All Wiley CPA Exam Review products are listed on the site.

[Wiley CPA Examination Review, Outlines and Study Guides](#) John Wiley & Sons

From the creator of the popular website Ask a Manager and New York's

work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough

discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party  
Praise for Ask a Manager

“A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives.

Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole

Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together Advances in Accounting Education Wiley Everything Today’s CPA Candidates Need to Pass the CPA Exam Published annually, this comprehensive four-volume paperback reviews all four parts of the CPA exam. Many of

the questions are taken directly from previous CPA exams. With 3,800 multiple choice questions and more than 90 simulations, these study guides provide all the information candidates need to master in order to pass the computerized Uniform CPA Examination. Complete sample exam in auditing and attestation The most effective system available to prepare for the CPA exam-proven for over thirty years Timely-up-to-the-minute coverage for the computerized exam.

Contains all current AICPA content requirements in auditing and attestation Unique modular format-helps you zero in on areas that need work, organize your study program, and concentrate your efforts Comprehensive questions-over 3,800 multiple-choice questions and their solutions in the four volumes Covers the new simulation-style problems Includes over 90 simulations Guidelines, pointers, and tips-show you how to build knowledge in a logical and reinforcing way Wiley CPA

Exam Review 2010 arms test-takers with detailed outlines, study guidelines, and skill-building problems to help candidates identify, focus on, and master the specific topics that need the most work.

**Wiley CPA Examination Review 2005, Auditing and Attestation**

AuthorHouse

There has been much written on the importance of responsibility accounting and integrated reporting to ensure

business accountability, but not on how to be a responsible accountant. As the accounting profession is built on the foundation of maintaining public trust, making the right decisions when faced with a challenging dilemma has a major impact on the long-term performance and perception of the firm as well as personal credibility. Accountants make judgement calls on a regular basis: they are privy to highly confidential information regarding their clients and

their clients' businesses. Unethical earnings management practices can easily lead to falsifying records, but how does the accounting professional avoid succumbing to these practices when faced with other pressures? Giving Voice to Values in Accounting is the first book to explain the ethical dilemmas faced by accountants in their day-to-day work and to provide clear guidance for accounting students and professionals in navigating through these

issues. The Giving Voice to Values (GVV) framework focuses on resolving ethical conflict by encouraging individuals to act on their values. This book provides accounting educators, coaches, trainers and professionals with both the impetus and the tools to easily implement the GVV offering into their own work, their organizations and in the classroom.

**Wiley CPA Examination Review 2007-2008, Outlines and Study Guides** John Wiley & Sons

Completely revised for the new computerized CPA Exam Published annually, this comprehensive four-volume study guide for the Certified Public Accountant's (CPA) Exam arms readers with detailed outlines and study guidelines, plus skill-building problems and solutions, that help them to identify, focus, and master the specific topics that need the most work.
