Is prosperity truly God's plan for you? Claim the physical and spiritual riches that are yours. Once you understand the plan of abundance God has designed, you'll never again accept anything less. Through this scriptural study by Kenneth Copeland, you can be sure that when it comes to Prosperity: The Choice Is Yours.

*Prosperity Promises* John Wiley & Sons

Biblical answers to life's financial problems.

**Is Financial Prosperity for Us Today Or the 1,000 Year Reign of Jesus Christ?** WestBow Press

Power To Make Wealth This book teaches God's way of becoming wealthy and prosperous. It contains knowledge, guides, and prayers on how to receive miraculous financial breakthroughs. Did God promise to make our efforts successful and prosperous? Let's get the answer to this question from the scripture. Let's see the following scriptures to know the mind of God concerning prosperity. "Beloved, I pray that you may prosper in all things and be in health, just as your soul prospers." (3 John 1:2) "This Book of the Law

shall not depart from your mouth, but you shall meditate in it day and night, that you may observe to do according to all that is written in it. For then you will make your way prosperous, and then you will have good success." (Joshua 1:8) "Let them shout for joy and be glad, Who favor my righteous cause; And let them say continually, "Let the Lord be magnified, Who has pleasure in the prosperity of His servant." (Psalms 35:27) "If they obey and serve Him, they shall spend their days in prosperity, and their years in pleasures." (Job 36:11) "The Lord was with Joseph, and he was a successful man." (Genesis 39:2) These scriptures clearly revealed that God has a glorious plan to make His people rich, wealthy, and prosperous both in the physical and spiritual. If are not succeeding and prospering in what you do, then you have been missing a lot. But there is nothing to worry about. This book contains all you need to know and do in order to enjoy the divine wealth and prosperity which God has made available for His people. As you read this book, I wish you a divine turnaround for success

and prosperity. Enjoy it. Our Covenant of Prosperity Uwriteit Publishing Company Best-selling author Andrew Wommack shares his personal story of when he was young and strapped financially. God taught him how to have abundance in the area of finances. Andrew discusses the influence of money in our lives and how it is very real. He teaches that Jesus taught more about managing resources than He did on prayer or even faith. He exposes the manipulation that sometimes goes on with Christian ministers and how you can be immune from it. Andrew Wommack's message is clear that even though there are abuses in the body of Christ regarding money, that you can still benefit from the truths in God's Word about finances. He believes that by fixing your heart that you deal with the root cause of financial situations and then money will take care of itself. Once your heart is right, using wisdom in how you spend your money comes naturally. *Prosperity* Xlibris Corporation It all started when Sean Hyman went on a financial quest to find out

why people were broke because he knew it wasn't "God's best" for their lives. That's when he went through an extensive study of one of the wisest books of all-time, the Bible. He literally looked at every scripture that had to do with money. It was then that he found the six keys that God has outlined to produce financial success. As he purposefully implemented and lived out these six principles they began to change his financial future. It was then that he decided to write this book about it and "tell the whole world" so that they could find out the keys to financial success just as he has done.

If you are one of the millions who are living beyond your financial means, scraping to get by every month, allow Noel Jones and Scott Chaplan to redirect your focus and

your finances toward success. Both authors are experienced and successful in their chosen fields and they share their expertise with you because they want you to succeed to be the person God gifted you to be. *Vow of Prosperity* provides solutions that will bring financial freedom to you and/or your faith-based organization. You are introduced to both spiritual and practical solutions to attain financial security first by establishing your core values; then by following step-by-step guidance regarding budgets, credit cards, taxes, and much more. Scripture says that the wealth of the wicked is laid up for the just; but how do you go about accessing it? Specific ways are given so you can acquire more wealth, while at the same time using your God-given gifts and talents to fulfill your goals and destiny.

The Retirement Reformation will change the way we think about what our culture calls retirement. While acknowledging the reality of longevity, Bruce Bruinsma challenges both individuals and faith-

based organizations to reexamine, reshape, reform, and revitalize the fastest-growing segment of our society. God has a unique call for each of our lives, and it does not stop at sixty-five or seventy. *The Laws of Prosperity* Morgan James Publishing "Jesus' advice ruined what I planned to write." It was the recipe for a great book. John and his wife—both financial experts—had cut their income by 80% to pursue more meaningful lives. Within six years they had two kids, were debt-free, went on several vacations, and doubled their net worth. John was ready to share the biblical principles that made this possible. But he couldn't. After reviewing Scripture's teaching on money—over 1,300 verses—he realized he had missed something big. Jesus' Terrible Financial Advice turns even conventional Christian wisdom on its head. While it answers many of the practical questions we have—like does Jesus want me to be rich or poor? Should I give to everybody who asks? Is it wrong to save?—it goes beyond these concerns. It asks bigger questions, gives bolder answers, and offers a more

comprehensive view of stewardship. Follow Jesus' "terrible" (shocking, otherworldly) financial advice, and you'll have what money can't buy: purpose.

Money and Possessions

Harrison House Publishers

In these days of economic uncertainty, and in a society that values financial security, money is an emotional topic. Appearances and lifestyle matter to us. And money—or the lack of it—often determines whether or not we're content. The truth is, our attitudes toward money and possessions reflect the quality of our relationship with God. And, according to the Scriptures, our view of money reveals where our true affections lie. Prosperity is not a sin, but it does bring responsibilities. And scarcity is not a virtue, particularly when it distracts us from the things that truly matter. In this six-week study you will discover God's view of material wealth. As you

dig into the Scriptures, you'll learn where money comes from, you'll see how we're supposed to handle it, and you'll understand how to live an abundant life, regardless of your financial circumstances.

Trust God for Your

Finances is a detailed, in-depth study of exactly what the Bible has to say about success and prosperity. The principles in this book are not theoretical. They have worked successfully in Jack Hartman's life and in the lives of many people who have followed these principles. Jack carefully points out the differences between the world's system of prosperity and God's laws of prosperity. He explains that all of the warnings in the Bible against financial prosperity are warnings against following the world's system of prosperity. God's Word clearly indicates that He does want us to prosper as long as this prosperity is achieved by following His laws of prosperity. These laws are laid out in detail in sixteen chapters of specific instruction -- every chapter filled with many verses of Scripture.

The book closes with a unique "test" in which readers can test themselves on their knowledge of God's laws of prosperity. Jack Hartman believes that our economy is going to experience a definite down-turn and he urges all Christians to study and apply God's specific instructions for prosperity and success. God's laws of prosperity are not in any way dependent upon the condition of a man-made economic system. Now is the time to start learning and applying these laws.

A lot of Christians don't understand the way money works. Money is supposed to be your servant, not the other way round. When you know the techniques to command your money, it will work in your favor. As a Christian, you are not supposed to be in lack, because God has commanded that money should serve you. Until you understand that and begin to take your rightful place, you will keep begging for money and nothing will happen. This book is specifically designed to eradicate poverty in your life and

command your finances to work in your favor. The time has come to take control of your finances and live a life of financial freedom. You will also discover various ways to achieve financial breakthrough and prosperity. Also included is the reason the majority of Christians are not financially independent, always depend on their fellow Christians to meet up with life. Prayers and strategies to make it in life.

**Prayers for Money and Finances** Moody Publishers

God wants His people to prosper and to succeed in every area of life—financially, relationally, emotionally and spiritually. Many Christians never enter into the realm of prosperity that God intended for them. There are several reasons why. Kimberly Jenkins explains how obedience is the key to prosperity and how you can Live the Good Life.

God wants His people to prosper financially. Biblical Keys to Financial Prosperity explains how believers can release their faith for finances and eat the good of the land.

Becoming a Millionaire

God's Way Chosen Books

Who wants to settle for fleeting treasures on earth . . . when God offers everlasting treasures in heaven? It's time to rethink our perspectives on money and possessions. In this thoroughly researched classic, Randy Alcorn shows us how to view these things accurately—as God's provision for our good, the good of others, and his glory. Alcorn presents a biblical and comprehensive view of money and possessions, including the following:

Why is money so important to God? Is prosperity theology right or wrong? How can we be liberated from materialism? What should we do about debt? How much does God want us to give? How can we best help the poor and reach the lost? What about gambling? Investing? Insurance? Saving? Retirement? Inheritance? How can we leave our children a true heritage? How can we use money in ways that God rewards? This practical and refreshing theology of money contains topical and Scripture indexes, a study guide, and five helpful appendices.

The 21-Day Financial Fast Wisdom International Inc Prosperity resides where prayerful planning, financial freedom, and radical relationships intersect. Do you have a healthy connection with all financial matters? • Have you ever wondered what the Bible has to say about money? • Do you want to know the best way to build wealth? • Would you like to have contentment in every aspect of life, at work and home, with family and friends, at church, and in your community? Do you want to know how to better manage money? The scriptures teach us to be in a relationship with God. Your Heavenly Father wants you to live a prosperous life and build

wealth. The Bible teaches you the proper way to handle those finances. The final four chapters of this book will show you how financial prosperity and the fruit of the Spirit intersect. Once you understand and begin living by these foundational truths, your heart will overflow with love, joy, and peace. Your actions will be purposeful, with patience, kindness, and goodness. And your thoughts will be faithful and meek with self-control. These are not only Christian financial concepts and principles; these are financial truths. It's time for you to RECOVER, GROW, and ZERO IN on your financial target. Here are some of the faith + strategy intersections you will read about and be able to apply immediately: • Your dreams + Your life • Prayer + Patience • Your destiny + God's will • King Jesus + Servant Jesus • Your Purpose? + Your Position? The INTERSECTION series includes the titles below: • Biblical Faith Meets Financial Strategy, 2nd ed. - How to Lay a Solid Foundation for Prosperity • God's Ownership Meets Money Management - How to Be a Good and Faithful Steward • Divine

Provision Meets Generosity Planning - How to Live Life to the Fullest While Richly Giving ...and the following companion for a deeper study: • Setting Your Sights on the Intersection - 90-Day Devotional & Journal About the book series: INTERSECTION - Where God's Wealth Meets God's Wisdom Imagine yourself at the shooting range aiming at a target. To ensure your aim is accurate, you look for a calibrated point of reference. There are two engraved lines to give you a single place to focus on when aiming at a target. The two lines cross at this spot and create what is known as crosshairs. Crosshairs are composed of two wires or lines, one parallel and the other perpendicular to the horizon. The area that you are focused on is where the two lines intersect. The objective is to align the crosshairs with the bullseye. Aiming to hit the bullseye requires precision, and using the simple principle of intersecting lines, you can easily pinpoint that target. When peering through the scope of your financial future, the strategy is the same. The two dimensions are God's Wealth (vertical) and

God's Wisdom (horizontal). Once you have these two crosshairs in focus and zeroed-in, you can aim right at the center of your target and hit it consistently. If you want to pinpoint your financial destiny, you need to zero-in on your target, not someone else's mark. The simple tool needed for pinpoint accuracy is the crosshairs, and one of the most critical steps is knowing where you are aiming. The blessings come where the two lines meet. Get ready to manage money

according to the Word of God and live a prosperous life!
