## CHAPMAN FINLEY

*FUBAR*. HarperCollins  
Covers more than three decades of songs, videos, concert performances, and his life story in words and pictures to provide an illustrated tribute to the king of pop parody, Weird Al Yankovic.

**Tashlinesque** Samuel French, Inc.

"Weird Al" Yankovic is one of music's most beloved figures. A skilled accordion player and songwriter, the California native is known for his meticulous parodies of popular songs, hilarious originals, and, of course, for upbeat polkas! For much of Al's career, one man has been by his side, photographing and documenting the fun and weirdness: longtime drummer Jon "Bermuda" Schwartz. Since meeting Al in 1980, Jon has taken more than 20,000 images of Al in his element: on tour, in the studio, and on video sets. *Black & White & Weird All Over* presents hundreds of images of Al, culled from Jon's personal collection of black-and-white photography. These photos only existed on contact sheets - out of mind and out of sight -

until now! From behind-the-scenes shots taken on the sets of Al's iconic videos for "Ricky," "I Love Rocky Road," "Eat It," and "Living With A Hernia," to studio sessions for Al's *Dare to Be Stupid* and *Polka Party!* LPs, *Black & White & Weird All Over* is the ultimate photographic essay of Weird Al's undisputed comedic genius.

**You Don't Know Me But You Don't Like Me**

Penguin

Where Prince and Minnesota made rock 'n' roll history--a glorious look back at one of rock's most storied clubs and the thousands of musicians who took the stage there. One of the longest running rock clubs in America, First Avenue in Minneapolis gets the rock-star treatment it deserves with this glorious celebration of a true rock 'n' roll landmark. Revised and updated through the club's 50th anniversary celebrations, the book chronicles the club's storied past--from its impressive inaugural show in April 1970 (Joe Cocker's "Mad Dogs & Englishmen" tour) up through the latest acts to take the stage at this beloved venue. In its initial incarnation as the Depot, the club hosted

music legends as varied as the Kinks, Ike and Tina Turner, Alice Cooper, and B. B. King before transforming into a disco club known as Uncle Sam's. In the '80s, First Avenue catapulted to the global stage as the hub of Prince's *Purple Rain* and the incubator for widely revered, wild-eyed indie-rock bands such as the Replacements, Hüsker Dü, Soul Asylum, and Babes in Toyland. During the past half-century, First Avenue and 7th Street Entry have hosted everyone from the Ramones to R.E.M., Wilco to the Wu-Tang Clan, Billy Idol to Billie Eilish, Lizz Winstead to Lizzo, and hundreds more--all immortalized in this volume. Over the decades, First Avenue survived corporate competitors, bankruptcy, a bitter ownership battle, and most recently, a global pandemic to become one of the most successful independent clubs in the country and ground zero to Minneapolis's thriving community of hip-hop and indie-rock acts. Amidst all that history, the book is interlaced with anecdotes, quotes, and occasionally cloudy memories from musicians, employees, and regulars--many of whom are as unique as as

the club itself. Chock full of concert photos and memorabilia collected from professional photographers and average fans alike, the book is a lavish tribute to a rock 'n' roll landmark.

Another Little Piece of My Heart Wesleyan University Press

Offers a tongue-in-cheek biography of "Weird Al" Yankovic, describes his lifestyle as a successful rock star, and includes the lyrics to all of his song parodies

Weird Al Yankovic Simon and Schuster

"Weird Al" Yankovic's new tale of Billy, the irrepressible star of the New York Times bestselling *When I Grow Up*, is an uproarious back-to-school delight. Dazzling wordplay and sparkling rhyme combine in a unique appreciation of the rewards of unabashed originality and the special joy of viewing the world gently askew.

George Lucas Rowman & Littlefield

In 1997, game studio Running With Scissors released its debut title, *Postal*, an isometric shooter aimed at shocking an imagined pearl-clutching public. The game was crass, gory, and dumb—all of which might have been

forgivable if the game had been any fun to play.

*Postal* gained enough notoriety from riding the wave of public outrage to warrant a sequel. And DLC. And a remake. And, perhaps most surprising of all, a Golden-Raspberry-winning feature film adaptation directed by the infamous Uwe Boll. In this thoughtful and hilarious tag-team performance, Brock Wilbur & Nathan Rabin probe the fascinatingly troubled game and film for what each can tell us about shock culture & mass shootings, interviewing the RWS team and even Boll himself for answers. Like it or not, *Postal* is the franchise that won't die—no matter how many molotov cocktails you throw at it.

Pretty Woman Boss Fight Books

Pete Battistini released "American Top 40 with Casey Kasem (The 1970's)" in 2005. Now comes the follow-up, "American Top 40 with Casey Kasem (The 1980's)." Battistini painstakingly documented approximately 425 weekly, Casey Kasem-hosted countdown programs from the 80s, and compiled individual program summaries for

each week exclusively for this book. In addition, the text includes a complete list of all radio stations, in the U.S. and around the world, that carried the program. Coupled with numerous testimonials of both AT40 insiders and listeners, and more than a hundred illustrations from the 80s, this book is brimming with highlights of the greatest radio program ever!

Heat 2 Standard Ebooks

From Nathan Rabin, the man who literally wrote the book ON, and with "Weird Al" Yankovic in the form of 2012's *Weird Al: The Book* returns with the ultimate guide to the man and his music.

Rock Stars on the Record Harry N. Abrams

Former staff writer for *The A.V. Club* and *The Dissolve* Nathan Rabin wrote the book on, and with, "Weird Al" Yankovic in 2012 *Weird Al: The Book*. He followed it up with 2020's *The Weird Accordion to Al*, an even more essential guide to Al's life's work. Then came *The Weird Accordion to Al: Ridiculously Self-Indulgent, Ill-Advised Vanity Edition*. The original *The Weird Accordion to Al* explored every track on all of Al's albums. Add an introduction from Al

himself and 52 hilarious illustrations from illustrator Felipe Sobreiro, and you have the definitive portrait of Al's musical career. The Ridiculously Self-Indulgent, Ill-Advised Vanity Edition went beyond the music to offer a deeper dive into Al's multi-media oeuvre by combining new illustrations from Sobreiro with lengthy appreciations of 1985's *The Compleat Al*, 1989's *UHF*, 1997's *The Weird Al Show* and Al's 2016 season as the sidekick/band-leader of *Comedy Bang! Bang!* in addition to Al's 2018 *Ridiculously Self-Indulgent, Ill-Advised Vanity Tour*. That somehow wasn't enough, so *The Sincere Movie Cash-In Edition of The Weird Accordion to Al* includes an epic exploration of 2022's *Weird: The Al Yankovic Story*, Al's award-winning and one hundred percent truthful biopic, *The perfect gift for the "Weird Al" Yankovic fan in your life*, the *Sincere Movie Cash-In Edition of The Weird Accordion to Al* is a heartfelt literary valentine to a pop icon whose music will live on forever. "Wonderfully captures the quirks and fun details that have made the Yank-

oeuvre ooze with oddness for over four decades. Nathan really shows you what makes Al's mind tick. Spoiler: It's the neurons. A must read for anyone unemployed, childless, or with ninety spare hours to kill."-Scott Aukerman "A brilliant, heartfelt cry of obsession and love for an already beloved and obsessed-over artist. Share Nathan's madness and be freed!"-Patton Oswalt. **The Fire Never Goes Out** Random House Grammy Award winner and pop culture icon "Weird Al" Yankovic delivers his first picture book, bringing his trademark wit, wordplay, and silliness to a story that explores the timeless question "What do you want to be when you grow up?" Funny and charming, this is a celebration of creativity and possibility. An Amazon Best Book of the Month! "The farce and parody make this a rare book with appeal to both kids and adults" (Booklist). It's Show-and-Tell time in Mrs. Krupp's class, and Billy just can't wait for his turn! Today the class is discussing what they want to be when they grow up, and our exuberant eight-year-old hero is bursting to tell everyone about his future

career plans. In dazzling wordplay and delicious rhymes, Billy regales his patient teacher and amazed classmates with tales of the variety of careers he wants to pursue—each more outlandish and wildly imaginative than the last! *American Top 40 with Casey Kasem* Independently Published The fact is that some of us like women and some like men and that's fine that's good in fact that's good, a good thing, but it seems to me that you've become confused. John is happy in himself, and with his boyfriend, until one day he meets the woman of his dreams. In a world full of endless possibilities why must we still limit ourselves with labels? Mike Bartlett's razor sharp play about love and identity redefines the battle of the sexes as we know it. *Cock* premiered at the Royal Court Theatre, London, on 13 November 2009. This new and revised edition was published to coincide with the West End production in 2022, starring Jonathan Bailey, Taron Egerton and Jade Anouka. [Hello Muddah, Hello Fadduh!](#) Running Press Adult From ND Stevenson, the *New York Times*

bestselling author-illustrator of *Nimona*, comes a captivating, honest illustrated memoir that finds him turning an important corner in his creative journey—and inviting readers along for the ride. In a collection of essays and personal mini-comics that span eight years of his young adult life, author-illustrator ND Stevenson charts the highs and lows of being a creative human in the world. Whether it's hearing the wrong name called at his art school graduation ceremony or becoming a National Book Award finalist for his debut graphic novel, *Nimona*, ND captures the little and big moments that make up a real life, with a wit, wisdom, and vulnerability that are all his own. Named one of Bank Street College of Education's Best Children's Books of the Year!

**Journals** *Dirty Diamonds*  
An exploration of the life and legacy of Prince discusses his vibrant and prolific output, the paradigm-shifting ideas in his music, and his wide-ranging impact on modern culture. 505 0 \$a  
Foreword / by Questlove --  
Introduction: the end --  
Man, music. Life can be so nice: his life and its

beginnings ; *Baby I'm a star*: his music and its beginnings ; *Brand new groove*: his music and its properties ; *Musicology*: his music and its imitators -- *Meaning*. Girls and boys: sex in his music ; *Walk by the mirror*: self in his music ; *What time is it?*: others in his music ; *I wish u heaven*: virtue and sin in his music ; *America*: race and politics in his music -- *Methods*, *madness*. *What's my name*: why he changed his name, and what that wrought ; *MPLS*: how his hometown made him and how he, in turn, made it ; *Call the law*: how he grew frustrated with fans and the internet ; *It's gonna be a beautiful night*: when he was onstage ; *The work*: how he produced so much for so long -- *Memory*. Such a shame our friendship had to end -- *Appendix*: Let's work: annotated discography and song index.

**Noises Off** *Independently Published*  
"Michael Mann, four-time Oscar-nominated filmmaker and writer-director of *Heat*, *Collateral*, *Thief*, *Manhunter*, and *Miami Vice*, teams up with Edgar Award-winning author Meg Gardiner to deliver Mann's first crime novel - an explosive return to the

world and characters of his classic film *Heat* - an all-new story that illuminates what happened before and after the iconic film"--  
**Horror Stories** *Andrews McMeel Publishing*  
Alexander Mackenzie was the first European to complete a land crossing of the continent of America north of Mexico, preceding the famous Lewis and Clark expedition by twelve years. In his journals he details two separate voyages: one up what is now known as the Mackenzie River to the Arctic Ocean in 1789, and another to what is now Bella Coola on the Pacific Ocean in 1792 and 1793. Both journals provide a detailed description of the many difficulties in navigating and traveling in a country that had yet to be mapped. Having to rely on Native guides and rumors, and enduring hardships that almost beggar belief, Mackenzie and his team were able to achieve their objective of finding an east to west land crossing through the Rocky Mountains and to the Pacific Ocean. Although his route didn't prove as practical as routes found by later explorers, Mackenzie has cemented himself as a

key explorer of Western Canada. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

**Postal** Henry Holt

For over fifty years Frank Jacobs has been one of MAD's premiere writers, working with virtually every important MAD artist including Al Jaffee, Jack Davis, Mort Drucker, Sergio Aragones, and Paul Coker. He has been responsible for almost all of MAD's humorous verse and song parodies and appears in more than 300 issues with over 575 credits to his name, more than any other writer or artist. In the first installment of our new MAD's Greatest Writers series, Frank Jacobs personally selects highlights from his long and influential career. The book also includes an exclusive interview with Jacobs conducted by long-time MAD editor Nick Meglin, discussing the art of parodying verse, as well as a foreword by the multi-award winning musician, "Weird Al" Yankovic.

**Weird Al** Diversion Books  
For voice and piano, with chord symbols and guitar chord diagrams.

**The Authorized Al**  
Samuel French, Inc.

Rainn Wilson's memoir about growing up geeky and finally finding his place in comedy, faith, and life For nine seasons Rainn Wilson played Dwight Schrute, everyone's favorite work nemesis and beet farmer. Viewers of The Office fell in love with the character and grew to love the actor who played him even more. Rainn founded a website and media company, SoulPancake, that eventually became a bestselling book of the same name. He also started a hilarious Twitter feed (sample tweet: "I'm not on Facebook" is the new "I don't even own a TV") that now has more than four million followers. Now, he's ready to tell his own story and explain how he came up with his incredibly unique sense of humor and perspective on life. He explains how he grew up "bone-numbingly nerdy before there was even a modicum of cool attached to the word." The Bassoon King chronicles his journey from nerd to drama geek ("the highest rung on the vast, pimply ladder of high school losers"), his years of mild debauchery and struggles as a young actor in New York, his many adventures and insights

about The Office, and finally, Wilson's achievement of success and satisfaction, both in his career and spiritually, reconnecting with the artistic and creative values of the Bahá'í faith he grew up in.

**Weird** Bloomsbury Publishing  
One of Amazon's Best Books of 2016 So Far  
Music critic Steven Hyden explores nineteen music rivalries and what they say about life Beatles vs. Stones. Biggie vs. Tupac. Kanye vs. Taylor. Who do you choose? And what does that say about you?

Actually--what do these endlessly argued-about pop music rivalries say about us? Music opinions bring out passionate debate in people, and Steven Hyden knows that firsthand. Each chapter in **YOUR FAVORITE BAND IS KILLING ME** focuses on a pop music rivalry, from the classic to the very recent, and draws connections to the larger forces surrounding the pairing. Through Hendrix vs. Clapton, Hyden explores burning out and fading away, while his take on Miley vs. Sinéad gives readers a glimpse into the perennial battle between old and young. Funny and accessible, Hyden's writing combines cultural criticism, personal anecdotes, and music history--and just may prompt you to give your least favorite band another chance.
