Commemorate Christmas TR

Good day to you, readers. The speakers in this book invite us to look at the significance in the Christmas event. Not just celebrating it merely, but commemorate it, remembering. The

word "remember", if we read in Greek, is copied with the word "mnemoneo", which means laying the groundwork in mind. So not just a reminder, not just not forgetting; but laying the groundwork in our minds. Thus it means that the birth, Easter, resurrection and ascension of Jesus, are a series to remember; A necessity that we need to constantly do in our lives, in our walk of faith. Let us commemorate Christmas, the birth of the Lord Jesus, like the wise men did, by praising God, honoring and glorifying God, with full devotion and love we can give. Welcome to read more.
