For sixteen-year-old Geth Montego, zero o'clock begins on March 11, 2020. By June, she wonders if it will ever end. "An insightful, eye-opening, and inventive story. C.J. Farley has penned a novel that sheds an important light on real issues facing young people today." --Angie Thomas, author of *The Hate U Give* "For fiction with a sense of realism, this is a coming-of-age young adult book whose title is the same as that of a 2020 song by superstar boy band BTS, 00:00 (Zero O'Clock), with vocals by Jungkook, Jimin, Jin and V. Author C.J. Farley's novel grapples with the stresses and trauma of 2020." --South China Morning Post "Remember when New Rochelle was frantically sanitizing office buildings and rapidly shutting things down in the beginning of 2020? Well, Geth remembers, as her character dealt with being a senior in high school in the first New York town COVID raged through in Zero O'Clock by Christopher John Farley." --The Root "Geth is a likable, smart Gen Z protagonist in this modern epistolary work that combines diary entries, text messages, news reports, emails, and English lit essays to immersive effect...Farley offers readers undeniable value in this retelling of recent, unforgettable history." --Kirkus Reviews "[Farley's] brilliance is in getting into the mind of a 16-year-old Black girl and giving her a vivid voice." --Booklist In early March 2020 in New Rochelle, New York, teenager Geth Montego is fumbling with the present and uncertain about her future. She only has three friends: her best friend Tovah, who's been acting weird ever since they started applying to college; Diego, who she wants to ask to prom; and the K-pop band BTS, because the group always seems to be there for her when she needs them (at least in her head). She could use some help now. Geth's small city becomes one of the first COVID-19 containment zones in the US. As her community is upended by the virus and stirred up by the growing Black Lives Matter protests, Geth faces a choice and a question: Is she willing to risk everything to fight for her beliefs? And if so, what exactly does she believe in? C.J. Farley captures a moment in spring 2020 no teenager will ever

forget. It sucks watching the world fall apart. But sometimes you have to start from zero.

Meeting a man in Vegas is easy. Finding one to settle down with? Not so much. When I relocated to Sin City for my job, I decided this was my fresh start to get away from old habits, including my penchant for dating the wrong type of guy. Namely, bad boys. So, I came up with an experiment to make me expand my dating horizons. I can only talk to men whose name begins with a certain letter of the alphabet. After I meet them, we hang out, and we might date for a short period of time, but if he's not the one I move on to the next letter. It's easy, and it leads me to meeting all kinds of new men until one night at the bar, a very sexy bartender discovers my little plan. The cocky bastard of a bartender is Nicolás Antonio Santiago, and he's as gorgeous as his name. Enthusiastic, charming, and clever, Nic takes to my love life with interest and helps me with my pursuits. We become fast friends, and he whisks me on his wild adventures. His impulsive ways become addictive, and while I've been trying to stay away from bad boys, I find myself falling for one. As our relationship grows intense, I have to push my desires aside and stay the course. Nic doesn't do love or relationships. Even if the sexual tension between us is palpable, I have an experiment to finish, and the next letter in my list is far from N. They say what happens in Vegas stays in Vegas. My fear is when I leave, my heart will stay here too.

BTS Bts

There are two sides to the BTS story. The all too familiar rags to riches odyssey in which seven young South Korean boys (RM,

Suga,V, J-Hope, Jin, Jimin, Jungkook) emerge from obscurity to become true superstars in the pop music universe. Of equal importance was the relationship between the wide-eyed group members and the forward-thinking head of their record company, Bang Si-hyuk, which resulted in newfound freedom and a new way of creating the K-Pop sound. Both of these elements and more are the subject of the book *Burn the Stage: The Rise of BTS and Korean Boy Bands* by New York Times-bestselling author Marc Shapiro. This timely look at BTS and the K-Pop genre, told in quotes and anecdotes from BTS, delves into the history of K-Pop music, its pivotal twists and turns, insights into the modern K-Pop training and audition process, as well as the rise of BTS and their personal and professional development on the road to worldwide popularity. Author Marc Shapiro acknowledges that making the BTS story more than a mere rehashing of familiar material was a challenge. "This was an opportunity to follow the story of what many considered 'The Next Big Thing' hand in hand with the group in fairly real time. Seeing what they experienced as it happened rather than looking back on their lives years later. There was a sense of immediacy that appeared more in tune with the way the world turns now. Which is fast." As with the current state of pop culture, BTS and the K-Pop world are constantly evolving and presenting new challenges and ideas. *Burn the Stage: The Rise of BTS and Korean Boy Bands* chronicles BTS in the now. There will certainly be a future.
