marketing; Amplify your marketing messages to reach more customers; Measure your efforts to keep improving your results; Overcome procrastination and manage your time; Develop processes to streamline your marketing efforts. By the end of Minimum Viable Marketing, you'll have a sustainable marketing strategy that gets you better results in less time - and with less frustration. This essential 5-piece framework can work for any business to encourage growth. You don't have to struggle alone.

Vegan Under Pressure

Open Road Media

The full history of St. Patrick's day is captured here for the first time in *The Wearing of the Green*. Illustrated with photos, the book spans the medieval origins, steeped in folklore and myth, through its turbulent and troubled times when it acted as fuel for fierce political argument, and tells the fascinating story of how the celebration of 17th March was transformed from a stuffy dinner for Ireland's elite to one of the world's most public festivals. Looking at more general Irish traditions and Irish

communities throughout the world, Mike Cronin and Daryl Adair follow the history of this widely celebrated event, examining how the day has been exploited both politically and commercially, and they explore the shared heritage of the Irish through the development of this unique patriotic holiday. Highly informative for students of history, cultural studies and sociology, and an absolute delight for anyone interested in the fascinating and unique culture of Ireland.

they celebrate St. Patrick's Day with music, dancing, and a parade! Teddy Slater's delightful rhyming story is accompanied by lively illustrations from Ethan Long.

From Bud to Brain: A Psychiatrist's View of Marijuana HarperCollins

"Richly lyrical and thought-provoking" (Publishers Weekly, starred review), this "stellar debut from a novelist to watch" (Geraldine Brooks, Pulitzer Prize winning author) explores the passionate marriage of Harry Houdini and his wife, Bess—a love story that defied death itself. Before escape artist Harry Houdini died, he vowed he would find a way to speak to his beloved wife, Bess, from beyond the grave using a coded message known only to the two of them. But when a widowed Bess begins seeing this code in seemingly impossible places, it becomes clear that Harry has an urgent message to convey. Unlocking the puzzle will set Bess on a course back through the pair's extraordinary romance, which swept the illusionist and his bride from the beaches of Coney Island, to the palaces of Budapest, to the back lots

of Hollywood. When the mystery finally leads Bess to the doorstep of a mysterious young photographer, she realizes that her husband's magic may have been more than just illusion. In surprising turns that weave through the uncertain days of the dawn of the twentieth century and continue into the dazzling 1920s, Mrs. Houdini is a "dazzling and enchanting" (Shelf Awareness, starred review) tale, "a marvel that gallops through time and space" (Associated Press), and a "mesmerizing reimagining" (People) of one of history's greatest love stories.

Everyday Bento Little, Brown Spark

In early 20th century Belfast, working class Meg Preston struggles to accept her own sexuality and yearns for forbidden love. Battling the customs and hardships of their time, Meg pursues a relationship with her childhood friend, Lillian Watson. But soon, tribulations of war, violence, and emigration threaten to tear everything apart. Seeking refuge for herself, her love, and her family, can Meg find the courage to become the heroine of her

own life?

Suffolk County Farm and Home Bureau

News Simon and Schuster

Drawing on his decades of experience as a restaurateur, David Scott Peters offers this specific, hands-on guidebook for independent restaurant owners. Focusing on the operational and cultural aspects of running a restaurant, Peters offers a system--the Restaurant Prosperity Formula(TM)--that allows these businesses to not only survive but thrive in one of the world's most competitive industries. In this book (which the author calls "the most comprehensive restaurant owner manual you've ever read"), restaurant owners will learn the fundamentals needed to accomplish three goals: simplifying operations, making more money than ever before, and bringing balance back to their lives so they can enjoy the benefits of the first two goals! "David's no-nonsense approach strips down all the excuses and doubts in our heads as operators and then gives you the paint-by-numbers plan to make real change in your restaurant. The systems that are outlined in this book are both

relevant and practical on their own, but David takes it a step further by teaching you how to implement them in your business and whom you need on your team to be successful." - Brad Hackert, director of restaurant operations, Flora-Bama "Foundation, systems, profitability, accountability, and actionable steps--this book has it all from a true industry expert!" - Darren S. Denington, CFBE, president, Service with Style "Think of this book as your personal, one-of-a-kind treasure map with a clearly marked path and a big X where the gold is. Bring your shovel because you'll be doing some digging." - Kamron Karington, founder and CEO, Repeat Returns

If I Couldn't Be Anne Little, Brown

The Christmas Tale of Peter Rabbit is a brand new tale from Emma Thompson. In her second Further Tale of Peter Rabbit, Emma Thompson returns Peter to his home in the Lake District. Peter and his silly cousin Benjamin are helping their friend William - a turkey - who is in danger of becoming Mr and Mrs McGregor's Christmas dinner. Will Peter and Benjamin be able to save

him? This eBook edition features wonderful audio including a reading by Emma Thompson. Emma Thompson is an Oscar-winning screenwriter and actress who lives in London and Argyll. Emma's *Further Tale of Peter Rabbit* was published in 2012. Emma said, "I've always loved Beatrix Potter, as a child and then as a mother and all the years in-between as well. When Mr Rabbit invited me to write a further tale, I was more honoured than I can say. I hope I don't let him or his extraordinary creator down." Don't miss *The Further Tale of Peter Rabbit* by Emma Thompson

5 Ideas A Day Next Chapter

Perfect for any fond gift or tender moment, this story of a girl and a duckling who share a touching year together will melt hearts old and young. In this tenderly funny book, girl and duckling grow in their understanding of what it is to care for each other, discovering that love is as much about letting go as it is about holding tight. Children and parents together will adore this fond exploration of growing up while learning about the joys of love offered and love returned.

[The Christmas Tale of Peter Rabbit](#) Scholastic Inc.

You might think the problem would be waking up in Vegas, hungover, next to a beautiful woman who's wearing your boxer briefs and finding out ya married her in the middle of an epic drunken night of festivities. But you'd be wrong. I, Nolan Cassidy, international charmer and maker of mischief have fallen head over heels for Cora Delaney. I want to be married to the lass. So you might think the problem would be that she wants an annulment. But again you'd be wrong-stop getting it so wrong. I, Nolan Cassidy, with my devil tongue and Irish accent, will no doubt change her mind. Does the problem lie in that she has a son who doesn't like me and is as clever and crafty as I? Or that I've only got one month-until St. Patrick's Day-to prove to my one true love that I can be a good husband and father? C'mere and I'll tell ya... None of that is the problem. I'm a problem. My boxing days may be behind me but the fight never left me. When I see something I want, I get it. And nothing is going to stand in my way. Not my new wife's hesitation nor her son's

doubts. So buckle up, strap in. Because I'm no longer in the business of wanting. I'm in the business of having. Which is gonna make for one wild Paddy's Day.

That is what Leprechauns Do Tuttle Publishing

Legend has it that if you catch a leprechaun, he'll grant you a wish. But, be careful! Leprechauns are full of trickery. To catch one, you'll need to be clever in crafting your trap. Grab some glitter and glue and get prepared for your wily holiday visitors! On the night before St. Patrick's Day, leprechauns show up to steal your treasures and then disappear as quickly as they came. However, if you're careful you might be able to catch one and then he'll grant you a wish. You'll have to be sneaky and set just the right trap to trap a leprechaun. Sue Fliess's read-aloud text and Emma Randall's whimsical illustrations will provide much fun for young readers eager to catch their very own leprechaun! But beware: leprechauns may leave you with nothing but a cardboard box and a shoe or two.

[Cooking from the Italians of Newark, New Jersey](#) an

Ethnic Experience Kayley Loring
 Twelve-time New York Times bestselling author Mark Hyman, MD, presents his unique Pegan diet—including meal plans, recipes, and shopping lists. For decades, the diet wars have pitted advocates for the low-carb, high-fat paleo diet against advocates of the exclusively plant-based vegan diet and dozens of other diets leaving most of us bewildered and confused. For those of us on the sidelines, trying to

figure out which approach is best has been nearly impossible—both extreme diets have unique benefits and drawbacks. But how can it be, we've asked desperately, that our only options are bacon and butter three times a day or endless kale salads? How do we eat to reverse disease, optimal health, longevity and performance. How do we eat to reverse climate change? There must be a better way! Fortunately, there is. With The Pegan Diet's food-is-medicine approach, Mark Hyman explains how to take the

best aspects of the paleo diet (good fats, limited refined carbs, limited sugar) and combine them with the vegan diet (lots and lots of fresh, healthy veggies) to create a delicious diet that is not only good for your brain and your body, but also good for the planet. Featuring thirty recipes and plenty of infographics illustrating the concepts, The Pegan Diet offers a balanced and easy-to-follow approach to eating that will help you get, and stay, fit, healthy, focused, and happy—for life.
