Motor Auto Repair Manual Chilton Book Company
 Professional technicians have relied on the Chilton Labor Guide estimated repair times for decades. This latest edition expands on that reliability by including technical hotline feedback and research from professional labor experts. The labor times reflect actual vehicle conditions found in the aftermarket, including rust, wear and grime. Available in both hardcover and CD-ROM, this completely revised manual provides thousands of labor times for 1981 through current year domestic and imported vehicles. All times reflect technicians' use of aftermarket tools and training. *Nichols' Chilton Labor Guide Manual 1981-2003* The Bluebook International, Inc.

Chilton labor times have been a trusted standard in the industry for over 60 years. That legacy continues in the Chilton 2008 Labor Guide CD. Chilton labor times take into account the real world environment in which technicians work. Three labor times are available for many models: Chilton's standard and severe service times, plus OEM warranty time. Chilton labor times are accepted by most insurance and extended warranty companies. Vehicle makes and models conform to current Automotive Aftermarket Industry Association (AAIA) standards. Get your hands on the newest version of a classic.
