Baseball's
Greatest
Series details
what many
believe to be
the most
exciting
postseason
series in

baseball
history: the
1995 Division
Series
between the
New York
Yankees and
the Seattle
Mariners. This
division series
was not
simply about
two teams
playing five
postseason
games. It was
about Ken

Griffey Jr., Lou
Piniella, Buck
Showalter,
Gene Michael,
Jim Leyritz,
Randy
Johnson, Wade
Boggs, Tony
Fernandez,
Pat Kelly, Dion
James, Darryl
Strawberry and
many others
who changed
the course of
baseball
history . . . A

team playing
to keep
baseball alive
in the Pacific
Northwest A
manager who
was literally
managing for
his job A New
York sports
icon who for
one week
reminded
everybody of
the
dominating
player he had
been a decade
earlier Chris
Donnelly's
replay of this
entire season
reminds
readers that it
was a time
when grown
men cried
their eyes out
after defeat,
and others,
just a few
hundred feet

away, poured
beer and
champagne
over one
another while
57,000 people
in Seattle's
Kingdome
celebrated.
Five games
they were.
Five games
that reminded
people, after
the
devastating
players' strike
in 1994, how
great a game
baseball is
because
comebacks
are always
possible, no
matter how
great the
obstacles may
seem. From
Don
Mattingly's
only
postseason

home run,
which caused
a near riot, to
Edgar

legendary
eleventh
inning series-
clinching
double,
Donnelly
chronicles the
earlier
struggles of
both teams
during the
1980s, their
mid-1990s
resurgence, all
five heart-
stopping
games of the
series, and the
dramatic and
long-lasting
effects of
Seattle's
victory.
Simply stated,
Baseball's
Greatest
Series hits a

home run.

Named a Best
Book of 2020
by NPR and Lit
Hub. A Los
Angeles Times
Bestseller. A
New York
Times Book
Review
Editors'
Choice "In The
Cactus League
[Emily
Nemens]

provides her
readers with
what amounts
to a miniature,
self-enclosed
world that is
funny and
poignant and
lovingly

observed." --

Charles
McGrath, The
New York
Times Book
Review An
explosive,
character-
driven
odyssey
through the
world of
baseball Jason
Goodyear is
the star
outfielder for
the Los
Angeles Lions,
stationed with
the rest of his
team in the
punishingly
hot Arizona
desert for
their annual
spring
training.

Handsome,
famous, and
talented,
Goodyear is
nonetheless

coming apart
at the seams.
And the
coaches,
writers, wives,
girlfriends,
petty
criminals, and
diehard fans
following his
every move
are eager to
find out
why—as they
hide secrets of
their own.
Humming with
the energy of
a ballpark
before the
first pitch,
Emily
Nemens's The
Cactus League
unravels the
tightly
connected
web of people
behind a
seemingly
linear game.
Narrated by a

sportscaster, Goodyear's story is interspersed with tales of Michael Taylor, a batting coach trying to stay relevant; Tamara Rowland, a resourceful spring-training paramour, looking for one last catch; Herb Allison, a legendary sports agent grappling with his decline; and a plethora of other richly drawn characters, all striving to be seen as the season approaches. It's a journey that, like the

Arizona desert, brims with both possibility and destruction. Anchored by an expert knowledge of baseball's inner workings, Emily Nemens's *The Cactus League* is a propulsive and deeply human debut that captures a strange desert world that is both exciting and unforgiving, where the most crucial games are the ones played off the field. *The Great Book of Seattle Sports Lists Sports*

Publishing LLC Baseballs best writer offers an extraordinarily candid and thorough exploration of the inner craft of pitching from one of the games best, David Cone. There is no big league pitcher who is more respected for his skill than David Cone. In his stellar career Cone has won multiple championships and countless professional accolades. Along the way, the perennial all-

star has had to adjust to five different ballclubs, recover from a career-threatening arm aneurysm, cope with the lofty expectations that are standard for the games highest paid players, and overcome a humbling three-month, eight-game losing streak in the summer of 2000. Cone granted exclusive and unlimited access to baseballs most respected writer Roger

Angell of The New Yorker. The result is just what baseball fans everywhere would expect from Angell: an extraordinary inside account of a superstar. The Rocket Bellwether Media The weekly source of African American political and entertainment news. **Obsessed With...Baseball** Quarto Publishing Group USA With loyal fans supporting their major sports teams in the

Seahawks (NFL), Mariners (MLB) - plus a rabid fan base for University of Washington jocks - Seattle is a great place for a sports debate. Local sports-radio talker Mike Gastineau teams up with longtime sportswriters Steve Rudman and Art Thiel to bring Seattle sports history to life with this provocative and enjoyable - not to mention debatable - book of lists. They also enlist list

contributions by famous players, coaches, and Seattle celebrities including Mike Holmgren, Matt Hasselbeck, Ichiro Suzuki, George Karl, Pearl Jam, Kevin Calabro, Sir Mix-a-Lot, and more.

 Includes multiple choice questions about baseball. Embedded in the book is a special computerized

quiz module that lets you compete against yourself or a friend. *Baseball's Longest Games* Chronicle Books The perfect gift for baseball fans, now with a new epilogue by author R.A. Dickey, winner of the 2012 Cy Young award. "An astounding memoir—haunting and touching, courageous and wise."—Jeremy Schaap, bestselling author, Emmy award-winning

journalist, ESPN In 1996, R.A. Dickey was the Texas Rangers' much-heralded No. 1 draft choice. Then, a routine physical revealed that his right elbow was missing its ulnar collateral ligament, and his lifelong dream—along with his \$810,000 signing bonus—was ripped away. Yet, despite twice being consigned to baseball's scrap heap, Dickey battled back. Sustained by

his Christian faith, the love of his wife and children, and a relentless quest for self-awareness, Dickey is now the starting pitcher for the Toronto Blue Jays (he was previously a star pitcher for the New York Mets) and one of the National League's premier players, as well as the winner of the 2012 Cy Young award. In *Wherever I Wind Up*, Dickey eloquently shares his quintessential American

tale of overcoming extraordinary odds to achieve a game, a career, and a life unlike any other.

ReadHowYouWant.com
Fenway Park. The name evokes a team and a sport that have become more synonymous with a city's identity than any stadium or arena in the country. Since opening in the same week of 1912 that the

Titanic sank, the park's instantly recognizable confines have seen some of the most dramatic happenings in baseball history, including Carlton Fisk's "Is it fair?" home run in the 1975 World Series and Ted Williams's perfectly scripted long ball in his final at-bat. For 100 years, the Fenway faithful have been tested. They have known triumph and heartbreak, miracles and

curses -- well, one curse in particular -- to such a degree that an entire nation of fans heaved a collective sigh of relief when Dave Roberts stole a base by a fingertip in 2004, triggering the most amazing comeback in the game's annals. To sit and watch a game at Fenway is to recognize that the pitcher is standing on the same mound where Walter Johnson, Christy Mathewson, and Babe Ruth pitched, that a

hitter is in the same batter's box where Ty Cobb and Hank Aaron and Shoeless Joe Jackson dug in to take their swings. This is a ballpark that has embraced its odd construction quirks, including the bizarre triangle out in center field and the Green Monster that looms above the left fielder, and today -- for better and for worse -- it remains largely unchanged from the day it opened. In its long

history, Fenway has hosted football, hockey, soccer, boxing, and so much more. It has provided a backdrop to hundreds of historic events having nothing to do with sports, including concerts, religious gatherings, and political rallies. It was the site of Franklin Delano Roosevelt's final campaign address, as well as visits by music luminaries from Stevie Wonder to

Bruce Springsteen to the Rolling Stones. Through it all, the Boston Globe has been the consistent, respected chronicler of every important moment in park history. In fact, the newspaper played a remarkable role in Fenway's creation and evolution: the Taylor family -- founders and longtime owners of the Globe -- owned the ballclub in 1912, helped finance the

new stadium, and renamed the team the "Red Sox". It is the Globe's insider perspective, combined with more than a century of exemplary journalism, that makes this book the definitive narrative history of both park and team, and a centennial collectors' item unlike any other. Its pages offer a level of detail that is unmatched, with exceptional writing and hundreds of rarely seen

photographs and illustrations. This is Fenway Park, the complete story, unfiltered and expertly told. Seattle Mariners Farrar, Straus and Giroux The average major league player currently earns more than half a million dollars a season. But, only 25 players make the big team's roster. The 26th Man details the season-long journey of Steve Fireovid of the Triple A Indianapolis

Indians, as he deals with the realities and the heartbreak of playing a kid's games well into his thirties. *History of the Chicago White Sox 1959-2022* University of Washington Press Tony LaRussa's 1st place squad won a club-record 99 games, featured a Cy Young pitcher, a Rookie of the Year, a Hall of Fame catcher, and speed on the bases. It was also the first time in 24

years a Chicago team entered post-season play. The club signed a Hall of Fame pitcher the following year, and in 1985 a charismatic rookie from Venezuela took over shortstop and won Rookie of the Year honors. Comiskey Park I (the 1910 version) was leveled – and with a push from Governor Thompson, Comiskey Park II was built. Then along came Frank Thomas, Robin Ventura, and

more post-season play! But it took the mercurial Venezuelan, this time the club manager, to lead the club to 2005 glory. Read about the 2008 Black Out, Phillip Humber's perfect game, the emergent Chris Sale, AL's 2014 Rookie of the Year and 2020 AL MVP Jose Abreu, and 2019 BA Champ Tim Anderson. Current Sox new manager Pedro Grifol has stars like Dylan Cease, Liam Hendriks, Eloi

Jimenez, Yoan Moncada, and Luis Robert. hits the baseball, and a new record has been set. Joe Dimaggio's record hitting streak--56 games in a row with a hit--has yet to be beat. It is one of the many baseball records highlighted in this fact-filled title that will excite and inspire fans of America's pastime! *All Bat, No Glove* Da Capo Press, Incorporated Baseball is the only major team sport that doesn't feature a clock, and there's a

familiar saying among fans that as long as outs remain, the game can, theoretically, go on forever. Every now and again, it nearly does, as author Phil Lowry demonstrates. The product of more than four decades of research, this book catalogs baseball games from around the world and throughout history that lasted 20 or more innings, stretched five or more hours, or ended after 1:00 am. Lowry also

examines probability models to predict how often games of unusual length will occur.

Day by Day in Orioles History

Triumph Books
In 1901, the 25-year-old National League once again had competition - but this time the new league stayed. In AL's 1st year, the NY Yankees didn't exist, the Cleveland and Boston clubs went by different names, and finances

forced the Milwaukee Brewers to move to St. Louis where they were known as the Browns. Where are the Browns now? AL's peaks and valleys include the Deadball Era, the 1919 scandal, the 56-game hitting streak and baseball's last .400 hitter – both in 1941; the Yankees' continual dominance; expansion; strikes, the steroid era, and the end of a well-known curse in 2004. Yesterdays

and today's stars are all here! End-of-year standings that include who placed 1st in batting, pitching, and fielding. League notes that highlight rule changes, trends, trades, suspensions, and winning/losing streaks. Noteworthy games: high scores, batting fetes, records set or broken. End-of-the-year awards: Rookie of the Year, Cy Young, MVP, and those entering the Hall of Fame. World Series outcomes.

What AL team is 2nd to the NY Yankees in championships? All AL teams are here (including when the Athletics were in Philadelphia), as are the legends: Cobb, Joe Jackson, Babe Ruth, Gehrig, Feller, DiMaggio, Ted Williams, Brooks Robinson, and Yaz. Those who followed include Kirk Gibson, Jose Canseco, Dennis Eckersley, Frank Thomas, Derek Jeter, David Ortiz,

Pedro Martinez, and Alex Rodriguez. You also get current stars like Jason Verlander, Aaron Judge, Mike Trout, and Shohei Ohtani.

Baseball's Greatest Series

University of Nebraska Press

Manager Al Lopez' 1959 pennant-winning squad included 3 Hall of Famers, speed, pitching, and fielding. This was the first time in 40 years the franchise was World Series-bound. The 1960s brought exploding scoreboards, and razor-close finishes in 1964 and 1967. In the 1970s, a Sox finally had a HR champ; another became the AL MVP after the Sox made a trade with the LA Dodgers; then for 1 day only, Sox uniforms included wide collar shirts and shorts. In 1977, Bill Veeck's club "rented" 2 HR hitters; in 1979, future Hall of Fame manager Tony LaRussa took the helm. The 1980s included 1983 post season play, 2 Rookies of the Year, a Cy Young Award winner, and 2 future Hall of Famers - one a catcher, the other a pitcher who won his 300th career game in a Sox uniform. The Sox returned to post-season play in 1993, 2001, and 2008, but let's not forget the long-awaited (88 years) 2005 World Series champs. During that span, Frank Thomas became a 2-

time MVP winner and Jack McDowell won the Cy Young Award. Popular players were many: Raines, Belle, Rowand, Crede, Dye, Buehrle, Thome, Pierzynski, Konerko, Quentin, Sale and Rich Renteria's squad that included the 2014 Rookie of the Year, 2019 AL batting champ and AL RBI leader. In the first year of his 2-year stint, Hall of Fame manager Tony LaRussa returned and

led the Central Division winners to the playoffs. New manager Pedro Grifol has a roster of solid players like Dylan Cease, Luis Robert, Tim Anderson, Eloi Jimenez, Yoan Moncada, and Lucas Giolito. Yearly Standings, including a comparison with those placing 1st in Batting, Pitching, and Fielding. Top pitchers, top hitters, a list of rookies, and those obtained in a trade. Club news and dozens of

noteworthy games (the winning or losing pitcher and batting stars) League news, listing of other league games, year-end awards and World Series outcomes.

The Extra 2%

McFarland What happens when three financial industry whiz kids and certified baseball nuts take over an ailing major league franchise and implement the same strategies that fueled their success on Wall Street? In

the case of the 2008 Tampa Bay Rays, an American League championship happens—the culmination of one of the greatest turnarounds in baseball history. In *The Extra 2%*, financial journalist and sportswriter Jonah Keri chronicles the remarkable story of one team’s Cinderella journey from divisional doormat to World Series contender. When former Goldman Sachs

colleagues Stuart Sternberg and Matthew Silverman assumed control of the Tampa Bay Devil Rays in 2005, it looked as if they were buying the baseball equivalent of a penny stock. But the incoming regime came armed with a master plan: to leverage their skill at trading, valuation, and management to build a model twenty-first-century franchise that could compete with their

bigger, stronger, richer rivals—and prevail. Together with “boy genius” general manager Andrew Friedman, the new Rays owners jettisoned the old ways of doing things, substituting their own innovative ideas about employee development, marketing and public relations, and personnel management. They exorcized the “devil” from the team’s nickname,

developed metrics that let them take advantage of undervalued aspects of the game, like defense, and hired a forward-thinking field manager as dedicated to unconventional strategy as they were. By quantifying the game's intangibles—that extra 2% that separates a winning organization from a losing one—they were able to deliver to Tampa Bay something that Billy Beane's "Moneyball"

had never brought to Oakland: an American League pennant. A book about what happens when you apply your business skills to your life's passion, *The Extra 2%* is an informative and entertaining case study for any organization that wants to go from worst to first.

The Cultural Encyclopedia of Baseball, 2d ed.

Zondervan
Big names have always dominated baseball, and

one of the biggest in recent history is Roger Clemens--the Rocket. As a baseball great, he has shown what it means to succeed, both on the field and off, in his near quarter century of major-league service. *The Rocket: Baseball Legend Roger Clemens* journeys from Clemens's humble and sometimes difficult childhood through his illustrious career in Boston, Toronto, New

York, and Houston. Clemens rose through the ranks, setting a new example of devoted work ethic and responsibility to team and fan alike. Through it all he remained a dedicated family man, not a trait usually associated with the free-for-all image of a major-league baseball player. Joseph Janczak traces Clemens's career from his high school days; through his University of

Texas collegiate baseball (where he was given the pre-Rocket nickname of "Goose"); and on to his minor-league and major-league career. Baseball's image when Clemens first started in the halcyon days of the mid-1980s quickly dissolved into that of a sport saddled with crises and scandals, such as gambling, steroids, strikes, and fan distrust. But Clemens rose above it all and has set

an example for the fans, who he says are the reason for his hard work on the mound each game. The Rocket includes thoughts from teammates, opponents, and Clemens himself on his legendary career. Janczak also discusses the ongoing steroid controversy and the Rocket's philanthropic endeavors to the community. Written for baseball fans of all ages and all levels of

knowledge of the game, The Rocket shows why baseball is America's pastime and why some stars still deserve to be idolized.
