REGINA DAKOTA

Chronicle Books
 One castle stands alone against the might of a brutal warlord. For those caught within, it is not a question of survival, but rather hope for a good death. Game of Thrones warfare meets Spaghetti Western storytelling in this epic medieval saga from New York Times bestselling writer LANDRY Q. WALKER and critically acclaimed artist JUSTIN GREENWOOD!
 Collects THE LAST SIEGE #1-8
Wake Up, I'm Fat! Hachette UK
 This collection presents "more than 650 readings about daily life from present-day authors ..."--Inside jacket flap.
The Librarian of Basra Andrews McMeel Publishing
 A magical concoction of the mischievous,

tender, whimsical, and debauched real-life adventures of Alan Cumming, told in his own words and pictures. Described by the New York Times as "a bawdy countercultural sprite" and named one of the most fun people in show business by Time magazine, Alan Cumming is a genuine quadruple threat—an internationally acclaimed, award-winning star of stage, television, and film, as well as a New York Times best-selling author whose real-life vivacity, wit, and charm shine through every page of his third book, *You Gotta Get Bigger Dreams*. In these forty-five picture essays, Cumming recounts his real-life adventures (and often, misadventures), illustrated by his own equally entertaining photographs. From an awkward bonding session with Elizabeth Taylor to poignant stories about his family and friends to some harsh words of wisdom imparted by Oprah that make

up the title of this collection, *You Gotta Get Bigger Dreams* is as eclectic, enchanting, and alive as its author.
Pass the Ball, Mo! *Wake Up, I'm Fat!*
 "Although limited in focus to the role of women in and on television, this work is notable for unearthing the more obscure personalities and programs not covered by other television encyclopedias. Includes bibliography, several appendixes, and a subject index."--BOOK JACKET.
Thugs and Kisses Image Comics
 Will Lightbody is a man with a stomach ailment whose only sin is loving his wife, Eleanor, too much. Eleanor is a health nut of the first stripe, and when in 1907 she journeys to Dr. John Harvey Kellogg's infamous Battle Creek Spa to live out the vegetarian ethos, poor Will goes too. So begins T. Coraghessan Boyle's wickedly comic look at turn-of-the-century fanatics in search of the magic pill to prolong their

lives--or the profit to be had from manufacturing it. Brimming with a Dickensian cast of characters and laced with wildly wonderful plot twists, Jane Smiley in the New York Times Book Review called *The Road to Wellville* "A marvel, enjoyable from beginning to end."

Raising Our Hands Vintage

Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

Portraits of Guilt Simon and Schuster

THE STORY: As the play begins Helen and John gaze proudly at their new offspring, a bit disappointed that it doesn't speak English and too polite to check its sex. So they decide that the child is a girl and name it Daisy--which leads to all manner

Jeffrey Vintage

The Laramie Project, one of the most-performed theater pieces in America, has become a modern classic. In this expanded edition, it is joined by an essential and moving sequel to the original play. On October 7, 1998, a young gay man was discovered bound to a fence outside Laramie, Wyoming, savagely beaten and left to die in an act of brutality and hate that shocked the nation. Matthew Shepard's death became a national symbol of intolerance, but for the people of the town, the event was deeply personal. In the aftermath, Moisés Kaufman and members of the Tectonic Theater Project went to Laramie and conducted more than 200 interviews with its citizens. From the transcripts, the playwrights constructed an extraordinary chronicle of life in the town after the murder. In *The Laramie Project: Ten Years Later*, the troupe revisits the town a decade after the tragedy, finding a community grappling with its legacy and its place in history. The two plays together comprise an epic and deeply moving theatrical cycle that explores the life of an American town over the course a decade.

My America Anchor

Celia Venó died from spinal complications due to rheumatoid arthritis. Two months earlier, after a string of misdiagnosis, she received a correct one - RA related spinal cord syndrome. Corrective surgery was

necessary to save her life, however, her neurosurgeon declined to perform the operation stating that due to her the advancement of the disease, chances of her surviving the risky surgery were minuscule. *Death by Rheumatoid Arthritis*:*recounts Celia's' medical and personal story to raise awareness of spinal related RA.*lists the signs and symptoms of spinal instability from RA.*shares recommendations from rheumatologist Dr. Kristen Ingrams for patients with spinal involvement. More than 23 million people in the world have RA and 86% of rheumatoid arthritis patients have cervical spine involvement. What people are saying about *Death by Rheumatoid Arthritis*: "I'm not sure I can even put my gratitude into words at all. You and your Mom gave me one of the greatest gifts - life. I am alive today because of this story, and forever grateful for you and your Mom. So much courage is required to share such tragically personal stories. In sharing, you and your Mom saved my life. I was within 12 weeks of death when I first noticed something was wrong, and never would have looked for instability. Without seeing your story, I surely would have died. After an emergency surgery, I'm back at work and using that leadership position to help share awareness about instability. You never know who will hear that and live as a result. THANK YOU." Bridget Seritt, Co-Founder Canna-Patient Resource Connection "Death by Rheumatoid Arthritis is more than a mystery story. It is Carla Jones' passionate appeal to world to pay attention. RA is a serious illness which can lead to death by several means, one of which is spinal cord instability. Carla's sincere writing could encourage RA patients to be more vigilant with the care of their cervical spines. It could also educate physicians and caregivers that spinal involvement in Rheumatoid Arthritis is common and can become life-threatening." - Kelly O'Neil Young, Founder, and President of the Rheumatoid Patient Foundation and author of *Rheumatoid Arthritis Unmasked* *Death by Rheumatoid Arthritis* book royalties are donated to the Rheumatoid Patient Foundation (rheum4us.org) where the author serves as an Advisory Board Member.

Learning Curves Plume Books

White women are one of the most influential demographics in America—we are the largest voting bloc, with purchasing power that exceeds anybody else's, and when we unify to demand change, we are a force to be reckoned with. Yet, so many of us sit idly on the sidelines, opting out of raising our hands

to do, learn, and engage in ways that could make a difference. Why? White American women are no monolith. Yet, as Women's March national organizer Jenna Arnold has learned over the past few years criss-crossing the US in conversations with white women about their identity and role in the country, we do possess common characteristics—ones that get in the way of us becoming more engaged as citizens. We're so focused on checking off our to-do lists, or so afraid of getting it wrong, or so busy trying to avoid conflict, that we are actively avoiding the urgent conversations we need to have. We are confused about how we got here and unsure how to do better. *Raising Our Hands* is the reckoning cry for white women. It asks us to step up and join the new frontlines of the fight against complacency—in our homes, in our behaviors, and in our own minds. Consider *Raising Our Hands* your starting place, your "Intro to Being a White Woman in Today's World" freshman-year class. In these pages, Jenna peels back the history that's been kept out of textbooks and the cultural norms that are holding us back, so we can finally start really listening to marginalized voices and doing our part to promote progress. The American white woman is a powerful force—an essential participant—to mobilize alongside the rest of humanity on behalf of the world, and we can no longer make excuses for why we don't have time or don't know enough.

TV (The Book) Chronicle Books

The essential handbook for actors—a modern classic—in a newly updated edition. Since its original publication, *Acting as a Business* has earned a reputation as an indispensable tool for working and aspiring actors. Avoiding the usual advice about persistence and luck, Brian O'Neil provides clear-cut guidelines that will give actors a solid knowledge of the business behind their art. It's packed with practical information—on everything from what to say in a cover letter to where to stand when performing in an agent's office—including: -- Tactics for getting an agent, including preparing for the interview -- How to research who will be casting what—and whether there is a role for you—well in advance -- Examples of correspondence to agents and casting directors for both beginning and advanced professionals -- A detailed analysis of the current trend of paying to meet industry personnel -- How to communicate effectively with an agent or personal manager -- Creative ways to use the internet and social media O'Neil has updated *Acting as a Business* to keep up with the latest show-business trends, making this fifth edition a reference no

actor should be without

Skinny Women Are Evil ABC-CLIO
Presents the true story of how Alia Baker, the librarian of the Basra library, and her friends managed to save the books of the library before the library was burned to the ground during the 2003 Iraq War.
Three Changes Llewellyn Worldwide
Tommy's not a bad man; he's getting by. Renting a run-down room in his Uncle Maurice's house, just about keeping his ex-wife and kids at arm's length, and rolling from one get-rich-quick scheme to the other with his pal Doc. Then one day he comes to the aid of Aimee, who's not had it easy herself, struggling through life the only way she knows how. Their past won't let go easily, but together there's a glimmer of hope that they could make something more of their lives. Something extraordinary. Perhaps. With inimitable warmth, style and craft, Conor McPherson's *THE NIGHT ALIVE* deftly mines the humanity to be found in the most unlikely of situations.

Without You Penguin

Wake Up, I'm Fat! Crown

What I Know Now Penguin

Pigeon private investigator Murray just wants to take things easy, but when kind-hearted Vee starts to sing like a canary (after all, she is a canary) he can't hold out. Murray agrees to find the feather thief who has kidnapped her friends, but his change of heart comes too late- now Vee herself has gone missing. Can Murray find the mysterious feather thief and save his new friend, or is her goose cooked?

A Reading Rainbow book for your child
Recommend by experts for children who are reading independently and transitioning to longer books. Teach kindness, courtesy, respect, and friendship: It was the perfect summer.

That is, until Jeremy Ross moved into the house down the street and became neighborhood enemy number one. Luckily Dad had a surefire way to get rid of enemies: Enemy Pie. But part of the secret recipe is spending an entire day playing with the enemy! In this funny yet endearing story one little boy learns an effective recipe for turning a best enemy into a best friend. Accompanied by charming illustrations, *Enemy Pie* serves up a sweet lesson in the difficulties and ultimate rewards of making new friends. The perfect book for kids learning how to make friends or deal with conflict. Ideal as a read aloud book for families or elementary schools. Created by Derek Munson who has directly shared his children's stories with over 100,000 kids across the globe. Fans of *Last Stop on Market Street*, *Have You Filled a Bucket Today*, and *First Day Jitters* will love this Reading Rainbow classic, *Enemy Pie*.

Recommend by experts for children who are reading independently and transitioning to longer books and perfect for the following reading categories:
Elementary School Chapter Books
Family Read Aloud Books
Books for Kids Ages 5-9
Children's Books for Grades 3-5

Spring Awakening Houghton Mifflin Harcourt

Fear of AIDS drives Jeffrey to swear off sex forever--but it can't keep him from falling in love.

[Baby with the Bathwater](#) Dramatists Play Service, Inc.

How Can You Represent Those People? is the first-ever collection of essays offering a response to the 'Cocktail Party Question' asked of every criminal lawyer. A must-read for anyone interested in race, poverty, crime, punishment, and what makes lawyers tick.

Ghost Whisperer: The Spirit Guide

Random House Books for Young Readers
In *The New Rules of Lifting for Women*, authors Lou Schuler, Cassandra Forsythe and Alwyn Cosgrove present a comprehensive strength, conditioning and nutrition plan destined to revolutionize the way women work out. All the latest studies prove that strength training, not aerobics, provides the key to losing fat and building a fit, strong body. This book refutes the misconception that women will "bulk up" if they lift heavy weights. Nonsense! It's tough enough for men to pack on muscle, and they have much more of the hormone necessary to build muscle: natural testosterone. Muscles need to be strengthened to achieve a lean, healthy look. Properly conditioned muscles increase metabolism and promote weight loss -- it's that simple. The program demands that women put down the "Barbie" weights, step away from the treadmill and begin a strength and conditioning regime for the natural athlete in every woman. *The New Rules of Lifting for Women* will change the way women see fitness, nutrition and their own bodies.
[Sam and the Lucky Money](#) Crown Publishing Group (NY)

"In *Learning Curves*, Weston presents a comprehensive practical and spiritual program that guides women to explore their inner beauty and outer style and covers all the bases, from dressing and dating to food and fitness. Weaving stories of successful full-figured women, including actor-writers Delta Burke and Camryn Manheim, with her own startling insights, Weston dispels age-old myths, exhorts women to throw off the shrouds of negative thinking, and gives them the confidence to be the sexy, strong, and proud role models they know they can be."--BOOK JACKET.
