followers and became an international sensation. As a young journalist, Neil Gaiman was given complete access to Adams’s life, times, gossip, unpublished outtakes, and files (and became privy to his writing process, insecurities, disillusionments, challenges, and triumphs). The resulting volume illuminates the unique, funny, dramatic, and improbable chronicle of an idea, an incredibly tall man, and a mind-boggling

success story. In *Don’t Panic*, Gaiman celebrates everything Hitchhiker: the original radio play, the books, comics, video and computer games, films, television series, record albums, stage musicals, one-man shows, the Great One himself, and towels. And as Douglas Adams himself attested: “It’s all absolutely devastatingly true—except the bits that are lies.” Updated several times in the thirty years since its original publication, *Don’t Panic* is available for the first time in digital form. Part biography, part tell-all parody, part pop-culture history, part guide to a guide, *Don’t Panic* “deserves as much cult success as the Hitchhiker’s books themselves” (Time Out).

The Ultimate Hitchhiker's Guide to the Galaxy Pan Macmillan

Five stories by Douglas Adams.

The Hitchhiker's Guide to the Galaxy Illustrated Edition Macmillan

Contains the complete, unedited scripts from the original BBC "Hitchhiker Radio Show," as broadcast in the U.S. on National Public Radio.

The Ultimate Hitchhiker's Guide to the

Galaxy Del Rey

Doctor Who and the Krikkitmen Del Rey

The books that we choose to keep -- let alone read -- can say a lot about who we are and how we see ourselves. In *My Ideal Bookshelf*, dozens of leading cultural figures share the books that matter to them most; books that define their dreams and ambitions and in many cases helped them find their way in the world.

Contributors include Malcolm Gladwell, Thomas Keller, Michael Chabon, Alice Waters, James Patterson, Maira Kalman, Judd Apatow, Chuck Klosterman, Miranda July, Alex Ross, Nancy Pearl, David Chang, Patti Smith, Jennifer Egan, and Dave Eggers, among many others. With colorful and endearingly hand-rendered images of book spines by Jane Mount, and first-person commentary from all the contributors, this is a perfect gift for avid readers, writers, and all who have known the influence of a great book.

So Long, and Thanks for All the Fish

Random House Value Publishing

“A fitting eulogy to the master of wacky words and even wackier tales . . . Salmon leaves no doubt as to Adams’s lasting

legacy.”—Entertainment Weekly With an introduction to the introduction by Terry Jones Douglas Adams changed the face of science fiction with his cosmically comic novel *The Hitchhiker’s Guide to the Galaxy* and its classic sequels. Sadly for his countless admirers, he hitched his own ride to the great beyond much too soon. Culled posthumously from Adams’s fleet of beloved Macintosh computers, this selection of essays, articles, anecdotes, and stories offers a fascinating and intimate portrait of the multifaceted artist and absurdist wordsmith. Join Adams on an excursion to climb Kilimanjaro . . . dressed in a rhino costume; peek into the private life of Genghis Khan—warrior and world-class neurotic; root for the harried author’s efforts to get a Hitchhiker movie off the ground in Hollywood; thrill to the further exploits of private eye Dirk Gently and two-headed alien Zaphod Beeblebrox. Though Douglas Adams is gone, he’s left us something very special to remember him by. Without a doubt. “Worth reading and even cherishing, if only because it’s the last we’ll hear from the master of comic science fiction.”—The Star-Ledger
