## **MORROW SIMMONS**

---

*Son of a  
Trickster*  
Catapult  
In Maggie's  
Marvelous  
Misadventures  
, Maggie is a  
third grader  
who is bored  
being stuck at  
home during  
the COVID-19

shelter in  
place. Her  
mom suggests  
that instead of  
just playing  
more video  
games, she  
should try to  
do all the  
things she's  
always  
wanted to do,  
but never had  
the time.  
Maggie takes  
her mom's  
advice and  
gets started

on her "things  
to do" list of  
adventures.  
Unfortunately,  
things don't  
always work  
out the way  
she expects,  
resulting in  
surprisingly  
humorous  
mishaps.  
Within the  
story's  
humorous  
theme, there  
is a message  
of what it

means to be responsible in the face of the pandemic. AuthorHouse A Maggie MacKay Holiday Short Story It's Halloween and Maggie's mother is throwing a haunted house... as in, she's invited all the ghosts of the neighborhood over for a party. Unfortunately, one of the ghosts is not in high spirits and, in fact, is wanted by the Other Side's finest. It is up to Maggie and Killian to find out what

caused this soul's unrest and return him to his happy haunting ground. This story originally appeared in the Nightshade anthology. **WARNING:** This short story contains cussing, brawling, and unladylike behavior. Proceed at your own risk. Just a Small-Town Girl Tule Publishing It started as one night of passion—but since Will Braggett has become a partner in

Maggie Lawless' medical practice, it has turned into a steamy affair! Will, though, is a single dad: his priority is his little boy, Daniel. Will isn't ready to find a new mother for his son—but Maggie is soon not satisfied being just his mistress. She insists they can only have a future if Will lets her get to know his child, too. Can Maggie convince Will? *A Mother For His Child* Knopf Canada "Maggie is

earthy and real, full of love and knowledge, especially on raising sons." - Steve Biddulph "Maggie's perspective on raising boys is spot on. She writes with humor and depth, providing insight and strategies for many of the most important issues facing moms. There is a lovely ease to her writing and a powerful honesty. I hope every mother of a son (and everyone

else!) will read this book. The future of the world, to a great extent, depends on how we raise our boys." - Michael Gurian, New York Times Bestselling Author of *The Wonder of Boys* and *Saving Our Sons* If we can see the world through boys' eyes a little better, we will make different choices in the way we mother them... and we will find them less confusing, and love them more deeply. Mothers of

sons are worried about raising their boys in a world where negative images of masculinity are front and centre of our media, almost every day. Not only that, but statistically our boys are still struggling in many ways. Even though we live in a time where we recognise that nothing in gender is fixed, it remains a fact that the influence of a mother on her son is massive. A mother of four sons herself,

Maggie Dent draws on her personal experience - and over four decades work as a teacher, counsellor and now author and speaker - to help build understanding, empathy and compassion for our boys. Maggie shares her five key secrets that every mum needs to know and uses the voices of men she has worked with and surveyed to reveal what really matters in a boy's relationship with his mother and other mother

figures. Maggie is one of Australia's most popular parenting authors and educators, and her seminars about boys have sold out all across Australia and in the UK. She is finally sharing her insights, her reflections, and (as always) her humour around mothering boys to help you be the mum your son needs you to be. [On Maggie's Watch](#) Xlibris Corporation Maggie and

Her Tree is a wonderful example of how children can turn their fears into a joyous experience through their imagination. Hold on and enjoy the unstoppable laughter and surprises Maggie has for you. The very tree she was afraid of will end up being her best friend and encourage her not to be afraid of going to the first grade. You will feel like your in this story feeling both her sadness and joy.

Compelling and astonishing."—Kristen Arnett, author of *Mostly Dead Things* Unfolding over the course of nine days, and written with enormous heart, *All My Mother's Lovers* is a meditation on the universality and particularity of family ties, grief, and generational divides, as well as a tender and biting portrait of sex, gender, and identity. After Maggie Krause's mother dies suddenly in a car crash, Maggie finds five sealed envelopes with her will, each addressed to a mysterious man she's never heard of. Maggie and her mother, Iris, weren't close, especially since Maggie came out, but she never thought they would run out of time to figure each other out. Now in her late twenties, Maggie is finally in something resembling a serious relationship, wondering if some of whatever shaped her parents' decades-long love story might exist after all. Overwhelmed by her grief and frustrated with her family, Maggie decides to escape the shiva and hand-deliver her mother's letters. The ensuing road trip takes her over miles of California highways, through strangers' recollections of a second, hidden life (that seems

almost impossible to reconcile with the Iris she knew), and a journey through her own fears as she navigates her new relationship. As she fills in the details of Iris's story, Maggie must confront the possibility that almost everything she knew about her mother — her marriage, her lukewarm relationship to Judaism, her disapproval of her daughter's queerness — is more meaningful than she ever

allowed herself to imagine. *Mothering Our Boys* Independently Published Maggie Finley has returned with her husband from the big city to her Wisconsin hometown, where she reunites with her best friend and awaits the any-minute-now birth of her baby. She's determined to create a safe haven on Hemlock Road, a neighborhood that has always meant security, community,

and love. One way to do that: resurrect the defunct Neighborhood Watch program. The Watch folks are mostly concerned with dog poop and litterbugs. But Maggie's done some digging and discovered a potential threat living just around the corner—a threat that must be eradicated. And the more Maggie tries to take control, the more out of control she gets... Watch a Video *Mom Made Us*

Maggie's

American

Dream

Strategic Book  
Publishing &  
Rights Agency  
Maggie  
O'Toole was  
the pampered  
daughter of a

well off banker  
in Port Royal  
in the 1800's;  
until that  
fateful day  
she came  
home to find  
she wasn't  
who she  
thought she  
was. As soon  
as she walked  
in the door,  
the house  
keeper, Mrs.  
Harper, told  
her that her  
father wanted  
to see her in  
the study.  
Once she had  
entered and  
sat down, he  
began to tell  
her about her  
mother. He  
explained that  
he wasn't  
really her  
father, he was  
her mother's  
brother,

Cyrus. He  
explained that  
when  
Maggie's  
mother  
arrived at his  
home, she had  
a cold and it  
wasn't long  
before it  
progressed  
into  
pneumonia.  
She was sent  
to a hospital  
and soon went  
into labor and  
eventually  
gave birth to  
Maggie. But,  
between the  
advanced  
pneumonia  
and being in  
labor for over  
two days, her  
health failed  
and she died  
not long after  
making Cyrus  
swear to raise  
Maggie as his

daughter. Cyrus told her that her real father had found out about her and been granted custody. They packed up some of Maggie's possessions and took the two day train trip to Cedar Falls. That night at supper, when the hotel owner's wife was serving them, Maggie learned some people would shun her because her parents weren't married. It made her feel dirty.

### **Maggie and Her Tree**

Hachette Books  
 He was the love of Maggie Tillman's life. But when she and Will Stewart broke up, she was forced to make a decision--one that cost her far too dearly. And now a twist of fate brings her face-to-face with her past, and with the secret she has kept...for eight long years. How can they possibly keep their relationship professional? As they work together old angers erupt between

them...along with the fiery attraction that always got Maggie and Will into trouble. But now there's much more at stake than their hearts. Because Will's hiding his own secret. And this one could cost him his daughter and a second chance with Maggie.... A Little Secret But a big surprise. Mom on the Road Penguin Starting at a new school in sixth grade isn't easy. And the reason Maggie's at a new school is

even worse ...  
 On top of it  
 all, Maggie's  
 little sister is  
 driving her  
 crazy! But  
 when Maggie  
 stumbles  
 across a  
 magical  
 bakery in her  
 new  
 neighborhood,  
 life starts  
 getting a little  
 sweeter.  
*A Mother's  
 Love*  
 Pennington  
 Publications  
 Maggie took a  
 semester off  
 college to  
 come back to  
 her small  
 hometown to  
 grieve her  
 recently  
 deceased  
 father. She  
 thought she  
 would hear

her father's  
 will and tie up  
 loose ends  
 before moving  
 on. To  
 Maggie's  
 surprise things  
 do not go as  
 planned.  
 Before Maggie  
 knows it she is  
 having  
 strange  
 dreams.  
 Dreams of  
 another world.  
 Meanwhile her  
 father tries to  
 help Maggie  
 understand  
 why he has  
 refused to  
 ever mention  
 Maggie's  
 mother from  
 beyond the  
 grave before  
 it's too late!  
 He must give  
 her the  
 information he  
 has always

denied her  
 before not  
 knowing puts  
 Maggie in  
 great danger  
 or worse! Can  
 Maggie figure  
 out what is  
 going on  
 before she is  
 summoned by  
 the Queen?  
 Will it be  
 enough to  
 keep her safe?  
**Maggie's  
 Magic  
 Chocolate  
 Moon**  
 Harlequin  
 Ditch Pressure  
 for Freedom in  
 Christ Any  
 mom who has  
 tried to create  
 a godly home  
 for her family  
 knows it  
 doesn't  
 happen  
 automatically.  
 Through

books, blogs, and Instagram accounts, culture asserts that good moms must follow certain standards and abide by certain rules if she want what's best for her children. She must do everything she can—and she must do it all just right. Following the suggested steps and recommended rules may seem best, but what if we're missing the point? This is something Maggie Combs came to realize while

seeking to be a good mom to her three sons. Though the world around us may have critical expectations and rules for mothering, Christ instead calls moms to an intimate, abiding relationship with a triune God. In *Motherhood Without All the Rules*, Maggie identifies the main “rules” moms today often feel pressured to follow and counters them with gospel truth. You'll discover how the character

of each member of the trinity practically impacts your role as a mom. Join Maggie in forgetting the rules, so that instead of being a good mom, you grow to become a holy mom. *Maggie's Marvelous Misadventures* Pennington Publications A sister and brother, forced to share ONE journal? This is exactly what happens to 10-year-old twins Maggie and Max Pruitt. When

Mom comes up with a plan for them to keep a summer journal, Maggie and Max can't believe it. Worse yet, they have to share! Through their writing, Maggie and Max find out they have very different (and hilarious) views about things that happen to them over the summer!

Son of a Trickster Maggie, an Appalachian farm girl of Irish descent, living in

Wilkes County, NC, develops an unremitting love for fellow mail carrier, Shade King, whose view of marriage is a rope around his neck. When Maggie's mother dies of pneumonia and her father absconds with another woman, Maggie is left with a farm to run and two siblings to raise. Shade promises his right arm but delivers little. After baby Necy is born and her siblings leave the

homestead, Maggie trades her farm for a cabin near the city and begins life anew. When Shade unwittingly entangles himself with the Sheriff's wife Claire, he cowardly brings Maggie into his convoluted dilemma, leaving her with no way out when she is arrested for murder in the death of the Sheriff's daughter, Lou Ann Stratton. *The Light from Maggie's View* Pageturner Press and Media

A Mother's Story is a searing and intimate portrait of addiction and how it has been passed down in Maggie Romero's family from generation to generation. Maggie is herself an addict, and when Angie's drug addiction, at age twenty-two, became apparent to her, she jumped into a recovery program to cope with her daughter's illness. The subsequent twelve years

have proven to be a powerful and poignant redemption journey, as she has gradually come to claim recovery for herself even as she's watched her beautiful daughter continue to struggle. This award-winning memoir is a story of hope and recovery that will resonate with many people, as epidemic as addiction is in our society. Many will benefit from her experience and the

lessons  
passed on.

honesty. I  
hope every  
mother of a  
son (and  
everyone  
else!) will read  
this book. The  
future of the  
world, to a  
great extent,  
depends on  
how we raise  
our boys." -  
Michael  
Gurian, New  
York Times  
Bestselling  
Author of The  
Wonder of  
Boys and  
Saving Our  
Sons If we can

see the world  
through boys'  
eyes a little  
better, we will  
make different  
choices in the  
way we  
mother  
them... and  
we will find  
them less  
confusing, and  
love them  
more deeply.  
Mothers of  
sons are  
worried about  
raising their  
boys in a  
world where  
negative  
images of  
masculinity  
are front and  
centre of our  
media, almost  
every day. Not  
only that, but  
statistically  
our boys are  
still struggling  
in many ways.

Even though we live in a time where we recognise that nothing in gender is fixed, it remains a fact that the influence of a mother on her son is massive. A mother of four sons herself, Maggie Dent draws on her personal experience - and over four decades work as a teacher, counsellor and now author and speaker - to help build understanding, empathy and compassion for our boys. Maggie shares her five key

secrets that every mum needs to know and uses the voices of men she has worked with and surveyed to reveal what really matters in a boy's relationship with his mother and other mother figures. Maggie is one of Australia's most popular parenting authors and educators, and her seminars about boys have sold out all across Australia and in the UK. She is finally sharing her insights, her

reflections, and (as always) her humour around mothering boys to help you be the mum your son needs you to be.  
[City to City](#)  
Erie Island Media  
The recipes and techniques that one mother used to turn a year of her son's military service in Iraq into a year of care packages brimming with cookies.  
Single mother Maggie McCreath couldn't decide which

was worse: the fact that her only son (not yet twenty-one) was off to war in Iraq for the second time or the fact that they had only five days to prepare. Even more frightening, she knew that he would be part of the Surge and, as a paratrooper in the 82nd Division of the Army, the tip of the Spear. What she did not know—what she couldn't even bear to consider—was how this deployment would end,

both for her son and for his brothers in arms, whom she had come to know and love as her own. So she turned to the one pastime that had always brought her solace: baking. Filled with delicious, original cookie recipes, *52 Weeks of Cookies* recounts a mom's unique methods of coping during her son's deployment. With plenty of sugar cookies but no sugarcoating, *52 Weeks of Cookies* is an

honest, uplifting story of family love during a crisis, with all the fear, grief, laughter, gratitude, and joy that come with it. "When her 20-year-old son was deployed to Iraq with just a few days' notice, Maggie McCreath desperately searched for her own mission to cope with the worry. She found it with the help of flour, sugar, vanilla and lots of love." —Today  
*52 Weeks of Cookies* Kate Danley

Shortly after she turned forty, Maggie Stevens took an unexpected journey that changed the course of her life. She didn't decide to visit all of the Earth's rain forests or spend months roaming through the African desert. It was not for scientific research nor was it for purposes of investigative journalism. Maggie's journey took place in the most unlikely of places: on a bus with a bunch of

actors. Think "Almost Famous," except instead of a teenage boy, it was a pre-pre-menopausal mom of three. Forced to face all of her fears on the road, Maggie must figure out how to get back the one thing she lost many years ago: herself. Inspired by the author's own journey on the road while accompanying her son as his guardian on a Broadway tour and documented in the popular blog,

[www.momontour.com](http://www.momontour.com). Get to know Maggie Stevens: "She's neurotic, insecure, energetic, and entertaining. As she tells her story, she doesn't hold back. The reader is told everything that Maggie thinks and feels. Luckily Maggie is an original character. She'll make you laugh, cry, wince, and shake your head. At times one may wonder if she has no shame, but that's a good

thing. Maggie      censure and      Publishing  
does not self-      lets it all hang      Review  
out. -Self-
