MCCARTHY SHEPPARD

If God Still
Breathes, Why
Can't I?
HarperCollins
Native is
about identity,
soul-
searching, and

the never-
ending
journey of
finding
ourselves and
finding God.
As both a
citizen of the
Potawatomi
Nation and a
Christian,
Kaitlin Curtice
offers a

unique
perspective on
these topics.
In this book,
she shows
how
reconnecting
with her
Potawatomi
identity both
informs and
challenges her
faith. Curtice

draws on her personal journey, poetry, imagery, and stories of the Potawatomi people to address themes at the forefront of today's discussions of faith and culture in a positive and constructive way. She encourages us to embrace our own origins and to share and listen to each other's stories so we can build a more inclusive and diverse future. Each of our stories matters for

the church to be truly whole. As Curtice shares what it means to experience her faith through the lens of her Indigenous heritage, she reveals that a vibrant spirituality has its origins in identity, belonging, and a sense of place.

The Hidden Gifts of Helping

Chalice Press
The writings of internationally respected preacher and teacher John Stott continue to speak to millions of readers

around the world. This book—originally published in 1954 as *Men with a Message*—introduces readers to the message of the New Testament writers, including Mark, Matthew, Luke, John, Paul, and more. This trim new issue presents the text of the book's 1994 edition, which bears the vintage Stott hallmarks—comprehensive knowledge of his subject, acute intellectual

rigor, and powerful analysis—and was updated and expanded by Stephen Motyer at John Stott's invitation.

The Sophiology of Death

Brazos Press
NEW YORK
TIMES

BESTSELLER •

From one of the world's most influential spiritual thinkers, a long-awaited book exploring what it means that Jesus was called "Christ," and how this forgotten truth can restore hope and

meaning to our lives. "Anyone who strives to put their faith into action will find encouragement and inspiration in the pages of this book."—Melinda Gates In his decades as a globally recognized teacher, Richard Rohr has helped millions realize what is at stake in matters of faith and spirituality. Yet Rohr has never written on the most perennially talked about topic in Christianity:

Jesus. Most know who Jesus was, but who was Christ? Is the word simply Jesus's last name? Too often, Rohr writes, our understandings have been limited by culture, religious debate, and the human tendency to put ourselves at the center. Drawing on scripture, history, and spiritual practice, Rohr articulates a transformative view of Jesus Christ as a portrait of God's constant,

unfolding work in the world. “God loves things by becoming them,” he writes, and Jesus’s life was meant to declare that humanity has never been separate from God—except by its own negative choice. When we recover this fundamental truth, faith becomes less about proving Jesus was God, and more about learning to recognize the Creator’s presence all around us, and in everyone we meet. Thought-provoking, practical, and full of deep hope and vision, *The Universal Christ* is a landmark book from one of our most beloved spiritual writers, and an invitation to contemplate how God liberates and loves all that is. *Unbelievable* The Next Mormons New Testament scholar James D. G. Dunn has published his research on Christian origins in numerous commentaries, books, and essays. In this small, straightforward book designed especially for a lay audience, Dunn focuses his fifty-plus years of scholarship on elucidating the New Testament witness to Jesus, from Matthew to Revelation. Dunn’s Jesus according to the New Testament constantly points back to the wonder of those first

witnesses and greatly enriches our understanding of Jesus.

The Divine

Dance Baker Academic

In this six week video study, Adam Hamilton explores the key points in his new book, Making Sense of the Bible. With the help of this Leader Guide, groups learn from Hamilton as his video presentations lead groups through the book, focusing on the most important questions we ask about the Bible, its

origins and meaning.

Biblical Literalism: A Gentile Heresy

Wm. B.

Eerdmans Publishing

A global and pioneering leader of progressive Christianity and the bestselling author of Why Christianity Must Change or Die and Eternal Life explains why a literal reading of the Gospels is actually heretical, and how this mistaken notion only entered the church once Gentiles had

pushed out all the Jewish followers of Jesus. A man who has consciously and deliberately walked the path of Christ, John Shelby Spong has lived his entire life inside the Christian Church. In this profound and considered work, he offers a radical new way to look at the gospels today as he shows just how deeply Jewish the Christian Gospels are and how much they reflect the Jewish

scriptures, history, and patterns of worship. Pulling back the layers of a long-standing Gentile ignorance, he reveals how the church's literal reading of the Bible is so far removed from these original Jewish authors' intent that it is an act of heresy. Using the Gospel of Matthew as a guide, Spong explores the Bible's literary and liturgical roots—its grounding in Jewish culture, symbols, icons, and

storytelling tradition—to explain how the events of Jesus' life, including the virgin birth, the miracles, the details of the passion story, and the resurrection and ascension, would have been understood by both the Jewish authors of the various gospels and by the Jewish audiences for which they were originally written. Spong makes clear that it was only after the church became fully Gentile that

readers of the Gospels took these stories to be factual, distorting their original meaning. In *Biblical Literalism: A Gentile Heresy*, Spong illuminates the gospels as never before and provides a better blueprint for the future than where the church's leaden and heretical reading of the story of Jesus has led us—one that allows the faithful to live inside the Christian story in the modern world.

Visual Arts in Cameroon

Wm. B. Eerdmans Publishing A New Interpretation of Protestantism and Its Impact on the World The radical idea that individuals could interpret the Bible for themselves spawned a revolution that is still being played out on the world stage today. This innovation lies at the heart of Protestantism's remarkable instability and adaptability. World-renowned

scholar Alister McGrath sheds new light on the fascinating figures and movements that continue to inspire debate and division across the full spectrum of Protestant churches and communities worldwide. *Music for Piano and Orchestra* Harper Collins Millions of people around the world look to the Bible as a source of encouragement and faith formation, a reminder that God is love and is in

control, and a guide to living one's life the way God desires. But this treasured book has also been misused and manipulated by many, placed on a pedestal of untouchability, and protected from questioning and honest engagement. In *Permission Granted*, Jennifer Grace Bird encourages people of faith to explore the texts on their own, freed from long-held myths and misconception

s; experience the Bible anew; and appreciate this holy book for what it isâ€"not what we think it should be. With the sensitivity of one who has discovered this freedom herself, Bird invites readers to engage what the Bible really says about twelve key issues, including sin, sex, and the role of women. *The Challenge of Preaching* Presbyterian Publishing Corp Rowan

Williams, former Archbishop of Canterbury, presents the Gospel accounts of Jesus' crucifixion and resurrection as viewed through the eyes of those who witnessed them. *The Sign and the Sacrifice* explores the meaning of the cross and the significance of Christ's resurrection, discussing what these events meant to Jesus' followers in the early years and what they can

say to us today. **The Universal Christ** Wm. B. Eerdmans Publishing Comprehensive update of the leading Christian ethics textbook of the 21st century Ever since its original publication in 2003, Glen Stassen and David Gushee's *Kingdom Ethics* has offered students, pastors, and other readers an outstanding framework for Christian

ethical thought, one that is solidly rooted in Scripture, especially Jesus's teachings in the Sermon on the Mount. This substantially revised edition of Kingdom Ethics features enhanced and updated treatments of all major contemporary ethical issues. David Gushee's revisions include updated data and examples, a more global perspective, more gender-inclusive

language, a clearer focus on methodology, discussion questions added

Knowing Our Faith Wm. B. Eerdmans Publishing

"If discipleship is a journey, this book belongs in the rucksack. . . Like the scriptures on which it is based, it deserves repeated reading."

Stephen Cherry, Dean of Kings College, Cambridge

This fresh and inspiring look at the meaning of

discipleship covers the essentials of the christian life, including: faith, hope and love; forgiveness; holiness; social action; life in the Spirit. Written for the general reader by one of our greatest living theologians, this book will help you to see more clearly, love more dearly and follow more nearly the way of Jesus Christ.

Wholeheartedness Abingdon Press

The first critical

biography of Alexander Campbell, one of the founders of the Stone-Campbell Movement A Life of Alexander Campbell examines the core identity of a gifted and determined reformer to whom millions of Christians around the globe today owe much of their identity—whether they know it or not. Douglas Foster assesses principal parts of Campbell's life and thought to

discover his significance for American Christianity and the worldwide movement that emerged from his work. He examines Campbell's formation in Ireland, his creation and execution of a reform of Christianity beginning in America, and his despair at the destruction of his vision by the American Civil War. A Life of Alexander Campbell shows why this important but sometimes

misunderstood and neglected figure belongs at the heart of the American religious story. *Making Sense of the Bible [Leader Guide]* Department of the Air Force Accessible, challenging, funny, and one of the best reads on how to love others in any situation. Love and hospitality can change the way you see the world and others. That's exactly what modern-day theologian, Richard Beck, experienced

when he first led a Bible study at a local maximum security prison. Beck believed the promise of Matthew 25 that states when we visit the prisoner, we encounter Jesus. Sure enough, God met Beck in prison. With his signature combination of biblical reflection, theological reasoning, and psychological insight, Beck shows how God always meets us when we entertain the

marginalized, the oppressed, and the refugee. Stories from Beck's own life illustrate this truth -- God comes to him in the poor, the crippled, the smelly. Psychological experiments show how we are predisposed to appreciate those who are similar to us and avoid those who are unlike us. The call of the gospel, however, is to override those impulses with compassion, to "widen the

circle of our affection." In the end, Beck turns to the Little Way of St. Thérèse of Lisieux for guidance in doing even the smallest acts with kindness, and he lays out a path that any of us can follow. Jesus according to the New Testament Chalice Press This book offers a sociological analysis as well as a theological discussion of China's internal migration since the

marketization reform in 1978. It documents the social and political processes that encompass the experiences of internal migrants from the countryside to the city during China's integration into the global economy. Informed by sociological analysis and narratives of the urban poor, this volume reconstructs the political, economic, social and spiritual dimensions of

this urban underclass in China who made up the economic backbone of the Asian superpower. **The New Testament** Wipf and Stock Publishers Capt. B. B. Paddock was one of the most prolific authors on Texas history. His writings are probably the most complete and best balanced ones. This book covers the history of the Texas Northwest and especially the history of the Fort Worth

Region. This is volume one out of two. **The Chinese Exodus** Wm. B. Eerdmans Publishing Trim new edition of a modern evangelical classic on preaching Internationally esteemed as an expository preacher and evangelical spokesman, John Stott edified thousands of Christian preachers and listeners during his lifetime. His writings, marked by a special clarity of expression, continue to

speak to readers around the world. This book abridges and revises the text of Stott's *Between Two Worlds: The Challenge of Preaching Today*, first published in 1982, and updates it for our twenty-first-century context. Through Greg Scharf's abridging and updating work, John Stott's perspectives and insights on faithful, relevant preaching of the Word of God will

benefit a new generation of preachers and preachers-to-be.

Anxious to Talk about It

Fortress Press "We have all had doctrines of White supremacist authoritarianism take up residency in our minds and bodies. What will we do to exorcise those demons?" Angela Parker wasn't just trained to be a biblical scholar; she was trained to be a White male biblical scholar. She is neither White nor male. Dr. Parker's

experience of being taught to forsake her embodied identity in order to contort herself into the stifling construct of Whiteness is common among American Christians, regardless of their race, ethnicity, gender, or sexual orientation. This book calls the power structure behind this experience what it is: White supremacist authoritarianism. Drawing from her

perspective as a Womanist New Testament scholar, Dr. Parker describes how she learned to deconstruct one of White Christianity's most pernicious lies: the conflation of biblical authority with the doctrines of inerrancy and infallibility. As Dr. Parker shows, these doctrines are less about the text of the Bible itself and more about the arbiters of its interpretation-historically, White males in positions of power who have used Scripture to justify control over marginalized groups. This oppressive use of the Bible has been suffocating. To learn to breathe again, Dr. Parker says, we must "let God breathe in us." We must read the Bible as authoritative, but not authoritarian. We must become conscious of the particularity of our identities, as we also become conscious of the particular identities of the biblical authors from whom we draw inspiration. And we must trust and remember that as long as God still breathes, we can too.

Immortal Diamond Wm. B. Eerdmans Publishing
 "Wait... We're talking about what? I'm not so sure I want to do that." When it comes to discussing racism, many white people are overwhelmed with anxiety,

leading to a fight-or-flight response. In *Anxious to Talk About It*, pastor and professor Carolyn B. Helsel draws on her successful experiences with white congregations to offer us tools to embrace and explore these anxious feelings. Through the sharing of our stories, new insights on racial identity, and spiritual practices to help you engage racial justice concerns prayerfully,

you'll begin to overcome your anxiety and learn to join conversations with less fear, more compassion, and more knowledge of self, others, and the important issues at stake. Helsel's words and guidance will inspire you to receive the gifts that come through these difficult conversations and point to how you can get further involved in the important work around race relations. *While Anxious*

to Talk About It can be read alone, reading it with a group is strongly recommended to help deepen and broaden the discussion, integrate the material and practice with others. Free Study Guide available at www.chalicepress.com.
