The symptoms of borderline personality disorder (BPD) include severe mood shifts, unfounded accusations and wildly inappropriate displays of anger, a range of self-destructive behaviors, and

frantic efforts to avoid abandonment. For the friends and families of people with BPD, The Stop Walking on Eggshells Workbook supports and reinforces the ideas in its partner book Stop Walking on Eggshells. The Stop Walking on Eggshells Workbook can be used by itself, or as an accompaniment to the first book. A practical guide to successfully navigating life with someone with BPD, it's chock full of worksheets, checklists, and exercises to help them apply what they've learned to their own relationship. It includes a form to help to fill in when looking for a clinician, a list of phrases to use, and a glossary of BPD-related terms. The book is easy to read and right to the point.

*The Unofficial Guide to Walt Disney World with Kids 2012* The Unofficial Book of Cricut Crafts Imagine being able to fly. Walk through walls. Shape-shift. Breathe underwater. Conjure loved ones—or total strangers—out of thin air. Imagine experiencing your nighttime dreams with the same awareness you possess right now—fully functioning memory, imagination, and self-awareness. Imagine being able to use this power to be more creative, solve problems, and discover a deep sense of well-being. This is lucid dreaming—the ability to know you are dreaming while you are in a dream, and then consciously explore and change the elements of the dream. A Field Guide to Lucid Dreaming, with its evocative retro illustrations, shows exactly how to do it. Written by three avid, experienced lucid dreamers, this manual for the dream world takes the reader from step one—learning how to reconnect with his or her dreams—through the myriad possibilities of what can happen once the dreamer is lucid and an accomplished oneironaut (a word that comes from the Greek oneira, meaning dreams, and nautis, meaning sailor). Readers will learn about the powerful REM sleep stage—a window into lucid dreams. Improve dream recall by keeping a journal. The importance of reality checks, such as “The Finger”—during the day, try to pass your finger through your palm; then, when you actually do it successfully, you’ll know that you’re dreaming. And once you become lucid, how to make the most of it. Every time you dream, you are washing up on the shores of your own inner landscape. Learn to explore a strange and thrilling world with *A Field Guide to Lucid Dreaming*.

Join Chuck as he explores Dr. Luke's carefully researched and strikingly human account of the life of Jesus. Luke describes the man, Jesus, and His ministry in vivid detail. He shows that Jesus is the perfect God-man, the all-powerful Creator who became human to save all of humanity, Jew and Gentile alike. The 15-volume Swindoll's Living Insights New Testament Commentary series draws on Gold Medallion Award-winner Chuck Swindoll's 50 years of experience with studying and preaching God's Word. His deep insight, signature easygoing style, and humor bring a warmth and practical accessibility not often found in commentaries. Each volume combines verse-by-verse commentary, charts, maps, photos, key terms, and background articles with practical application. The newly updated volumes now include parallel presentations of the NLT and NASB before each section. This series is a must-have for pastors, teachers, and anyone else who is seeking a deeply practical resource for exploring God's Word.

No one wants to get rid of obsessive-compulsive disorder more than someone who has it. That's why Talking Back to OCD puts kids and teens in charge. Dr. John March's eight-step program has already helped thousands of young people show the disorder that it doesn't call the shots—they do. This uniquely designed volume is really two books in one. Each chapter begins with a section that helps kids and teens zero in on specific problems and develop skills they can use to tune out obsessions and resist compulsions. The pages that follow show parents how to be supportive

without getting in the way. The next time OCD butts in, your family will be prepared to boss back—and show an unwelcome visitor to the door. Association for Behavioral and Cognitive Therapies (ABCT) Self-Help Book of Merit
