Join us on a journey of discovery through the wines and spirits of the Old and New World with From Ground to Glass. This book is not a textbook, but rather a guide for those who

already have a love of alcoholic beverages and want to learn more about them. With over 65 years of experience in the industry, the author shares their knowledge and insights, highlighting the best quality wines and spirits at user-friendly prices, made with environmentally sound practices and minimal intervention. Follow along as we explore the world of alcohol, from the UK to the Middle East, Far East, Australia, South America, Europe, and India, and learn from the author's experiences, including the founding of the Hong Kong Wine School. Join us and Alfie the cat as we delve into the delicious world of wine and spirits.

Austin Macauley Publishers  
WINNER OF A GOURMAND WORLD COOKBOOK AWARD 2009! BEST WINE EDUCATION BOOK (THE BEST IN THE WORLD) "I really enjoyed this book ... A constant feature of this book is how well Keith balances his mastery of the technicalities with a certain 'common touch', the ability to explain sometimes complex issues in easy-to-understand terms." -Association of Wine Educators "... an ideal book to accompany a WSET course." -Harpers Wine and Spirit Throughout the eight thousand years of vinous history wines have been tasted and their qualities examined in

at least a basic way. Today producers can control the growing and winemaking processes, and the consumer may choose from a vast array of wines, both fine and ordinary. Tasting and evaluating these requires knowledge, skill and diligence. Part of the Wiley-Blackwell Food Industry Briefing Series, this book provides a concise, easy to use and clearly presented understanding of the techniques of wine tasting, quality assessment and evaluation. The reader is taken through the various stages of a structured and professional approach to tasting and the book examines the questions as to what constitutes quality in wines, how quality can

be recognised and how it is achieved. Also discussed are the faults that can destroy wines at any quality level, and misconceptions as to quality and guarantees. Clearly presented and easily readable the book includes: Diagrams Tables Tasting vocabularies Colour Plates Written by Keith Grainger, highly regarded international wine educator and wine consultant, this book provides a concise, quick reference for busy wine industry professionals, students or others who wish to gain a detailed knowledge of the concepts of wine tasting and quality assessment. The Wiley-Blackwell Food Industry Briefing Series Devised to increase the

effectiveness and efficiency with which knowledge can be gained of the many subject areas that constitute the food industry, and on which the industry relies for its existence, this important series is intended expressly to benefit executives, managers and supervisors within the industry. Each book distils the subject matter of the topic, providing its essence for easy and speedy assimilation.
