**The Law Times** Vintage

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

**TLA Video & DVD Guide 2005** W.H. Green

Just a century ago Eddie Foy was the consummate stage comedian. A versatile performer, Foy contributed to

the development of popular theater from the Civil War to the Roaring Twenties, from poverty-inspired Irish two-acts to lavish musical comedies. This first-ever biography of Foy tells the story of his indigent childhood in New York's Bowery and in Chicago, his tough uphill climb as a variety artist at Western outposts, his success in vaudeville and Broadway, and his arrival as a national icon with the Seven Little Foyes. Foy's career mirrored the growth of popular theater entertainment in America. Exhaustively researched, this work contains many rare personal photographs from the Foy

family archives.

Persepolis McFarland

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

*TLA Film and Video Guide* Scholastic Inc.

A comprehensive critical reference guide for film, video, and DVD discusses both popular movies and independent and international movies; reviews more than ten thousand films, including films from more than fifty countries; offers five different indexes--by star, director, theme, genre, and national origin--and more. Original. 25,000 first printing.

Quirk Books

WINNER OF THE PULITZER PRIZE •  
NATIONAL BESTSELLER • A searing,

post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). • From the bestselling author of *The Passenger* A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The

Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*.

The Lovely Bones Macmillan

Ten years of infertility issues culminate in the destruction of music therapist Zoe Baxter's marriage, after which she falls in love with another woman, Vanessa, and wants to start a family; but her ex-

husband, Max, in the grips of an anti-gay pastor, stands in the way. Includes a CD of songs created for the novel. (This title is being re-listed in Forecast). 1.5 million first printing.

**The Complete Book of Rules: Time tested secrets for capturing the heart of Mr. Right** First Second

"An excellent reference work on the subject."—Library Journal (starred review) For fans, culture watchers, and perplexed outsiders, this expanded edition offers an engaging tour of the anime megaverse, from older artistic traditions to the works of modern creators like Hayao Miyazaki, Katsuhiro Otomo, Satoshi Kon, and CLAMP. Examined are all of anime's major themes, styles, and conventions, plus the familiar tropes of giant robots,

samurai, furry beasts, high school heroines, and gay/girl/fanboy love. Concluding are fifteen essays on favorite anime, including Evangelion, Escaflowne, Sailor Moon, Patlabor, and Fullmetal Alchemist. Patrick Drazen is an anime historian who lives in Bloomington-Normal, Illinois.

They Called Us Enemy - Expanded Edition Ballantine Books

Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an

industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.

**The Girl Before** Penguin

Best Life magazine empowers men to continually improve their physical, emotional and financial well-being to better enjoy the most rewarding years of their life.

**Los Angeles Magazine** Simon and Schuster

How you can get the biggest bang for your buck! Adding value to your home is about investing your time and money wisely. You'll often hear that a fresh coat of paint will give you a great return, but a swimming pool doesn't add value to your home. Scott will show you why

details like quality hardware matter; what to consider when you're renovating and reconfiguring your house; which features home-buyers and investors are looking for; when an income suite makes sense; and how to make inexpensive renovations look like they cost much more. *How to Add Value to Your Home* also includes expert advice on maintaining your home, mistakes to avoid, tips on attracting and keeping great tenants and strategies for preparing your house for sale.

*The Publisher* Macmillan

Susie Salmon is just like any other young American girl. She wants to be beautiful, adores her charm bracelet and has a crush on a boy from school. There's one big difference though - Susie is dead. Add: Now she can only observe while her

family manage their grief in their different ways. Susie is desperate to help them and there might be a way of reaching them... Alice Sebold's novel *The Lovely Bones* is a unique coming-of-age tale that captured the hearts of readers throughout the world. Award-winning playwright Bryony Lavery has adapted it for this unforgettable play about life after loss.

*The Publishers Weekly* Artisan

*French Kids Eat Everything* is a wonderfully wry account of how Karen Le Billon was able to alter her children's deep-rooted, decidedly unhealthy North American eating habits while they were all living in France. At once a memoir, a cookbook, a how-to handbook, and a delightful exploration of how the French manage to feed children without endless

battles and struggles with pickiness, French Kids Eat Everything features recipes, practical tips, and ten easy-to-follow rules for raising happy and healthy young eaters—a sort of French Women Don't Get Fat meets Food Rules.

*James J. Corbett* Vintage

The New York Times bestselling graphic memoir from actor/author/activist George Takei returns in a deluxe edition with 16 pages of bonus material! Experience the forces that shaped an American icon -- and America itself -- in this gripping tale of courage, country, loyalty, and love. George Takei has captured hearts and minds worldwide with his magnetic performances, sharp

wit, and outspoken commitment to equal rights. But long before he braved new frontiers in STAR TREK, he woke up as a four-year-old boy to find his own birth country at war with his father's -- and their entire family forced from their home into an uncertain future. In 1942, at the order of President Franklin D. Roosevelt, every person of Japanese descent on the west coast was rounded up and shipped to one of ten "relocation centers," hundreds or thousands of miles from home, where they would be held for years under armed guard. **THEY CALLED US ENEMY** is Takei's firsthand account of those years behind barbed wire, the terrors and small joys of childhood in the shadow of legalized racism, his mother's hard choices, his father's tested faith in democracy, and

the way those experiences planted the seeds for his astonishing future. What does it mean to be American? Who gets to decide? George Takei joins cowriters Justin Eisinger & Steven Scott and artist Harmony Becker for the journey of a lifetime.

**House Rules** Penguin UK

THE GLOBAL BESTSELLER • Soon to be a BBC One and HBO Max limited four-part series, starring Gugu Mbatha-Raw (*The Morning Show*; *Misbehaviour*) and multiple Golden Globe, BAFTA, and Emmy-nominated actor David Oyelowo (*Selma*; *Les Misérables*) “A pitch-perfect novel of psychological suspense” (Lee Child) that spins one woman’s seemingly good fortune, and another woman’s mysterious fate, through a kaleidoscope of duplicity, death, and deception Please

make a list of every possession you consider essential to your life. The request seems odd, even intrusive—and for the two women who answer, the consequences are devastating. **EMMA** Reeling from a traumatic break-in, Emma wants a new place to live. But none of the apartments she sees are affordable or feel safe. Until One Folgate Street. The house is an architectural masterpiece: a minimalist design of pale stone, plate glass, and soaring ceilings. But there are rules. The enigmatic architect who designed the house retains full control: no books, no throw pillows, no photos or clutter or personal effects of any kind. The space is intended to transform its occupant—and it does. **JANE** After a personal tragedy, Jane needs a fresh start. When she finds

One Folgate Street she is instantly drawn to the space—and to its aloof but seductive creator. Moving in, Jane soon learns about the untimely death of the home's previous tenant, a woman similar to Jane in age and appearance. As Jane tries to untangle truth from lies, she unwittingly follows the same patterns, makes the same choices, crosses paths with the same people, and experiences the same terror, as the girl before. Praise for *The Girl Before* "Dazzling, startling, and above all cunning—a pitch-perfect novel of psychological suspense."—Lee Child "The *Girl Before* generates a fast pace. . . [J. P.] Delaney intersperses ethics questions on stand-alone pages throughout the book. . . . The single most ingenious touch is that we're not

provided either woman's answers."—The New York Times "J. P. Delaney builds the suspense."—Vanity Fair "Immediate guarantee: You will not be able to put this book down. . . . Fans of *Gone Girl* and *The Girl on the Train* will realize that there's not only more where that came from, but it's also more thrilling."—American Booksellers Association

*The Adventure Zone: Murder on the Rockport Limited!* Young House Love A spin-off of *The Andy Griffith Show*, *Mayberry R.F.D.* became successful in its own right. The show aired from 1969 through 1971 and was consistently in the top 15 of the Nielsen ratings. Its demise was caused by the sudden elimination of rural-oriented series by CBS in 1971 in order to make room for

more "realistic" fare. The show's popularity owed much to the casting; George Lindsey (playing Goober Pyle), Jack Dodson (Howard Sprague), Paul Hartman (Emmett Clark), Ken Berry (Sam Jones), and others who moved seamlessly from *The Andy Griffith Show* to the new series. Episode-by-episode, this is the definitive reference to *Mayberry R.F.D.* Each entry provides episode title, writer, director, regular and guest cast, and numerous other facts about it. Capsule biographies of guest stars are given within the entry for the initial episode in which they worked, while more detailed biographies of the writers, directors, and major stars follow the episode guide.

[Rules for Radicals](#) Bloomsbury Publishing  
When he died in 1933, James J.

"Gentleman Jim" Corbett was honored by two distinguished groups of people: the professional boxing public, who celebrated him as America's greatest boxing champion, and the world of popular theater admirers, who revered him as one of Broadway's top vaudeville headliners. Corbett was uniquely instrumental in making boxing and popular theater both justifiable commercial enterprises, to be enjoyed by all classes of people. He became America's first national sports hero and went on to formulate the theater world's star system. This is the first definitive biography of the man who knocked out heavyweight champion John L. Sullivan, and who also knocked out audiences who flocked to see him in vaudeville and silent pictures. The focus herein is on the

real man, the influences on his life, and the social and commercial environment within which he functioned. The author reveals that Corbett was a complex, driven, enigmatic man whose dedicated participation in popular entertainment changed American social values and mores, and at the same time reinvented the notion of a national hero.

Attack of the Mutant (Goosebumps #25)  
Stone Bridge Press

Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles

magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

*Family Health Guide and Medical Encyclopedia* McFarland

NATIONAL BESTSELLER • In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. Four months later, his decomposed body was found by a moose hunter. This is the unforgettable story of how Christopher Johnson McCandless came to die. "It may be nonfiction, but *Into the Wild* is a mystery of the highest order." —Entertainment

Weekly McCandless had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Not long after, he was dead. Into the Wild is the mesmerizing, heartbreaking tale of an enigmatic young man who goes missing in the wild and whose story captured the world's attention. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and

belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very

different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding—and not an ounce of sentimentality. Into the Wild is a tour de force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page.

*The Advocate* HarperCollins UK  
Generous-hearted and wickedly insightful, *The Girls' Guide to Hunting and Fishing* is the New York Times bestselling novel by Melissa Bank. *The Girls' Guide to Hunting and Fishing* maps the progress of Jane Rosenthal as she sets out on a personal and spirited expedition

through the perilous terrain of sex, love, relationships, and the treacherous waters of the workplace. Soon Jane is swept off her feet by an older man and into a Fitzgeraldesque whirl of cocktail parties, country houses, and rules that were made to be broken, but comes to realise that it's a world where the stakes are much too high for comfort. With an unforgettable comic touch, Bank skilfully teases out universal issues, puts a clever new spin on the mating dance, and captures in perfect pitch what it's like to come of age as a young woman. 'This chronicle of a New Yorker's relationships has a wit and perceptiveness that singles it out from the crowd' *Guardian* 'As hilarious as *Girls' Guide* is, there's a wise, serious core here' *Wall Street Journal* 'A sexy, pour-your-heart-out,

champagne tingle of a read-thoughtful, voice that you'll remember'  
wise, and tell-all honest. Bank's is a Cosmopolitan
