Martin's Griffin EVERY FAMILY HAS ITS SECRETS. SOME ARE JUST TOO

HARD TO TELL ---BUT TOO HOT TO KEEP. . . It's been fifteen years since the Bennetts were all in one place, at one time, and now at a total blowout of a reunion four special cousins' hidden desires and long-kept secrets will challenge their bond, test their courage, and change their hearts forever. . . Taye is a hair stylist with big ambitions. She's trusted the wrong men in the past and now

she determined to land the right one, no matter who stands in her way. Michael is a widowed airline pilot struggling to manage his teenage daughter, but turbulence comes when a new passion enters his life. Alexia was the chubby little girl who has turned into a sexy superstar who seems to have it all. . .except the one thing she's always wanted to make her life complete: a child. Now she has the

perfect man in mind to be the father of her child. . .without his knowledge. Rae'jean is the pretty young doctor engaged to be married, but happiness still eludes her because her past is shrouded in mystery. And before she can say "I do" she must come home to finally learn the truth. *The Pickwick papers. Pictures from Italy. American notes. Bleak house. The uncommercial traveller. Caroline is counting the days until September, when she'll turn seventeen and she and her older boyfriend, Jake, will run away together. She doesn't feel connected to anyone at home now that she has him, and she can't wait to see the world with the most important person in her life. So with just a few more months until freedom, she spends her summer working at the
--	---	--

local aquarium gift shop and dreaming of the fall. Then she meets Georgia, a counselor at the aquarium's camp, and Caroline's world changes. Through pizza lunches, trips to amusement parks, and midnight talks, Georgia begins to show Caroline there's more to life than being with Jake. The stronger Georgia and Caroline's bond grows, the more uneasy Caroline

becomes about her plans to leave. When summer comes to a close, she'll have to say goodbye to someone...but who is she willing to lose? *New York Court of Appeals. Records and Briefs. delivers a
beautifully
written novel
about three
generations of
women in New
York City and
the
experiences
that shape
and connect

Your Beagle Puppy Month by Month, written by a veterinarian, a trainer, and a

breeder team, provides readers with everything they need to know and do at each stage of development to make sure their playful, energetic puppy grows into a happy, healthy, and well-adjusted companion. Coverage includes information on what to ask the breeder before bringing your puppy home, the necessary vaccinations your puppy needs and when to get them, and when a trip to

the vet is needed. Also included: + Instructions on making potty training as smooth (and quick) as possible. + Discussion on why and how to crate train and what to do when your puppy cries at night. + Knowing when to teach your puppy is ready to learn basic commands and how to go about leash training. + Socialization: why it's necessary, when it should happen, and how to make sure it does. + Exercising and

feeding your puppy appropriately to ensure he stays physically and mentally healthy. + When your puppy is ready for obedience training and how to make sure it works. + How and how often to bathe your puppy, brush his coat, clip his nails, and brush his teeth. + What causes problem behaviors, when to expect them, and how to correct them. Kensington Books
A delightfully funny and moving novel about the singular life of a cantankerous Jewish-American writer and anarchist troublemaker, as remembered by his daughter In 1972, sixty-four-year-old Ezra Slavin's heart gives out at an anti-war rally. A contentious and irascible Jewish-American writer, anarchist, and inadvertent guru to

discontented youth, he leaves behind a large extended family of ex-wives, lovers, and children, most of whom had cut all ties with the infuriating intellectual provocateur years earlier. Out of the entire family, only one daughter, Merry, a journalist, can remember her father with her own critical, conflicted understanding, a saddened sympathy approaching love. As the day of his memorial

approaches, she attempts to make sense of the puzzle of Ezra's life before all of its disparate, discordant elements come crashing together at the service. The award-winning author of *Other People's Lives*, Johanna Kaplan creates a vivid cast of unforgettable characters who reveal the disparity between Ezra's long-suffering, neglected family, his admiring friends, and the youthful

hangers-on—and, most notably, in the outrageously enigmatic Ezra himself. At once hilarious and poignant, *O My America!* offers a fascinating evocation of a time and place in America, a satiric history of the immigrant Jewish experience, and a wonderful portrait of an exasperating yet endearing anti-hero pursuing his unique vision of the American dream.

A story of the

Data cleaning
is a waste of
time. If the
data had been
collected
properly in the
first place
there wouldn't
be any
cleaning to do,
and you
wouldn't now
be faced with
the prospect
of weeks of
cleaning to
get your
dataset
analysis-

ready. Worse
still, your boss
won't
understand
why your
analysis report
isn't on his
desk yet, a
mere 48 hours
after he's
asked for it.
Bless him, he
doesn't
understand -
he thinks that
cleaning data
is just about
clicking a few
buttons in
Excel and - ta
da! - it's all
done. Even a
monkey can
do that, right?
And - for good
reason - you
won't get any
help from
statistics
books either.
Data is messy
and cleaning it

can be difficult, time-consuming and costly. Not to mention it's the least sexy thing you can do with a dataset. Yet you've still got to do it, because, well, someone has to... But it doesn't have to be so difficult. If you're organised and follow a few simple rules your data cleaning processes can be simple, fast and effective. Not to mention fun! Well, not fun exactly, just not quite as

coma-inducing. Practical Data Cleaning (now in its 5th Edition!) explains the 19 most important tips about data cleaning with a focus on understanding your data, how to work with it, choose the right ways to analyse it, select the correct tools and how to interpret the results to get your data clean in double quick time. Best of all, there is no technical jargon - it is written in plain English

and is perfect for beginners! Discover how to clean your data quickly and effectively. Get this book, TODAY!
