Sew cute and original clothes for your little angel with this easy-to-follow DIY sewing book. Yoshiko Tsukiori's Japanese sewing books provide elegant casual designs for women and children and have made her one of the most popular names in the Japanese sew-it-yourself craze. In *Sewing for Your Girls*, Tsukiori has done it again, creating eight adorable and endlessly

versatile new patterns for clothes that will delight every mother's budget—and suit every little girl's personal style and body type. Tsukiori provides easy-to-follow instructions (in English) and shares the basic techniques for creating all the classic elements of little girls' clothes. Today's emerging legions of DIY mothers will discover how to make: A round collared shirt or tunic A classic smocked sundress Overalls with plenty of pocket room Draw-string pants that fit beautifully A shawl-collared dress or top A gathered neckline shirt, tunic, or dress A pretty dress with shoulder ruffles A raglan top or dress Add

ruffles or bows, add tiers or pockets, add sleeves or go sleeveless—each of these garments can be embellished in endless variations to create literally hundreds of different styles. Tsukiori also guides readers on how to select carefree, pretty, and inexpensive fabrics that girls will love to wear every day! Imagination and creativity are the keys to dressing girls stylishly on a budget, and *Sewing for Your Girls* makes it easy to mix and match the basic components so that each piece is as unique as it is beautiful.

Helium is the debut poetry collection by internet phenom Rudy Francisco, whose work has defined poetry for a generation of new readers. Rudy's poems and quotes have been viewed and shared millions of times as he has traveled the country and the world performing for sell-out crowds. *Helium* is filled with work that is simultaneously personal and political, blending love poems, self-reflection, and biting cultural critique on class, race and gender into an unforgettable whole. Ultimately, Rudy's work rises above the chaos to offer a fresh and positive perspective of shared humanity and beauty.

A Foodie Afloat is the story of a cook's journey through France on a barge. Di Murrell takes us on a gentle journey across France; her main preoccupation being to make sure that tasty food arrives on the table each day. As she voyages across the

country she shows, through her recipes, how the cuisine changes with the landscape. Whether bought in the market, dug from a lock-keeper's garden or even foraged along the towpath, the food she finds and cooks is always seasonal and local to the region. This book is more than just a collection of recipes though. It is the result of a life spent on the waterways of Europe. She talks to lock-keepers, skippers of working barges and those, who, like her, find their sustenance on or near the canal. Di's enjoyment of good champagne, foie gras and truffles leads to an eclectic mix of simplicity and sophistication in her cooking. The boating life, though rarely sensational, is full of small events and chance encounters. This is an enticing story of slow boats and slow food. Di makes it come alive, and her combination of travel and recipe book tempts us to give up everything and join her on the waterways of Northern and Central France. A Foodie Afloat is the 2020 UK winner of the World Gourmand Cookbook Awards in the Food Tourism category.

This book presents theories and case

studies for corporations in developed nations, including Japan, for designing strategies to maximize opportunities and minimize threats in business expansion into developing nations. The case studies featured here focus on Asia, including China and India, and use examples of Japanese manufacturers. Five case studies are provided, including Hitachi Construction Machinery and Shiseido in China and Maruti Suzuki in India. These cases facilitate the reader's understanding of the business environments in emerging economies. This volume is especially recommended for business people responsible for international business development, particularly in China and India. In addition, the book serves as a useful resource for students in graduate-level courses in international management.

Weaning your baby on to solid foods is one of the most important milestones during the early months of parenthood, and Gina's expert advice on weaning makes a baby's transition from milk to solid foods as straightforward as possible. Successful weaning establishes a pattern of healthy eating in babies, avoiding the pitfalls of fussy eaters restricted to a narrow diet. In this revised edition of *The Contented Little Baby Book of Weaning*, Gina includes the latest recommendations regarding breast-feeding and the introduction of solid food from the World Health Organisation and the UK Department of Health. She aims to take the worry out of weaning, guiding parents step-by-step through the process and shares the insight and expertise gained from personally helping to care for over 300 babies, and advising thousands more parents via her consultation service

and website. Included in this revised edition: - The best time of day to introduce the first solid food - Which foods to introduce and at what age - Getting the balance of milk feeds and solids right - How to eliminate night feeds once solids are introduced - The importance of introducing finger foods at the right age - Extended parent-friendly feeding plans to take parents step-by-step through the different stages - Newly developed rotating meal planners for older children up to the end of the first year - Brand new questions and answers giving the most up-to-date advice to parents. *The Contented Little Baby Book of Weaning* is the definitive guide to ensuring babies eat well now and as they grow up and is as relevant and helpful to those parents who have not previously followed Gina's routines.
