Law recited herein is intended for use on the California Bar Exam and may not be appropriate for use as a practicing attorney.** About Our Book: If you are carrying around a huge commercial bar review book and are unsure what information you actually need to learn, you are not alone. Most companies cram every possible piece of information into their outlines regardless of whether it is actually tested. Such information overload causes problems during the exam. Our book is comprised of "Comprehensive Outlines," "Primer Outlines," and "Issue Spotters." The "Comprehensive Outlines" are designed to be studied from until the last three weeks before the bar. Needless to say, they are comprehensive and explain the law in the way it should be written on the bar exam. The "Primer Outlines" are concise and are designed to make the most efficient use of your study time during the final weeks before the bar exam. They are structured to form an active approach that you can work through to make sure you hit all of the issues and maximize points. The "Issue Spotters" are short, one page checklists that are designed to be memorized prior to taking the bar exam. Exam takers use

these checklists to make sure no issue goes uncovered.

#1 NEW YORK TIMES BESTSELLER • John Grisham's newest legal thriller takes you inside a law firm that's on shaky ground. Mark, Todd, and Zola came to law school to change the world, to make it a better place. But now, as third-year students, these close friends realize they have been duped. They all borrowed heavily to attend a third-tier, for-profit law school so mediocre that its graduates rarely pass the bar exam, let alone get good jobs. And when they learn that their school is one of a chain owned by a shady New York hedge-fund operator who also happens to own a bank specializing in student loans, the three know they have been caught up in The Great Law School Scam. But maybe there's a way out. Maybe there's a way to escape their crushing debt, expose the bank and the scam, and make a few bucks in the process. But to do so, they would first have to quit school. And leaving law school a few short months before graduation would be completely crazy, right? Well, yes and no ... Pull up a stool, grab a cold one, and get ready to spend some time at The Rooster Bar. Don't miss John Grisham's new book, THE EXCHANGE: AFTER THE FIRM, coming soon!
