Mitchell Lane
Dare to Make History is the story of two courageous and talented women who weren't willing to accept anything less than being treated as equals. On their journey to a gold medal in women's ice hockey, they became role models for generations before and after them. Twins Jocelyne Lamoureux-Davidson and

Monique Lamoureux-Morando started playing ice hockey with their four older brothers and their friends on a frozen pond next to their home in North Dakota. No girls hockey teams, no problem—they just played on boys teams. They went on to win six World Championships and played in three Olympics, winning two silver medals and ultimately a gold medal in South Korea in 2018 for the USA

Women's National Team. They did not allow roadblocks and discrimination deter them from taking on their governing body—USA Hockey—threatening to boycott the 2017 World Championships and jeopardizing their ability to compete in the 2018 Olympics unless their gender equity issues were addressed. The success of Monique, Jocelyne, and their team thrust them into the center of the struggle for gender equity, for women in hockey and in sports in

general, as well as in society at large. In *Dare to Make History*, the Lamoureux twins chronicle their journey to the pinnacle of their sport, their efforts along with almost 150 other hockey players to start a new professional women's hockey league, their training to come back and make another national team after giving birth, their tireless efforts to advance the interests of disadvantaged communities in closing the digital divide, and their ongoing

contributions as role models championing the dreams of future generations of girls in sports, education, and the workplace. This is not a hockey book. It is not a girls book. It is a book about the importance of the fight for equity, particularly gender equity. It is the inspirational story of how two young women from a small town in North Dakota have dreamed big—had the courage to take on huge battles—and in the end how they have dared to make history.

Billboard Graphic Communications Group Albumilistahistorian Top 1000 on kolmen vuoden aikana julkaistun trilogian viimeinen osa. Top 1000 (Avain, 2020) listasi 60 vuoden menestyneimmät kappaleet, 1000 listan kirja (BoD/Listablogi, 2021) lajitteli tuon ajanjakson hitit tuhanneksi erikoislistaksi. Ne perustuvat Timo Pennan 30 vuotta kestäneeseen

arkistointiin. Kaikissa on sama sivukoko ja yhtenäinen typografia, ja ne odottavat pääsyään myös Sinun hyllyysi rinnatusten. Suomessa on laadittu säännöllisiä musiikkialbumien myyntilistoja vuoden 1966 alusta lähtien eli 57 vuoden ajan. Laatijoina ovat toimineet useat eri lehdet, radioasemat ja vuodesta 2010 lähtien levy-yhtiöiden kattojärjestö. Kirja kertoo listahistorian albumintekijöiden kautta. Timo Pennanen on pisteyttänyt esittäjät

kuudella tilastollisella kriteerillä ja saanut aikaan Top 1000 -rankingin. Heidät esitellään dramatisoidussa aikajärjestyksessä. *Billboard* BoD - Books on Demand Create Your Own Scrap Book featuring your number one singer... Jason Derulo. Jason Derulo The Jason Derulo Handbook - Everything You Need to Know about Jason Derulo
A young college grad buys a house in Detroit for

\$500 and attempts to restore it—and his new neighborhood—to its original glory in this “deeply felt, sharply observed personal quest to create meaning and community out of the fallen...A standout” (Kirkus Reviews, starred review). Drew Philp, an idealistic college student from a working-class Michigan family, decides to live where he can make a difference. He sets his sights on Detroit, the failed metropolis of abandoned buildings, widespread poverty, and

rampant crime. Arriving with no job, no friends, and no money, Philp buys a ramshackle house for five hundred dollars in the east side neighborhood known as Poletown. The roomy Queen Anne he now owns is little more than a clapboard shell on a crumbling brick foundation, missing windows, heat, water, electricity, and a functional roof. A \$500 House in Detroit is Philp’s raw and earnest account of rebuilding everything but the frame of his house, nail by nail and

room by room. “Philp is a great storyteller...[and his] engrossing” (Booklist) tale is also of a young man finding his footing in the city, the country, and his own generation. We witness his concept of Detroit shift, expand, and evolve as his plan to save the city gives way to a life forged from political meaning, personal connection, and collective purpose. As he assimilates into the community of Detroiters around him, Philp guides readers through the city’s vibrant history and

engages in urgent conversations about gentrification, racial tensions, and class warfare. Part social history, part brash generational statement, part comeback story, *A \$500 House in Detroit* “shines [in its depiction of] the ‘radical neighborliness’ of ordinary people in desperate circumstances” (Publishers Weekly). This is an unforgettable, intimate account of the tentative revival of an American city and a glimpse at a new way

forward for generations to come.

TikTok is a social media platform that allows users to create and share short-form videos, typically set to music. It has become increasingly popular among younger audiences, with over 800 million active users worldwide. The app's algorithmic feed shows users content that is tailored to their interests and behavior, making it an addictive and highly engaging platform. TikTok has also become a hub for

creativity and self-expression, with users often showcasing their talent in music, dance, and comedy. The app has also faced controversy over its handling of user data and potential security risks, leading to calls for greater regulation and oversight. Despite these concerns, TikTok remains one of the most popular social media platforms in the world today, with a growing influence on modern youth culture. Billboard Bloomsbury Publishing USA

Hell of a Hat

In the late '90s, third-wave ska broke across the American alternative music scene like a tsunami. In sweaty clubs

across the nation, kids danced themselves dehydrated to the peppy rhythms and punchy horns of bands like The Mighty Mighty Bosstones and Reel Big Fish. As ska caught fire, a swing revival brought even more sharp-dressed, brass-packing bands to national attention. Hell of a Hat dives deep into this unique musical moment. Prior to invading the Billboard charts and MTV, ska thrived from Orange County, California, to NYC, where Moon Ska Records had eager rude girls and

boys snapping up every release. On the swing tip, retro pioneers like Royal Crown Revue had fans doing the jump, jive, and wail long before The Brian Setzer Orchestra resurrected the Louis Prima joint. Drawing on interviews with heavyweights like the Bosstones, Sublime, Less Than Jake, and Cherry Poppin' Daddies—as well as underground heroes like Mustard Plug, The Slackers, Hepcat, and The New Morty Show—Kenneth Partridge argues that the relative

economic prosperity and general optimism of the late '90s created the perfect environment for fast, danceable music that—with some notable exceptions—tended to avoid political commentary. An homage to a time when plaids and skankin' were king and doing the jitterbug in your best suit was so money, *Hell of a Hat* is an inside look at '90s ska, swing, and the loud noises of an era when America was dreaming and didn't even know it.
