RULE THE ROAD - DAY AND NIGHT CAREER MODE SKILLS When to launch off an exit ramp and when to slide through a corner gas station. When to blast your Nitrous into a straightaway and when to use Zone through a tunnel. When to be cautious in a turn and when to drive with reckless abandon on the opposite side of the freeway. These are not conventional routes. These are the paths to victory - and you'll only get racing strategy this good right here. **COURSE MAPS** We've numbered every checkpoint and revealed the hidden shortcuts including alternate course routes in the higher difficulty modes. **VEHICLE SHOWROOM** A critical review of every vehicle in the game, including important stats and specs for each one. **MULTIPLAYER** A complete rundown of every mode of online play and all Mega Power-ups. Plus, how to unlock incredible new rides and performance upgrades.

In plain language, Steven Long lays out the steps independent game developers must use to get their games noticed. His bare-bones approach to marketing and promotion gives indies the framework they need to get started right away, spend the least money possible and maximize exposure. By guiding devs through what he calls the "dark alleys" of marketing, readers learn to navigate the established back channels of marketing--social media, email, games distributors and more. By taking advantage of these avenues, developers are able to leverage the hard work of other people and gain allies that will help them gather a fan base of their own. This book offers guidance through the major aspects of digital marketing, specifically addressing the problems and situations game devs face. Steven Long covers - How to pitch your game to social media influencers - How to make killer game trailers - How to piece together a website - How to create an effective press kit - How to leverage email to keep your fans

engaged long-term - How to think of your game as its own best piece of marketing - How to take advantage of Steam and other distributors - So much more

Billions of you have watched their videos and millions of you have followed them on social media. So here we go; it's time to back up because YouTube superstars, The Sidemen, are finally here in book form and they're dishing the dirt on each other as well as the YouTube universe. There's nowhere to hide as KSI, Miniminter, Behzinga, Zerkaa, Vikkstar123, Wroetoshaw and Tobjizzle go in hard on their living habits, their football ability, and their dodgy clobber, while also talking Fifa, Vegas and superheroes. They'll also give you their grand house tour, letting you in on a few secrets, before showing you their hall of fame, as well as revealing some of their greatest shames. Along the way you'll learn how seven of the world's biggest YouTube stars started off with nothing more than a computer console, a PC and a bad haircut before joining forces to crush the internet. And they'll tell you just how they did it (because they're nice like that) with their ultimate guide to YouTube while also sharing their memories of recording their favourite videos as well as a typical day in the life

of The Sidemen. You'll feel like you're with them every step of the way, smelling the 'sweet' aroma of the boys' favourite dishes in the kitchen, stamping your passport as you follow them on their trips around the world and kicking every ball as the boys gear up for the biggest football match of their lives. It's going to get personal. It's going to get intense, and JJ is going to have lots of tantrums, so take a moment to prepare yourself, because this is The Sidemen book you've been waiting for!
