WARD BRYNN

The NFL in the 1970s Arcadia Publishing

The 26 men featured in this book have one thing in common: They were all great football players. These legends were the superstars of the NFL and AFL during the glorious 60s and the fun-loving 70s. However, only 2 of these legends are in the Hall of Fame in Canton, Ohio. These stars revolutionized the game of Pro Football with their brilliant performances and were Pro Footballs biggest gate attractions. As the years go by, and the 60s and 70s have become a distant memory, these outstanding football players and mavericks have been unappreciated and forgotten. These heroes and legends of the fall contributed to the success of the NFL and made Pro Football the most popular and exciting sport in America. Distant Memories- The NFLs Best Ever Players of the 60s and 70s focuses on Pro Footballs forgotten stars and legendary heroes from the glorious past. Its about pioneers and great players from yesteryear. I have always wanted to write a book like this. Since I was a former amateur football player and have the knowledge and resources about football, I thought I would be the right person to write this book and do it with class and style. I have watched every football player in this book play every week and have seen all of the weekly highlight shows. I have followed their entire careers and I have seen every touchdown they scored. I watched all NFL and AFL games on TV in the 60s and 70s. In 1970, when the AFL and NFL merged to become one league, I watched every game on TV during the 70s. I can remember my golden Sunday mornings and early afternoons when I played football during the 70s. I always hurried home from my games so I could watch the NFL on TV. You can ask my wonderful mother. She knew where I was every Sunday afternoon during the football season when I was young. I would like the players in this book to finally receive the recognition they deserve for their outstanding accomplishments. Danny Jones <http://www.starsofthenfl.com/index.html>

Our Father AuthorHouse

Sporting a new, convenient almanac trim size, this is the definitive annual NFL book of information and statistics.

Kansas City Chiefs Encyclopedia Regnery Publishing

The bible for passionate, knowledgeable pro football fans, The Official NFL 2003 Record & Fact Book is the only record book authorized by the NFL and distributed to media around the world as a press guide from league headquarters. And the revamped, almanac-size format works-with the right size and the right shape. This all-in-one resource of vital statistics, information, trivia, and more contains all essential information, including: all-time NFL individual and team records; a complete listing of 2002 team and individual statistics; top individual rushing, passing, receiving, and quarterback sack performances of 2002; 2003 NFL draft summary; game-by-game summaries of the 2002 season; official records for postseason games, Super Bowl, and Pro Bowl; active and career coaching records; active statistical leaders going into the 2003 season; all-time team-versus-team results; a listing of outstanding individual performances; a digest of NFL rules; and a special Inside the Numbers

statistical highlights section, from road records for the past decade to highest NFL postseason passer ratings.

The Official 2003 NFL Record and Fact Book Rowman & Littlefield

The 50 Greatest Players in Philadelphia Eagles History examines the careers of the 50 men who made the greatest impact on one of the NFL's most iconic and successful franchises. The author ranks, from 1 to 50, the top 50 players in team history. Quotes from opposing players and former teammates are provided along the way, as are summaries of each player's greatest season, most memorable performances, and most notable achievements.

Pro Football Register, 1995 Mvp Books

Football in the Akron-Canton area can be traced back to the 1890s with Buchtel College and John W. Heisman. In the early 1900s, multiple professional teams sprouted throughout the eastern Ohio region. Major powerhouses included the Canton Bulldogs, Akron Indians, and Massillon Pros. In 1920, the Akron Pros became the first modern-day national champions of organized football. With the formation of the American Professional Football Association and the National Football League, many players and coaches with ties to the Akron-Canton region have become synonymous with football excellence. Today football in this area continues to play an integral part of life from the high school level to the college ranks to all types of professional football. Akron-Canton Football Heritage traces the rich and storied history of football in the region as well as the contribution of local players, coaches, and teams through pictures obtained from multiple collections. "The Pro Football Register" includes all the biographical information fans will ever want to know about everyone who played in the 1996 season, top prospects, and every head coach.

The Hidden Game of Football McFarland

This title introduces readers to Colin Kaepernick, the National Football League's star quarterback. Kaepernick's life story is examined from his childhood in California where he excelled at football basketball and baseball to his years at the University of Nevada, where he passed form more than 10,000 yards and rushed for more than 4,000 yards on the way to being drafted by the San Francisco 49ers in the 2011 NFL Draft. Kaepernick's years with the 49ers are covered, including his Super Bowl appearance against the Baltimore Ravens. Aligned to Common Core standards and

correlated to state standards. Checkerboard Library is an imprint of Abdo Publishing, a division of ABDO.

Remembering the Greatest Coaches and Games of the NFL Glory Years ABDO

Founded in 1826 by a group of South Carolina Baptist Convention leaders, Furman Academy and Theological Institution was named after Richard Furman, the first president of the first national gathering of Baptists in the United States. Furman currently resides several miles north of Greenville, as it has since the 1950s, though it has changed locations and names several times since its founding and disaffiliated from the Baptist Convention in 1992. Well known for its beautiful campus, impressive academics, and successful alums, Furman is one of the top 50 liberal arts colleges in the country and was ranked fourth in the country in U.S. News and World Report's "Undergraduate Research" category.

The 50 Greatest Plays in Chicago Bears Football History DK Publishing (Dorling Kindersley)

What does the number 67 mean to you? Do you associate it with a year? After all, 1967 was the year The Beatles released both Sgt. Pepper's Lonely Hearts Club Band and Magical Mystery Tour. It was also the year the first Super Bowl was held and in which Ernesto "Che" Guevara was executed. But maybe the year 1967 isn't the first thing that comes to your mind. Maybe when you think about the number 67, you think of the . . . Age of George Washington at the time of his death, on December 14, 1799. Atomic number of the chemical element holmium, symbol Ho. Number of counties in each of the states of Alabama, Florida, and Pennsylvania. Most doubles hit in a season in Major League Baseball history (Earl Webb, Boston Red Sox, 1931). Number worn by partners Jane Fonda and Michael Sarrazin in the dance marathon scene in the 1969 film They Shoot Horses, Don't They? Estimate number of miles, in millions, from Venus to the sun In Numberpedia, author Herb Reich examines all of the random, seemingly unrelated trivia related to numbers 1 to 100 in painstaking detail, revealing lore, myths, and every bizarre factoid you'd ever want to know about those numbers—except, of course, those concerning math.

Colin Kaepernick Simon and Schuster

Our Father is a compelling memoir by Bruce Smith chronicling his life as a fatherless boy growing up in segregated Texas and his rise to fame and fortune as a star professional football player and real estate mogul. As his story unfolds, ghosts from his past and the lingering effects of being raised without a stable father figure, haunt him. Throughout the book, Smith takes the reader on an emotional, sometimes funny, at times painful journey, illustrating how the power of personal redemption and salvation transforms his life. A thought provoking read, it draws attention to the problem of fatherlessness, described by social commentators as one of the most serious issues facing society today. Statistics on youth crime, addiction, drop out rates and teen pregnancy, paint a picture of the devastating effects, the lack of engaged fathers in our homes is having on children. Pastor Smith's story gives insight into the feelings of hopelessness and confusion that fatherless children, particularly boys tend to experience and the self-destructive choices they make as a result. While Our Father speaks candidly about the harmful effects of fatherlessness on youth and society, it is a story about hope that illustrates how through the saving power of Jesus Christ, we can all conquer our demons and triumph.

All-Time, All-Team Pro Football Quiz AuthorHouse

The 1970 merger between the American Football League and the National Football League laid the foundation for a stronger brand of gridiron competition, providing a new level of excitement for fans. This book examines each year of the NFL's pivotal decade in detail, covering the great names, great rivalries and great games, as well as the key changes in both strategy and rules. Along the way, the author explains how pro football developed into a near-religious American tradition. Scholastic Inc.

This book is about Pro Football's best ever players and forgotten heroes from a bygone era. They were the superstars of the NFL and the AFL during the fabulous 50's, the glorious 60's, and the fun-loving 70's. However, none of these legends are in the Pro Football Hall of Fame in Canton, Ohio with the exception of Bob Brown- who was finally selected in 2004 and Gene Hickerson- who was selected in 2007. These exciting players revolutionized the game of Pro Football with their outstanding performances and were the NFL's and AFL's biggest gate attractions. This book is a sequel to my first book, Distant Memories: The NFL's Best Ever Players of the 60's and 70's. I have chronicled the careers of 30 great football players and have provided you a glimpse back at the best seasons, longest touchdowns, and the big plays of their illustrious careers. Most of these men should be in the Hall of Fame. J.D. Hill and Golden Richards will never be selected because they don't have the statistics, but they were 2 of the NFL's most sensational players. All of these players had Hall of Fame talent and most of them also had Hall of Fame like statistics. More Distant Memories is more than a book about great football players. It's about the men who played the game and the humanity behind the facemasks. These legendary heroes and mavericks provided excitement and happiness to millions of football fans across America. These players are lost treasures and have simply been forgotten as time goes by. They were brilliant players and dedicated professionals. Their place in Pro Football history is secure regardless of any Hall of Fame status. It was these trailblazers, legends, and other stars from the glorious past that made Pro Football our national pastime and America's game. Enjoy your trip down memory lane. <http://www.starsofthenfl.com/index.html>

Joel Katté Bundle #1 - Green Bay Packers and Milwaukee Brewers Black Mesa Publishing

He includes the next chapters in this eventful story: the fight to bring pro football back to the city, the dawn of the Ravens era, and the building of a new football stadium in downtown Baltimore.

Pro Football Register Routledge

The NFL in the 1950s and 1960s was full of iconic players and legendary coaches. Future Hall of Famers battled it out on the gridiron and roamed the sidelines, making for incredible games and memorable moments. In Remembering the Greatest Coaches and Games of the NFL Glory Years: An Inside Look at the Golden Age of Football, Wayne Stewart tells of the men and events that made this era unforgettable. Through dozens of interviews with players such as Tom Matte, Mike Ditka, Raymond Berry, Don Maynard, Chuck Mercein, and Rick Volk, Stewart shares the players' unique perspectives on the Greatest Game Ever Played, the Ice Bowl, the Heidi Game, and Super Bowl III. The second part of the book features profiles of the Hall of Fame coaches who led their teams to victory—including George Halas, Vince Lombardi, Tom Landry, and Don Shula—with the players reflecting on the impact these coaches had on and off the field. Remembering the Greatest Coaches and Games of the NFL Glory Years not only shares anecdotes that reveal the warm and humorous sides of the Hall of Fame coaches but also includes breakdowns of the key decisions they made

during the featured games. With exclusive insight provided by the players, this book offers readers a deeper understanding of professional football during this era directly from those who lived it.

Scholastic Year in Sports 2012 Castle Quay Books

This two-volume set features 400 articles on African-Americans in sports, including biographical entries as well as entries on events, tournaments, leagues, clubs, films, and associations. The entries cover all professional, amateur, and college sports such as baseball, tennis, and golf.

Focus On: 100 Most Popular African-American Players of American Football Sports Publishing LLC

This book is about Gale Sayers. He was known as the "Kansas Comet" and was perhaps the most dynamic and exciting runner and player to ever play in the NFL. His career spanned from 1965-1969. In 1968, he suffered a career-ending knee injury. Gale played one more year in 1969 and led the NFL in rushing with 1,032 yards. In 1970 and 1971, he suffered more knee injuries and only played in 4 games and retired in the summer of 1972. I have covered his career and mentioned his longest touchdowns. His credentials are impressive. In 1965, he scored an NFL-tying 6 touchdowns in a game against the 49ers. Gale is considered the NFL's best ever kickoff returner with a record 30.6 average yards per return. For 42 years, he also shared the NFL-record with 6 kickoff return touchdowns in a career. He was selected to the Pro Football Hall of Fame 1977. Gale Sayers, the Kansas Comet, who burned briefly, but more brilliantly than anyone before or since.

Furman University More Distant Memories

In terms of population the city of Green Bay is barely a blip on the map compared to sports markets like New York, Boston, Philadelphia, Miami, Detroit, Dallas and Indianapolis. Even Jacksonville, Florida—home of the hapless Jaguars—has a population eight times greater than Green Bay. So how do you explain 70,000-plus fans at Lambeau Field for every Packers home game? It's pretty simple. This "blip on the map" city has an address that rivals Times Square. Welcome to Titledown, USA. The Packers own more championships than any other team in professional football. The franchise claims legendary names like Lambeau, Lombardi and Nitschke as its own. Green Bay might be home to mere thousands, but there are millions more who live and breathe in the realm of cheesehead fandom. Green and gold merchandise annually ranks among the NFL's best selling. Want to buy season tickets to Lambeau? Good luck. There are more people on the waiting list than there are people living in Green Bay. This is a franchise steeped in tradition and rich in history—and all of it can be found within these pages: the great players, from Johnny Blood to Clay Matthews, Bart Starr to Brett Favre to Aaron Rodgers, every title game, and the greatest moments, from the Ice Bowl to

Super Bowl XXXI. Think you know Packers history? Think again. With stories from every era in team history and 350 brand new trivia questions, there's something here for every cheesehead—so test your skills, wrack your brain, it's your Green Bay Packers IQ, the ultimate test of true fandom.

Pro Football Register 1997 Rowman & Littlefield

Before Namath, before the Heidi Game, before the guaranteed Super Bowl victory, there were the New York Titans. Remember the Titans? They played to meager crowds and mediocre results in the decrepit Polo Grounds. The organization, a charter member of the American Football League in 1960, was in constant danger of bankruptcy. After struggling for three seasons, the Titans would finally be assumed by the league. New owners were found, the franchise was renamed the Jets and a new stadium would welcome the team in 1964. The revised edition of this award-winning book covers the turbulent history and eventual crash landing of the team that would become the New York Jets. The early days of the upstart AFL are also explored, as are the league's constant feuds with the Titans' underfunded and overbearing owner, Harry Wismer. Four appendices with team results, rosters and statistics are included.

Distant Memories e-artnow sro

Trailblazers and Unsung Heroes: A License To Thrill- All-time Football Greats of Yesteryear, focuses on forgotten stars from the glorious past. Author Danny Jones has dedicated most of his life, over 50 years preserving the legacy and memories of all-time legendary players from the past. They were outstanding players who somehow flew under the radar and slipped through the cracks of immortality. Most of these stars had the talent and credentials to be in the Pro Football Hall of Fame—but are not. Many of these guys were trailblazers, pioneers, and unsung heroes in the 50's, 60's, 70's, and 80's. Seven out of 10 players in this book have waited over 40 years and still aren't in Canton, Ohio. A few of them have passed away. These unsung heroes defined an era with their brilliant performances. They were the biggest gate attractions in Pro Football. These legends of the fall have become distant memories. They were dedicated professionals who didn't play for money. These mavericks of yesteryear played because they loved the game. This book takes a glimpse back at the most memorable moments and best seasons of their illustrious careers. All 10 of these guys had a license to thrill. Hopefully, it's time for them to finally receive the recognition they deserve. I hope all of you get chosen to the Hall of Fame soon. That includes all 101 of the football legends I wrote about. Enjoy the book.
