 The Grant Application Writers Workbook  
 The May 2020 NIH Version of The Grant Application Writer's Workbook has been updated to reflect NIH changes effective May 25, 2020. The updated NIH Version is available for purchase now . Additionally, effective June 1, 2020, there have been changes in the way that grant applications to the NSF are written and reviewed.  
 Workbooks - Grant Writers' Seminars & Workshops  
 In our experience, good ideas submitted to the NIH are turned down more often because of poor packaging and presentation - i.e., poor grantsmanship - than for any other reason. The NIH version of our Workbook is designed to avoid that trap. This Workbook will serve as your step-by-step guide to writing a compelling, fundable NIH grant application. We explain how to write each component of the proposal, after which we offer an example.
