It all starts with a sale Whether you love it or hate it, making sales drives your wedding and event business. If you've been selling for a long time, this book will be a good refresher. If you're new to selling, this book will give you the tools, and the confidence, to make more sales. I'll show you how to ask better questions, really

listen to the answers, and help your customers buy. Using real examples and stories, of people just like you, I'll guide you to find you own, unique selling style. When your customers can see and understand why they should buy from you, and only you, they have to pay your price. You've taken an important first step towards making more sales. Stress-Free Wedding Planner Citadel Press  
Impending motherhood serves up a confusing cocktail of heroic strength and terrifying vulnerability. Our culture has seized on the “vulnerability” part of this experience and tends to reinforce a pregnant woman’s insecurities instead of encouraging her to embrace this most natural time and trust her body, her intuition, and her own mind. Feng Shui Mommy takes a different approach, helping the expecting mother build her own unique, epic journey to motherhood. It’s about supporting her while she shores up her mind-body-spirit alignment so she can best handle the cosmic kick in the uterus and juicy kiss on the soul that pregnancy is. Bailey Gaddis guides women through the experience, providing specific suggestions for mind, body, and spirit for each trimester (including the “fourth,” after birth), leading to birth preparation designed for each mother and baby, and culminating in strong mother-child bonding. She includes detailed and practical information about prenatal

exercise and nutrition, birth preferences and birthing positions, breath work, breastfeeding, and much more. Her advice allows mothers to welcome delight and curiosity into the journey while taking each phase with purpose and calm — and even a sense of fun. This comprehensive guide makes challenge and change joyful, allowing new life to be as incomparably wonder-filled as it is meant to be.
