CAITLYN HOOPER

Minority Languages in Scandinavia, Britain and Ireland Running Press Adult

Have you always wanted to learn how to speak Finnish but simply didn't have the time? Well if so, then, look no further. You can hold in your hands one of the most advanced and revolutionary method that was ever designed for quickly becoming conversational in a language. In creating this time-saving program, master linguist Yatir Nitzany spent years examining the twenty-seven most common languages in the world and distilling from them the three hundred and fifty words that are most likely to be used in real conversations. These three hundred and fifty words were chosen in such a way that they were structurally interrelated and, when combined, form sentences. Through various other discoveries about how real conversations work—discoveries that are detailed further in this book—Nitzany created the necessary tools for linking these words together in a specific way so that you may become rapidly and almost effortlessly conversant—now. If you want to learn complicated grammar rules, or to speak perfectly proper and precise Finnish, this book is not for

you. However, if you need to actually hold a conversation while on a trip to Finland, to impress that certain someone, or to be able to speak with your grandfather or grandmother as soon as possible, then the Nitzany Method is what you have been looking for. This method is designed for fluency in a foreign language, while communicating in the present tense. Nitzany believes that what's most important is actually being able to understand and be understood by another human being right away. This is one of the several, in a series of instructional language guides, the Nitzany Method's revolutionary approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible. No more depending on volumes of books of fundamental, beginner, intermediate, and advanced levels, all with hundreds of pages in order to learn a language. With "Conversational Finnish Quick and Easy," all you need are fifty-three pages. Learn Finnish today, not tomorrow, and get started now!

Finnish Tutor: Grammar and Vocabulary Workbook (Learn Finnish with Teach Yourself)
 Open Road + Grove/Atlantic

Six thousand years. Sixty languages. One "brisk and breezy" whirlwind armchair tour of Europe

"bulg[ing] with linguistic trivia" (The Wall Street Journal). Take a trip of the tongue across the continent in this fascinating, hilarious and highly edifying exploration of the many ways and whys of Euro-speaks—its idiosyncrasies, its histories, commonalities, and differences. Most European languages are descended from a single ancestor, a language not unlike Sanskrit known as Proto-Indo-European (or PIE for short), but the continent's ever-changing borders and cultures have given rise to a linguistic and cultural diversity that is too often forgotten in discussions of Europe as a political entity. Lingo takes us into today's remote mountain villages of Switzerland, where Romansh is still the lingua franca, to formerly Soviet Belarus, a country whose language was Russified by the Bolsheviks, to Sweden, where up until the 1960s polite speaking conventions required that one never use the word "you." "In this bubbly linguistic endeavor, journalist and polyglot Dorren thoughtfully walks readers through the weird evolution of languages" (Publishers Weekly), and not just the usual suspects—French, German, Yiddish, Irish, and Spanish, Here, too are the esoteric—Manx, Ossetian, Esperanto, Gagauz, and Sami, and that global headache called English. In its sixty bite-sized chapters, Dorret offers quirky and hilarious tidbits of illuminating facts, and also dispels long-held lingual misconceptions (no, Eskimos do not have 100 words for

snow). Guaranteed to change the way you think about language, Lingo is a "lively and insightful . . . unique, page-turning book" (Minneapolis Star Tribune).

Learning to Write Effectively: Current Trends in European Research Suomalaisen Kirjallisuuden Seura

The world first publication of a previously unknown work of fantasy by J.R.R. Tolkien, which tells the powerful story of a doomed young man who is sold into slavery and who swears revenge on the magician who killed his father.

Lingo ACTA Universitatis Upsaliensis

This delightful little story tells of a young girl's time with her grandmother as she relates a legend of how a mischievous little white fox, with all his grand adventures, became the red fox we all know today. How the Fox got His Color may well become an all-time children's classic and a perfect book for the young reader. English as a second language students will enjoy it as a valuable study tool, as well as those learning a foreign language. According to Wikipedia: "Finnish is the language spoken by the majority of the population in Finland (92% as of 2006) and by ethnic Finns outside Finland. It is one of the two official languages of Finland and an official minority language in Sweden. In Sweden, both standard Finnish and Meankieli, a Finnish dialect, are spoken. Finnish is spoken by about five million people who reside mainly in Finland. There are also notable Finnish-speaking minorities in Sweden, Norway, Russia, Estonia, Brazil, Canada, and the United States. The majority of the population of Finland, 90.37% as of 2010, speak Finnish as their first language. The remainder speak Swedish (5.42%), Sami (Northern, Inari, Skolt) and other languages. It has achieved some popularity as a second language in Estonia." Creations by Crouch was fortunate to find a Finnish speaker who agreed to translate our books. Say it in Finnish Peter Lang

Provides a detailed overview of the research exploring a wide range of ideas, theories, and practices around written text production. This book deals with issues around the development of basic ("low-level") writing skills, mainly in the early years of education. It also focuses directly on issues around the teaching and learning of writing.

Fluent in 3 Months Suomalaisen Kirjallisuuden Seura

What does it take to survive? This is the question posed by the extraordinary Finnish novella that has taken the Nordic literary scene by storm. 1867: a year of devastating famine in Finland. Marja, a farmer's wife from the north, sets off on foot through the snow with her two young children. Their goal: St Petersburg, where people say there is bread. Others are also heading south, just as desperate to survive. Ruuni, a boy she meets, seems trustworthy. But can anyone really help? Why

Peirene chose to publish this book: 'Like Cormac McCarthy's *The Road*, this apocalyptic story deals with the human will to survive. And let me be honest: There will come a point in this book where you can take no more of the snow-covered desolation. But then the first rays of spring sun appear and our belief in the human spirit revives. A stunning tale.' Meike Ziervogel ' *White Hunger* is Aki Ollikainen's debut work, but it is written with the control of someone who has mastered the form.' Nicholas Lezard, *Guardian* 'Such a powerful, honest and thought-provoking story deserves an audience far beyond the shores of Scandinavia.' Pam Norfolk, *Lancashire Evening Post* 'Impossible not to respond to its raw, unsparing drama.' Elizabeth Bucan, *Daily Mail* 'A tale of epic substance compacted into a mere seven-score pages.' Ben Paynter, *Los Angeles Review of Books*

White Hunger Harper Collins

Contains over 1,000 useful sentences and phrases for travel or everyday living abroad: food, shopping, medical aid, courtesy, hotels, travel, and other situations. Gives the English phrase, the foreign equivalent, and a transliteration that can be read right off. Also includes many supplementary lists, signs, and aids. All words are indexed.

History of Finland Walter de Gruyter

Explains how to learn foreign languages, offering practical advice for overcoming the obstacles.

Kalevala Yatir Nitzany

This compact dictionary and phrasebook features a concise, easy-to-use grammar guide, a pronunciation table, and a handy reference section that provides the reader with the basics of the Finnish language. Also included is an introduction to the country's history as well as useful tips and practical information on how to navigate your way through the streets, shops and restaurants of Finland.

On the Border of Language and Dialect KalevalaFinnish: An Essential Grammar

This book is an empirical comparative study of the complexity of religion in the public spheres of the five Nordic countries. The result of a five-year collaborative research project, the work examines how increasingly religiously diverse Nordic societies regulate, debate, and negotiate religion in the state, the polity, the media, and civil society. The project finds that there are seemingly contradictory religious trends at different social levels: a growing secularization at the individual level, and a deprivatization of religion in politics, the media, and civil society. It offers a critique of the current theories of secularization and the return of religion, introducing religious complexity as an alternative concept to understand these paradoxes. This book is for scholars, students, and readers with an interest in understanding the public role of religion in the West.

Conversational Finnish Quick and Easy Springer

"This volume contains nine articles which taken together constitute a survey of the minority languages spoken in the Nordic Countries and the British Isles. The aim of the volume is to examine the languages in question from a sociolinguistic and linguistic point of view and to provide some insight into features which characterise minority languages in general."--ABSTRACT.

From Start to Finnish BoD - Books on Demand

After you've cultivated the coziness of the Danes (hygge) and achieved the Swedish way of moderation (lagom), then what's next? How about developing your Sisu--an "untranslatable" Finnish term referring to a mixture of courage, resilience, grit, tenacity, and perseverance. It's a trait that has shaped not just the fate of a nation but continues to be a guiding principle for how Finns live their daily lives. Now it can offer lessons to us all, helping us to: discover our inner strength resolve conflicts at work and home raise kind and resilient children achieve our fitness goals fight for what we believe in And much more!

Language Ideologies in Transition Rowman & Littlefield

The articles collected in this volume address linguistic diversity in Russia and Finland from different perspectives and aim to provide both theoretical and empirical knowledge concerning recently emerged multilingual and multicultural developments. The topics include representations and conceptualisations of multilingualism, the language education of immigrants, the linguistic rights of

ethnic minorities, language policy, and ideologies underlying multilingual activities. Linguistic and cultural diversity is approached from different theoretical and methodological perspectives (e.g. discourse analysis, ethnography). The focus is on both micro and macro level phenomena. The articles show how the ideologies that underlie language policies and also various grass-root

multilingual practices are conditioned by broader political, historical and socio-cultural contexts.

New Finnish Grammar Springer Science & Business Media

'One of the great mythic poems of Europe' The New York Times Sharing its title with the poetic name for Finland - 'the land of heroes' - Kalevala is the soaring epic poem of its people, a work rich in magic and myth which tells the story of a nation through the ages from the dawn of creation.

Sung by rural Finns since prehistoric times, and formally compiled by Elias Lönnrot in the nineteenth century, it is a landmark of Finnish culture and played a vital role in galvanizing its national identity in the decades leading to independence. Its themes, however, reach beyond borders and search the heart of human existence. Translated with an Introduction by Eino Friberg
