CLARK HATFIELD

The Baltimore Book of the Dead

Francisco Ramirez
 NEW YORK TIMES BESTSELLER • Ali Wong's heartfelt and hilarious letters to her daughters (the two she put to work while they were still in utero) cover everything they need to know in life, like the unpleasant details of dating, how to be a working mom in a male-dominated profession, and how she trapped their dad. "Knife-sharp . . . a genuine pleasure."—The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Time • Variety • Chicago Tribune • Glamour • New York In her hit Netflix comedy special *Baby Cobra*, an eight-month pregnant Ali Wong resonated so strongly that she even became a popular Halloween costume. Wong told the world her remarkably unfiltered thoughts on marriage, sex, Asian culture, working women, and why you never see new mom comics on stage but you sure see plenty of new dads. The sharp insights and humor are even more personal in this completely original collection. She shares the wisdom she's learned from a life in comedy and reveals stories from her life off stage, including the brutal single life in New York (i.e. the inevitable confrontation with erectile dysfunction), reconnecting with her roots (and drinking snake blood) in Vietnam, tales of being a wild child growing up in San Francisco, and parenting war stories. Though addressed to her daughters, Ali Wong's letters are absurdly funny, surprisingly moving, and enlightening (and gross) for all. Praise for *Dear Girls* "Fierce, feminist, and packed with funny anecdotes."—Entertainment Weekly "[Wong] spins a volume whose pages simultaneously shock and satisfy. . . . *Dear Girls* is not so much a real-talk handbook as it is a myth-puncturing manifesto."—Vogue "[A] refreshing, hilarious, and honest account of making

a career in a male-dominated field, dating, being a mom, growing up, and so much more...Yes, this book is addressed to Wong's daughters, but every reader will find nuggets of wisdom and inspiration and, most important, something to laugh at."—Bustle

Pot Luck Marilyn Peterson

Meet the bros who are making vegan sexy (and making eating animals weird) Think you could never go vegan? Think again. As this smart, funny and persuasive manifesto makes clear, you're already 90% vegan anyway. That's right--you already love animals and are slowly but surely eating less meat than you used to. With the insider tips and inspiring stories in this book, you'll be ready to go whole hog (see what we did there?) and eat vegan for good. Topics include: * How eating meat hurts your health and the planet (and is pretty close to eating your beloved pet for dinner) * A simple action plan for getting started * Don't Be an A**hole to Your Server, and other secrets for eating out * Who Cares If Honey Is Vegan?: Getting over perfectionism and purity by eating as cruelty-free as you can With a loyal online following that's growing fast, the Bros are the new face of veganism--loud, proud, and fighting for a better world, one plate at a time.

Line of Fire Macmillan

This delicious, thriller, book III of the Stephanie Beroe Chronicles sheds light on how differences between neighbors and friends, blended with a dose of alienation, duress, and let's not forget pot, can make you fast friends or make you enemies. The world in lockdown, schools closed, Stephanie creates a micro-school for her niece in a small hippie town outside of Santa Fe, New Mexico. Outdoor playdates and housing the group are wonderful new exercises

in family, community, sharing food, and friendship; something she desperately seeks during a time of isolation in a new town. But what seems like a great idea, becomes a multi-layered recipe for murder that makes her profession in the cannabis industry indelibly pedestrian. It becomes clear this group of PTA women is dynamic, but maybe not in a good way as a CEO of a ranching family with a vendetta for plant-based, diet enthusiasts, a domineering, Christian missionary from California whose husband is a closet, flat-earth math teacher, a morose, vegetarian, doctor's wife with a dangerous personal secret, and a militant, vegan mompreneur, go into survival mode. The pot boils over when women start turning up stoned and dead, making Stephanie the lead suspect. Inveigled by an irretrievable desire to fit into a world of "normal society," a familiar, unyielding tolerance, may be Stephanie's biggest enemy. The Stephanie Beroe Chronicles are based on surreal experiences in the cannabis industry, life in a ghost town, and the explosive social and political landscape of its time. This series is a collaborative venture between music and words with chapter song playlists that combine the author's passion for music and a sentient, interactive experience for writing fiction in a media-based world.

Life-abet R&L Education

An oral history of the modern punk-revival's West Coast Birthplace Outside of New York and London, California's Bay Area claims the oldest continuous punk-rock scene in the world. Gimme Something Better brings this outrageous and influential punk scene to life, from the notorious final performance of the Sex Pistols, to Jello Biafra's bid for mayor, the rise of Maximum RocknRoll magazine, and the East Bay pop-punk

sound that sold millions around the globe. Throngs of punks, including members of the Dead Kennedys, Avengers, Flipper, MDC, Green Day, Rancid, NOFX, and AFI, tell their own stories in this definitive account, from the innovative art-damage of San Francisco's Fab Mab in North Beach, to the still vibrant all-ages DIY ethos of Berkeley's Gilman Street. Compiled by longtime Bay Area journalists Jack Boulware and Silke Tudor, Gimme Something Better chronicles more than two decades of punk music, progressive politics, social consciousness, and divine decadence, told by the people who made it happen.

We all need to become more aware of the impact our choices are making upon ourselves, the earth and every living thing on it. The health and well being of all living creatures depends on these choices. A vegan lifestyle is as cruel-free as possible, environmentally friendly and extremely healthy. This book is a guide for those who want to become vegan.

Becoming a Teacher Catapult

To do what no other magazine does: Deliver simple, delicious food, plus expert health and lifestyle information, that's exclusively vegetarian but wrapped in a fresh, stylish mainstream package that's inviting to all. Because while vegetarians are a great, vital, passionate niche, their healthy way of eating and the earth-friendly values it inspires appeals to an increasingly large group of Americans. VT's goal: To embrace both.

Un-Dead TV Allyn & Bacon

The Psycho Records follows the influence of the primal shower scene within subsequent slasher and splatter films. American soldiers returning from World War II were called "psychos" if

they exhibited mental illness. Robert Bloch and Alfred Hitchcock turned the term into a catch-all phrase for a range of psychotic and psychopathic symptoms or dispositions. They transferred a war disorder to the American heartland. Drawing on his experience with German film, Hitchcock packed inside his shower stall the essence of schauer, the German cognate meaning "horror." Later serial horror film production has post-traumatically flashed back to Hitchcock's shower scene. In the end, though, this book argues the effect is therapeutically finite. This extensive case study summons the genealogical readings of philosopher and psychoanalyst Laurence Rickels. The book opens not with another reading of Hitchcock's 1960 film but with an evaluation of various updates to vampirism over the years. It concludes with a close look at the rise of demonic and infernal tendencies in horror movies since the 1990s and the problem of the psycho as our most uncanny double in close quarters.

Holy Vegan Earth Penguin

From a cofounder of Jivamukti Yoga, a guide to how the spiritual practice of yoga enriches both planetary and personal health—includes vegan recipes. In this book, the co-creator of the Jivamukti Yoga method explores the intersection between the spiritual practice of yoga, physical health, care for the planet, and a peaceful coexistence with other animals and nature. Through clear and accessible language, Sharon Gannon unpacks the wisdom of the Yoga Sutras of Patanjali, one of the oldest and most revered texts focused on the philosophy of yoga, and draws a fascinating course to greater enlightenment for the contemporary practitioner. With yama, or restraint, the Yoga Sutras outline the first step on the

path to spiritual liberation through five ethical principles that help guide our relationships with the world around us: Ahimsa teaches us how to avoid personal suffering through not harming others, while satya reveals how telling the truth allows us to be better listened to. Through asteya, or nonstealing, we learn the secret of wealth.

Brahmacharya reveals how refraining from sexual misconduct leads to health and vitality, and finally, aparigraha opens our eyes to the ways in which greed holds us back from true happiness and is destroying the planet. Yoga and Veganism shines a light on these five guiding principles, demonstrating how the practice of yoga is tied to an ethical vegan lifestyle, which opens the path to both physical wellness and spiritual enlightenment. Featuring a selection of delicious recipes from the author along with personal essays from individuals whose lives have been transformed by veganism—including filmmaker Kip Andersen (*Cowspiracy*) and Ingrid Newkirk, president of PETA—Yoga and Veganism provides a framework for yoga students and teachers looking to bring their asana practice into alignment with the philosophy at the heart of the discipline, as well as with the Earth around them and all of the beings within it.

Vegetarian Times Penguin

'For seventy years now Desert Island Discs has managed that rare feat - to be both enduring and relevant. By casting away the biggest names of the day in science, business, politics, showbiz, sport and the arts, it presents a cross-sectional snapshot of the times in which we live. As the decades have passed, the programme has kept pace; never frozen in time yet always, somehow, comfortingly the same.' Kirsty Young

BBC Radio 4's Desert Island Discs celebrates its seventieth birthday in 2012. Since the programme's deviser Roy Plomley interviewed comedian Vic Oliver in January 1942, nearly 3,000 distinguished people from all walks of life have been stranded on the mythical island, accompanied by only eight records, one book and a luxury. Here the story of one of BBC Radio 4's favourite programmes is chronicled through a special selection of castaways. Roy Plomley, inventor of the programme as well as its presenter for over forty years, quizzes the young Cliff Richard about 'these rather frenzied movements' the 1960s pop sensation makes on the stage. Robert Maxwell tells Plomley's successor Michael Parkinson that 'I will have left the world a slightly better place by having lived in it.' Diana Mosley assures Sue Lawley that Adolf Hitler was 'extraordinarily fascinating' and had mesmeric blue eyes. And Johnny Vegas tugs Kirsty Young's heart-strings with his account of a childhood so impoverished that family pets were fair game: 'My dad had always claimed that rabbits were livestock, but we'd never eaten one before.' Desert Island Discs is much more than a radio programme. It is a unique and enduringly popular take on our lives and times - and this extensively illustrated book tells in rich detail the colourful and absorbing story of an extraordinary institution.

WINNER OF THE NOBEL PRIZE IN

LITERATURE "A brilliant literary murder mystery." —Chicago Tribune

"Extraordinary. Tokarczuk's novel is funny, vivid, dangerous, and disturbing, and it raises some fierce questions about human behavior. My sincere admiration for her brilliant work." —Annie Proulx In a

remote Polish village, Janina devotes the dark winter days to studying astrology, translating the poetry of William Blake, and taking care of the summer homes of wealthy Warsaw residents. Her reputation as a crank and a recluse is amplified by her not-so-secret preference for the company of animals over humans. Then a neighbor, Big Foot, turns up dead. Soon other bodies are discovered, in increasingly strange circumstances. As suspicions mount, Janina inserts herself into the investigation, certain that she knows whodunit. If only anyone would pay her mind . . . A deeply satisfying thriller cum fairy tale, *Drive Your Plow over the Bones of the Dead* is a provocative exploration of the murky borderland between sanity and madness, justice and tradition, autonomy and fate. Whom do we deem sane? it asks. Who is worthy of a voice?

Dear Girls A&C Black

Heat up your summer with three romantic yet clean reads you can take anywhere—be it the beach, vacation, a day relaxing in the sun, or your favorite chair for a moment of downtime. In *Halflings*, book one of the *Halflings* series, after being repeatedly attacked by an evil force, seventeen-year-old Nikki finds herself under the watchful guardianship of Mace, Raven, and Vine, three mysterious young men who call themselves halflings. The three boys vow to Nikki safe while hiding their deepest secret—and the wings that come with. But a growing attraction between Nikki and two of her protectors presents a whole other danger. As the mysteries behind the boys' powers, as well as her role in a scientist's dark plan, unfold, Nikki is faced with choices that may affect the earthly and heavenly worlds. In *Summer by Summer*, Summer

took a nanny job in Belize as a fresh start before college, but things take a turn when she finds herself trapped on an island with Bray, a boy she can't stand. But as their time on the island wears on, the issues that kept them at odds begin to drop away, and both Bray and Summer discover that each may be able to provide the healing they've been searching for. And in *Doon*, book one of the *Doon* series, Veronica keeps seeing visions of an attractive kilted stranger. When she and her best friend, Kenna, find themselves in Scotland for a summer, what appeared to be a sign she was going crazy becomes an adventure when Veronica and Kenna are zapped across the Alloway Bridge and into a world that appears to be a real-life fairy tale. Veronica soon comes face to face with the boy from her dreams, but the kingdom of *Doon* holds a dark underbelly that may prevent Veronica's happily ever after before it can even begin. *Peep Show for Children Only* Oxford University Press

When authorities reopen their investigation into the suicide of a woman named J. Winter Brown, Boulder psychologist Alan Gregory and his equally culpable friend Sam Purdy inadvertently disclose details of their involvement in her death. Now, the trail that leads back to Alan and Sam, once cold, has turned white-hot. With his vulnerability mounting daily, Alan begins to fear that a mesmerizing new patient may be the catalyst that can cause everything he treasures—his marriage, family, friendship, and future—to implode. As the authorities close in, the story hurtles toward a conclusion that will set the stage for the most unexpected of outcomes: the final act of the Alan Gregory saga.

A teen with a secret. A decades-old murder. Their past could change her future... Mary Steele never saw the ghosts coming. When the spunky, brilliant teen finds 13 ghosts in an abandoned school, she didn't expect them to start a conversation with her. It turns out, the baker's dozen consists of a schoolteacher and 12 students who were killed in the 1950s. And Mary may be the only one who can set them free... Charged with caring for their stories, Mary must face her fears to piece together what happened to these 13 souls. As she encounters resistance and prejudice, the teen learns that it sometimes takes more than a little courage to change the world. Can Mary save the school and its ghostly inhabitants before it's too late? *Charlotte and the Twelve* is historical fiction for adults and young adults alike. If you like richly researched history, inspiring characters, and sensitive explorations of our cultural past, then you'll love the first book of the Mary Steele series from Andi Cumbo-Floyd. Buy *Charlotte and the Twelve* to take a captivating dive into history today!

The Door Through Space was Marion Zimmer Bradley first published novel and introduces many elements seen later in the *Darkover* series. It is set on planet Wolf inhabited by Dry Town manacled women, mysterious telekinetic aliens and a lurking Frog-god as well as two kinds of humans, those from Earth, and Wolfians. ..". across half a Galaxy, the Terran Empire maintains its sovereignty with the consent of the governed. It is a peaceful reign, held by compact and not by conquest. Again and again, when rebellion threatens the

Terran Peace, the natives of the rebellious world have turned against their own people and sided with the men of Terra; not from fear, but from a sense of dedication. There has never been open war. The battle for these worlds is fought in the minds of a few men who stand between worlds; bound to one world by interest, loyalties and allegiance; bound to the other by love. Such a world is Wolf. Such a man was Race Cargill of the Terran Secret Service." Marion Eleanor Zimmer Bradley was an American author of fantasy novels such as *The Mists of Avalon* and the *Darkover* series.

Marion Wink is esteemed for bringing humor and wit to that most unavoidable of subjects: death. At last, Wink's critically acclaimed, cult favorites, *Glen Rock Book of the Dead* and *Baltimore Book of the Dead*, have been carefully combined in their proper chronological order, revealing more clearly than ever before the character hidden throughout these stories: Wink herself. Featuring twelve additional vignettes along with a brand-new introduction, *The Big Book of the Dead* continues Wink's work as an empathetic, witty chronicler of life.

American Mustard Volume 1 Bonnier Publishing Ltd.

In a no-holds-barred, candid delivery, this book drives directly to the core of what makes an extraordinary teacher, and presents an honest appraisal of why some teachers fail.

Vegetarian Times Simon and Schuster "Peep Show For Children Only" exposes real life behind the scenes dramas documenting the struggle to maintain the status quo. The author, Dave Warwak chronicles his trials and pursuits to teach humane education to his middle school art students against his

principal's orders. Complete with actual documentation of State of Illinois courtroom proceedings, Warwak presents compelling arguments about the human condition as he draws open the curtain hiding society's ills. Just as Scopes changed the landscape of education with his "Monkey Trials" some 80 years ago, Warwak has come forward in present day with striking revelations about our current failing educational system and offers clear no-nonsense solutions that chill one to the bone. Foreword by Dr T Colin Campbell PhD & Dr Will Tuttle

This book explores the potential of

men's veganism to contest unsustainable anthropocentric masculinities. Examining what it means to be a vegan man and connections between men, masculinities and veganism, it addresses exploitative human-animal relations, climate change, and social inequalities as urgent and interconnected global issues. Using conceptual insights from critical studies on men and masculinities, ecofeminism, critical animal studies and vegan studies, this book examines the potential of men's veganism and vegan

masculinities to foster more ethical, caring and sustainable ways of relating to nonhuman animals and to contribute towards more egalitarian gender relations. This book is grounded in a qualitative empirical study of the lived experiences of 61 vegan men in Northern Europe. The themes explored include men's transition to veganism, the emotional and embodied dimensions of men's veganism, negotiating social and intimate relationships as vegan men, and links between men's veganism, gender equality and social justice.
