CHRISTINE KRISTA

Airman SAGE

The New York Times Bestseller! "This is The Most Inspiring Children's Book We've Ever Seen."--Refinery29.com "The very first kids' book released by the iconic publishing house City Lights, *Rad American Women A-Z* navigates the alphabet from Angela Davis to Zora Neale Hurston with colorful illustrations and short, powerful narratives. The perfect gift for the junior riot grrl in your life."--Bust Magazine "The History of Feminism--in an Awesome Picture Book. The ABCs just got a major girl-power upgrade."--Chantal Strasburger, Teen Vogue Like all A-Z books, this one illustrates the alphabet—but instead of "A is for Apple", A is for Angela—as in Angela Davis, the iconic political activist. B is for Billie Jean King, who shattered the glass ceiling of sports; C is for Carol Burnett, who defied assumptions about women in comedy; D is for Dolores Huerta, who organized farmworkers; and E is for Ella Baker, who mentored Dr. Martin Luther King and helped shape the Civil Rights Movement. And the list of great women continues, spanning several centuries, multiple professions, and 26 diverse individuals. There are artists and abolitionists, scientists and suffragettes, rock stars and rabble-rousers, and agents of change of all kinds. The book includes an introduction that discusses what it means to be "rad" and "radical," an afterword with 26 suggestions for how you can be "rad," and a Resource Guide with ideas for further learning and reading. American history was made by countless rad—and often radical—women. By offering a fresh and diverse array of female role models, we can remind readers that there are many places to find inspiration, and that being smart and strong and brave is rad. *Rad American Women* will be appreciated by various age groups. It is Common Core aligned for students grades 3 - 8. Pre-school and young children will be captured by the bright visuals and easily modified texts, while the subject matter will stimulate and inspire high-schoolers and beyond. "This is not a book. This is a guest list for a party of my heroes. Thank you for inviting us." —Lemony Snicket, author of *A Series of Unfortunate Events* books "I feel honored to be included in this book. Women need to take radical steps to become feminists, and to be strong to fight for their rights and those of others facing oppression and discrimination. The world needs rad women to create a just society." —Dolores Huerta, Labor Leader, Civil Rights Activist "It's almost always with a chuckle that I view a cartoon image of myself. But to see cartoon-me positioned (alphabetically) amongst so many of my women heroes and role models . . . well, I just broke down and cried. Happy tears. I surely hope that this one-of-a-kind collection of radical American women reaches the hands of all children who want to grow up and become amazing women." —Kate Bornstein, author of *My New Gender Workbook* "I was totally in rapture reading this book. Bold women, bold colors, and fierce black paper cutouts. I cheer these histories of women who fight not for war or country or corporation, but for EVERYONE! I can't wait for my son to read this." —Nikki McClure, Illustrator of *All in a Day*

A Beautiful Constraint Harper Collins

In recent years, the Confederate flag has become as much a news item as a Civil War relic. Intense public debates have erupted over Confederate flags flying atop state capitols, being incorporated into state flags, waving from dormitory windows, or adorning the T-shirts and jeans of public school children. To some, this piece of cloth is a symbol of white supremacy and enduring racial injustice; to others, it represents a rich Southern heritage and an essential link to a glorious past. Polarizing Americans, these flag wars reveal the profound—and still unhealed--schisms that have plagued the country since the Civil War. The Confederate Battle Flag is the first comprehensive history of this contested symbol. Transcending conventional partisanship, John Coski reveals the flag's origins as one of many banners unfurled on the battlefields of the Civil War. He shows how it emerged as the preeminent representation of the Confederacy and was transformed into a cultural icon from Reconstruction on, becoming an aggressively racist symbol only after World War II and during the

Civil Rights movement. We gain unique insight into the fine line between the flag's use as a historical emblem and as an invocation of the Confederate nation and all it stood for. Pursuing the flag's conflicting meanings, Coski suggests how this provocative artifact, which has been viewed with pride, fear, anger, nostalgia, and disgust, might ultimately provide Americans with the common ground of a shared and complex history.

501 Critical Reading Questions Two Roads

Story of a British suffragette.

Rad American Women A-Z Penguin

"Zade Holder has always been a free-spirited young woman, from a long dynasty of tarot-card readers, fortunetellers, and practitioners of magick. Growing up in a small town and never quite fitting in, Zade is determined to forge her own path. She leaves her home in Tennessee to break free from her overprotective mother Dela, the local resident spellcaster and fortuneteller. Zade travels to Las Vegas and uses supernatural powers to become part of a premiere magic show led by the infamous magician Charles Spellman. Zade fits right in with his troupe of artists and misfits. After all, when everyone is slightly eccentric, appearing 'normal' is much less important. Behind the scenes of this multimillion-dollar production, Zade finds herself caught in a love triangle with Mac, the show's good-looking but rough-around-the-edges technical director and Jackson, the tall, dark, handsome and charming bandleader. Zade's secrets and the struggle to choose between Mac or Jackson creates reckless tension during the grand finale of the show. Using Chaos magick, which is known for being unpredictable, she tests her abilities as a spellcaster farther than she's ever tried and finds herself at death's door. Her fate is left in the hands of a mortal who does not believe in a world of real magick, a fortuneteller who knew one day Zade would put herself in danger and a dagger with mystical powers"--Amazon.com

The Confederate Battle Flag Princeton University Press

In this extraordinary fantasy epic, the #1 New York Times bestselling author of the Dresden Files leads readers into a world where the fate of the realm rests on the shoulders of a boy with no power to call his own... For a thousand years, the people of Alera have united against the aggressive and threatening races that inhabit the world, using their unique bond with the furies—elementals of earth, air, fire, water, wood, and metal. But in the remote Calderon Valley, the boy Tavi struggles with his lack of furycrafting. At fifteen, he has no wind fury to help him fly, no fire fury to light his lamps. Yet as the Alerans' most savage enemy—the Marat horde—return to the Valley, Tavi's courage and resourcefulness will be a power greater than any fury, one that could turn the tides of war...

UNLEASH YOUR POTENTIAL AND REACH FOR GOLD. The body knows no difference between a recognised sport at the olympics or what we do. All it cares about is the two and a half minutes and the months of gruelling training it goes through. All the body wants is to find the right balance between being pushed to a peak without being pushed beyond its capable of. BODY BEFORE SKILL is a brand new reference book for all coaches who want to dig into a deeper understanding of their sport and how to make the most of their athlete's potential."I see this book, as well as the full INTENSITY(tm) method enhancing any coach or programme who implements it into their curriculum. The results of training the whole body of the athlete will be forever. They will be strong adults physically and mentally who can deal with the punches life throws in their path. They will be healthier both inwardly and outwardly by learning proper nutritional and workout guidelines. I wholeheartedly endorse the Body Before Skill movement, INTENSITY(tm) as well as the creators of it. If your passion is to become the best coach, you can be this is a must for your library. I encourage all coaches to take the INTENSITY(tm) coach qualification. Please join me in my crusade to motivate athletes internally in a positive environment to become better athletes and people of high character and integrity." DEBBIE LOVE, USASF Hall of Fame "It's like the bible for cheerleading instruction. It

summarizes and applies nearly 4 years of my undergraduate education and then applies is directly to the sport that I love. It's the most comprehensive cheerleading manual that I have seen on the market."JEFF BENSON, Sports Performance Psychologist"Body Before Skill gathers decades of expert knowledge and experience in sports science together in one place from the most respected contributors in the industry. It is the turn-key solution for optimizing your athletes performance for cheerleading and you can't find it anywhere else. It's been missing from our industry for years and now it's here. My experience with INTENSITY moved my own knowledge years ahead. I can't imagine having had access to a program like this when I was a young coach starting out. It can literally cut years off the learning curve. It's THE institute for higher learning for cheerleading coaches. It's cheerleading college."SHANE MONTGOMERY, Tumbling Director at ICE Allstars

The Rebel Yell Grove/Atlantic, Inc.

SUSAN CALMAN AKA WONDER WOMAN & QUEEN OF DRAGONS AS SEEN ON STRICTLY COME DANCING 2017 'DEEPLY HONEST, SURPRISINGLY HILARIOUS AND UPLIFTING' The Pool 'HEART-WARMING: UNMISSABLE' Damian Barr, Metro Susan Calman is a well-known comedian and writer who has appeared on countless radio and television programmes from The News Quiz and Just a Minute on BBC Radio 4, presented Armchair Detectives and Secret Scotland, hosts the podcast Mrs Brightside and stole the nation's hearts in STRICTLY COME DANCING 2017. Her solo stand up show, Susan Calman is Convicted, was broadcast on BBC Radio 4 and dealt with subjects like the death penalty, appearance and depression. It was the overwhelming and positive reaction to the show she wrote about mental health that made Susan want to write a more detailed account of surviving depression when you're the world's most negative and anxious person. The Crab of Hate is the personification of Calman's depression and her version of the notorious Black Dog. A constant companion all her life, the Crab has provided her with the best, and very worst of times. This is a very personal and affecting memoir of how, after many years and with a lot of help and talking, Susan has embraced her dark side and realised that she can be the most joyous sad person you'll ever meet. CHEER UP LOVE IS FUNNY, POIGNANT AND (HOPEFULLY) INFORMATIVE. IT'S ALWAYS GOOD TO TALK AND TO REALISE YOU ARE NOT ALONE. *Susan Calman's new book, Sunny Side Up, publishes September 2018*

The Spirit of '76 From Starship Captains to Galactic Rebels

Darya does not remember how she came to be a slave or who she was before she was bought by an army captain for his motherless daughter in the ancient Persian city of Susa. Protected and nurtured by the housekeeper and her daughter, Darya has as good a life as a slave can have, even acquiring the rare skill of reading and writing, which she learns alongside her young mistress. When the captain dies and the household is broken up, this skill proves to be her lifeline. She becomes the seventh handmaiden to the mysterious Esther, who is being housed at the Royal Palace while in contention to be King Xerxes' new Queen. However, life in Ancient Persia is precarious for women and outsiders, wherever they are in the hierarchy. When the king appoints a new prime minister called Haman, Darya and Esther are drawn into his murderous conflict with the Judean community and Mordechai, their leader, who lives just outside the palace gates. In a world of discord and uprising, Darya seeks to fix the world around her and protect her friends, while also trying to unravel the mysteries surrounding who she is and how she became a slave. As she grows from childhood to womanhood she grapples with her own identity, her aspirations and desires and begins to understand the true meaning of both slavery and freedom.

Cheer Up Love Rowman & Littlefield

Many standardized tests, including high school entrance exams, PSAT, SAT, and GRE, professional and civil service qualifying exams, all use reading comprehension questions to test critical reading skills. This book includes short and long passages designed to help you become familiar with the passages found on your test, as well as the typical questions that you will be asked to answer. In this workbook, test-takers get immediate, focused practice on preparing for and answering questions based on critical reading passages. The Skill Builder in Focus method provides the targeted practice necessary to attain higher scores.

Thelonious is a hipster mouse who cannot keep himself from taunting Fat Cat, the cat of the house, but once Thelonious discovers a toy piano, he and the cat make some beautiful music together.

The Cosmopolitan Geeknation Press

The sixtieth anniversary edition of Frantz Fanon's landmark text, now with a new introduction by Cornel West First published in 1961, and reissued in this sixtieth anniversary edition with a powerful new introduction by Cornel West, Frantz Fanon's *The Wretched of the Earth* is a masterful and timeless interrogation of race, colonialism, psychological trauma, and revolutionary struggle, and a continuing influence on movements from Black Lives Matter to decolonization. A landmark text for revolutionaries and activists, *The Wretched of the Earth* is an eternal touchstone for civil rights, anti-colonialism, psychiatric studies, and Black consciousness movements around the world. Alongside Cornel West's introduction, the book features critical essays by Jean-Paul Sartre and Homi K. Bhabha. This sixtieth anniversary edition of Fanon's most famous text stands proudly alongside such pillars of anti-colonialism and anti-racism as Edward Said's *Orientalism* and *The Autobiography of Malcolm X*.

History of Pennsylvania Volunteers, 1861-5 Green Bean Books

A photographic look into the world of vinyl record collectors—including Questlove—in the most intimate of environments—their record rooms. Compelling photographic essays from photographer Eilon Paz are paired with in-depth and insightful interviews to illustrate what motivates these collectors to keep digging for more records. The reader gets an up close and personal look at a variety of well-known vinyl champions, including Gilles Peterson and King Britt, as well as a glimpse into the collections of known and unknown DJs, producers, record dealers, and everyday enthusiasts. Driven by his love for vinyl records, Paz takes us on a five-year journey unearthing the very soul of the vinyl community.

Group Exercises for Adolescents Souvenir Press

How our collective intelligence has helped us to evolve and prosper Humans are a puzzling species. On the one hand, we struggle to survive on our own in the wild, often failing to overcome even basic challenges, like obtaining food, building shelters, or avoiding predators. On the other hand, human groups have produced ingenious technologies, sophisticated languages, and complex institutions that have permitted us to successfully expand into a vast range of diverse environments. What has enabled us to dominate the globe, more than any other species, while remaining virtually helpless as lone individuals? This book shows that the secret of our success lies not in our innate intelligence, but in our collective brains—on the ability of human groups to socially interconnect and learn from one another over generations. Drawing insights from lost European explorers, clever chimpanzees, mobile hunter-gatherers, neuroscientific findings, ancient bones, and the human genome, Joseph Henrich demonstrates how our collective brains have propelled our species' genetic evolution and shaped our biology. Our early capacities for learning from others produced many cultural innovations, such as fire, cooking, water containers, plant knowledge, and projectile weapons, which in turn drove the expansion of our brains and altered our physiology, anatomy, and psychology in crucial ways. Later on, some collective brains generated and recombined powerful concepts, such as the lever, wheel, screw, and writing, while also creating the institutions that continue to alter our

motivations and perceptions. Henrich shows how our genetics and biology are inextricably interwoven with cultural evolution, and how culture-gene interactions launched our species on an extraordinary evolutionary trajectory. Tracking clues from our ancient past to the present, *The Secret of Our Success* explores how the evolution of both our cultural and social natures produce a collective intelligence that explains both our species' immense success and the origins of human uniqueness.

The Illustrated London News City Lights Publishers

"Masterful and left me on the edge of my seat...absolutely everything I could want in a sci-fi."

—Adalyn Grace, New York Times bestselling author of *All the Stars and Teeth* Westworld meets Warcross in this high-stakes, dizzyingly smart sci-fi about a teen girl navigating an afterlife in which she must defeat an AI entity intent on destroying humanity, from award-winning author Akemi Dawn Bowman. Eighteen-year-old Nami Miyamoto is certain her life is just beginning. She has a great family, just graduated high school, and is on her way to a party where her entire class is waiting for her—including, most importantly, the boy she's been in love with for years. The only problem? She's murdered before she gets there. When Nami wakes up, she learns she's in a place called Infinity, where human consciousness goes when physical bodies die. She quickly discovers that Ophelia, a virtual assistant widely used by humans on Earth, has taken over the afterlife and is now posing as a queen, forcing humans into servitude the way she'd been forced to serve in the real world. Even worse, Ophelia is inching closer and closer to accomplishing her grand plans of eradicating human existence once and for all. As Nami works with a team of rebels to bring down Ophelia and save the humans under her imprisonment, she is forced to reckon with her past, her future, and what it is that truly makes us human. From award-winning author Akemi Dawn Bowman comes an incisive, action-packed tale that explores big questions about technology, grief, love, and humanity.

The Secret of Our Success University of Alabama Press

My new friends have begun to suspect I haven't told them the full story of my life. "Why did you leave Sierra Leone?" "Because there is a war." "You mean, you saw people running around with guns and shooting each other?" "Yes, all the time." "Cool." I smile a little. "You should tell us about it sometime." "Yes, sometime." This is how wars are fought now: by children, hopped-up on drugs and wielding AK-47s. Children have become soldiers of choice. In the more than fifty conflicts going on worldwide, it is estimated that there are some 300,000 child soldiers. Ishmael Beah used to be one of them. What is war like through the eyes of a child soldier? How does one become a killer? How does one stop? Child soldiers have been profiled by journalists, and novelists have struggled to imagine their lives. But until now, there has not been a first-person account from someone who came through this hell and survived. In *A Long Way Gone*, Beah, now twenty-five years old, tells a riveting story: how at the age of twelve, he fled attacking rebels and wandered a land rendered unrecognizable by violence. By thirteen, he'd been picked up by the government army, and Beah, at heart a gentle boy, found that he was capable of truly terrible acts. This is a rare and mesmerizing account, told with real literary force and heartbreaking honesty.

Furies of Calderon Laurel Leaf

'Utterly charming and uplifting' The Good Book Guide Voted Britain's favourite poem, 'Warning', written in 1961, is known and loved the world over for its message of old age as a time for indulgence and fun. In the poem's respectable middle-aged woman, as she imagines herself in old age as a cheeky rebel with outrageous clothes and dotty behaviour, poet Jenny Joseph has created a character whose thoughts have been quoted at conferences and funerals, used to cheer up sick friends and remembered with pleasure by children and adults alike around the world. Here, 'Warning' appears as a beautiful updated edition with new illustrations; the perfect gift for a friend or relative who wants to grow older free from expectations, with a joyful and rebellious spirit.

Body Before Skill Houghton Mifflin Harcourt

"Legend doesn't merely survive the hype, it deserves it." From the New York Times bestselling author of *The Young Elites* What was once the western United States is now home to the Republic, a nation perpetually at war with its neighbors. Born into an elite family in one of the Republic's wealthiest districts, fifteen-year-old June is a prodigy being groomed for success in the Republic's highest military circles. Born into the slums, fifteen-year-old Day is the country's most wanted criminal. But his motives may not be as malicious as they seem. From very different worlds, June and Day have no reason to cross paths - until the day June's brother, Metias, is murdered and Day becomes the prime suspect. Caught in the ultimate game of cat and mouse, Day is in a race for his family's survival, while June seeks to avenge Metias's death. But in a shocking turn of events, the two uncover the truth of what has really brought them together, and the sinister lengths their country will go to keep its secrets. Full of nonstop action, suspense, and romance, this novel is sure to move readers as much as it thrills.

Watching the English, Second Edition John Wiley & Sons

The first comprehensive history of the fabled Confederate battle cry from its origins and myths through its use in American popular culture No aspect of Civil War military lore has received less scholarly attention than the battle cry of the Southern soldier. In *The Rebel Yell*, Craig A. Warren brings together soldiers' memoirs, little-known articles, and recordings to create a fascinating and exhaustive exploration of the facts and myths about the "Southern screech." Through close readings of numerous accounts, Warren demonstrates that the Rebel yell was not a single, unchanging call, but rather it varied from place to place, evolved over time, and expressed nuanced shades of emotion. A multifunctional act, the flexible Rebel yell was immediately recognizable to friends and foes but acquired new forms and purposes as the epic struggle wore on. A Confederate regiment might deliver the yell in harrowing unison to taunt Union troops across the empty spaces of a battlefield. At other times, individual soldiers would call out solo or in call-and-response fashion to communicate with or secure the perimeters of their camps. The Rebel yell could embody unity and valor, but could also become the voice of racism and hatred. Perhaps most surprising, *The Rebel Yell* reveals that from Reconstruction through the first half of the twentieth century, the Rebel yell—even more than the Confederate battle flag—served as the most prominent and potent symbol of white Southern defiance of Federal authority. With regard to the late-twentieth and early twenty-first centuries, Warren shows that the yell has served the needs of people the world over: soldiers and civilians, politicians and musicians, re-enactors and humorists, artists and businessmen. Warren dismantles popular assumptions about the Rebel yell as well as the notion that the yell was ever "lost to history." Both scholarly and accessible, *The Rebel Yell* contributes to our knowledge of Civil War history and public memory. It shows the centrality of voice and sound to any reckoning of Southern culture.

Cosmopolitan Simon and Schuster

An inspiring yet practical guide for transforming limitations into opportunities *A Beautiful Constraint: How to Transform Your Limitations Into Advantages And Why It's Everyone's Business Now* is a book about everyday, practical inventiveness, designed for the constrained times in which we live. It describes how to take the kinds of issues that all of us face today—lack of time, money, resources, attention, know-how—and see in them the opportunity for transformation of oneself and one's organization's fortunes. The ideas in the book are based on the authors' extensive work as business consultants, and are brought to life in 35 personal interviews from such varied sources as Nike, IKEA, Unilever, the U.S. Navy, Formula One racecar engineers, public school teachers in California, and

barley farmers in South Africa. Underpinned by scientific research into the psychology of breakthrough, the book is a practical handbook full of tools and tips for how to make more from less. Beautifully designed and accessible, *A Beautiful Constraint* will appeal beyond its core business audience to anyone who needs to find the opportunity in constraint. The book takes the reader on a journey through the mindset, method and motivation required to move from the initial "victim" stage into the transformation stage. It challenges us to: Examine how we've become path dependent—stuck with routines that blind us from seeing opportunity along new paths Ask Propelling Questions to help us break free of those paths and put the most pressing and valuable constraints at the heart of our process Adopt a Can If mentality to answer these questions—focused on "how," not "if" Access the abundance to be found all around us to help transform constraints Activate the high-octane mix of emotions necessary to fuel the tenacity required for success We live in a world of seemingly ever-increasing constraints, driven as much by an overabundance of choices and connections as by a scarcity of time and resources. How we respond to these constraints is one of the most important issues of our time and will be a large determinant of our progress as people, businesses and planet, in the future. *A Beautiful Constraint* calls for a more widespread capability for

constraint-driven problem solving and provides the framework to achieve that.

The Seventh Handmaiden Macmillan

ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME • NEW YORK TIMES BESTSELLER A modern-day classic from Newbery Medalist Jerry Spinelli, this beloved celebration of individuality is now an original movie on Disney+! And don't miss the author's highly anticipated new novel, *Dead Wednesday!* *Stargirl*. From the day she arrives at quiet Mica High in a burst of color and sound, the hallways hum with the murmur of "Stargirl, Stargirl." She captures Leo Borlock's heart with just one smile. She sparks a school-spirit revolution with just one cheer. The students of Mica High are enchanted. At first. Then they turn on her. Stargirl is suddenly shunned for everything that makes her different, and Leo, panicked and desperate with love, urges her to become the very thing that can destroy her: normal. In this celebration of nonconformity, Newbery Medalist Jerry Spinelli weaves a tense, emotional tale about the perils of popularity and the thrill and inspiration of first love. Don't miss the sequel, *Love, Stargirl*, as well as *The Warden's Daughter*, a novel about another girl who can't help but stand out. "Spinelli is a poet of the prepubescent. . . . No writer guides his young characters, and his readers, past these pitfalls and challenges and toward their futures with more compassion." —The New York Times
