Winner of the James Beard Award for Best American Cookbook "Between Harlem and Heaven presents a captivatingly original cuisine. Afro-Asian-American cooking is packed with unique and delicious layers of flavor. These stories and recipes lay praise to the immense influence the African Diaspora has had on global cuisine." — Sean Brock "This is more than just a cookbook. Alexander and JJ take us on a culinary journey through space and time that started more than 400 years ago, on the shores of West Africa. Through inspiring recipes that have survived the Middle Passage to

seamlessly embrace Asian influences, this book is a testimony to the fact that food transcends borders." — Chef Pierre Thiam In two of the most renowned and historic venues in Harlem, Alexander Smalls and JJ Johnson created a unique take on the Afro-Asian-American flavor profile. Their foundation was a collective three decades of traveling the African diaspora, meeting and eating with chefs of color, and researching the wide reach of a truly global cuisine; their inspiration was how African, Asian, and African-American influences criss-crossed cuisines all around the world. They present here for the first time over 100 recipes that go beyond just one place, taking you, as noted by The New Yorker, "somewhere between Harlem and heaven." This book branches far beyond "soul food" to explore the melding of Asian, African, and American flavors. The Afro Asian flavor profile is a window into the intersection of the Asian diaspora and the African diaspora. An homage to this cultural culinary path and the grievances and triumphs along the way, *Between Harlem and Heaven* isn't fusion, but a glimpse into a cuisine that made its way into the thick of Harlem's cultural renaissance. JJ Johnson and Alexander Smalls bring these flavors and rich cultural history into your home kitchen with recipes for... - Grilled Watermelon Salad with Lime Mango Dressing and Cornbread Croutons, - Feijoada with Black Beans and Spicy Lamb Sausage, - Creamy Macaroni and Cheese Casserole with Rosemary and Caramelized Shallots, - Festive punches and flavorful easy sides, sauces, and marinades to incorporate into your everyday cooking life. Complete with essays on the history of Minton's Jazz Club, the melting pot that is Harlem, and the Afro-Asian flavor profile by bestselling coauthor Veronica Chambers, who just published the wildly successful *Yes, Chef* by Marcus Samuelsson, this cookbook brings the rich history of the Harlem food scene back to the home cook.

A definitive and approachable guide to life during, and after, breast cancer The biggest risk factor for breast cancer is simply being a woman. Madhulika Sikka's *A Breast Cancer Alphabet* offers a new way to live with and plan past the hardest diagnosis that most women will ever receive: a personal, practical, and deeply informative look at the road from diagnosis to treatment and beyond. What Madhulika Sikka didn't foresee when initially diagnosed, and what this book brings to life so vividly, are the unexpected and minute challenges that make navigating the world of breast cancer all the trickier. *A Breast Cancer Alphabet* is an inspired reaction to what started as a personal predicament. This A-Z guide to living with breast cancer goes where so many fear to tread: sex (S is for Sex - really?), sentimentality (J is for Journey - it's a cliché we need to dispense with), hair (H is for Hair - yes, you can make a federal case of it) and work (Q is for Quitting - there'll be days when you feel like it). She draws an easy-to-follow, and quite memorable, map of her travels from breast cancer neophyte to seasoned veteran. As a prominent news executive, Madhulika had access to the most cutting edge data on the disease's reach and impact. At the same time, she craved the community of frank talk and personal insight that we rely on in life's toughest moments. This wonderfully inventive book navigates the world of science and story, bringing readers into Madhulika's mind and experience in a way that demystifies breast cancer and offers new hope for those living with it.

One of the most popular of the south European epic heroes—a counterpart of the French Roland or Spain's El Cid—Prince Marko has not been well known in America. The historical Marko headed a small kingdom in Macedonia in the fourteenth century. A vassal of the Turkish sultans, he was a relatively minor historical figure. Yet in the oral tradition he was transmuted into a figure of legend, the great hero who protected the South Slavic people from injustice and oppression. In *Prince Marko*, Popovic traces the epic hero's themes, over time and across countries. She looks at the factual and fictional images of Marko, especially as he was presented in epic poetry and popular lore. Popovic also examines the legend and history of the Prince as revealed in many epic songs. Prince Marko is a compelling account of a medieval king transformed by epic bards into a legend that will appeal to historians, anthropologists, and folklorists.

A New History of Painting in Italy The Legend of Zelda - Tears of the Kingdom - Strategy Guide

"At the age of thirty-five, the fashionable Viennese playwright and journalist Theodor Herzl fantasized about the collective conversion of the Jews in a mass ceremony at the cathedral of St.

Stephen. By the time he died, a mere nine years later, he had redefined Jewish identity in terms of a modern secular faith and created a national movement which, within less than half a century, led to the foundation of the Jewish state." So begins Ernst Pawel's remarkable study of Herzl. In *The Labyrinth of Exile* Pawel restores the vital link between the myth of the founding father of Zionism and the human being and demonstrates that the reality of Herzl's life is much more complicated and far more interesting. Legendary and all too human, Herzl remains one of the emblematic figures of modern times.
