HOW TO UPEND YOUR LIFE: Get fired by gross, handsy boss Fail to do laundry (again) Be mistaken for famous Chinese actress Fall head-first into glitzy new world Gracie Reed is doing just fine. Sure, she was fired by her overly "friendly" boss, and yes she still hasn't gotten her mother into the nursing home of their dreams, but she's healthy, she's (somewhat) happy, and she's (mostly) holding it all together. But when a mysterious SUV pulls up beside her, revealing Chinese cinema's golden couple Wei Fangli and Sam Yao, Gracie's world is turned on its head. The famous actress has a proposition: due to their uncanny resemblance, Fangli wants Gracie to be her stand-in. The catch? Gracie will have to be escorted by Sam, the most attractive—and infuriating—man Gracie's ever met. If it means getting the money she needs for her mother, Gracie's in. Soon Gracie moves into a world of luxury she never knew existed. But resisting Sam, and playing the role of an elegant movie star, proves more difficult than she ever imagined—especially when she learns the real reason Fangli so desperately needs her help. In the end all the lists in the world won't be able to help Gracie keep up this elaborate ruse without losing herself...and her heart.

The Girl from Everywhere HarperCollins

Culinary delights abound, romance lingers in the air, and plans go terribly, wonderfully astray in this gender-bent take on *My Fair Lady* from Jennie Cohen, author of *Dangerous Alliance*—perfect for fans of *Bridgerton* or *A Gentleman's Guide to Vice and Virtue*. It's 1830s England, and Culinarians—doyens who consult with society's elite to create gorgeous food and confections—are the crème de la crème of high society. Helena Higgins, top of her class at the Royal Academy, has a sharp demeanor and an even sharper palate—and knows stardom awaits her if she can produce greatness in her final year. Penelope Pickering is going to prove the value of non-European cuisine to all of England. Her contemporaries may scorn her Filipina heritage and her dishes, but with her flawless social graces and culinary talents, Penelope is set to prove them wrong. Elijah Little has nothing to his name but a truly excellent instinct for flavors. London merchants won't allow a Jewish boy to own a shop, so he hawks his pasties for a shilling a piece to passersby—but he knows with training he can break into the highest echelon of society. When Penelope and Helena meet Elijah, a golden opportunity arises: to pull off a project never seen before, and turn Elijah from a street vendor to a gentleman chef. But Elijah's transformation will have a greater impact on this trio than they originally realize—and mayhem, unseemly faux pas, and a little romance will all be a part of the delicious recipe.

Sixteen-year-old Nate is a GEM—a Genetically Engineered Medi-tissue—created by Gathos City scientists as a cure for the elite from the fatal lung rot ravaging the population. As a child, Nate was smuggled out of the laboratory where he was held captive and taken into the Withers—a quarantined, lawless region. He manages to survive by becoming a Tinkerer, fixing broken tech in exchange for food or a safe place to sleep. When he meets Reed, a kind and fiercely protective boy who makes his heart race, and his misfit gang of scavengers, Nate finds the family he's always longed for—even if he can't risk telling them what he is. But Gathos created a genetic fail-safe in their GEMs—a flaw in their DNA that causes their health to rapidly deteriorate as they age unless they are regularly dosed with medication controlled by Gathos City. When violence erupts across the Withers, Nate's illegal supply of medicine is cut off, and a vicious attack on Reed threatens to expose his secret. With time running out, Nate is left with only two options: work for a shadowy terrorist organization that has the means to keep him alive, or stay—and die—with the boy he loves.

Two sisters take off on a wild road trip in this poignant tale for fans of *Counting by 7s* and *Fish in a Tree* After Mama Lacy's death, Fella was forced to move in with her grandmother, Mrs. Madison. The move brought Fella all sorts of comforts she wasn't used to at home, but it also meant saying goodbye to her sister Zoey (a.k.a. Zany) and her other mother, Mama Shannon. Though Mama Shannon fought hard to keep Fella, it was no use. The marriage act is still a few years away and the courts thought Fella would be better off with a blood relation. Already heartbroken, Fella soon finds herself alone in Mrs. Madison's house, grieving both the death of her mother and the loss of her entire family. Then one night, Zany shows up at Mrs. Madison's house determined to fulfill Mama Lacy's dying wish: to have her ashes spread over the lawn of the last place they were all happy as a family. Of course, this means stealing Mama Lacy's ashes and driving hundreds of miles in the middle of night to Asheville, North Carolina. Their adventure takes one disastrous turn after another, but their impulsive journey helps them rediscover the bonds that truly make them sisters. A heartrending story of family torn apart and put back together again, *Ashes to Asheville* is an important, timely tale.

From the author of *Lucky Few* comes a "refreshing" (Booklist, starred review) teen novel about Internet fame, peer pressure, and remembering not to step on the little people on your way to the top! After a shout-out from one of the Internet's superstar vloggers, Natasha "Tash" Zelenka suddenly finds herself and her obscure, amateur web series, *Unhappy Families*, thrust in the limelight: She's gone viral. Her show is a modern adaptation of *Anna Karenina*—written by Tash's literary love Count Lev Nikolayevich "Leo" Tolstoy. Tash is a fan of the 40,000 new subscribers, their gushing tweets, and flashy Tumblr gifs. Not so much the pressure to deliver the best web series ever. And when *Unhappy Families* is nominated for a Golden Tuba award, Tash's cyber-flirtation with a fellow award nominee suddenly has the potential to become something IRL—if she can figure out how to tell said crush that she's romantic asexual. Tash wants to enjoy her newfound fame, but will she lose her friends in her rise to the top? What would Tolstoy do?

Mackenzi Lee, bestselling author of *The Gentleman's Guide to Vice and Virtue*, takes on *Dutch Tulip Fever!* My brother Bastian was born in a tulip field, or so the story goes. The woman at the church orphanage boasted this proudly to the seed merchant who had chosen Bas as his apprentice. Lucky for me, he took us both. When a single tulip bulb sold for the price of Amsterdam's finest houses, the flower shop was supposed to be our future, our survival. But when our master died, there wasn't even money to pay for his coffin. He, too, had caught the tulip fever. Bas and I hatched a dangerous, outrageous plan, a plan I hoped would save our shop—and save us. I would dress as a man, take on a new name, and attempt to sell a fake *Semper Augustus* bulb, the rarest and most valuable tulip of all, to the one merchant in town with the money to pay for it. But then I met his daughter, Elsie, and fell in love with her at first sight. Immediately, we were bound together. And the longer I lived a man's life, the less it felt like a disguise. The trousers fit better than dresses ever had, and my new name dripped from Elsie's tongue like sweet syrup. Now, I hardly know—and must discover—what to do. Who to save. Who to become. Who I am. Mackenzi Lee's *The Madness Blooms* is perfect for the teen and adult fans of Julie Berry, Jessie Burton, Ruta Sepetys, and Sarah Waters.

From New York Times bestseller Kody Keplinger comes an astonishing and thought-provoking exploration of the aftermath of tragedy, the power of narrative, and how we remember what we've lost. It's been three years since the Virgil County High School Massacre. Three years since my best friend, Sarah, was killed in a bathroom stall during the mass shooting. Everyone knows Sarah's story--that she died proclaiming her faith. But it's not true. I know because I was with her when she died. I didn't say anything then, and people got hurt because of it. Now Sarah's parents are publishing a book about her, so this might be my last chance to set the record straight . . . but I'm not the only survivor with a story to tell about what did--and didn't--happen that day. Except Sarah's martyrdom is important to a lot of people, people who don't take kindly to what I'm trying to do. And the more I learn, the less certain I am about what's right. I don't know what will be worse: the guilt of staying silent or the consequences of speaking up . . .

Hanna Slivka is on the cusp of fourteen when Hitler's army crosses the border into Soviet-occupied Ukraine. Soon, the Gestapo closes in, determined to make the shtetle she lives in "free of Jews." Until the German occupation, Hanna spent her time exploring Kwasova with her younger siblings, admiring the drawings of the handsome Leon Stadnick, and helping her neighbor dye decorative pysanky eggs. But now she, Leon, and their families are forced to flee and hide in the forest outside their shtetle--and then in the dark caves beneath the rolling meadows, rumored to harbor evil spirits. Underground, they battle sickness and starvation, while the hunt continues above. When Hanna's father disappears, suddenly it's up to Hanna to find him--and to find a way to keep the rest of her family, and friends, alive. Sparse, resonant, and lyrical, weaving in tales of Jewish and Ukrainian folklore, *My Real Name Is Hanna* celebrates the sustaining bonds of family, the beauty of a helping hand, and the tenacity of the human spirit.

Power, privilege, and the rigid rules of class leave two hearts yearning for connection in the sizzling new *Society of Gentlemen* novel from K. J. Charles. Among his eccentric though strictly principled group of friends, Lord Richard Vane is the confidant on whom everyone depends for advice, moral rectitude, and discreet assistance. Yet when Richard has a problem, he turns to his valet, a fixer of unparalleled genius—and the object of Richard's deepest desires. If there is one rule a gentleman must follow, it is never to dally with servants. But when David is close enough to touch, the rules of class collide with the basest sort of animal instinct: overpowering lust. For David Cyprian, burglary and blackmail are as much in a day's work as bootblacking—anything for the man he's devoted to. But the one thing he wants for himself is the one thing Richard refuses to give: his heart. With the tension between them growing to be unbearable, David's seemingly incorruptible master has left him no choice. Putting his finely honed skills of seduction and manipulation to good use, he will convince Richard to forget all about his well-meaning objections and give in to sweet, sinful temptation.
