From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how

to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

This is version 2 of the CFPB Supervision and Examination Manual. It is the guide examiners use in overseeing companies that provide consumer financial products and services. Originally released in October 2011, it describes how the CFPB supervises and examines these providers and gives our examiners direction on how to determine if companies are complying with consumer financial protection laws. The manual has been updated in this edition to reflect the renumbering of the consumer financial protection regulations for which the CFPB is responsible. The numbering conventions in the Code of Federal Regulations (CFR) allow the reader to easily identify which regulations fall under a particular agency's responsibility. The renumbering incorporated throughout the manual reflects the Dodd-Frank Act of 2010 transfer of rulemaking responsibility for many consumer financial protection regulations from other Federal agencies to the CFPB. In December 2011, the CFPB published its renumbered regulations in the Federal Register. The renumbered regulations also included certain technical changes but no substantive changes. The CFPB's renumbering reflects the codification of its regulations in Title 12 (Banks and Banking), Chapter X (Bureau of Consumer Financial Protection) of the CFR. For example, before July 21, 2011, the Federal Reserve had rulemaking authority for the Home Mortgage Disclosure Act, which was codified in Title 12, Chapter II (Federal Reserve System), Part 203. The CFPB's implementing regulation for the Home Mortgage Disclosure Act is now codified in Title 12, Chapter X, Part 1003. In addition to changes related to the renumbering of the CFPB regulations, the manual incorporates updated interagency examination procedures for the Truth in Lending Act (TILA) and for the Fair Credit Reporting Act (FCRA), both of which were revised to reflect statutory and regulatory changes. Specifically, changes to the TILA procedures include amendments to TILA and its implementing Regulation Z pursuant to the Credit Card Accountability Responsibility and Disclosure Act of 2009.

Changes to the FCRA procedures include Dodd-Frank Act amendments that require the disclosure of a credit score and related information when a credit score is used in taking an adverse action or in risk-based pricing. Finally, the manual was updated to incorporate: new examination procedures released since the issuance of the manual in October 2011 (covering mortgage origination; short-term, small-dollar lending; SAFE Act; and consumer reporting); the June 21, 2012, Interagency Guidance on Mortgage Servicing Practices Concerning Military Homeowners with Permanent Change of Station Orders; and, technical corrections and formatting changes. This examination manual provides internal guidance to supervisory staff of the CFPB. It does not bind the CFPB and does not create any rights, benefits, or defenses, substantive or procedural, that are enforceable by any party in any manner. While every effort has been made to ensure accuracy, examination procedures should not be relied on as a legal reference.
