GUNNER FITZPATRICK

How the Yankees Explain New York Macmillan
 The definitive story of one of the greatest dynasties in baseball history, Joe Torre's New York Yankees. When Joe Torre took over as manager of the Yankees in 1996, they had not won a World Series title in eighteen years. In that time seventeen others had tried to take the helm of America's most famous baseball team. Each one was fired by George Steinbrenner. After twelve triumphant seasons—with twelve straight playoff appearances, six pennants, and four World Series titles—Torre left the Yankees as the most beloved manager in baseball. But dealing with players like Jason Giambi, A-Rod, Derek Jeter, Mariano Rivera, Roger Clemens, and Randy Johnson is what managing is all about. Here, for the first time, Joe Torre and Tom Verducci take readers inside the dugout, the clubhouse, and the front office, showing what it took to keep the Yankees on top of the baseball world.
[When Baseball was King The New York Yankees were King of Baseball](#) Simon and Schuster
 Derek Jeter has become one of the most well-known stars in

baseball history. 2014 marked the end of his brilliant 20-season career with the New York Yankees, during which he led the Yankees to five championships and great success in the late 1990s and early 2000s. Jeter was one of the most heavily marketed athletes of his generation, and his personal life received attention throughout his career. Baseball Immortal brings readers real quotations and media excerpts from his life, presenting an incredible portrait of his early life, groundbreaking career, best moments and legacy. Danny Peary is a bestselling baseball writer and co-author of Tim McCarver's *Baseball for Brain Surgeons*. He has collected and curated the most important quotes and articles to give a unique picture of Derek Jeter's life—the perfect gift for baseball fans of every stripe.

The Yankee Encyclopedia Triumph Books
 Now Updated Through the 2020 Season An exciting history of the world's greatest baseball team from a former Yankees Public Relations Officer. "A riveting and comprehensive history of the Yankees" - New York Times Is there a sports team more synonymous with winning than the New York Yankees? The team of Ruth, Gehrig, DiMaggio, Berra, Ford, Mantle, Jackson, Mattingly? Of Torre, Jeter, and Rivera? Of forty American League pennants, twenty-seven World Championships, and nearly forty

Hall of Famers? Like so many great American institutions, the Yankees began humbly, on the muddy, uneven grass of Hilltop Park. Eighteen years later the little second-class franchise won its first pennant. Today, the Yankees are worth more than a billion dollars. It's been nearly seventy years since Frank Graham wrote the last narrative history of the Yankees. Marty Appel, the Yankees' PR director during the 1970s, now illuminates the team in its hundred-plus years of glory: clever, maneuvering owners; rowdy, talented players; great stories behind the great stories. Appel heard tales from old-timers like Waite Hoyt, Bill Dickey, Yogi Berra, Phil Rizzuto, and Whitey Ford, and has remained close to the organization ever since. He gives life to the team's history, from the demise of Hilltop Park in the 1900s to the evolution of today's team as an international brand. With a wealth of photographs, this is a treasure trove for lovers of sports, the Yankees, New York history, and America's game.

Greatness in Waiting State University of New York Press
Yankees fans have witnessed improbable feats, extraordinary achievements, and unmatched performances during the team's 100-plus seasons. The Yankees Index details the numbers every Yankees fan—from the rookie attending his first game at Yankee Stadium to the veteran who recalls Ron Guidry's days on the mound—should know. Author Mark Simon tells the stories behind the most memorable moments and achievements in Yankees history in this full-color book full of insightful and fun infographics and history.

The New York Yankees Illustrated History Triumph Books
Whether you love the Yankees or loathe them, even the most casual baseball fan is well versed on the team's nearly 100-year lineage of legends that span the decades from Ruth to DiMaggio to Mantle to Jeter. Most every book on the Yankees, therefore, heralds the unparalleled winning tradition of the famed Bronx Bombers. This is not that kind of book. In *Bronx Bummers: The Unofficial History of the New York Yankees' Bad Boys, Blunders and Brawls*, authors Robert Dominguez and David Hinckley shine a light on the dark side of the team's otherwise illustrious history. In 50 lighthearted chapters, *Bronx Bummers* begins with the tale of the Yankees' first colorful owners in 1903 - one was a former New York police chief widely considered the most corrupt cop in city history, the other was Manhattan's biggest owner of illegal gambling dens - and continues through the sordid exploits of some of the team's earliest stars, including a slick-fielding first baseman run out of baseball for throwing games; a good-hitting pitcher who derailed his Hall of Fame-bound career with his brawling and boozing ways; and even the great Babe Ruth himself, who regularly led the league in HRs, RBIs and STDs. And while most baseball teams have a history of bench-clearing brawls, Dominguez and Hinckley, veteran New York City tabloid reporters, chronicle how the Yankees hold the unofficial record for most fights between teammates - not to mention the most front-office blunders. From the bad old days of the team's origins as the Highlanders all the way to the Bronx Zoo years and beyond, *Bronx Bummers* divulges what really went on behind the boxscores of baseball's winningest franchise.

Great Moments in Baseball History Sports Publishing LLC
Recounts the true childhood stories and lessons of some of baseball's greatest players, including Gary Carter, Ralph Kiner, Ferguson Jenkins, and Tony Gwynn.

The Yankee Way B&N Signed Edition Triumph Books
An easy to read children's book chronicling the exciting career of Derek Jeter. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell,

as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Yankees Index Bloomsbury Publishing USA

Throughout its illustrious history, the New York Yankees have produced some of the most memorable highlights in baseball annals. Babe Ruth's "called shot" home run, Joe DiMaggio's 56-game hitting streak, Derek Jeter's amazing "Flip Play." Most Yankees fans have seen newsreel footage of Lou Gehrig's farewell speech, watched highlights of a young Mickey Mantle, and have heard the story of Billy Martin's five managerial hirings and firings. But what makes the Yankees the world's most celebrated sports franchise goes beyond sheer headlines? It is the stories of the men behind the headlines who have thrilled and enchanted New York fans since 1903. *Miracle Moments in New York Yankees History* is the ultimate tribute book for die-hard fans of the Bronx Bombers. Whether you're a passionate booster from the days of Yogi Berra or a newly minted supporter of Alex Rodriguez, author David Fischer has compiled a supreme collection of 50 of the most prominent and relevant team successes, player feats, and award-winning accomplishments from the Yankees' incredible past and present. And, much like the team itself, *Miracle Moments in Yankees History* is about far more than just miracle moments; in-depth player profiles, exciting game details, and the perspective of time bring the greatest achievements of history's greatest Yankees to life. *Miracle Moments in New York Yankees History* is much more than just a comprehensive resource. It recounts the hidden stories behind the most storied franchise in baseball.

The First Yankees Dynasty Xlibris Corporation

The Story of the Greatest Yankees Team—and Baseball Team—of All Time New York, 1936. Red Ruffing, Lefty Gomez, Bill Dickey, Lou Gehrig, Tony Lazzeri, and rookie Joe DiMaggio—with these six future Hall of Fame players, the Yankees embarked on a four-year run that would go down in the history books as the greatest Yankees team, if not, the greatest baseball team of all time. Over the next four years, the Yankees won four straight pennants, finishing an average of nearly fifteen games ahead of the second-place team. They won their four World Series by an overall margin of 16-3, sweeping the last two, putting the punctuation mark on baseball's first true dynasty. Even the Ruthian Yankees of the twenties never won more than two consecutive world championships. From 1936 to 1939, the world was changing rapidly. America was in the grip of the Great Depression. Franklin D. Roosevelt was re-elected president in the greatest landslide in American history. And Hitler's Germany was on the move in the fall of 1939, just as the Yankee dynasty reached its climax. Against the backdrop of a world in turmoil, baseball, and America's love for baseball, thrived. Starring the best team of all time, featuring little-known anecdotes of players and set against a history of the world, *Yankees 1936-39, Baseball's Greatest Dynasty* tells the tale of a legendary team that changed history.

All the Babe's Men Harper Collins

The definitive account of the life and tragic death of baseball legend Lou Gehrig. Lou Gehrig was a baseball legend—the Iron Horse, the stoic New York Yankee who was the greatest first baseman in history, a man whose consecutive-games streak was ended by a horrible disease that now bears his name. But as this definitive new biography makes clear, Gehrig's life was more complicated—and, perhaps, even more heroic—than anyone

really knew. Drawing on new interviews and more than two hundred pages of previously unpublished letters to and from Gehrig, Luckiest Man gives us an intimate portrait of the man who became an American hero: his life as a shy and awkward youth growing up in New York City, his unlikely friendship with Babe Ruth (a friendship that allegedly ended over rumors that Ruth had had an affair with Gehrig's wife), and his stellar career with the Yankees, where his consecutive-games streak stood for more than half a century. What was not previously known, however, is that symptoms of Gehrig's affliction began appearing in 1938, earlier than is commonly acknowledged. Later, aware that he was dying, Gehrig exhibited a perseverance that was truly inspiring; he lived the last two years of his short life with the same grace and dignity with which he gave his now-famous "luckiest man" speech. Meticulously researched and elegantly written, Jonathan Eig's Luckiest Man shows us one of the greatest baseball players of all time as we've never seen him before.

Core Four McFarland

Featuring every relevant team record, statistic, and award winner from the New York Yankees' incredible past, this book includes a comprehensive collection of all-time leaders in every conceivable category, from hits to strikeouts. From the team's 27 World Series titles and Roger Maris's 61 home runs to Joe DiMaggio's 56-game hitting streak and eyewitness accounts of when Babe Ruth famously called his shot, this reference captures the legends and lore of the Yankees. More than a collection of statistics, this guide provides profiles of the men behind the records and explores the context in which they were set while featuring stories which, in many cases, are even more fascinating than the actual records. Historical game details and evocative photographs blend with compelling statistics and the great players responsible for them to capture the rich history of this storied and celebrated franchise.

Yankee Pride Arcadia Publishing

Before the feuding owners turned to Ed Barrow to be general manager in 1920, the Yankees had never won a pennant. They won their first in 1921 and during Barrow's tenure went on to win thirteen more as well as ten World Series. This biography of the incomparable Barrow is also the story of how he built the most successful sports franchise in American history. Barrow spent fifty years in baseball. He was in the middle of virtually every major conflict and held practically every job except player. Daniel R. Levitt describes Barrow's pre-Yankees years, when he managed Babe Ruth and the Boston Red Sox to their last World Series Championship before the curse. He then details how Barrow assembled a winning Yankees team both by purchasing players outright and by developing talent through a farm system. The story of the making of the great Yankees dynasty reveals Barrow's genius for organizing, for recognizing baseball talent, and for exploiting the existing economic environment. Because Barrow was a player in so many of baseball's key events, his biography gives a clear and eye-opening picture of how America's sport was played in the twentieth century, on the field and off. A complex portrait of a larger-than-life character in the annals of baseball, this book is also an inside history of how the sport's competitive environment evolved and how the Yankees came to dominate it.

Miracle Moments in New York Yankees History U of Nebraska Press

With more than 150 stunning photos--some in color--the top sports writers from "The New York Times" commemorate the Yankee's 100th anniversary.

Ed Barrow Riverdale Avenue Books LLC

"The perfect gift for the diehard fan in your life or an enviable treasure for yourself, The Ultimate Yankee Book is the most current and comprehensive resource of trivia, people and stories

from the teams creation in 1901 to today. Harvey Frommer is a renowned baseball historian and the author of The New York Yankee Encyclopedia. In many ways, this book is an expansion and renovation of that book, adding new stories such as the Steinbrenner owners and famed recent legends such as Derek Jeter and A-Rod. But it goes beyond the first book. Far more than just stories, the book is packed with enough statistics, bests-and-worst, oddities and assorted data to satisfy serious trivia junkies. One of the best new features is the Yankee March of Time, including essential trivia from every year, and the daring and daunting Ultimate Yankee Quiz. Test your own knowledge or that of friends and family at your next gathering or World Series party with 150 questions and detailed answers in this fun, informative quiz. Fans of the Yankees are proud to call their team the greatest of all time not only have they boasted the most World Series championships and the most players in the Hall of Fame, they're also the most hotly discussed team in the news media, social media and in books."--Publisher's description.

Baseball: An Illustrated History Simon and Schuster

An examination of the unique parallels between New York City's evolution and that of the New York Yankees, How the Yankees Explain New York illustrates how the storied history of the Bronx Bombers mirrors that of the Big Apple itself. The oldest professional sports franchise in the city, the Yankees have played in front of sold out crowds in the Bronx for nearly a century, and this work explores the relationship between Wall Street high-rollers and the Yankees' record-setting payroll, describes the "city that never sleeps" through the nighttime antics of Mickey Mantle and Billy Martin, revisits the healing effect of the Yankees' World Series run in the aftermath of 9/11, and much more. Entertaining and insightful, this book is sure to be popular amongst one of sports' most passionate fan bases.

The Yankee Way New York Yankees Firsts

From a dusty diamond in Brooklyn to the hallowed grounds of Yankee Stadium, Willie Randolph has always loved the game of baseball, and over the course of his storied career, he has amassed a remarkable list of accomplishments—All-Star second baseman, World Series champion, manager—but, above all, he has been a Yankee. For almost thirty years, Randolph was a part of Yankee lore and mythology, whether playing with the legends Thurman Munson and Reggie Jackson and witnessing the infamous Bronx Zoo at its rowdiest, or coaching as the Core Four of Derek Jeter, Mariano Rivera, Andy Pettitte, and Jorge Posada rose to fame and ushered in a new era of Yankee dominance. In his long-awaited memoir, Willie Randolph shares stories from his life in pinstripes, opening up about the team that raised him and the city that molded him. With unparalleled perspective into three generations of team history, the former Yankee captain offers fresh, firsthand insight into some of the greatest players to ever play the game and the greatest teams ever to call the Bronx their home. From Don Mattingly to Bernie Williams, Goose Gossage to Mariano Rivera, and Billy Martin to Joe Torre, Randolph presents a view of baseball history from the inside, describing how teams became dynasties and managers became legends—all in the shadow of the man who brought them together, the Boss, George Steinbrenner. But though Randolph is a Yankee through and through, he is first and foremost a quintessential New Yorker. Brooklyn raised and groomed, he shares memories of a rise that could only happen in the Big Apple—from the projects of East New York to the house that Ruth built. Along the way, he discusses his triumphs and struggles on and off the field, as well as his time spent as manager of the Mets. As fascinating and thoughtful as Randolph himself, *The Yankee Way* is a moving portrait of a legendary team, a unique city, and a remarkable man.

Bronx Epitaph Rowman & Littlefield

The 1980s New York Yankees were loaded with talent - their always-outspoken owner made sure of that. But somehow, somehow, it did not all add up - resulting in one of the few decades in Yankee history that did not include at least one World Series championship. However, the '80s weren't a complete washout, as it contained quite a few classic Yankee moments, including a no-hitter, a 300th win for an eventual Hall of Fame pitcher, welcoming two of the biggest stars in all of baseball aboard, and the emergence of a popular, homegrown first baseman. 'Just Out of Reach: The 1980s New York Yankees' is the first-ever book to focus solely on this decade of the team. Featuring nearly 30 all-new, exclusive interviews with players and those close to the team, the book is a fly-on-the-wall view of what was going on behind the scenes and on the field. Set up in the oral history format, 'Just Out of Reach' reads like a documentary, but in book form.

Lou Gehrig McFarland

Tracing the careers of four instrumental players who turned around the Yankees ball club, this book shares behind-the-scenes stories from their early days together in the minors through the 2013 season, and follows them on their majestic ride to the top of the baseball world. At a time when the New York Yankees were in free fall, having failed to win a World Series in 17 years and had not played in one in 14 years—the Bronx Bombers' longest drought since before the days of Babe Ruth—along came four young players whose powerful impact returned the franchise to its former glory. They were a diverse group from different parts of the globe: Mariano Rivera, a right-handed pitcher from Panama, who was destined to become the all-time record holder in saves and baseball's greatest closer; Derek Jeter, a shortstop raised in Kalamazoo, Michigan, who would become the first Yankee to accumulate 3,000 hits; Jorge Posada, an infielder-turned-catcher

from Puerto Rico, who would hit more home runs than any Yankees catcher except the legendary Hall of Famer Yogi Berra; and Andy Pettitte, a left-handed pitcher born in Baton Rouge, Louisiana, who would win more postseason games than any player in baseball history. Together they formed the "Core Four," and would go on to play as teammates for 13 seasons during which time they would help the Yankees advance to the postseason 12 times, win the American League pennant seven times, and take home five World Series trophies. This book follows these phenoms from the minor leagues to the present, detailing their significant contributions to a winning major league franchise. This 2014 edition updates readers on Jeter's struggles with injuries and recovery, Rivera's final season, and Pettitte's and Jeter's plans moving forward.

The New York Yankees Simon and Schuster

Lou Gehrig's memoir, originally published in newspaper columns, followed by a biographical essay by historian Alan D. Gaff.

DiMaggio's Yankees Triumph Books

When Babe Ruth was sold by the Boston Red Sox to the New York Yankees at the beginning of the Roaring Twenties, the stage was set for one of baseball's greatest dynasties. With Ruth on board, and under manager Miller Huggins, the Yankees became America's most popular team, and the most dominant team in the American League. They won three consecutive pennants (1921-1923) and a World Series (1923). In 1924, the Yankees' quest for a fourth consecutive pennant fell short when they finished two games behind the first place Washington Senators. Expected to bounce back and win the 1925 championship, the Bronx Bombers instead crumbled to the bottom. Ruth's love for the nightlife, his undisciplined nature and disrespect for his manager had finally caught up to him, and it jeopardized his future in baseball. This book tells the story of Babe Ruth, Miller Huggins and the Yankees' rise to glory, their collapse in 1925 and their climb back to the top.
