New Friends. Old Enemies. Who can you trust? Wynter Moorehawke travels alone and unprotected in bandit-infested forests, searching for the rebel Prince Alberon. But many enemies are lurking in the shadows. It seems that every tyrant and zealot who has ever threatened the Kingdom is sending emissaries to meet Alberon. Wynter becomes increasingly nervous of the prince's intentions. She is overjoyed when Razi and Christopher re-appear, but where old friends go, old enemies soon follow and Wynter finds herself confronted with the infamous Wolves - the Loups-Garous. It is to Christopher's adopted people, the Merron, that Wynter and Razi must now turn for sanctuary. But the Merron have sided with their mortal enemy, Marguerite Shirken. What is behind these strange alliances and is Alberon at the centre of it all?

Entrepreneurship can change your life—and even the world Idea Makers shares the incredible stories of 15 women who changed the world through their entrepreneurship. Author Lowey Bundy Sichol presents five industries that women are leading in recent years: food, fashion and clothing, health and beauty, science and technology, and education. Jenn Hyman brought couture fashion to everyday women with her idea to Rent the Runway. Morgan DeBaun supports Black journalists through Blavity. And Sandra Oh Lin is inspiring kids everywhere with KiwiCo activity boxes. Readers learn about how the women featured risked their early careers, gave up their salaries, and sometimes even went against the approval of their families to follow their passions and start their own businesses. Today, these women are modern leaders worth billions of dollars and employing tens of thousands of individuals. Young women today are embracing innovation and idea making, and the women profiled in Idea Makers will show them how that can change the world.

"I loved this book! So helpful!" -- Courtney Milan, New York Times Best Selling author of The Governess Affair "Have you ever wanted to double your daily word counts? Do you feel like you're crawling through your story, struggling for each paragraph? Would you like to get more words every day without increasing the time you spend writing or sacrificing quality? It's not impossible, it's not even that hard. This is the story of how, with a few simple changes, I boosted my daily writing from 2000 words to over 10k a day, and how you can, too." Expanding on her highly successful process for doubling daily word counts, this book--a combination of reworked blog posts and new material--offers practical writing advice for anyone who's ever longed to increase their daily writing output. In addition to updated information for Rachel's popular 2k to 10k writing efficiency process, 5 step plotting method, and easy editing tips, this new book includes chapters on creating characters that write their own stories, story structure, and learning to love your daily writing. Full of easy to follow, practical advice from a commercial author who doesn't eat if she doesn't produce good books on a

regular basis, 2k to 10k focuses not just on writing faster, but writing better, and having more fun while you do it. *New for Fall 2013! This Revised Edition includes updates and corrections for all chapters!*

This book is about pool and spa water chemistry. In compiling this material I focused on specific topics that closely relate to the effects swimming pool operators are facing in their everyday duties. Working as a pool operator myself helped me to better understand the subject and also to identify the areas of chemistry pool operators should be familiar with. Hoping that this book will help in your endeavour to maintain water safe & sparklingly clean.

"In recent years, secular life and lifestyles in late antiquity and the Middle Ages have been illuminated through renewed attention to the economic and social history of households, while scholarship on women has produced studies of the lives and the devotional reading of laywomen and women religious. This volume is a collection that unites study of the household church's roles in women's history to the impact of women's householding on the history of the church."--BOOK JACKET
