### NELSON NICHOLSON

---

Dave Pelz's Putting Bible Simon and Schuster

This comprehensive collection of experience and expert instruction from seven living golf legends is ideal for beginning and seasoned golfers alike.

Featured are Billy Casper, Bobby Nichols, Bob Watson, and four other golf greats, each holding forth on the subject he knows best. 150 photographs.

*The A Swing* Wiley

One of the world's most sought-after golf instructors and a PGA Teacher of the Year makes it easy to be your own coach, customizing your golf swing for phenomenal accuracy. In his decades as a renowned golf coach and player on the PGA and Champions tours, Jim Hardy has attracted not only a clientele of impressive players, but top teachers from around the globe flock to his clinics as well. At the heart of his approach is a simple philosophy: There is no universally right or wrong way to swing a golf club. In fact, Hardy teaches that every person's golf swing is as unique as a strand of DNA. Of course, this creates a challenge for instructors. Now, in *Solid Contact*, Hardy distills his remarkable system for readers of all skill levels, teaching them how to self-diagnose their shots and correct their swings and misses on the very next shot. Packed with instructional drawings and anecdotes about lessons that spurred turnarounds for the best instructors and pro golfers in the game, *Solid Contact* addresses the unique aspects of each golfer's swing. Hardy's plus/ minus system draws on three actions: the swing, the swing's impact, and ball flight. Working through evidence in each of

these three categories, readers can tailor their actions to address weak points for dramatically improved effectiveness. Putting the world's best instructional techniques in the hands of all readers, *Solid Contact* delivers lasting results in record time.

**Build the Swing of a Lifetime** National Geographic Books

The PGA Manual of Golf is the PGA's exclusive and exhaustive encyclopedia on how to play golf. It includes everything from how to hit the longest drive to how to sink those eight-foot putts. There are complete sections on the history of the game, special shots, course strategies, equipment, the player's mental approach, and more. Great golfers talk about their special techniques and practice habits, with photos illustrating what works and doesn't, and how any player can learn from past mistakes. The book is fully illustrated with dozens of sequence shots, line drawings, and schedules of practice drills to help all golfers improve their game the PGA way. It's all the imaginable golfing questions covered in one book, and it's endorsed and used by the teaching pros on the PGA. Dr. Gary Wiren, one of only eighty PGA Master Professionals in the United States, is one of them.

*Playing with the Pros* McGraw Hill Professional

Hungry Minds and Running Press celebrate over 100 million Forummies[registered] books in print with the publication of hardback gift editions of best-selling how-to guides; *Essentials For Dummies*[registered] is new series of large-format hardbacks illustrated with full-colour photography on popular subjects from *For Dummies*[registered] - the world's best-selling instructional guides. *Golf Essentials for Dummies*[registered] is gift edition of a classic title sure to be appreciated by anyone trying to earn golf or improve their game. **The Release** Harper Collins

Looks at golf equipment, swings, long game, short shots, pitching, putting, and chipping; discusses golf etiquette; and dissects the golf swings of such champion players as Johnny Miller, John Daly, and Ben Crenshaw.

**The PGA Manual of Golf** Lyons Press

The Putting Prescription The Putt Doctor's Proven Method for a Better Stroke Dr. Craig L. Farnsworth Author of See It & Sink It The doctor is on the golf course! Dr. Craig Farnsworth has helped more than 125 Tour pros improve their putting games from good to outstanding. Now, you can raise the level of your game using the same innovative techniques that have helped Nick Faldo, Annika Sörenstam, Bernhard Langer, and many others become masters of the green. Whether you suffer from sloppy setup, tight grip, pushing, pulling, or "the yips," The Putting Prescription will cure what ails you!

"I have worked with Craig over the years and have used and applied his prescriptions and drills myself. I particularly love the string and needles drill. All you need to do is add a bit of practice." -Nick Faldo, six-time Majors winner on the PGA Tour, member of the World Golf Hall of Fame, and analyst for CBS and the Golf Channel

"As a veteran PGA Tour player, I've studied many golf books and listened to more than my share of instructors. Dr. Farnsworth's putting method is the most complete and thorough I've read. He has helped my putting and he can help yours too." -Scott McCarron, PGA Tour player

"I have had the honor to work with the leading putting coaches in the world and Dr. Craig Farnsworth is the best of the best. His understanding of putting is by far the most comprehensive, and his ability to communicate that knowledge is second to none. I have seen him transform the game of a PGA superstar and elevate the games of 'weekend warriors.'" -Mike Adams, Golf Digest Top-50 Instructor and Golf Magazine Top-100 Teacher

"Dr. Farnsworth is the premier specialist in helping golfers of all abilities become the best putters they can be. His attention to detail and creative use of drills and games are the best in the game. This book will help you get to the next level." -Brian Mogg, Golf Magazine Top-100 Teacher

"Having seen the direct benefit to my own game, it is crystal clear to me why so many PGA and LPGA players ultimately find their way to Dr. Farnsworth. He does a wonderful job of blending state-of-the-art teaching methods with the specific needs of the student. I am very cautious about referring my students to instructors. However, I enthusiastically refer my players to Dr. Farnsworth." -Dr. Gary Brown, Golf Performance Specialist, Intelligent Golf

"I have utilized Doctor Farnsworth's information in my instructional programs since meeting Doc in 1998. His knowledge has transformed my teaching and my own game, allowing me to be the Michigan PGA Teacher and Player of the Year in 2005. Following the Doc's prescriptions will help transform everyone's putting!" -John L. Dal Corobbo, Director of Instruction, The Training Academy at Prairie View

*The Wedge Book* Villard Books

The Six-Spoke Approach to Golf reveals what the world's top golf professionals know: To play your best you need to focus not just on technique but on all six aspects of playing well. If your body, mind, game analysis, practice regimen, equipment, and technique are not in balance and working with you, they're actually working against you. Golfers who follow the Six-Spoke Approach significantly improve their scores, have greater strength and flexibility, gain more confidence in their game, and demonstrate an increase in their overall satisfaction and enjoyment of golf.

*How to Become a Complete Golfer* Simon and Schuster

In 1966, Carl Lohren made a breakthrough, and *One Move to Better Golf* explains it all. Highly regarded as an instructor and player in the New York Metropolitan PGA Section, Lohren formed his ideal golf swing after years of studying master golfer Ben Hogan. His eyes were opened at the 1964 Carling Open when he watched Hogan select an 8-iron and take a short swing on a 150 yard shot. To Lohren's surprise, Hogan's ball exploded off the clubface and wound up ten feet from the pin! This inspired Lohren to start his swing by turning his left shoulder as Hogan had. Immediately upon doing so, Carl's ball flight took on a different look: it had a piercing trajectory, with plenty of carry and roll. Carl continued to refine his method, so that in 1968, he won the NY State PGA Championship in a playoff over former Ryder Cup player Bill Collins. In *One Move to Better Golf*, Lohren explains a simple method of starting the golf swing with one move that incorporates the fundamentals. In doing so, he gives you a framework of confidence for your swing. He also provides students with a complete methodology of the physical and mental preparation necessary for effective shotmaking. Whether you are a low or high handicapper, *One Move to Better Golf* will give you a clear understanding of the total golf swing.

**Know Your Swing** Crown

Improve your swing with the teacher the pros trust: "(Jim Hardy) was the one person who really had the greatest influence on me in terms of my teaching. Jim had such an incredible mind for the game of golf." --From *The Only Golf Lesson You'll Ever Need* by Hank Haney, Tiger Woods' golf coach "Jim Hardy is the most knowledgeable teacher in golf. No other instructor has his understanding of golf swing techniques and what makes them work." --Peter Jacobsen, Champions Tour player and winner of seven PGA Tour championships "Jim Hardy's theories and explanation of the two distinct swing planes used in golf are perhaps the most important instructional book any golfer could ever own." --Inside Golf "In my book, Jim Hardy is at the top. His information is the best. His presentation is logical and unique. He has discovered, through original thought, new information that will help every golfer. I have seen it at work and the results are amazing." --Carol Mann, LPGA Hall of Fame member

**Vector Putting** Penguin

Short game shots in your golf game don't have to be complicated-unless you're getting all kinds of conflicting information about technique and

strategy. In *The Wedge Book*, Brandon Stooksbury cuts through the confusion and provides you a clear, straightforward plan to build your short game from the smallest bump-and-run to a 50-yard pitch shot. By using the same baseline technique and adding specific elements for certain shots, you'll be able to take away the mystery and indecision that can ruin a golf hole so easily. Stooksbury's advice has been proven in the highest levels of competitive golf. And now, with *The Wedge Book* and a month or so of practice-you can take it to your course.

*Play Better Golf* McGraw Hill Professional

In *Kinetic Golf*, Nick Bradley uses 115 extraordinary photographs, accompanied by clear, direct text, to raise the bar on golf instruction and give golfers—amateur or professional—a unique way of actually feeling their way to mastering the game. Offering insights that words alone cannot convey, the book provides a vastly improved golf game as the reward. Drawing upon his deep knowledge of trade and Tour secrets, Bradley shows how to build a powerful and consistent game while also debunking many of the myths that cloud the confidence and hinder the performance of the novice and developing golfer. Throughout *Kinetic Golf*, Bradley boils down the very essence of swing motion and technique, blends it with a feeling, and then creates an image that says it all. Take one look, and you'll get the picture.

**The Putting Prescription** Wiley

Talk to any and all golfers, be they Tour professionals or once-a-month country clubbers, and you'll hear that they want to improve their game in some way. But up until now, most expert books on golf instruction have focused only on the approach advocated by a particular teaching pro or famous player; the authors usually talk about "the golf swing" or "the putting stroke" as if there is only one way to do it -- their way. With *How to Learn Golf*, the first comprehensive guide to contemporary golf instruction, Harry Hurt III will help you become a better golfer by identifying what type of player you really are, and which of the several leading methods are right for you and your golfing goals. Based on Hurt's sessions with all of America's top ten instructors, this book helps you choose between the two main types of golf instruction available -- error correction, which offers a quick fix for a specific swing flaw, and swing development, where the focus is on building the swing from top to bottom. Hurt provides illuminating detail on the most effective approaches to improving each aspect of your golf game: putting, the full swing, the short game, and the all-important mental game. Hurt also includes a biographical listing of the best golf instructors nationwide and where their expertise lies, so you can determine who may be best suited to your needs. And if you've never sought an instructor before or you've had problems communicating with yours, there are two handy worksheets: eighteen questions you should ask your teaching pro and eighteen questions your pro should ask you. From beginners and high handicappers to scratch players and Tiger Woods wannabes, golfers of all skill levels looking to take the next step to improving their games need only look to *How to Learn Golf*.

McGraw Hill Professional

From top players on the professional tours to weekend hackers, golfers have paid thousands of dollars to study with Jim Flick. Now in paperback, Flick's book makes his unique, golfer-friendly, one-on-one teaching method accessible to anyone who wants to play the game.

**One Move to Better Golf** Journey Editions (VT)

Many people spend years attempting to perfect their golf swing, while still failing to hit the ball as well as they would like. Glenn Monday, a golf instructor with 30 plus years of experience, guarantees that by following his Winning Instruction Formula, players will improve their golf swing.

Monday focuses on building a proper golf swing step by step, from the ground up. Monday's technique focuses on concise explanations, incremental advancement, and the repetition of practical exercises to guide the player to obtaining a better golf swing. Numerous photographs and easy-to-follow line drawings vividly illustrate Monday's drills and methods. Specifically, Monday focuses on five main components of the golf swing: The Swing Path; Grip; Leg Action; Power Stance; Rhythm Know Your Swing is designed for golfers of all playing levels, including junior players, women, and seniors. It's for players who are picking up a club for the first time, as well as the advanced golfer who is looking to a fine tune a certain aspect of his/her game. Know Your Swing may also be used by experienced golfers to teach elements of the game to beginner or intermediate players.

**Build Your Swing** Macmillan

"Through this wonderful book, frustrated golfers can learn to swing like Moe [Norman] and improve their games." —Anthony Robbins, #1 New York Times—bestselling author The mysterious and reclusive genius Moe Norman is acknowledged as the best ball-striker in the history of golf by many of the game's greats. The *Single Plane Golf Swing: Play Better Golf the Moe Norman Way* reveals the secrets of the swing that enabled him to hit the ball solidly with unerring accuracy and consistency—every time. Norman's simple, efficient, and easily understood *Single Plane Swing* has improved the games of thousands of golfers. Golf professional Todd Graves, known as "Little Moe" and regarded as the world authority on Norman's swing, comprehensively teaches readers the mechanics, drills, and feelings of the *Single Plane Swing* that Moe called "The Feeling of Greatness." Graves shares Norman's brilliant insights and liberating approach to the game and demonstrates why the conventional "tour" swing is too complex and frustrating for the majority of amateurs. Illustrated with more than 300 photographs and written with Tim O'Connor, Norman's biographer, the book also engagingly tells Norman's bittersweet life story and explores the teacher-student bond forged between Norman and his protégé Graves. "One of golf's greatest untold stories, Moe Norman's life illustrated a simple and powerful truth: greatness is built from practicing the right swing in the right way. In this book, Todd Graves has given us a blueprint for that swing, for those practice habits, and most of all for a process that builds success."

—Dan Coyle, New York Times—bestselling author of *The Culture Code*

*How to Learn Golf* Total Golf™ A comprehensive guide to improving your game. Contains over 400 color photographs, including 40 stop-action swing sequences plus hints & tips for women golfers & seniors"--Jacket Know Your Swing

With over 60 years of coaching amateur players, as well as professionals of the calibre of Tom Kite, Ben Crenshaw and Byron Nelson, golf teacher and former University of Texas coach Harvey Penick has a wealth of golfing experience on which to draw. His ability to see through all the technical jargon associated with the golf swing, means that all players, whatever their level, can follow his teachings to get the most out of their game.

**Every Shot Must Have a Purpose** Echo Point Books & Media, LLC

Learn How to Golf Like a Pro and Free Your Golf Swing for Longer and Straighter Shots! The Good at Golf Training Method features 120 effective golf tips and lessons to improve your game step-by-step. Its number one goal is to help you play more consistent and better golf. It's a thirty day,

complete golf workout. You'll improve on all areas of your game (short game, long game, mental game and golf fitness). With this book you will not just follow a trend or try some golf tips but improve systematically. This way you get the most out of your time. This is what the Good at Golf Training Method will do for you This isn't a book to read like a Grisham novel nor is it a picture book filled with fancy images. The Good at Golf Training Method is single-mindedly dedicated to help you play your best golf. Ideally you read one page of golf instruction per day and do the described golf exercise. Just by immersing yourself in the different exercises and areas of the game you will improve step-by-step and learn how to practise effectively. Golf practice the right way. You'll learn how to: Use golf drills effectively Tackle your short game to improve your putting, chipping and get up and down more often Work on your long game to hit your irons, driver and fairway woods flush and straight Stay calm and seasoned with mental toughness Take the right steps to create the perfect golf swing for you Put everyday items to use as golf training aids Use a golf journal to motivate yourself and keep track of your progress If you struggle with different areas of your game The Good at Golf Training Method helps you to get straight down to the nitty-gritty details of your problems. *More Instant Golf Lessons* Ultimate Books

This golf book is second to none when it comes to educating both golfers and golf coaches on the various aspects of practice that enables the highest level of golf performance. There is a science when it comes to learning, and this golf book attempts to break it down into a pleasant read. When it comes to learning about golf most writings are based solely on mechanics, whereas this golf book goes to the cause, not the effect of all golfers problems - practice. Practice is the number one reason golfers stifle their skill development, and the overall goal of this golf book is change that.

Golfers focus far too much on bashing golf balls rather than hitting golf shots. Expert Golfer is one of few golf book to compile evidence based coaching strategies that have been used out in the field. Whether you are a golf professional giving golf lessons on the driving range, or you are an avid golfer looking to get better and shave a few strokes off your game, this golf book is what you need. Motor learning, cognitive psychology, and neuroscience are domains that this golf book shares in a practical way. Some of the latest in elite performance research is broken down in a way that is much easier to read, whilst still upholding a scholarly vibe. You'll learn about: Group and individual training Varying the conditions for greater learning Interleaving and blocking practice sessions The effects of spacing and distributing during practice And a lot more! These are just some of the items discussed in this golf book! The best golfers in the world seem to leave their spectators in awe. Their high level of motor skill when executing fine movements in a game that breeds more frustration than inspiration makes it difficult to comprehend. The complexity of golf's main aim (getting the little white ball in the hole and bypassing the obstacles presented around it) caused mathematicians to conclude that without proper practice and form, this goal is unlikely. How do they do it? What makes them so special? Why are they so good? This book will guide you through scientific principles that reveal how the best became the best. Although Expert Golfer has been written and designed as a book, it does possess characteristics of a golf manual, due to its nature of high level information. Learning scientists have spent their lives trying to understand what makes elite performers elite, and what makes the best better than the rest. It is now time to use what they have found, and apply it to our industries coaching. Call it a golf manual if you please, the content is what differentiates this book, from any other you have ever read.
