JAYLIN COLLINS

Dead Witch Walking Harper Collins

Withdrawing from a family party to the solitude of her tree house, 16-year-old Laurel Nicolson witnesses a shocking murder that throughout a subsequent half century shapes her beliefs, her acting career and the lives of three strangers from vastly different cultures. By the best-selling author of *The Distant Hours*. Reprint. 200,000 first printing.

Girl With No Job Ballantine Books

The right reasons to fall in love with *The Bachelor* When it debuted in 2002, *The Bachelor* raised the stakes of first-wave reality television, offering the ultimate prize: true love. Since then, thrice yearly, dozens of camera-ready young-and-eligibles have vied for affection (and roses) in front of a devoted audience of millions. In this funny, insightful examination of the world's favorite romance-factory, Suzannah Showler explores the contradictions that are key to the franchise's genius, longevity, and power and parses what this means for both modern love and modern America. She

argues the show is both gameshow and marriage plot — an improbable combination of competitive effort and kismet — and that it's both relic and prophet, a time-traveler from first-gen reality TV that proved to be a harbinger of Tinder. In the modern media-savvy climate, the show cleverly highlights and resists its own artifice, allowing *Bachelor Nation* to see through the fakery to feel the romance. Taking on issues of sex, race, contestants-as-villains, the controversial spin-offs, and more, *Most Dramatic Ever* is both love letter to and deconstruction of the show that brought us real love in the reality TV era.

Not the Girl You Marry Harper Collins

Hollywood's Dream Factory is now a nightmare of woke restrictions, Identity Politics run amok, and freedom-snuffing rules and regulations. The Oscars are unwatchable, as are many films and television shows thanks to the woke revolution. *Virtue Bombs* breaks down where Hollywood went so wrong, illustrates the slow-motion disaster infiltrating the industry, and offers a glimmer of hope for a woke-free tomorrow. Award-winning film critic Christian Toto has all the receipts, showcasing Hollywood's virtue-signaling follies and how it could get much, much worse before it gets better. *Afterwards* Grand Central Publishing

Andi Dorfman tells the unvarnished truth about why looking for love on television is no paradise. -- cover.

For the Right Reasons Seven Stories Press

Nearly every night on every major network, “unscripted” (but carefully crafted) “reality” TV shows routinely glorify retrograde stereotypes that most people would assume got left behind 35 years ago. In *Reality Bites Back*, media critic Jennifer L. Pozner aims a critical, analytical lens at a trend most people dismiss as harmless fluff. She deconstructs reality TV's twisted fairytales to demonstrate that far from being simple “guilty pleasures,” these programs are actually guilty of fomenting gender-war ideology and significantly affecting the intellectual and political development of this generation's young viewers. She lays out the cultural biases promoted by reality TV about gender, race, class, sexuality, and consumerism, and explores how those biases shape and reflect our cultural perceptions of who we are, what we're valued for, and what we should view as “our place” in society. Smart and informative, *Reality Bites Back* arms readers with the tools they need to understand and challenge the stereotypes reality TV reinforces and, ultimately, to demand accountability from the corporations responsible for this contemporary

cultural attack on three decades of feminist progress.

How to Win The Bachelor Simon and Schuster

The first book in #1 New York Times bestselling author Kim Harrison's Hollows series! All the creatures of the night gather in "the Hollows" of Cincinnati, to hide, to prowl, to party . . . and to feed. Vampires rule the darkness in a predator-eat-predator world rife with dangers beyond imagining—and it's Rachel Morgan's job to keep that world civilized. A bounty hunter and a witch with serious sex appeal and an attitude, she'll bring 'em back alive, dead . . . or undead.

The Adventures of Pilot Pete Gallery Books

As the racial and ethnic landscape of the United States shifts, interracial communication plays an increasingly crucial role. The sociopolitical climate has impacted identities, relationships, media, and organizations—challenging the possibility of having transformative engagement about race. Power differences affected by race/ethnicity, class, gender, sexuality, ability, age, and geography are sometimes invisible. Competent interracial communication is key to alleviating polarized interactions and addressing the unequal treatment of microcultures. Part I of the book provides essential background, including the history of race, the importance of communication, the development and intersectionality of racial and ethnic identities, and models and theories of interracial communication. Part II applies this information to communication practices in specific, everyday contexts: global racial hierarchies and colorism, friendships/ romantic relationships, communication in the workplace, interracial conflict, and race and ethnicity in the media. The concluding chapter outlines pathways to meaningful change and invites readers to become active participants in dialogue to facilitate working through differences. The authors offer comprehensive, readable, and insightful coverage of pressing issues. They focus on communication as vital to removing barriers to understanding. Becoming proactive in eliminating racism on a personal level is a step toward the macrolevel changes required to dismantle systemic racism. The fourth edition is a socially relevant resource for facilitating interracial dialogue to create a positive climate to work together to achieve social justice.

The Old Place Simon and Schuster

Perfect for fans of Bachelor Nation and Seinfeldia, an illuminating deep dive into the most successful reality TV franchise of all time—The Bachelor. Since its premiere in 2002, ABC's The Bachelor has become a staple of American television. Now, discover the fascinating history of the show, uncover the ins and outs of the phenomenon that has become Bachelor Nation, and take a deeper look at what separates the winners from the losers. From how best to exit the limo on Night One, to strategies for making a run for the all-important First Impression Rose, to how to avoid being labeled a villain, this clear-eyed guide illustrates the rules and strategies any would-be contestant should know. The ultimate must-read for every fan, How to Win the Bachelor gives you an "entertaining" (Publishers Weekly) inside look at the franchise where The Rose holds all the power.

Reality Bites Back Dell

Millions know Emily Maynard Johnson from her appearances on both The Bachelor and The Bachelorette. At the end of a long, fruitless search for a husband, Emily found that waiting right in front of her all along was the truest love of all: the unconditional love of the Lord. Overcome with embarrassment following her nationally televised heartbreaks, Emily finally committed herself to the only one she knew would never leave her empty and alone. Abandoning her need to be chosen by men and finding peace in the fact that she was already chosen by God, Emily found the joy she had been looking for in serving God. I Said Yes chronicles Emily's experiences on both The Bachelor and The Bachelorette and the way that God turned her life upside down through the knowledge and acceptance of His true love. As Emily sheds light on her life as a believer in the spotlight, she teaches us: How to embrace the gift of true redemption What it means to fully surrender your heart to God How to say yes to God's ways, God's love, and God's timing In I Said Yes, Emily tells the story of her life before and after reality TV fame, describing the profound new reality she discovered when she traded fame in favor of the Lord—and to that unconditional love, Emily said yes.

Free Negro Owners of Slaves in the United States in 1830 Simon and Schuster

It's Rachel Morgan's ultimate adventure . . . and anything can happen in this final book in the New York Times bestselling Hollows series. Rachel Morgan has come a long way from her early days as an inexperienced bounty hunter. She's faced vampires and werewolves, banshees, witches, and soul-eating demons. She's crossed worlds, channeled gods, and accepted her place as a day-walking demon. She's lost friends and lovers and family, and an old enemy has unexpectedly

become something much more. But power demands responsibility, and world-changers must always pay a price. Rachel has known that this day would come—and now it is here. To save Ivy's soul and the rest of the living vampires, to keep the demonic ever after and our own world from destruction, Rachel Morgan will risk everything. . . .

I Didn't Come Here to Make Friends Waveland Press

We've all been there—angry with ourselves for overeating, for our lack of willpower, for failing at yet another diet that was supposed to be the last one. But the problem is not you, it's that dieting, with its emphasis on rules and regulations, has stopped you from listening to your body. Written by two prominent nutritionists, Intuitive Eating focuses on nurturing your body rather than starving it, encourages natural weight loss, and helps you find the weight you were meant to be. Learn: *How to reject diet mentality forever *How our three Eating Personalities define our eating difficulties *How to feel your feelings without using food *How to honor hunger and feel fullness *How to follow the ten principles of Intuitive Eating, step-by-step *How to achieve a new and safe relationship with food and, ultimately, your body With much more compassionate, thoughtful advice on satisfying, healthy living, this newly revised edition also includes a chapter on how the Intuitive Eating philosophy can be a safe and effective model on the path to recovery from an eating disorder.

This Is Not the Jess Show Miss Me with That

A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

The Secret Keeper Penguin

From the bestselling author of Good in Bed, In Her Shoes and the forthcoming Who Do You Love comes a Hollywood rollercoaster ... At twenty-three, Ruth Saunders headed west with her seventy-year-old grandma in tow, hoping to be hired as a television writer. Four years later, she's hit the jackpot when she gets The Call: the sitcom she wrote, The Next Big Thing, has gotten the green light, and Ruthie's going to be the show-runner. But her dreams of Hollywood happiness are threatened by demanding actors, number-crunching executives, an unrequited crush on a boss, and her grandmother's impending nuptials. Set against the fascinating backdrop of Los Angeles show business culture, with an insider's ear and eye for writer's rooms, bad behavior backstage and set politics, Jennifer Weiner's new novel is a rollicking ride on the Hollywood rollercoaster, and a heartfelt story about what it's like for a young woman to love, and lose, in the land where dreams come true. Praise for Jennifer Weiner's Then Came You: "An absorbing read, and, for all its spot-on social commentary, a serious book at heart." -Philadelphia Inquirer "Weiner brings her trademark wit and empathy to this lively story." - Parade

On African-American Rhetoric Quirk Books

A graphic memoir about the treatment of mental illness, treating mental illness as a commodity, and the often unavoidable choice between sanity and happiness. In her early twenties in New York City, diagnosed with bipolar disorder, Rachel Lindsay takes a job in advertising in order to secure

healthcare coverage for her treatment. But work takes a strange turn when she is promoted onto the Pfizer account and suddenly finds herself on the other side of the curtain, developing ads for an antidepressant drug. She is the audience of the work she's been pouring over and it highlights just how unhappy and trapped she feels, stuck in an endless cycle of treatment, insurance and medication. Overwhelmed by the stress of her professional life and the self-scrutiny it inspires, she begins to destabilize and while in the midst of a crushing job search, her mania takes hold. Her altered mindset yields a simple solution: to quit her job and pursue life as an artist, an identity she had abandoned in exchange for medical treatment. When her parents intervene, she finds herself hospitalized against her will, and stripped of the control she felt she had finally reclaimed. Over the course of her two weeks in the ward, she struggles in the midst of doctors, nurses, patients and endless rules to find a path out of the hospital and this cycle of treatment. One where she can live the life she wants, finding freedom and autonomy, without sacrificing her dreams in order to stay well.

The First Time HarperCollins

Perfect for fans of Bachelor Nation and Seinfeldia, an illuminating deep dive into the most successful reality TV franchise of all time—The Bachelor. Since its premiere in 2002, ABC's The Bachelor has become a staple of American television. Now, discover the fascinating history of the show, uncover the ins and outs of the phenomenon that has become Bachelor Nation, and take a deeper look at what separates the winners from the losers. From how best to exit the limo on Night One, to strategies for making a run for the all-important First Impression Rose, to how to avoid being labeled a villain, this clear-eyed guide illustrates the rules and strategies any would-be contestant should know. The ultimate must-read for every fan, How to Win the Bachelor gives you an "entertaining" (Publishers Weekly) inside look at the franchise where The Rose holds all the power.

God Bless This Mess Crown

Are you tired of people knowing who you are but no one really knowing you? As the star of the twentieth season of The Bachelor, Ben Higgins looked like he had it all together. Instead, Ben felt dissatisfied, fearful, and deeply alone. Like so many of us, he thought of himself as the kid who never got picked for the game, the person always on the outside of the joke, the friend who knew a lot of people but was never truly known. He wondered if he mattered at all. In Alone in Plain Sight, Ben vulnerably shares how he found authentic connection with himself, with others, and with God. As Ben helps us name our own yearning for meaning, he explores ways to understand ourselves more deeply so that we are free to connect with others; how shared pain can bridge even the widest gaps between two very different people; why we must deconstruct our culture's fairy-tale view of love; and how the God who longs for relationship with us is the answer to our need for connection. As Ben discovered, in a disconnected world, it is still possible to have lasting purpose and peace. You are already known. You are already loved. You are already seen. Discover how to live out how much you matter as you embrace the true meaning of your one incredible life.

The Case for Marriage Ballantine Books

The breakout star of ABC's The Bachelorette and New York Times bestselling author of It's Not Okay returns with a "relatable AF" (Cosmopolitan) collection of her adventures as a still-single gal surviving and thriving in New York City. Sharing moments like finding her first New York apartment (the front door broke so she had to use the fire escape), her first dates on "celebrity Tinder" (just as bad as regular Tinder) and finally, watching her ex-fiancé propose to another woman on Bachelor in Paradise, Andi Dorfman doesn't shy away from pulling back the curtain on the life of a reality star who's returned to reality. Once again, Dorfman "doesn't hold back" (HuffPost) as she recounts her romantic mishaps, city adventures, and, of course, insider Bachelor experiences. Single State of Mind is Sex and the City for the reality TV generation.

Uncomfortable Conversations with a Black Man Lexington Books

From former football player and star of The Bachelor and The Bachelorette comes a fascinating and eye-opening behind-the-scenes look at his drama-filled season on the hit reality show. Before Colton Underwood captured the hearts of millions on The Bachelor, he was a goofy, socially awkward, overweight adolescent who succeeded on the football field while struggling with personal insecurities off it. An All American gridiron hero, he was also a complex, sometimes confused, soft-hearted romantic wondering how these contradictions fit together. Old-fashioned and out of step with the swipe right dating culture of today, he was saving the most intimate part of life for the love of his life. If only he could find her... Now, in The First Time, Colton opens up about how he came to find himself and true love at the same time via the Bachelor franchise.

Unencumbered by cameras and commercial breaks, he delivers a surprisingly raw, endearing, and seriously juicy account of his journey through The Bachelorette, Bachelor in Paradise, and The Bachelor, along with what has happened with him and Cassie Randolph since his season wrapped. He opens up about being dumped by Becca, his secret dalliance with Tia, what it was like to be the world's most famous virgin, his behind-the-scenes conflicts with production, and how his on-camera responsibilities as the Bachelor nearly destroyed him after he knew he had already fallen in love with Cassie. A memoir for Bachelor Nation and anyone who believes in the magic of love, The First Time carries a simple but powerful message: It's okay to laugh and cry and occasionally jump over a fence, if it means coming one step closer to the right person.

RX Thomas Nelson

A New York Times Bestseller The first definitive, unauthorized, behind-the-scenes cultural history of the Bachelor franchise, America's favorite guilty pleasure. For sixteen years and thirty-six seasons, the Bachelor franchise has been a mainstay in American TV viewers' lives. Since it premiered in 2002, the show's popularity and relevance have only grown—more than eight million viewers tuned in to see the conclusion of the most recent season of The Bachelor. Los Angeles Times journalist Amy Kaufman is a proud member of Bachelor Nation and has a long history with

the franchise—ABC even banned her from attending show events after her coverage of the program got a little too real for its liking. She has interviewed dozens of producers, contestants, and celebrity fans to give readers never-before-told details of the show's inner workings: what it's like to be trapped in the mansion "bubble"; dark, juicy tales of producer manipulation; and revelations about the alcohol-fueled debauchery that occurs long before the Fantasy Suite. Kaufman also explores what our fascination means, culturally: what the show says about the way we view so-called ideal suitors; our subconscious yearning for fairy-tale romance; and how this enduring television show has shaped society's feelings about love, marriage, and feminism by appealing to a marriage plot that's as old as the best of Jane Austen.
