ALICE RIOS

Signing McGraw-Hill Education

Written especially for laypeople who are curious about deaf people and would like to separate truth from stereotype, fact from misconception, reality from myth.

How To Speak With Your Hands Dawn Sign Press

Videotext (DVDs in place of videotapes) and workbook designed to provide a way to review and practice what is learned in the classroom. Each of the units revolves around a major language function such as asking for and giving directions and talking about life events.

Student Text Cambridge University Press
 "Join Mark Drolsbough in his fascinating journey from hearing toddler...to hard of hearing child...to deaf adolescent... and

ultimately, to culturally deaf adult. The struggle to find one's place in the deaf community is challenging, as Mark finds, yet there is one interesting twist: both his parents are also deaf. Even though the deaf community has always been there for him, right under his nose, Drolsbough takes the unbeaten path and goes on a zany, lifelong search... to become Deaf Again."--

Essentials for Child Development Associates Working with Young Children U of Minnesota Press

Reinforces and expands on vocabulary, grammar and language functions taught in the classroom.

Numbering in American Sign Language Mosby Incorporated

A practical guide to learning ASL that emphasizes key vocabulary, expressions, and language in context.

From Mime to Sign Cengage Learning

Helps interpreters-in-training refine their skills in interpreting from spoken English to American Sign Language in live situations. Topics include: consecutive interpreting, bridging to simultaneous interpreting, sources of error, comprehension, transfer, reformulation, self-monitoring and correction. Video provides spoken English selections for practice material. Book provides study questions and worksheets.

Disabling the Deaf Community Dawn Sign Press

Provide a description about the book that does not include any references to package elements. This description will provide a description where the core, text-only product or an eBook is sold. Please remember to fill out the variations section on the PMI with the book only information. Important Notice: Media content referenced within the product description

Business English (Book Only) Cengage Learning

Concise and focused, the Wonders Reading/Writing Workshop is a powerful instructional tool that provides students with systematic support for the close reading of complex text. Introduce the week's concept with video, photograph, interactive graphic organizers, and more. Teach through mini lessons that reinforce comprehension strategies and skills, genre, and vocabulary. Model elements of close reading with shared, short-text reads of high interest and grade-level rigor. *Anything But Silent* Teacher Voice Pub. Pratiyogita Darpan (monthly magazine) is India's largest read General Knowledge and Current Affairs Magazine. Pratiyogita Darpan (English monthly magazine) is known for quality content on General Knowledge and Current Affairs. Topics ranging from national and international news/ issues, personality development, interviews of examination toppers, articles/ write-up on topics like career, economy, history, public administration, geography, polity, social, environment, scientific, legal etc, solved papers of various examinations, Essay and debate contest, Quiz and knowledge testing features are covered every month in this magazine.

Simultaneous Interpreting from English Cengage Learning

Expounding upon, 'The Republic,' the earlier work of his teacher Plato, Aristotle in 'Politics' examines the various options for governance and their respective values. A detailed and pragmatic approach to the subject, Aristotle's 'Politics' provides much of the foundation for modern political thought.

Reading Wonders Reading/Writing Workshop Grade 4 Vintage

This treasury of quotes from deaf women about life, love, and overcoming multifaceted challenges provides a resource for those seeking inspiration and understanding. Compiled from contributions from women of all walks of life—young and old, single and married, straight and lesbian, soccer moms and single mothers, women of color—this collection recognizes the gender-specific barriers that women confront daily and offers gender-specific strengths for overcoming them. Also a beginning point of unity for deaf women everywhere, these bits of wisdom address the need to pull together, share the vision and resources needed for empowerment, embrace diversity, and contribute to life each day in small ways.

Deaf Again Bantam

Now a musical! Matilda is a sweet, exceptional young girl, but her parents think she's just a nuisance. She expects school to be different but there she has to face Miss Trunchbull, a menacing, kid-hating headmistress. When Matilda is attacked by the Trunchbull she suddenly discovers she has a remarkable power with which to fight back. It'll take a superhuman genius to give Miss Trunchbull what she deserves and Matilda may be just the one to do it! Here is Roald Dahl's original novel of a little girl with extraordinary powers. This much-loved story has recently been made into a wonderful new musical, adapted by Dennis Kelly with music and lyrics by Tim Minchin. *Bird of a Different Feather* Gallaudet University Press

Examines some oral-based literary works of the deaf community in the United States. Includes Ben Bahan's fable, *Bird of a different feather*, and Sam Supalla's *For a decent living*. The student video and workbook divides these narratives into structural units: strophes, topic units, chapters, and parts, allowing a wide range of activities in and out of the classroom.

Inside a Deaf World Dawn Sign Press
Divided into 16 instructional units, *ASL at Work* is designed to enable students to develop the skills and knowledge needed to communicate effectively with their Deaf co-workers, students, and clients in work and social settings. Each instructional unit in the Student Text has a Unit Overview with learning outcomes, a listing of vocabulary, full grammatical and language, culture and community explanations and a practice and review section with accompanying DVD which provides students with targeted outside of the classroom practice to develop expressive and receptive skills. The Student Text is beautifully illustrated throughout with clearly drawn sign grammatical and vocabulary illustrations. Each unit on the *ASL at Work: Student DVD* provides a Sample Expressive Dialogue, Comprehension Dialogues and Narratives and demonstration of Expressive Practice Prompts to give students practice outside of the classroom with both receptive and expressive skills. CJ Jones, Deanna Bray, Rosa Lee Timm and other well known Deaf talent provide a variety of ASL models for students on the DVD. From the first lesson, ASL is "at work" for both the teacher who is teaching American Sign Language and the students who are learning ASL. - Publisher. Student workbook. Level 3 Dawnsign Press
Sign languages and spoken languages have an equal capacity to communicate

our thoughts. Beyond this, however, while there are many similarities, there are also fascinating differences, caused primarily by the reaction of the human mind to different modalities, but also by some important social differences. The articulators are more visible and use larger muscles with consequent greater effort. It is difficult to visually attend to both a sign and an object at the same time. Iconicity is more systematic and more available in signs. The body, especially the face, plays a much larger role in sign. Sign languages are more frequently born anew as small groups of deaf people come together in villages or schools. Sign languages often borrow from the written form of the surrounding spoken language, producing fingerspelling alphabets, character signs, and related signs. This book examines the effects of these and other differences using observation, experimentation and theory. The languages examined include Asian, Middle Eastern, European and American sign languages, and language situations include home signers and small village signers, children, gesturers, adult signers, and non-native signers.

Student workbook Walter de Gruyter

Offering a variety of innovative teaching tools, *INTRODUCTION TO LEARNING AND BEHAVIOR*, 5th Edition provides a clear introduction to the principles of learning and behavior. Designed to strike a balance between basic principles and their practical application, it provides an engaging outline of the behavioral approach to psychology and its relevance for understanding and improving the world we live in. This edition includes a new emphasis on behavior self-management -- including an appendix on tactics of behavior self-management as well as Study Tip boxes advising students on a range of study behavior issues, from how to best read a textbook to the use of stimulus control procedures to increase concentration and reduce procrastination. Instructors who include self-management projects as a course assignment may particularly appreciate this material. As with past editions, numerous opportunities for review and self-testing help students maximize their understanding and retention. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Mask of Benevolence Penguin

Explains the basic concepts of language and the structure of sign language while investigating how the language is used by different groups within the deaf community.

CMPTR Deaf Life Press

Viewpoint is an innovative course that's based on extensive research into the Cambridge English Corpus, taking students to a higher level of proficiency to become effective communicators.

Viewpoint Level 1 Teacher's Edition with Assessment CD-ROM, features page-by-page teaching notes, with step-by-step lesson plans, audio scripts, and answer key for the Level 1 Student's Book and Workbook. It also includes fully customizable quizzes for each unit, as well as mid-terms and end-of-book tests.

Deaf Gain Sign Media Incorporated

Deaf people are usually regarded by the hearing world as having a lack, as missing a sense. Yet a definition of deaf people based on hearing loss obscures a wealth of ways in which societies have benefited from the significant contributions of deaf people. In this bold intervention into ongoing debates about disability and what it means to be human, experts from a variety of disciplines—neuroscience, linguistics, bioethics, history, cultural studies, education, public policy, art, and

architecture—advance the concept of Deaf Gain and challenge assumptions about what is normal. Through their in-depth articulation of Deaf Gain, the editors and authors of this pathbreaking volume approach deafness as a distinct way of being in the world, one which opens up perceptions, perspectives, and insights that are less common to the majority of hearing persons. For example, deaf individuals tend to have unique capabilities in spatial and facial recognition, peripheral processing, and the detection of images. And users of sign language, which neuroscientists have shown to be biologically equivalent to speech, contribute toward a robust range of creative expression and understanding. By framing deafness in terms of its intellectual, creative, and cultural benefits, Deaf Gain recognizes physical and cognitive difference as a vital aspect of human diversity.
