Tiny Love Stories St. Martin's Griffin
 Governments, businesses, and individuals around the world are thinking about what happens after the COVID-19 pandemic. Can we hope to not only ward off another COVID-like disaster but also eliminate all respiratory diseases, including the flu? Bill Gates, one of our greatest and most effective thinkers and activists, believes the answer is yes. The author of the #1 New York Times best seller *How to Avoid a Climate Disaster* lays out clearly and convincingly what the world should have learned from COVID-19 and what all of us can do to ward off another catastrophe like it. Relying on the shared knowledge of the world's foremost experts and on his own experience of combating fatal diseases through the Gates Foundation, Gates first helps us understand the science of infectious diseases. Then he shows us how the nations of the world, working in conjunction with one another and with the private sector, how we can prevent a new pandemic from killing millions of people and devastating the global economy. Here is a clarion call—strong, comprehensive, and of the gravest

importance.

 #1 NEW YORK TIMES BESTSELLER More than ONE MILLION copies sold A TODAY Show Read with Jenna Book Club Pick A New York Times Notable Book, and Chosen by Oprah Daily, Time, NPR, The Washington Post, Bill Gates and Barack Obama as a Best Book of the Year "Wise and wildly entertaining . . . permeated with light, wit, youth." —The New York Times Book Review "A classic that we will read for years to come." —Jenna Bush Hager, Read with Jenna book club "Fantastic. Set in 1954, Towles uses the story of two brothers to show that our personal journeys are never as linear or predictable as we might hope." —Bill Gates "A real joyride . . . elegantly constructed and compulsively readable." —NPR The bestselling author of *A Gentleman in Moscow* and *Rules of Civility* and master of absorbing, sophisticated fiction returns with a stylish and propulsive novel set in 1950s America In June, 1954, eighteen-year-old Emmett Watson is driven home to Nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter. His

mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank, Emmett's intention is to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different plan for Emmett's future, one that will take them all on a fateful journey in the opposite direction—to the City of New York. Spanning just ten days and told from multiple points of view, Towles's third novel will satisfy fans of his multi-layered literary styling while providing them an array of new and richly imagined settings, characters, and themes. "Once again, I was wowed by Towles's writing—especially because *The Lincoln Highway* is so different from *A Gentleman in Moscow* in terms of setting, plot, and themes. Towles is not a one-trick pony. Like all the best storytellers, he has range. He takes inspiration from famous hero's journeys, including *The Iliad*, *The Odyssey*, *Hamlet*, *Huckleberry Finn*, and *Of Mice and Men*. He seems to be saying that our personal journeys are never as linear or predictable as an interstate highway. But, he suggests, when something (or someone) tries to steer us off course, it is possible to take the wheel." - Bill Gates

The Invisible Life of Addie LaRue Chronicle Books

"Charming. . . . A moving testament to the diversity and depths of love." —Publishers Weekly You'll laugh, you'll cry, you'll be swept away—in less time than it takes to read this paragraph. Here are 175 true stories—honest, funny, tender and wise—each as moving as a lyric poem, all told in no more than one hundred words. An electrician lights up a woman's life, a sister longs for her homeless brother, strangers dream of what might have been. Love lost, found and reclaimed. Love that's romantic, familial, platonic and unexpected. Most of all, these stories celebrate love as it exists in real life: a silly remark that leads to a lifetime together, a father who struggles to remember his son, ordinary moments that burn bright.

The Girl with Big, Big Questions Tor Books

At the outset of the play, Oedipus is the beloved ruler of the city of Thebes, whose citizens have been stricken by a plague. Consulting the Delphic oracle, Oedipus is told that the plague will cease only when the murderer of Queen Jocasta's first husband, King Laius, has been found and punished for his deed. Oedipus resolves to find Laius's killer. His investigation turns into an obsessive reconstruction of his own hidden past when he discovers that the old man he killed when he first approached Thebes as a youth was none other than Laius. At the end, Jocasta hangs herself in shame, and the guilt-stricken Oedipus blinds himself.

How to Prevent the Next Pandemic Workman Publishing Company
It's murder most viral in this debut mystery by Olivia Blacke.

Bayou transplant Odessa Dean has a lot to learn about life in Brooklyn. So far she's scored a rent free apartment in one of the nicest neighborhoods around by cat-sitting, and has a new job working at Untapped Books & Café. Hand-selling books and craft beers is easy for Odessa, but making new friends and learning how to ride the subway? Well, that might take her a little extra time. But things turn more sour than an IPA when the death of a fellow waitress goes viral, caught on camera in the background of a couple's flash-mob proposal video. Nothing about Bethany's death feels right to Odessa—neither her sudden departure mid-shift nor the clues that only Odessa seems to catch. As an up-and-coming YouTube star, Bethany had more than one viewer waiting for her to fall from grace. Determined to prove there's a killer on the loose, Odessa takes matters into her own hands. But can she pin down Bethany's killer before they take Odessa offline for good?
