*Virginia Recreational
 Guides
 The Rough Guide to the*

USA is the most comprehensive and colourful guide to the fifty states available. There are lively accounts of every region and attraction from the bright lights of Broadway to the vast open plains of Wyoming. The guide gives refreshingly opinionated reviews of the established sights and landmarks as well as uncovering many of the lesser-known gems, allowing the visitor to make the most of their trip. There are feature boxes that provide information on a variety of subjects from the Delta blues to the geology of the Grand Canyon. There are also maps and plans to help you navigate around the major attractions, inner city streets or interstates

The second edition of The Complete Roadside Guide to Nebraska represents a major enlargement and revision of the first edition, making this the most comprehensive guide to the state ever

written. The book covers over twelve thousand miles in all ninety-three counties of the state where the West begins. Here readers can become acquainted with numerous folklore tales and discover the locations of thousands of historical sites, burials, pioneer roads, museums, and other wonders of the Cornhusker State.

Penguin

Updated and revised, this guide to the great angling state of Colorado features maps and detailed directions to the state's best fishing locations as well as information on the best times of year to find each species of game fish and where. With tackle recommendations, information about trails, advice on camping, notes on special regulations, and much more, this has become an indispensable guide both for Colorado residents and visiting anglers.

Striped bass - in fresh and salt water - are one of the world's greatest gamefish, and The Complete Book of Striped Bass Fishing is the fullest, most authoritative, most helpful book ever

written on the species. Nick Karas, one of the world's great experts on the striped bass, offers proven techniques for more successful fishing. He details fishing from the surf; from boats; from bank, pier, jetty, and bridge - with all kinds of tackle and methods. And he takes an especially careful look at the growing popularity of fly rodding for stripers, fishing at night, and even how to catch striped bass in fresh water. An entire section of the book is devoted to tackle - where he takes a thorough look at the best rods, reels, lines, hooks, live and natural baits, artificial lures, accessory equipment of all kinds, bass boats, and the most innovative and practical beach vehicles. The Complete Book of Striped Bass Fishing offers a comprehensive look at every aspect of the striped bass, making it a book that no one who fishes for this great gamefish will want to be without, and the essential book for all striped-bass enthusiasts. Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly-

casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Complete Guide to Fishing Across North America

Bantam Books

FIELD & STREAM,

America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.

Get Outside Guide U of Nebraska Press

Vast rugged prairies, adventurous Wild West towns, and the palpable spirit of the pioneers: Experience legend come to life with Moon Oregon Trail Road Trip. Choose Your Route: Drive the entire 20-day road trip

from Independence, Missouri, to Oregon City (at a mild, moderate, or strenuous pace!) or take shorter getaways along sections of the trail in Kansas, Nebraska, Wyoming, and Idaho, including worthwhile detours Drive Through History: See the Guernsey Ruts left from wagons almost 200 years ago, read pioneer names carved into Register Rock, and learn about 10,000 years of oral Umatilla history. Practice loading a real wagon, down a mug of sarsaparilla in a recreated Old West town, and take a relaxing soak in the same hot springs as the pioneers Discover Diverse Historic Perspectives: Delve into the rich cultures and histories of the Native American tribes who have called these lands home for over 10,000 years. Venture through an underground city created and inhabited by Chinese pioneers. Learn the stories, struggles, and triumphs of free and enslaved black emigrants on the trail. Discover what life was really like for women making the journey west Adventure Along the Trail: Tube through the whitewater of Platte River, explore limestone caves, and

kayak across clear blue lakes Maps and Driving Tools: Easy-to-use maps and full-color photos throughout keep you oriented on and off the highway as you follow the approximate route of the original Oregon Trail, along with site-to-site mileage, driving times, and detailed directions Expert Insight: Oregon local and history buff Katrina Emery shares thorough background on the realities of the trail and recommendations for seniors, families with kids, and more With Moon Oregon Trail Road Trip's flexible itineraries and practical tips, you're ready to take an adventure through history. Looking to explore more of American history? Try Moon Route 66 Road Trip.

Each spring, formations of sandhill cranes crisscross

the skies along Nebraska's Platte River in one of the last great migratory spectacles on the North American continent. From across the globe, tens of thousands of visitors gather to witness a land transformed, "wild with birds." But the central Platte River system is witness to even more than this wondrous annual event. It is also an abiding source of natural, agricultural, and economic life in three states as an icon of western history and as a place of wonder. In *This River Beneath the Sky*, Doreen Pfof seamlessly blends memoir and nature writing, tracking the Platte River valley for one calendar year, ushering readers through its diverse and changing landscape and the plants, animals, and humans that call the ecosystem home. From serving as a tour guide for visitors who come to see the sandhill crane migration to monitoring the population count on a bluebird trail, from exploring the human settlements surrounding the Platte River to wading the river with biologists, Pfof immerses herself in the rhythm and life of the area. Along with Pfof's personal experiences of

the river, she explores the river's history, the land- and water-use choices that were made decades ago and their repercussions that must now be mitigated if cranes—and other species—are to survive and flourish, and the legislative and scientific efforts to preserve the diverse species and their essential habitat.

Moon Oregon Trail Road Trip National Geographic Books

A must have guide for anyone who spends time at the lake with children.
