In the flash of a moment, one decision changed the course of everything. Ty "Green" Burm had a family, a job he loved, and a woman he was ready to call his. Transactions of the California State Agricultural Society JA LaFrance Please read entire description before purchase.*When a Biker with a tortured past, meets a mysterious woman in a dangerous situation, she becomes a light in his dark life that he'll do anything to keep. But she has a dark past of her own. One that is creeping ever closer, threatening to extinguish that light forever....*This is the story of Dean and Vanna. Two star crossed lovers who come to realize that they need each other to survive, in more ways than one. *Dean Keegan is a Vigilante Biker with a tortured past, who makes abusers of women and children pay for their crimes against the innocent. The story begins with Dean at rock bottom, on the verge of giving up after having lost his marriage and about to be thrown out of his club. His personal life is a wreck, but then Dean meets a unique woman named Vanna, who is unbeknownst to him, in hiding from her ex fiance cop currently doing time for nearly killing her years prior. They both have emotional scars and inner demons they're dealing with, that effect their lives and especially their budding relationship.*This is an in depth love story between two damaged characters that takes place in a small country town in a fictionalized region of the Carolina's. *The main story line of this book is wrapped up by the end, with a happily ever after for now (HEAFN), however there is a building story in the background that will continue and carry over into the upcoming Book 2. So technically you could say there is a "cliffhanger". *This isn't exactly an insta-love story, but could be considered a mutual insta-lust, that develops into true love. The circumstances around their relationship are unique and complicated at times, especially coming from two different walks of life. Dean and Vanna DO NOT cheat on each other, and though Vanna self identifies as a pagan witch, this is NOT written as a paranormal romance. There are witches in the world, just as there are bikers. It's up to the reader to

decide whether or not spells or magic are real. Also, there isn't an extreme age gap (28h/37H)* SAVIOR Book 1, is not your typical MC Romance style book, though the main character is a Biker with connections to an MC. At 660+ pages, it is fast paced, and centers more heavily on the love story than MC politics, for a majority of the book. The MC politics are brewing in the background throughout the story, and will carry over into the sequel.* TRIGGER WARNING: Contains Explicit Adult Content: Sex, Profanity, Violence, Blasphemy, Brief Depictions of Abuse. Not recommended for anyone under the age of 18, or anyone triggered by the above mentioned.

Taschen Special event planners know the importance of having a Master of Ceremonies. Someone needs to orchestrate the occasion and serve as a kind of host in welcoming guests, introducing speakers, and guiding people through the program. A wedding reception has the same requirements. It needs structure and leadership -- which is exactly what a good Master of Ceremonies can provide. Here's a handy little book to help the wedding emcee through every step in that process. It's an invaluable guide for the Best Man, a close friend or family member, a professional Disc Jockey or anyone else asked to serve as the Master of Ceremonies or make a toast at a wedding reception. It includes a wealth of advice on how to plan the reception for best results, tips on how to write and deliver a compelling toast, proven methods to deal with nerves and stage-fright, suggestions on humor (how to keep it clean but funny), ways to increase presentation power, plus a compendium of crowd-pleasing toasts/quotes.
