Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. Twelve Years a Slave is Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's Uncle Tom's Cabin, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the

end of the American Civil War.

*Both of Us* Feiwel & Friends

Clive Barker's iconic masterpiece *The Hellbound Heart*, the novella adapted into the film *Hellraiser*, unleashed a new mythology of horror, brilliantly conceived and born of the darkest imagination. Now, enter this visionary world -- the merciless realm of the demonic Cenobites -- in this collection of stories inspired by *The Hellbound Heart*. Featured here is the graphic work "Wordsworth," from bestselling author Neil Gaiman and artist Dave McKean, who unlock an explicit way to violate innocence -- one torturous puzzle at a time.... *New York Times* bestselling author Kelley Armstrong logs on to a disturbing website for gamers, where the challenge is agonizing, and the solution beyond painful. When his father disappears, an Oxford student returns to his family's mansion, where a strange

mechanism in the cellar holds a curious power, in a haunting illustrated work by Christopher Golden and Mike Mignola.

**Where Am I Now?** Absc Incorporated

This book is for someone who can already play the silver flute to some extent. I hope to show you some of the techniques to engage with the sounds of traditional wooden flute, as well as teach you a few tunes along the way. There are lots of my own tunes included which are particularly suited to the silver flute and a few traditional tunes to help illustrate the techniques."a wealth of information for silver flute players who wish their instrument to sound more like a traditional wooden flute...deeply thought through and gives really useful practical advice. ...It really is an impressive book...both entertaining and really useful." - Living Tradition Magazine"hugely important book...Philippe is a master of those techniques...Irish Music Magazine's John Brophy's comment is quoted in the book; "I've heard nobody else who can make the Boehm flute sound like the true traditional thing, who can mould tone to the tune so nicely, the sheer musicality is exceptionally impressive."...This is an invaluable resource for Silver flute players and is a great teaching aid; it should be in every secondary school music room in the country." - Seán Laffey, IRISH MUSIC MAGAZINE"This book serves as an ideal introduction for any Boehm flute players who are interested in exploring the traditional language of Irish Music. One of the most important elements in idiomatic Irish flute playing is the execution of a wide range of ornaments, and they are clearly explained here and backed up with examples from the repertoire. Barnes stresses the difference between classical ornamentation (which is essentially melodic) and Irish ornamentation where the

focus is on rhythm. He discusses differences in hand position and an appropriate approach to vibrato, and covers techniques such as feathering, cuts, rolls, cranns, bounces and slides. Each technique is clearly explained in straightforward language, and there is plenty of repertoire included to help skills develop in each area. Recommended." Carla Rees, British Flute Society Magazine

*Mumbaistan* Transit Publishing

Gerald tells of the very unusual animals he would add to the zoo, if he were in charge.

*Cliff's Edge* Dramatists Play Service, Inc.

George and Lennie are an unlikely pair: George is small and quick, and Lennie is a man of tremendous size and simple mind. But together they've formed a family, rallying against seclusion and alienation. As laborers in California's vegetable fields in the Great Depression, they find work where they can, but they have big dreams of owning land and a shack they can call their own. So when they land jobs on a ranch in the Salinas Valley, their big dreams suddenly seem within reach. But George cannot guard the childlike Lennie from life's provocations, nor can he predict the consequences of Lennie's unswerving obedience to what George has taught him. A tragic and moving story of friendship, loneliness, and the dispossessed, *Of Mice and Men* is classic John Steinbeck—heart wrenching and remarkable. Penguin Random House Canada is proud to bring you classic works of literature in e-book form, with the highest quality production values. The Word Rhythm Dictionary Lulu.com

First Digital Edition; Grier Rating: A\*\*\* This is the true-life story of

what happens when scores of young girls live intimately together in a French military barracks. Many of these girls, utterly innocent and inexperienced, meet other women who have lived every type of existence. Their problems, their temptations, their fights and failures are those faced by all women who are forced to live together during dangerous and stressful times. The girls who chose Tereska Torres, the author, as their confidante poured out to her their most intimate feelings, their secret thoughts. With all of its revelations and tenderness, *Women's Barracks* is an important book because it tells a story that had never been truly told before--the story of women in war. It also has the special distinction of being the first "lesbian pulp" novel ever published and became a record-breaking bestseller. This autobiographical novel takes place in London, England during World War II. The terror of the V-1 and V-2 rocket bombings, and the resulting fires and destruction, are an unknown experience to most readers. The women enduring these events were not even 20 years old when they first arrived. Many volunteered to be there. They were French, or of French heritage, and wanted to be part of the effort to help protect France from invasion by the Nazis. Throughout it all, passions flare, long-standing taboos are tossed to the wind, and passionate relationships are begun between older, more experienced butch officers and the young, inexperienced femme girls under their charge. In her telling of these women's stories, Torres remains nonjudgmental of the lesbian relationships these women explored. Perhaps as a result, *Women's Barracks* was banned in several states for being obscene. The House Select Committee on Current Pornographic Materials denounced the book in 1952 as an illustration of how the newly emerging

paperback industry was breeding and promoting moral depravity. By today's standards, of course, the book is somewhat tame; however, the eroticism and honesty with which Torres writes immerses the reader in the love, tenderness, loyalty and passion that women share with each other.

Soul Surfer Simon and Schuster

Mumbaistan's three explosive crime novellas unravel the secrets of maximum city--from the slums of Dharavi and the bylanes of Kamathipura to the swank high-rises of Bandra. A prostitute, her lover and a policeman play for high stakes in *BombDay*.

*Injectionwala* exposes chilling medical malpractices and a lovelorn vigilante's twisted game plan. In *Coma Man*, a man awakens from coma after twenty years, and sets out in search of his wife and himself. Gritty love stories, manipulative cops and hard-boiled slumlords form the backdrop of this unputdownable thriller. It's MUMBAISTAN all the way. Key Features Indian pulp crime fiction at its best. Brilliantly captures the pulse and rhythm of Mumbai. Gritty love stories are at the heart of the book.

Introduces readers to a host of colourful characters.

*Of Mice and Men* Scarecrow Press

Living a fast, flamboyant life both on and off screen, Mamie Van Doren once shared the Hollywood headlines with Marilyn Monroe and Jayne Mansfield. But, unlike them, she emerged a survivor, the last of a glamorous, never-to-be-forgotten era.

*Brangelina* Random House

Meg Tilly returns with a second gripping romantic suspense novel set on the idyllic Solace Island in the Pacific Northwest. Eve Harris is all set to house-sit and run the bakery she shares with her sister while Maggie goes on her honeymoon, but there's one

problem—the house is already occupied. By a movie star. He claims to be her brother-in-law's friend, and not only does he insist on staying, he also offers to help. Playing house has never been so tempting... Rhys Thomas is looking for a place to lie low after wrapping up his latest film, so when Luke offers up his house as a safe haven, Rhys sees the perfect opportunity for a little R & R. But rest is the last thing on his mind as he and Eve grow close. But Eve and Rhys are not as alone as they think. And as danger trails Eve, it will take everything Rhys has to save the woman he loves.

**If I Ran the Zoo** Crown Archetype

From the award-winning and New York Times bestselling author of *Once and for All* The world is a terrible place not to have a best friend. Scarlett was always the strong one. Halley was always content to follow in her wake. Then Scarlett's boyfriend died, and Scarlett learned that she was pregnant. Now Halley has to find the strength to take the lead and help Scarlett get through it. Because true friendship is a promise you keep forever. \* "Dessen has written a powerful, polished story."—School Library Journal, starred review Sarah Dessen is the winner of the Margaret A. **Dogwinks** Penguin

Discover the secrets behind Fantasia, Pinocchio, Dumbo, and Bambi—all through the lens of early animation's most enigmatic

and fascinating character, Herman Schultheis. A technician at the Disney Studio in the late 1930s, Schultheis kept a covert scrapbook of special effects wizardry, capturing in photographs and text the dazzling, behind-the-scenes ingenuity of early Disney films. Later, when he mysteriously disappeared into a Guatemalan jungle, his notebook was forgotten ... and with it, the stories of how these beloved animated classics were made. Miraculously unearthed in a chest of drawers in 1990, Schultheis's notebook is now available for all to see at the Walt Disney Family Museum in San Francisco—and in this compelling and beautiful book. Part annotated facsimile of the scrapbook itself, part biography of the complicated, overly ambitious man who made it, *The Lost Notebook* is a goldmine for Disney and animation enthusiasts and a vivid, riveting account of one man's plight to make it big in early Hollywood.

**Staying Strong** Penguin

This new kind of dictionary reflects the use of "rhythm rhymes" by rappers, poets, and songwriters of today. Users can look up words to find collections of words that have the same rhythm as the original and are useable in ways that are familiar to us in everything from vers libre poetry to the lyrics and music of Bob Dylan and hip hop groups.

**Emergency Sex (And Other Desperate Measures)** Women's Barracks

\*Now a #1 New York Times bestseller\* "Compulsively readable..." —LA Weekly "Excoriating memoir" —Publisher's Weekly "A sad and painful but bravely told story." —Kirkus Reviews The only book to examine the origins of Scientology's current leader, RUTHLESS tells the revealing story of David Miscavige's childhood

and his path to the head seat of the Church of Scientology told through the eyes of his father. Ron Miscavige's personal, heartfelt story is a riveting insider's look at life within the world of Scientology. Not for sale outside the U.S.

American Dreamer Allen & Unwin

The author recounts her experiences working in the illegal sports betting world, chronicling her love for a business partner, career as a model, and flight from the FBI.

The more things change. . . As far as Haven is concerned, there's just too much going on. Everything is changing, and she's not sure where she fits in. Then her sister's old boyfriend shows up, sparking memories of the summer when they were all happy and everything was perfect. . . . But along the way, Haven realizes that sometimes change is a good thing. "Unforgettable"

—Publishers Weekly, starred review Also by Sarah Dessen: *Along for the Ride* *Dreamland* *Just Listen* *Keeping the Moon* *Lock and Key* *The Moon and More* *Someone Like You* *This Lullaby* *The Truth About Forever* *What Happened to Goodbye*

*My Squirrel Days* Penguin

Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife.

*The Year in Television, 2008* Rupa Publications

What it's really like on the frontline of humanitarian aid It's the early 1990s and three young people are looking to change their lives, and perhaps also the world. Attracted to the ambitious

global peacekeeping work of the UN, Andrew, Ken and Heidi's paths cross in Cambodia, from where their fates are to become inextricably bound. Over the coming years, their stories interweave through countries such as Rwanda, Bosnia, Somalia and Haiti - war-torn, lawless places where the intervention of the UN is needed like nowhere else. Driven by idealism, the three struggle to do the best they can, caught up in an increasingly tangled web of bureaucracy and ineffectual leadership. As disillusionment sets in, they attempt to keep hold of their humanity through black humour, revelry and 'emergency sex'. Brutal and moving in equal measure, *Emergency Sex (And Other Desperate Measures)* explores pressing global issues while never losing a sense of the personal. Deeply critical of the West's indifference to developing countries and the UN's repeated failure to intervene decisively, the book provoked massive controversy on its initial publication. Kofi Annan called for the book to be banned, and debate was sparked about the future direction of the UN. Brilliantly written and mordantly funny, it is a book that continues to make waves.

Twelve Years A Slave, Illustrated Edition Concord Theatricals

In this tale of grit and glamour, setbacks and comebacks, business and pop culture icon Tommy Hilfiger shares his extraordinary life story for the first time. Few designers have stayed on top of changing trends the way Tommy Hilfiger has. Fewer still have left such an indelible mark on global culture. Since designing his first collection of "classics with a twist" three decades ago, Tommy Hilfiger has been synonymous with all-American style—but his destiny wasn't always so clear. Growing up one of nine children in a working-class family in Elmira, New

York, Tommy suffered from dyslexia, flunked sophomore year of high school, and found himself constantly at odds with his father. Nevertheless, this self-described dreamer had a vision and the relentless will to make it a reality. At eighteen he opened his own clothing store, parlaying his uncanny instinct for style into a budding career as a fashion designer. Through decades of triumph and turmoil, Tommy remained doggedly optimistic. To this day, his approach to commerce is rooted in his positive view of the world. *American Dreamer* brims with anecdotes that cover Tommy's years as a club kid and scrappy entrepreneur in 1970s New York as well as unique insights into the exclusive A-list personalities with whom he's collaborated and interacted, from Mick Jagger and David Bowie to Ralph Lauren and Calvin Klein. But this is more than just a fashion icon's memoir—it's a road map for building a brand, both professionally and personally. Tommy takes us behind the scenes of every decision—and every mistake—he's ever made, offering advice on leadership, business, team-building, and creativity. This is the story of a true American original, told for the first time in his own words, with honesty, humor, and the insatiable appetite for life and style that proves that sometimes you have to dream big to make it big. Praise for *American Dreamer* "A unique look into the fashion world . . . an honest, straightforward, mostly entertaining autobiography of the man who created a classic yet hip line of clothing."—Kirkus Reviews "Fashionistas and business gurus alike will glean important lessons from Hilfiger's rags-to-riches rag-trade story."—Booklist "Tommy burst onto the fashion scene at the height of hip-hop and was instantly taken up by rappers and rockers alike. Since then, year after year he has been ahead of

the curve with his elegant and stylish looks. His creative energy has always been an inspiration to me. He's really himself in *American Dreamer*."—Mick Jagger "In *American Dreamer* Tommy shows how he has taken the (rock) stars and the (preppy) stripes and come up with a look—and a label—that are recognized globally as being quintessentially American, as well as a brand that constantly keeps time with pop music."—Anna Wintour "Tommy is an inspiration to many people. *American Dreamer* shows how he has managed to be successful in business and done so with integrity."—David Beckham "Tommy is one of the most genuine people I know! In *American Dreamer* you can feel his passion pour through everything he does: fashion, fatherhood, family, and friendship!"—Alicia Keys "Tommy Hilfiger is an American icon who was able to transcend fashion and blend it with pop culture and take it to a worldwide audience. *American Dreamer* documents how, unlike any other designer, Tommy was able to tap into music, its subculture, and its influence on society."—Tommy Mottola

#### **Air Power in the Nuclear Age** St. Martin's Griffin

'When the world lost Steve, the animals lost the best friend they ever had, and so did I. But he's still here with me and knowing that means that I am able to gain strength from him, and harness the same passion and drive that he and I had together. There are so many people who have been inspired and are still being inspired by Steve Irwin and that makes me feel really, really proud.' - Bob Irwin Bob Irwin grew up in the Dandenong Ranges where his passion for wildlife was born. A near-death experience while working as a plumber made Bob realise he needed to follow his dreams, so he and his wife Lyn moved their young family to

Queensland where they opened a wildlife park on the Sunshine Coast. The Irwin children grew up in and around the Beerwah Reptile & Wildlife Park, learned about the animals there from their dad and cared for orphaned wildlife at home with their mum. Passion for the environment and all animals became a way of life for them. This unique upbringing had a profound impact on Bob's son Steve, who followed in his father's footsteps and became famous around the world as the Crocodile Hunter, educator and wildlife warrior. Bob nearly didn't survive the sudden death of his adored wife Lyn, and it was Steve who helped him face life again. When the world tragically lost Steve to a freak diving accident, it wasn't just the animals that lost the best friend they ever had. Bob did too. Describing it as moving forward without a map, Bob spent many years burying himself in physical work, as a means to cope with the loss of his son. It was the natural world and the animals within it that helped Bob to keep going, and since then he has continued to fight for his

beloved Steve's legacy of protecting the wildlife, environment and planet on which our own survival depends. Entertaining, moving, impassioned and inspiring, *The Last Crocodile Hunter* shows the heart and soul of a great Australian character, father and wildlife campaigner.

[A Midsummer-night's Dream](#) ReadHowYouWant.com

In 2008, the broadcast networks, cable channels and syndication produced nearly 1,100 new and continuing entertainment programs—the most original productions in one year since the medium first took hold in 1948. This reference book covers all the first run entertainment programs broadcast over the airwaves and on cable from January 1 through December 31, 2008, including series, specials, miniseries, made-for-television movies, pilot films, Internet series and specialized series (those broadcast on gay and lesbian channels). Alphabetically arranged entries provide storylines, performer/character casts, production credits, day/month/year broadcast dates, type, length, network(s), and review excerpts.
