Designed for total learning success by experts in elementary education, Everyday Success Kindergarten features a variety of essential early learning skills in a single volume. Specifically for kindergarten-aged children, this workbook reinforces concepts and promotes learning in three key areas: Basic Skills (colors, same and different, comparison, opposites, classifying, letter recognition, and rhyming), Math (numbers, sequencing, ordinal numbers, graphing, thinking skills, time, and money), Reading (consonants, vowels, picture clues, inferences, predications, and reading comprehension). --Take learning one step further! Each workbook is spiral bound so that pages lay flat, and each book includes a complete answer key.

Catch. Throw. Uh-oh. The yellow ball is forgotten at the edge of the water. Little by little, so no one notices, the ball floats out to sea. All alone, it travels and drifts into a storm. Tossed by waves all through the night, it sails ashore next day to a hug and a home. Luminous pastels and a rhythmic text tell a story that is exciting and reassuring.
