Santiago, an old Cuban fisherman, has gone 84 days without catching a fish. Confident that his bad luck is at an end, he sets off alone, far into the Gulf Stream, to fish. Santiago's faith is rewarded, and he quickly hooks a marlin...a marlin so big he is unable to pull it in and finds himself being pulled by the giant fish for two days and two nights. HarperPerennialClassics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Independently Published

A 2018 Pura Belpré Author Honor Book  
The First Rule of Punk is a wry and heartfelt exploration of friendship, finding your place, and learning to rock out like no one's watching. There are no shortcuts to surviving your first day at a new school—you can't fix it with duct tape like you would your Chuck Taylors. On Day One, twelve-year-old Malú (María Luisa, if you want to annoy her) inadvertently upsets Posada Middle School's queen bee, violates the school's dress code with her punk rock look, and disappoints her college-professor mom in the process. Her dad, who now lives a thousand miles away, says things will get better as long as she remembers the first rule of punk: be yourself. The real Malú loves rock music, skateboarding, zines, and Soyrizo (hold the cilantro, please). And when she assembles a group of like-minded misfits at school and starts a band, Malú finally

begins to feel at home. She'll do anything to preserve this, which includes standing up to an anti-punk school administration to fight for her right to express herself! Black and white illustrations and collage art throughout make The First Rule of Punk a perfect pick for fans of books like Roller Girl and online magazines like Rookie. "Armed with a microphone and a pair of scissors, this book is all about creating something new and awesome in the world. Malú rocks!" --Victoria Jamieson, author and illustrator of the New York Times bestselling and Newbery Honor-winning Roller Girl

Before most Americans ever saw an actual daguerreotype, they encountered this visual form through written descriptions, published and rapidly reprinted in newspapers throughout the land. In The Camera and the Press, Marcy J. Dinius examines how the first written and

published responses to the daguerreotype set the terms for how we now understand the representational accuracy and objectivity associated with the photograph, as well as the democratization of portraiture that photography enabled. Dinius's archival research ranges from essays in popular nineteenth-century periodicals to daguerreotypes of Americans, Liberians, slaves, and even fictional characters. Examples of these portraits are among the dozens of illustrations featured in the book. *The Camera and the Press* presents new dimensions of Nathaniel Hawthorne's *The House of the Seven Gables*, Herman Melville's *Pierre*, Harriet Beecher Stowe's *Uncle Tom's Cabin*, and Frederick Douglass's *The Heroic Slave*. Dinius shows how these authors strategically incorporated aspects of daguerreian representation to advance their aesthetic, political, and social agendas. By recognizing print and visual culture as one, Dinius redefines such terms as art, objectivity, sympathy, representation, race, and nationalism and their interrelations in nineteenth-century America.

*Our Nig* Bloomsbury Publishing USA  
NATIONAL BESTSELLER • A coming-of-age classic, acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. *The House on Mango Street* is the remarkable story of Esperanza Cordero, a young Latina girl growing up in Chicago, inventing for herself who and what she will become. Told in a series of vignettes—sometimes heartbreaking, sometimes deeply joyous—Sandra Cisneros' masterpiece is a classic story of childhood and self-discovery. Few other books in our time have touched so many readers. "Cisneros draws on her rich [Latino] heritage...and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one." —The New York Times Book Review

*The Old Man And The Sea* Beacon Press  
*The Tragical History of the Life and Death of Doctor Faustus*, commonly referred to simply as *Doctor Faustus*, is an Elizabethan tragedy by Christopher Marlowe, based on German stories about the title character Faust, that was first performed sometime between 1588 and Marlowe's death in 1593. Two different versions of the play were published in the Jacobean era, several years later. The powerful effect of early productions of the

play is indicated by the legends that quickly accrued around them—that actual devils once appeared on the stage during a performance, "to the great amazement of both the actors and spectators", a sight that was said to have driven some spectators mad.

A New York Times bestseller! Who was at the forefront of women's right to vote? We know a few famous names, like Susan B. Anthony and Elizabeth Cady Stanton, but what about so many others from diverse backgrounds—black, Asian, Latinx, Native American, and more—who helped lead the fight for suffrage? On the hundredth anniversary of the historic win for women's rights, it's time to celebrate the names and stories of the women whose stories have yet to be told. Gorgeous portraits accompany biographies of such fierce but forgotten women as Yankton Dakota Sioux writer and advocate Zitkála-Šá, Mary Eliza Church Terrell, who cofounded the National Association of Colored Women (NACW), and Mabel Ping-Hua Lee, who, at just sixteen years old, helped lead the biggest parade in history to promote the cause of suffrage. *FINISH THE FIGHT* will fit alongside important collections that tell the full story of America's fiercest women. Perfect for fans of *GOOD NIGHT STORIES FOR REBEL GIRLS* and *BAD GIRLS THROUGHOUT HISTORY*.

*White Socks Only* Simon and Schuster  
*OUR DEAR YOUNG MEN AND YOUNG WOMEN*, we have great confidence in you. You are beloved sons and daughters of God and He is mindful of you. You have come to earth at a time of great opportunities and also of great challenges. The standards in this booklet will help you with the important choices you are making now and will yet make in the future. We promise that as you keep the covenants you have made and these standards, you will be blessed with the companionship of the Holy Ghost, your faith and testimony will grow stronger, and you will enjoy increasing happiness.

*The Tragical History of the Life and Death of Doctor Faustus* Spectra  
Challenges scholarly assumptions about how the Osage built an Indigenous empire due to the hunting and war prowess of Osage men. Rather, Osage society was built on gender complementarity, Osage men and women were both central to hunting and war success and thus the rise and fall of their empire.

*The Years of Rice and Salt* University of Pennsylvania Press

Collectable First Edition.  
*An Indigenous Peoples' History of the United States* Penguin

After her mother's death, Lily Owens and her African-American maid seek refuge from the racism of their South Carolina hometown with eccentric beekeeping sisters in this coming of age story

representing the letter “K” in a new series of twenty-six collectible editions.

**The Wide, Wide World** University of Illinois Press

When Grandma was a little girl in Mississippi, she sneaked into town one day. It was a hot day—the kind of hot where a firecracker might light up by itself. But when this little girl saw the “Whites Only” sign on the water fountain, she had no idea what she would spark when she took off her shoes and—wearing her clean white socks—stepped up to drink. Bravery, defiance, and a touch of magic win out over hatred in this acclaimed story by Elevelyn Coleman. Tyrone Geter's paintings richly evoke its heat, mood, and legendary spirit.

*Sonia Sotomayor* Franklin Classics

New York Times Bestseller Now part of the HBO docuseries “Exterminate All the Brutes,” written and directed by Raoul Peck Recipient of the American Book Award The first history of the United States told from the perspective of indigenous peoples Today in the United States, there are more than five hundred federally recognized Indigenous nations comprising nearly three million people, descendants of the fifteen million Native people who once inhabited this land. The centuries-long genocidal program of the US settler-colonial regimen has largely been omitted from history. Now, for the first time, acclaimed historian and activist Roxanne Dunbar-Ortiz offers a history of the United States told from the perspective of Indigenous peoples and reveals how Native Americans, for centuries, actively resisted expansion of the US empire. With growing support for movements such as the campaign to abolish Columbus Day and replace it with Indigenous Peoples’ Day and the Dakota Access Pipeline protest led by the Standing Rock Sioux Tribe, An Indigenous Peoples’ History of the United States is an essential resource providing historical threads that are crucial for understanding the present. In An Indigenous Peoples’ History of the United States, Dunbar-Ortiz adroitly challenges the founding myth of the United States and shows how policy against the Indigenous peoples was colonialist and designed to seize the territories of the original inhabitants, displacing or eliminating them. And as Dunbar-Ortiz reveals, this policy was praised in popular culture, through writers like James Fenimore Cooper and Walt Whitman, and in the highest offices of government and the military. Shockingly, as the genocidal policy reached its zenith under President Andrew Jackson, its ruthlessness was best articulated by US

Army general Thomas S. Jesup, who, in 1836, wrote of the Seminoles: “The country can be rid of them only by exterminating them.” Spanning more than four hundred years, this classic bottom-up peoples’ history radically reframes US history and explodes the silences that have haunted our national narrative. An Indigenous Peoples’ History of the United States is a 2015 PEN Oakland-Josephine Miles Award for Excellence in Literature. *The Merchant of Venice* Penguin Books With the same unique vision that brought his now classic Mars trilogy to vivid life, bestselling author Kim Stanley Robinson boldly imagines an alternate history of the last seven hundred years. In his grandest work yet, the acclaimed storyteller constructs a world vastly different from the one we know. . . . “A thoughtful, magisterial alternate history from one of science fiction’s most important writers.”—The New York Times Book Review It is the fourteenth century and one of the most apocalyptic events in human history is set to occur—the coming of the Black Death. History teaches us that a third of Europe’s population was destroyed. But what if the plague had killed 99 percent of the population instead? How would the world have changed? This is a look at the history that could have been—one that stretches across centuries, sees dynasties and nations rise and crumble, and spans horrible famine and magnificent innovation. Through the eyes of soldiers and kings, explorers and philosophers, slaves and scholars, Robinson navigates a world where Buddhism and Islam are the most influential and practiced religions, while Christianity is merely a historical footnote. Probing the most profound questions as only he can, Robinson shines his extraordinary light on the place of religion, culture, power—and even love—in this bold New World. “Exceptional and engrossing.”—New York Post “Ambitious . . . ingenious.”—Newsday

A poignant novel of desperation, escape, and survival across the U.S.-Mexico border, inspired by current events. A Pura Belpré 2021 Young Adult Author Honor Book! A BookPage Best Book of 2020! A Chicago Public Library Best of the Best of 2020! A School Library Journal Best Book of 2020! A New York Public Library 2020 Top 10 Best Book for Teens! Pulga has his dreams. Chico has his grief. Pequeña has her pride. And these three teens have one another. But none of them have illusions about the town they've grown up in and the dangers that surround them. Even with the love of family, threats lurk around every corner. And when those threats become all too real, the trio knows they have no choice but to run: from their country, from their families, from their beloved home. Crossing from Guatemala through Mexico, they follow the route of La Bestia, the perilous train system that might deliver them to a better life--if they are lucky enough to survive the journey. With nothing but the bags on their backs and desperation drumming through their hearts, Pulga, Chico, and Pequeña know there is no turning back, despite the unknown that awaits them. And the darkness that seems to follow wherever they go. In this striking portrait of lives torn apart, the plight of migrants at the U.S. southern border is brought to light through poignant, vivid storytelling. An epic journey of danger, resilience, heartache, and hope.
