### **As FDR Said** Harper Collins

Provides information on accommodations, restaurants, attractions, outdoor activities, and driving and walking tours in Arizona, Colorado, and New Mexico.

### *Carmela Full of Wishes* Rockridge Press

Inspired by and written for the devout Angels fan, this lively and detailed book explores important facts and figures from the baseball team's storied history. Decades of tradition, victories and defeats, name revisions, and Hall of Fame inductions are distilled into an entertaining list that journeys from one to 100 into what makes a true fan of the Los Angeles Angels of Anaheim.

From the essentials, such as the Nolan Ryan era, to the lesser-known tidbits, including the team's origin and what started the Rally Monkey, this book is the ultimate resource to Angels knowledge and trivia and even suggests the best places to eat and drink before a game.

### Orange Coast Magazine Rowman & Littlefield

The most intimate, insightful, and fun history ever written about the Impossible Dream Team, when Red Sox Nation was born. Take a warm trip back to 1967 and visit with Yaz, Conig, Lonnie, Boomer, Rico, Reggie, Hawk, Dick Williams, and more.

### Under the March Sun Brookings Institution Press

The most entertaining and comprehensive guide to every baseball fan's dream road trip—including every new ballpark since the 2004 edition—revised and completely updated!

### Incredible Women of the All-American Girls Professional Baseball

League Scarecrow Press

Everything there is to know about the greatest baseball stadiums in America.

*Manifesting Through Meditation* U of Nebraska Press

2020 SABR Baseball Research Award Last Seasons in Havana explores the intersection between Cuba and America's pastime from the late 1950s to the early 1960s, when Fidel Castro overthrew Cuban dictator Fulgencio Batista. César Brioso takes the reader through the triumph of the revolution in 1959 and its impact on professional baseball in the seasons immediately following Castro's rise to power. Baseball in pre-Castro Cuba was enjoying a golden age. The Cuban League, which had been founded in 1878, just two years after the formation of the National League, was thriving under the auspices of organized baseball. Throughout the first half of the twentieth century, players from the Major Leagues, Minor Leagues, and Negro Leagues had come to Cuba to play in the country's wholly integrated winter baseball league. Cuban teams had come to dominate the annual Caribbean Series tournament, and Havana had joined the highest levels of Minor League Baseball, fielding the Havana Sugar Kings of the Class AAA International League. Confidence was high that Havana might one day have a Major League team of its own. But professional baseball became one of the many victims of Castro's Communist revolution. American players stopped participating in the Cuban League, and Cuban teams moved to an amateur, state-sponsored model. Focusing on the final three seasons of the Cuban League (1958-61) and the final two seasons of the Havana Sugar Kings (1959-60), Last Seasons in Havana explores how Castro's rise to power forever

altered Cuba and the course of a sport that had become ingrained in the island's culture over the course of almost a century.

Baseball "by The Book."

*Moneyball (Movie Tie-in Edition) (Movie Tie-in Editions)* Chronicle Books

A seasoned comedian's love letter to America's food curiosities--the regional cuisines, the culinary oddities, the weird and the wonderful Mark DeCarlo is a [modern-day] Groucho Marx. -- PEOPLE Whether it be fish ice cream, kudzu tempura, or even sausage, Mark DeCarlo always wonders, Who the hell thought to eat this stuff the first time? We find out in this hilarious celebration of the genesis of America's most creative and idiosyncratic food traditions, and the people who keep these food traditions alive. Join the master comedian on his journey across the United States to visit these people and their foods in their natural habitats--places like the French Quarter of New Orleans, lush Maui resorts, and the Annual Road Kill Cook-off Festival in West Virginia. From the obvious and beloved (Buffalo wings, Boston clam chowder, hush puppies, and strawberry shortcake) to the bizarre and, well, beloved by some (Rocky Mountain oysters, fried rattlesnake, scrapple, and deep fried Twinkies), DeCarlo takes readers on a rollicking tour of the people and places behind America's greatest food inventions. Each chapter features the story behind a particular food (moosehead soup, anyone?) and the people who love it. Signature recipes, snapshot photos from the road, along with Road Rules on how to discover the real America all spice up the travelogue. It's a love letter to

America's culinary curiosities, providing armchair travelers with a tour of the wackiest and kitschiest food festivals, delicacies, and people this country has to offer. FROM THE AUTHOR'S FOREWORD Consider the oyster. Unopened, dirty, and habitually covered with muddy, green crap. If you didn't know that it was hollow and contained a tasty glob of salty protein, would you ever guess that this rock was edible? Well . . . somebody did. Deep in the recesses of time, some caveman or beach-dwelling ape not only discovered that oysters aren't rocks . . . but that they're tasty--as long as you've got Tabasco and a date for the night. But for every 'oyster, ' success story, there are thousands of casualties that will forever remain unknown. History is written by the survivors. A Fork on the Road celebrates those survivors and their progeny: It's about the kinds of people who will spend 30% of their yearly salary building a BBQ Trailer with a homemade logo painted in flames on the side just to win a \$50 contest 500 miles from home. It's about the third generation pie maker who is as dull as a hammer until the conversation comes around to cracker versus pastry shells. It's about the millions of people around the country who call themselves 'foodies'--as if the rest of us exist simply on air and water. . . .

Discover the state's unique attractions—lakes, museums, national parks, scenic drives, and more. The book's handy size makes it perfect for bringing along on your road trips. Plus, with tips for other things to do in the area, you're sure to maximize the fun on every outing. With *Arizona Day Trips by Theme* at your fingertips, you'll always have something to do!

*Arizona and the Grand Canyon* Anchor

There is nothing in all of American sport quite like baseball's spring training. This annual six-week ritual, whose origins date back nearly a century and a half, fires the hearts and imaginations of fans who flock by the hundreds of thousands to places like Dodgertown to glimpse superstars and living legends in a relaxed moment and watch the drama of journeyman veterans and starry-eyed kids in search of that last spot on the bench. In *Under the March Sun*, Charles Fountain recounts for the first time the full and fascinating history of spring training and its growth from a shoestring-budget roadtrip to burn off winter calories into a billion-dollar-a-year business. In the early days southern hotels only reluctantly admitted ballplayers--and only if they agreed not to mingle with other guests. Today cities fight for teams by spending millions in public money to build ever-more-elaborate spring-training stadiums. In the early years of the 20th century, the mayor of St. Petersburg, Florida, Al Lang, first realized that coverage in northern newspapers every spring was

publicity his growing city could never afford to buy. As the book demonstrates, cities have been following Lang's lead ever since, building identities and economies through the media exposure and visitors that spring training brings. An entertaining cultural history that taps into the romance of baseball even as it reveals its more hard-nosed commercial machinations, *Under the March Sun* shows why spring training draws so many fans southward every March. While the prices may be growing and the intimacy and accessibility shrinking, they come because the sunshine and sense of hope are timeless.

*An A-Z of Modern America* Taylor Trade Publications

This book chronicles the history of the All-American Girls Professional Baseball League and the stories of the first women to play professional baseball in a league of their own. In 1941, the world was at war, and with able-bodied American men fighting overseas, professional baseball was in danger of becoming a quaint relic—until women stepped up to the plate. In this heartwarming illustrated history, the League's story is told by the ones who know it best: the players. Author Anika Orrock collects a variety of funny, charming, wince-worthy, and powerful vignettes told by the players themselves about their time playing the American pastime. • Features stories of grit and perseverance against all odds, told by the players themselves • Filled with player statistics, historical beats, headlines, and more; and fully illustrated in Anika's vibrant style • A visually engaging, readable women-led history book Written in an approachable manner and beautifully illustrated, *The Incredible Women of the All-American Girls Professional Baseball League* is a one-of-a-kind story told through the women's own voices and their own

perspectives. This book ultimately proves that the incredible women of the AAGPBL truly were in a league of their own. • A unique celebration of a specific moment in women's and sports history • A great read for experienced and new sports fans alike, readers young and old, baseball fans • Perfect accompaniment to books like *Women in Science: 50 Fearless Pioneers Who Changed the World* by Rachel Ignotofsky, *Strong is the New Pretty* by Kate T. Parker, and *Rad American Women A-Z: Rebels, Trailblazers, and Visionaries who Shaped Our History . . . and Our Future!* by Kate Schatz

*The Last Night of the Yankee Dynasty* Adventure Publications

While the students and teachers of Class Two are absorbed in looking at various zoo animals, a sneaky anaconda gobbles them up, until Molly sees what is happening and saves the day.

*Arizona Day Trips by Theme* Simon and Schuster

In the early 1970s, the Oakland Athletics became only the second team in major-league baseball history to win three consecutive World Series championships. But as the decade came to a close, the A's were in free fall, having lost 108 games in 1979 while drawing just 307,000 fans. Free agency had decimated the A's, and the team's colorful owner, Charlie Finley, was looking for a buyer. First, though, he had to bring fans back to the Oakland Coliseum. Enter Billy Martin, the hometown boy from West Berkeley. In *Billy Ball*, sportswriter Dale Tafoya describes what, at

the time, seemed like a match made in baseball heaven. The A's needed a fiery leader to re-ignite interest in the team. Martin needed a job after his second stint as manager of the New York Yankees came to an abrupt end. Based largely on interviews with former players, team executives, and journalists, Billy Ball captures Martin's homecoming to the Bay area in 1980, his immediate embrace by Oakland fans, and the A's return to playoff baseball. Tafoya describes the reputation that had preceded Martin—one that he fully lived up to—as the brawling, hard-drinking baseball savant with a knack for turning bad teams around. In Oakland, his aggressive style of play came to be known as Billy Ball. A's fans and the media loved it. But, in life and in baseball, all good things must come to an end. Tafoya chronicles Martin's clash with the new A's management and the siren song of the Yankees that lured the manager back to New York in 1983. Still, as the book makes clear, the magical turnaround of the A's has never been forgotten in Oakland. Neither have Billy Martin and Billy Ball. During a time of economic uncertainty and waning baseball interest in Oakland, Billy Ball filled the stands, rejuvenated fans, and saved professional baseball in the city.

"A ... new philosophy and ... guide to getting the most out of your money--and out of life--for those who value memorable experiences as much as their earnings"--

Baseball Has Done it Simon and Schuster

For six extraordinary years around the turn of the millennium, the Yankees were baseball's unstoppable force, with players such as Paul O'Neill, Derek Jeter, and Mariano Rivera. But for the players and the coaches, baseball Yankees-style was also an almost

unbearable pressure cooker of anxiety, expectation, and infighting. With owner George Steinbrenner at the controls, the Yankees money machine spun out of control. In this new edition of *The Last Night of the Yankee Dynasty*, Buster Olney tracks the Yankees through these exciting and tumultuous seasons, updating his insightful portrait with a new introduction that walks readers through Steinbrenner's departure from power, Joe Torre's departure from the team, the continued failure of the Yankees to succeed in the postseason, and the rise of Hank Steinbrenner. With an insider's familiarity with the game, Olney reveals what may have been an inevitable fall that last night of the Yankee

dynasty, and its powerful aftermath.

**Emergency Response Guidebook** Langenscheidt Publishing Group

Introduction by Spike Lee. Back in print for the first time since its initial publication in 1964, *Baseball Has Done It* is an oral history of baseball as told by its greatest players to Jackie Robinson, the man who broke the colour line. This one-of-a-kind classic features rare and candid interviews with ballplayers who played and lived through the first generation of integration in baseball. This is an important document of the struggle for civil rights in America with a timely and affectionate message: if baseball has done it, the rest of society can too.
